**E-Mail Address Update for Graduates**

As you transition from Pace student to alumnus/a, it is important for Pace to keep in touch with you, and for you to stay connected to your classmates, especially via e-mail. Please take a few minutes now to visit our online address validation form at [http://www.pace.edu/keepmecurrent](http://www.pace.edu/keepmecurrent). Once there, login using your Student ID and PIN # then select “Change of Address”. Update your mailing address if you will be relocating after graduation, and provide your Personal E-Mail Address, if you have one. Remember, your Pace-assigned e-mail address will expire as soon as you graduate: so updating your personal e-mail address keeps the e-communication lines open. Your personal e-mail address will also be included in your online directory profile for other alumni to see in the Pace Alumni Online Community (OLC), at [http://www.pace.edu/alumni](http://www.pace.edu/alumni). You fully control your online profile in the OLC, a free and secure service offered exclusively to Pace alumni.

Look for details from the Office of Alumni Relations.

**Best wishes to all candidates of the Class of August 2009!**

From,

OSA Degree Audit Staff
