Assistant Professor, Psychology
Dyson College of Arts and Sciences
Pace University

The Department of Psychology within the Dyson College of Arts and Sciences of Pace University invites applications for an anticipated full time, tenure track position at the rank of Assistant Professor to begin September 2015. The position is located at Pace University’s Pleasantville, NY campus located 40 miles north of New York City. The Department offers undergraduate and graduate programs, including a PhD in Mental Health Counseling.

Applicants should have an earned PhD or equivalent in psychology, with specialization in neuropsychology, cognitive neuroscience, or a closely related field. Preference will be given to those with a record of at least 2 years of teaching experience at the undergraduate level or above. The successful candidate must be prepared to teach and mentor students within department’s undergraduate and graduate programs, and be able to guide students in effectively and professionally planning and executing research projects. The successful candidate should have a record of research and be prepared to develop, initiate, and successfully implement a program of research and scholarship within the department.

Review of applications will begin immediately and continue until the position is filled. Applications received by March 15 will receive full consideration. Please submit a letter of application, curriculum vitae, relevant syllabi, a sample publication, and three letters of recommendation to:
