ADMISSION INFORMATION

ELIGIBILITY

Applicants to Pace University graduate degree and certificate programs must hold a bachelor's degree from an accredited college or university if post-secondary education was completed in the United States. Applicants who are currently in their senior year at an undergraduate institution may apply for admission, but acceptance can be made only contingent upon receipt of a final transcript indicating all senior year grades and receipt of the bachelor's degree. Applicants who have attended institutions outside of the United States should review the Bridge Program description on page 3.

All information provided in the application must be accurate and complete. Any misrepresentation in or omission of facts from the application will justify a denial or revocation of admission or subsequent dismissal from the graduate program. The Office of Graduate Admission reserves the right to verify any or all information in the application and supporting documentation.

PACE UNIVERSITY GRADUATE MERIT SCHOLARSHIPS

Graduate scholarships are awarded to entering full-time and part-time matriculated students who demonstrate exceptional scholastic ability. The Scholarship Committee considers each applicant's academic record to determine the scholarship award. All students admitted to a degree program are automatically reviewed for scholarship. There is no separate application to be completed. Domestic scholarship recipients must register for a minimum of six (6) credits per fall and spring semesters. International scholarship recipients must register for nine (9) credits per fall and spring semesters.

ADMISSION CATEGORIES

Matriculant

Applicants who wish to pursue a graduate degree or certificate at Pace University should apply for matriculant status. The University has established the following criteria as the most critical in the evaluation of applications for matriculant status: scholastic achievement and a

desire to excel as evidenced by previous academic work, motivation, leadership potential, and maturity as evidenced by work and/or volunteer experience, extra-curricular activities, recommendations, and responses to questions on the application.

Non-Degree Status (NDS)

The objective of the non-degree status is to enable students who qualify by virtue of previous education or experience to enroll in appropriate graduate courses on a space-available basis.

Students who elect to register or are advised to register for course work under this status must return the Application for Non-Degree Status, with a \$65 application fee, to the Office of Graduate Admission after obtaining written approval from the chairperson of the department offering the course(s). Students may register for a maximum of 12 credits in non-degree status. However, students who wish to become fully matriculated in a Ivan G. Seidenberg School of Computer Science and Information Systems graduate program, should apply to the Office of Graduate Admission for matriculation prior to enrolling in a third course.

The application for non-degree status can be found on page 17.

Auditor

Individuals holding a U.S. bachelor's degree or its equivalent may apply to audit a maximum of two graduate courses at Pace University. The objective of auditor status is to enable students seeking a renewal or extension of knowledge related to their careers to enroll in appropriate graduate courses. Auditors are granted neither grades nor credit for audited courses. An audited course will not be applied to a degree program. Applications for auditor status are available from the Office of Student Assistance.

Alumni Auditor

Alumni of Pace University's CSIS graduate programs are eligible to audit graduate classes subject to the approval of the instructor and space limitations. Students must have the necessary background for admission to courses; not every course is open to alumni auditors. Interested alumni should file an Alumni Auditor Application with the Office of Student Assistance during the second week of the desired semester.

Visiting Student

A student currently in good standing in a comparable graduate program at another institution may apply to take courses in a graduate program of Pace University by completing the Visiting Student Application on page 15. Applicants accepted as Visiting Students may take a maximum of two courses in a Pace graduate program. Registration for courses is on a space-available basis and the courses must be completed in the semester for which the visiting student applied.

SPECIAL INSTRUCTIONS

DEFERRALS

Students who have been admitted to a graduate program at Pace University but who wish to delay their entrance for a period of time may request a deferral by writing to the Office of Graduate Admission prior to the start of the semester for which admission has been granted. The request must specify the semester the student anticipates entering the program. The graduate admission staff considers each request for deferral individually and retains the right to grant or deny admission for a future semester.

DECISION APPEAL

An applicant who is not approved for admission may appeal the decision. The appeal should be made in writing to the Office of Graduate Admission within one month of notification of denial.

DPS IN COMPUTING

Pace University and the Seidenberg School of Computer Science and Information Systems offer a doctoral program in computing leading to the DPS degree. This unique program is designed for the experienced computing professional and consistent with that mission, the goal of the DPS admission process is to identify and admit those individuals who have the capabilities to succeed in this program. The online application may be accessed at <http://seidenberg.pace.edu/dps>.

INTERNATIONAL STUDENT INFORMATION

APPLICATION FEE

Applicants from outside the United States must remit the \$65 application fee by international money order or by a check drawn from a U.S. bank.

DEADLINE DATE AND STATUS

International applicants who require a student visa are advised to apply well before the priority deadline dates, and must apply for full-time matriculated status.

BRIDGE PROGRAM FOR INTERNATIONAL STUDENTS

A special program designed for the highly qualified international student whose undergraduate degree does not meet the U.S. equivalency criteria.

Any international student whose undergraduate degree is equivalent to a four year baccalaureate conferred by an American college or university and who meets all other requirements may be admitted directly into an MS program in the Seidenberg School as a matriculant. Likewise, an international student who holds a three year baccalaureate and has completed a master's program is eligible for matriculation.

Any international student whose undergraduate degree is **not** equivalent to a four year American baccalaureate and who has not completed a master's degree may seek admission by means of the Bridge Program for International Students. The purpose of the program is to provide supplementary course work to those students with strong academic records who are judged capable of successfully completing a graduate certificate or the MS so that they meet the four year equivalency requirement for graduate study. **The GRE is required for Bridge Program applicants.**

Once the applicant's eligibility for the Bridge Program for International Students has been determined, a course of study of up to 30 credits designed to remedy the applicant's academic deficiencies and to prepare the applicant for the graduate program will be outlined. Up to 15 credits of post-baccalaureate course work taken by the applicant either abroad or in the USA may be applied toward the 30 credit bridge requirement as determined by the Office of Graduate Admission in

conjunction with the Seidenberg School.

If a student is admitted to the program, a Bridge Program Agreement and Bridge Program Course Outline describing the required premaster's course work will be sent with the letter of acceptance. The admitted student is required to sign and return the Bridge Program Agreement as a condition of acceptance and is bound by the requirements stipulated.

Upon completion of the Bridge Program, students with a grade point average of 3.0 will be permitted to continue on in the graduate program; those with less than a 3.0 will be dismissed without appeal.

TRANSCRIPTS

If foreign language transcripts are issued, English translations attested by the institution of origin, the student's Ministry of Education, a U.S. consular officer, or a professionally certified translator approved by Pace University must accompany the official transcripts. Please contact the Pace University Office of Graduate Admission for a list of approved translators.

All materials submitted become the confidential property of Pace University and cannot be returned or forwarded to the applicant or a third party.

TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

If you earned a bachelor's degree in a country where English is not the official language and English is not your first language, you must submit a Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) score that is no more than two years old. Normally, a TOEFL score of 570 (paper-based version), 230 (computer-based version), 88/89 (Internet-based version), or an IELTS score of 6.0 is sufficient to demonstrate the requisite proficiency in English for admission directly to Pace University's academic programs. However, the Admission Committee may require additional testing if, for example, as a result of materials submitted as part of your application, there are concerns about your ability to read, write, and speak English sufficiently to meet the demands of your intended curriculum. In that case, or if your TOEFL or IELTS score is below the guidelines stated above, your

admission will be conditional upon your successful completion of an intensive English language program at the Pace University English Language Institute (ELI) or a similar program approved by Pace University's ELI.

STUDENT VISAS

To receive the form I-20 from Pace University, which is required to obtain an entry visa, the applicant must demonstrate that he or she has sufficient funds available to pay for tuition and living expenses for one year of study in the United States. Students must provide evidence of additional financial support of \$5,000 per year for a spouse and \$5,000 per year for each child that accompanies the student to the United States.

All applicants who will require a Pace University student visa must submit the Pace University Financial Affidavit for International Students included in this application packet.

All monies pledged on the Pace University Financial Affidavit for International Students must be verified. Monies can be verified in any one or more of the following ways:

- A. A bank letter on bank letterhead in English, which contains the applicant's or applicant's sponsor name, account number, the amount of money in U.S. dollars, and the signature of a bank official;
- B. A letter of support from a sponsoring scholarship program, fellowship program, or grant organization.

ADDITIONAL INFORMATION

Information regarding applying for your nonimmigrant visa or transferring/ changing status if already in the U.S. will be included in your official acceptance packet. In order to assist you, it is required that your home country address be provided on the application for admission.

Please note that, as specified by U.S. immigration regulations, students who have entered the U.S. on a tourist visa or on a visa waiver must be in proper status prior to enrolling in classes.

Special situations regarding immigration status should be discussed with an advisor in the Office of International Programs and Services.
