

# PACE UNIVERSITY OASIS PROGRAM

## INDEPENDENT. CONFIDENT. SUCCESSFUL.

**The Ongoing Academic and Social Instructional Support (OASIS) program at Pace offers one of the most comprehensive college support programs for students with learning differences. A true college experience is more than just the completion of coursework. It is a time for students to grow, make friends, and develop skills to succeed not just in the workplace, but in life. The OASIS program at Pace University is designed to do just that.**

- **Designed for students** with autism spectrum disorders, learning challenges, nonverbal learning differences, and related challenges.
- **Academic coaches meet with students** several times a week to assist with assignments, organization, and management of studies.
- **Personalized study plans** leverage student strengths and address individual challenges.
- **Students learn alongside peers** where accommodations in courses are provided, but the work is not modified and remains at the college level.
- **Campus life coordinators and social coaches help students to integrate into dormitory and campus life**, including club participation, activities, trips, and more.
- **Collaboration with Career Services and outside agencies** provide opportunities for internships and future employment.
- **Graduate with a bachelor's degree** in any field of study.

**“I feel like I am following the path of what I have to do in order to succeed, break through the walls, and pursue my dreams to become the person I want to be.”**
