**Pace University Mourns the Loss of Cristian Figueroa**

On behalf of the entire Pace University community, we are deeply saddened by the unexpected death of Cristian Figueroa, an international student from Venezuela. Cristian was studying economics at the Dyson College of Arts and Sciences, was a member of the Pforzheimer Honors College, and competed as part of the Pace University team in last year's National College Federal Reserve Challenge.

Highly respected and admired by his professors and fellow students, Cristian Figueroa's absence will be felt by all on our campus. The Pace Community's thoughts and prayers are with Cristian's family and friends during this most difficult time.

Counseling and grief support services are available to those in need through the University's Counseling Center at (212) 346-1526.
