**SCHOLARSHIPS AVAILABLE — APPLY ONLINE AT**
www.pace.edu/lubin/travelscholarships

**Course Focus:** This travel course examines the symbiosis between Confucian-Communist ethics and economic and financial development in four Chinese cities, Shanghai, Shantou, Nanjing, and Hong Kong. Looking at the rise of “multiple capitalisms,” this course investigates historical origins of four diverse and urban entrepreneurial norms and practices and how Confucian ethics and social structure interact with a Chinese Communist political structure.
