

Staff Participation

Dear Pace Staff Colleagues:

No doubt the most joyful time in the University calendar is Commencement. As we watch our students celebrate their achievements, we share in their excitement and enjoy the fruits of our collaborative work.

One of our top priorities and an indicator of our collective accomplishments, Commencement provides us one more opportunity to connect with students and their families and to leave a lasting impression upon them. For this reason, I am asking for your help at the Westchester and New York Commencement ceremonies.

Many hands are needed to make these important events work well. Even if you have never worked at a commencement, I ask that you consider doing so this year.

I also ask that you encourage your student assistants to work at one or more of the ceremonies. Student assistants are a great resource and we welcome their participation. To volunteer for one or more of the ceremonies, please complete the [Volunteer Commencement Form online](#) [1]. Volunteers need to submit through this online process for consideration. Should you have any questions, please do not hesitate to call Special Events on ext. 22711. Department heads must give permission for each staff member to work at the commencements. An e-mail confirmation will be sent to the department heads for their approval.

Once you have volunteered and been assigned, we will conduct meetings for the group leaders to review specific tasks.

Please complete the Commencement Staff Assistance Form online and submit it no later than Monday, April 2, 2007. Should you have any questions, please do not hesitate to call Special Events on ext. 22711.

Thank you and I look forward to your assistance at these very important ceremonies for our graduates.
