ADMISSION INFORMATION

ELIGIBILITY

Applicants to Pace University graduate degree and certificate programs must hold a bachelor's degree from an accredited college or university if postsecondary education was completed in the United States. Applicants who are currently in their senior year at an undergraduate institution may apply for admission, but acceptance can be made only contingent upon receipt of a final transcript indicating all senior year grades and receipt of the bachelor's degree. Applicants who have attended institutions outside of the United States must hold a degree equivalent to a U.S. bachelor's degree.

All information provided in the application must be accurate and complete. Any misrepresentation in or omission of facts from the application will justify a denial or revocation of admission or subsequent dismissal from the graduate program. The Office of Graduate Admission reserves the right to verify any or all information in the application and supporting documentation.

The School of Education may request an interview with an applicant to seek information or clarification of information related to the application. A program administrator will contact the applicant if such an interview is necessary.

Although an undergraduate grade point average and, if applicable, graduate grade point average of 3.00 or higher is preferred for admission into the graduate programs of the School of Education, exceptions can be made by the Graduate Admission Committee based upon other documentation in the application portfolio indicating the applicant's strong professional abilities.

PACE UNIVERSITY GRADUATE MERIT SCHOLARSHIPS

Graduate scholarships are awarded to entering full-time and part-time matriculated students who demonstrate exceptional scholastic ability. The Scholarship Committee considers each applicant's academic record to determine the scholarship award. All students admitted to a degree program are automatically reviewed for scholarships. There is no separate application to be completed. Domestic scholarship

recipients must register for a minimum of six (6) credits per fall and spring semester. International scholarship recipients must register for nine (9) credits per fall and spring semester.

ADMISSION CATEGORIES

Matriculant

Applicants who wish to pursue a graduate degree or certificate at Pace University should apply for matriculant status. The University has established the following criteria as the most critical in the evaluation of applications for matriculant status: a desire to excel as evidenced by previous academic work, motivation, leadership potential, and maturity as evidenced by work and/or volunteer experience, extracurricular activities, recommendations, and responses to questions on the application.

Non-Degree Status (NDS)

The objective of the non-degree status is to enable students who qualify by virtue of previous education or experience to enroll in appropriate graduate courses on a space-available basis.

Students who want to register for coursework under this status must return the Application for Non-Degree Status with the \$65 application fee to the Office of Graduate Admission after obtaining written approval from the chairperson of the department offering the course(s). At most, two courses taken in non-degree status may be applied to a graduate program if the student is later accepted by the Graduate Admission Committee.

The Application for Non-Degree Status can be found on page 17.

Auditor

Individuals holding a U.S. bachelor's degree or its equivalent may apply to audit a maximum of two graduate courses at Pace University. The objective of auditor status is to enable students seeking a renewal or extension of knowledge related to their careers to enroll in appropriate graduate courses. Auditors are granted neither grades nor credit for audited courses. An audited course will not be applied to a degree program.

Applications for auditor status are available from the Office of Student Accounts and Registrar Services.

Alumni Auditor

Alumni of Pace University's School of Education graduate programs are eligible to audit graduate classes subject to the approval of the instructor and space limitations. Students must have the necessary background for admission to courses; not every course is open to alumni auditors. Interested alumni should file an Alumni Auditor Application with the Office of Student Accounts and Registrar Services during the second week of the desired semester.

Visiting Students

A student currently in good standing in a comparable graduate program at another institution may apply to take courses in a graduate program of Pace University by completing the Visiting Student Application on page 15. Applicants accepted as Visiting Students may take a maximum of two courses in a Pace graduate program. Registration for courses is on a space-available basis and the courses must be completed in the semester for which the visiting student applied.

SPECIAL INSTRUCTIONS

DEFERRALS

Students who have been admitted to a graduate program at Pace University but who wish to delay their entrance for a period of time may request a deferral by writing to the Office of Graduate Admission prior to the start of the semester for which admission has been granted. The request must specify the semester the student anticipates entering the program. The graduate admission staff considers each request for deferral individually and retains the right to grant or deny admission for a future semester.

DECISION APPEAL

An applicant who is not approved for admission may appeal the decision. The appeal should be made in writing to the Office of Graduate Admission within one month of notification of denial.

INTERNATIONAL STUDENT INFORMATION

APPLICATION FEE

Applicants from outside the United States must remit the \$65 application fee by international money order or by a check drawn from a U.S. bank.

DEADLINE DATE AND STATUS

International applicants who require a student visa are advised to apply well before the priority deadline dates, and must apply for full-time matriculated status.

TRANSCRIPTS

If foreign language transcripts are issued, English translations attested by the institution of origin, the student's Ministry of Education, a U.S. consular officer, or a professionally certified translator approved by Pace University must accompany the official transcripts. Please contact the Pace University Office of Graduate Admission for a list of approved translators.

All materials submitted become the confidential property of Pace University and cannot be returned or forwarded to the applicant or a third party.

TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

If you earned a bachelor's degree in a country where English is not the official language and English is not your first language, you must submit a Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) score that is no more than two years old. Normally, a TOEFL score of 570 (paper-based version), 230 (computer-based version), 88/89 (Internet-based version), or an IELTS score of 6.0 is sufficient to demonstrate the requisite proficiency in English for admission directly to Pace University's academic programs. However, the Admission Committee may require

additional testing if, for example, as a result of materials submitted as part of your application, there are concerns about your ability to read, write, and speak English sufficiently to meet the demands of your intended curriculum. In that case, or if your TOEFL or IELTS score is below the guidelines stated above, your admission will be conditional upon your successful completion of an intensive English language program at the Pace University English Language Institute (ELI) or a similar program approved by Pace University's ELI.

STUDENT VISAS

To receive the form I-20 from Pace University, which is required to obtain an entry visa, the applicant must demonstrate that he or she has sufficient funds available to pay for tuition and living expenses for one year of study in the United States. Students must provide evidence of additional financial support of \$5,000 per year for a spouse and \$5,000 per year for each child that accompanies the student to the United States.

All applicants who will require a Pace University student visa must submit the Pace University Financial Affidavit for International Students included in this application packet.

All monies pledged on the Pace University Financial Affidavit for International Students must be verified. Monies can be verified in any one or more of the following ways:

- A. A bank letter on bank letterhead in English, which contains the applicant's or applicant's sponsor name, account number, the amount of money in U.S. dollars, and the signature of a bank official;
- B. A letter of support from a sponsoring scholarship program, fellowship program, or grant organization.

ADDITIONAL INFORMATION

Information regarding applying for your non-immigrant visa or transferring/changing status if already in the U.S. will be included in your official acceptance packet. In order to assist you, it is required that your home country address be provided on the application for admission.

Please note that, as specified by U.S. immigration regulations, students who have entered the U.S. on a tourist visa or on a visa waiver must be in proper status prior to enrolling in classes.

Special situations regarding immigration status should be discussed with an advisor in the Office of International Programs and Services.
