

Connecting to Guest Wireless Network

For Guest Access to PACE-OPEN Wireless Only

Wireless Guest Username _____

Wireless Guest Password _____

Connecting Steps for PACE-OPEN

- open your device's wireless setup page and connect to **PACE-OPEN**
Note: Do not connect to PACE-WIRELESS.
- launch your Internet browser – *You will be redirected to the Pace University Guest Portal login screen*
*Note: If you're not immediately redirected, you may need to visit a Website **other than Google** (e.g. www.msn.com) and you will then be redirected to the login screen.*
- type in your **wireless guest username** and **password** to log in – *these are provided to you by your Pace sponsor*
- follow on-screen prompts to continue connecting to **PACE-OPEN**
- accept the **Terms of Service**
Note: If your Internet browser freezes at this point, please close it and re-open it.

You should now be connected to the PACE-OPEN wireless network.

Please Note: Some incompatible devices may not be able to connect to the wireless network. Please visit www.pace.edu/wireless to view a list of wireless drivers that are compatible with our wireless network.
