An international applicant accepted for admission to a graduate program at Pace University who requires a Certificate of Eligibility for a student visa must submit the International Applicant Financial Affidavit below. The completed affidavit must be submitted with a letter from a bank indicating the availability of sufficient funds in US dollars available for one year of study. Applicants are advised to obtain two sets of bank documentation in order to have one set for the embassy use.

I certify that I have _____ US dollars available to me for the following expenses of my graduate education at Pace University.
(insert amount from below)

I have indicated the source of my financial support below and have attached original bank documentation in US dollars. The information I have provided on this affidavit is correct and complete. I know that giving false information on this affidavit or in support documentation may result in the cancellation of my admission to Pace University. I also understand that the entire tuition and general institution fee is due at the time of registration for each term, that the insurance cost is an annual fee, and that costs may rise in succeeding terms. I also understand that if I am required to enroll for English language coursework, additional costs will ensue.
