

Online Accelerated Bachelor's Degree Programs for Adults

A Faster Way to get Your Degree

According to the U.S. Commerce Department, college graduates make almost \$1 million more in their lifetime than those with only a high school education. Pace University helps adult professionals with some college experience finish their bachelor's degrees with the highest quality academic experience on a schedule that works for them. Progress through the degree program at your own speed, or **follow the accelerated path to receive your degree in as little as 24 months.**

The Pace Advantage

- Superior professional education
- Convenient online degrees that allow you to **learn in an accelerated format** or at your own speed
- Access to one of the largest and most successful Career Services departments in the New York metropolitan area, a benefit that stays with you throughout your entire career

The Programs

BS in Organizational Communication

Effective communication skills are essential to every successful organization. Learn to analyze print and electronic mass media trends, apply public relations principles, and effectively deliver messages to the right audience. Many students who apply to the Organizational Communications Concentration work in administrative positions in corporations, government agencies, or nonprofit organizations.

BS in Internet Technologies for e-Commerce (*tentative, spring 2011*)

Make internet technology work for you and become an e-commerce expert. Learn how to create multimedia websites with Common Gateway Interface (CGI) scripts while developing an understanding of the marketing principles for effective online retail environments. Many students who apply to the Internet Technologies for e-Commerce Concentration work in corporations with current or potential electronic transactions and marketing.

Application Process/Prerequisites

- At least 3 years of full-time work experience or the equivalent.
- At least 64 college credits with a minimum QPA of 2.5.

Students who have earned an AA or AS from a regionally accredited institution will be eligible to apply all credits toward the prerequisite 64 credits. All others will have transcripts reviewed to ensure successful completion of a minimum of 32 liberal arts and sciences credits.

Students can also earn the required 64 credits through a combination of college credits, Pace Experiential Learning credits, and CLEP exams.

- At least one credit-bearing college-level writing course or demonstration of writing ability by examination provided by Pace University.

How to Apply

- Fill out our undergraduate application online at www.pace.edu/apply.
- Request that your official college transcript or transcripts be sent to:

Pace University

Application Processing Center

861 Bedford Road, Pleasantville, NY 10570-9965

Financial Aid

Tuition for the online accelerated degree programs will be \$555 per credit for the fall 2010, spring 2011, and summer 2011 semesters. This tuition rate precludes students from receiving merit-based scholarships. Pace also provides a variety of federal and state financial aid programs based on financial need. At Pace, you can count on individualized attention. We work with you to understand financial aid and take advantage of the many opportunities available to you. Fill out the online **Free Application for Federal Student Aid (FAFSA)** at www.fafsa.ed.gov. Pace University's Federal School Codes are: **Pace New York City: 002791; Pace Westchester: 002792.**
