An Exciting and Lucrative Career

Here's what to expect with an MBA in Investment Management:

- **Excellent compensation: \$73,892** average starting salary for recent MBA in Investment Management graduates

Accelerate Your Career with Lubin Connections

Lubin puts you at the center of the world's business life, through a network of alumni and corporate partners that reaches into:

- Major financial institutions
- Media companies
- Growing businesses in every industry

Pace University has the largest internship program in the Metropolitan New York area.

Gain valuable experience in one or more internships - with internationally respected companies. Students in the MBA in Investment Management program complete at least one internship and find daily opportunities to apply the knowledge they've gained in the classroom. Recent internship sites include:

- Bank of America Merrill Lynch
- Morgan Stanley
- Terracycle

Convenient location: Pursue your MBA in Investment Management at either graduate campus:

- Lower Manhattan in the financial district
- White Plains in suburban Westchester County, NY

Connect with industry insiders: In addition to the connections and advice our faculty offer, our alumni—who are themselves industry insiders, rising and leading in a wide range of enterprises—actively connect with current students through our LinkedIn mentoring program.

Take full advantage of your dedicated team of advisers while you're here. They can guide you through the program and into your career, opening doors and making connections for you.

Elite accreditation: Lubin's dual accreditation by AACSB International, the Association to Advance Collegiate Schools of Business, in both business and accounting, is an elite distinction shared by fewer than 2% of business schools in the world.

972 students from 84 countries. Build your global network and take it with you when you graduate!

Admission Requirements

A U.S. bachelor's degree or an equivalent degree from a foreign school is the preferred undergraduate degree requirement for admission into the MBA program. In addition to a resume, a personal statement, a GMAT or GRE score report, and two recommendations, applicants

Lubin = Exceptional Access to NYC Opportunities

In the center of New York City's business life, Lubin introduces you to successful business leaders and thriving multinational corporations. Connect directly with the world-class individuals who serve as an Executive- or Entrepreneur-in-Residence at Pace. We nurture relationships with many of the world's leading executives, to broaden and deepen your learning experience—far beyond what you can expect at any other business school:

- Meet top executives when they visit your classes and lecture on campus.

Off campus, we get you *through* the door and *behind the scenes* for unique opportunities, thanks to our rich and well-developed network of alumni and corporate partners.

must submit official transcripts from all colleges and universities they have attended. If you are an MBA applicant who already holds a business-related master's or doctoral degree, you may request a waiver of the GMAT or GRE. A recent TOEFL score, no more than two years old, is required of all applicants whose native language is not English. Recommended application deadlines are August 1 for the fall entry term and December 1 for the spring entry term. Click for our [Application Guidelines and Checklist](#).

alumni and corporate partners:

- **A Fortune 100** company headquarters in metropolitan New York City
- **The Fed:** Research at the Federal Reserve Bank - almost 100 Lubin alumni are employed here
- **NYSE:** The rush of the trading floor
- **The Museum of American Finance:** The scandals, crashes, and successes of the past

Firsthand: Advantages of the Lubin Experience

"As a student in the Investment Management MBA program, I often meet executives from multinational corporations who freely share their insights into the important role of financial managers in the changing environment of global commerce. The Lubin program has huge advantages in the access it provides to high-level executives who come to our classes and meet with us in small groups. I'm most impressed by the quality of the education I'm receiving."
