careers around the globe

### New York City: Exceptional Access to Opportunities

In the center of Manhattan's business life, Lubin introduces you in person to the successful business leaders and multinational corporations you study in class. Learn directly from the world-class individuals who serve as an [Executive- or Entrepreneur-in-Residence](#) at Pace. We nurture relationships with many of the world's leading executives, to broaden and deepen your campus learning experience—far beyond what you can expect at any other business school:

- Meet [top executives](#) when they visit your classes and lecture on campus.

Off campus, we get you *through* the door and *behind the scenes* for unique opportunities, thanks to our rich and well-developed network of alumni and corporate partners. Common locales include:

- **A Fortune 100** company headquarters in metropolitan New York City
- **The Fed:** Research at the Federal Reserve - almost 100 Lubin alumni are employed here
- **NYSE:** The rush of the trading floor

### Share the Advantages of the Lubin Experience

"Through the Lubin program, I am gaining not only math and software skills, but also a better understanding of the broader context of business that requires these skills. I have matured professionally through internships and class projects; I am ready to succeed."

- [Melanie Latchman '11](#)

"Businesses today are taking advantage of complex data sets, in order to make informative data-driven decisions. Managers who specialize in global operations and building more efficient workflow systems, based on real data, have a distinctive edge. I chose the Management Science program (now called QBA) at Pace University because it focuses on real-world application and quantitative approaches to solving complex management problems."
