Student Gown Orders

Attention January 2008, May 2008 and September 2008 Graduates planning on participating in the 2008 Commencement ceremony:

Remember to order your cap and gown by the March 14, 2008 deadline date. The custom gown uniquely signifies the Pace experience through the use of school colors and seal and instantly differentiates a Pace University graduate from any other graduate. Gowns at Pace are royal blue with gold panels and collars. Each gown bears the Pace University seal as well. The custom made gowns will be difficult to get after the March 14, 2008 deadline date, so order yours now!

Academic attire consisting of a cap, gown, and hood will be distributed to all graduates participating in the ceremony (see Distribution Date and Location). **Only those graduates participating in academic attire will receive guest admission tickets.**

For your convenience, we are providing online service to order your cap, gown, and hood. To place your order please log on to www.herffjones.com/college/graduation [1] and complete the online order form. Your cost for the cap, gown, and hood will be approximately \$52 to \$81 depending on your degree. **You must order your academic attire prior to the March 14, 2008 deadline.** The online Herff Jones site will close at midnight on March 14. If you do not order online prior to the March 14 deadline, you must contact your commencement coordinator no later than the distribution date. No refunds will be given after the distribution date. (see Distribution Dates and Location).

Note: We will order a small quantity of extra gowns and they will be made available on the distribution date. Please keep in mind that Pace gowns are custom-made and will be available on a first-come, first-served basis. Once we have depleted the supply of extra gowns, we will not be able to fill additional orders. Size and hood colors cannot be guaranteed. We recommend that you order your gown prior to the March 14 deadline to insure that you have the correct size custom gown.

Only cash payments will be accepted after the March 14 deadline. In addition, a \$25 late processing fee will be added to the cost.
