Attention Faculty and Students from all Disciplines

Planning to Conduct Scholarly or Creative Research in Summer 2017?

Apply to the Provost’s Student-Faculty Undergraduate Research Program!

**Concept**
Faculty and students will work together on a research project over the course of the summer. Faculty and students need to apply as a pair. A small stipend will be offered to each faculty member and student participant ($750 for the faculty and $500 for the student). The research pairs determine the hours they work over the course of the summer, as long as it ends by late August.

**Expectations**
Faculty and students are expected to submit their findings for possible publication, in addition to completing and posting two blogs online as well as a final summary of their research findings.

**For more information and an application**
Contact Linnette Veloso of the Division for Student Success at lveloso@pace.edu or 212-346-1282. Applications are due by Monday, May 15th, 2017.
2017 Undergraduate Student & Faculty Summer Research: Frequently Asked Questions

Q: Who is eligible for the program?
A: Faculty (both adjunct and full time) and students from any discipline are eligible for the program.

Q: What are the program requirements throughout the year, if selected?
A: The program requirements are as follows:
   — Faculty and students need to commit to 8-10 weeks of working together on the research
   — Students will write 2 blogs during the summer
   — Students will prepare an end-of-summer report
   — Faculty will prepare end-of-summer research summary and student assessment
   — Faculty and student pairs will submit their findings to Pace’s Digital Commons (or other publication) or present at a relevant conference

Q: Do faculty and students have to apply together?
A: Yes, faculty and students need to apply together

Q: Is there a stipend?
A: Yes, there is a $750 stipend for the faculty mentor and there is a stipend of $500 for student which can be used for supplies or other related research expenses.

Q: How do we apply?
A: Contact Linnette Veloso of the Division for Student Success: lveloso@pace.edu or 212-346-1282. Applications are due by Monday, May 15, 2017.

Q: What can students gain from this experience?
A: Students can expect to:
   — Work closely with a professor while gaining hands-on experience in your field
   — Strengthen your research, critical thinking, analytical, and writing skills
   — Make connections in your academic field
   — Obtain additional areas of expertise to include on your resume
