## Merit Scholarships

By submitting your graduate application, you may be eligible for a merit scholarship of US \$6,000 per academic year. Merit scholarships are awarded to entering full-time international students who are registered for a minimum of nine credits per semester.

## Graduate Assistantships

A limited number of graduate assistantships are offered to highly qualified full-time students. Criteria are as follows:

- **GRE**—Minimum score: 156 (Verbal); 151 (Quantitative); 3.5 (Analytical)
- **Undergraduate Cumulative Quality Point Average (QPA)**—Preferred score: 3.5
- **Technical Background**—You may be required to interview in person for an assistantship position, at which point your managerial experience will be reviewed and evaluated.

Eligible students are awarded assistantships on either a half-time (six credits + stipend) or full-time (9–12 credits + stipend) basis and require the recipient to work 10 or 20 hours, respectively, performing academic research or providing technical support for a project, program, or department. The Seidenberg School continues to support its graduate assistants until graduation, provided that the student performs his/her responsibilities satisfactorily and maintains a QPA of 3.5; therefore, the number of openings varies from semester to semester.

## Career Services for International Students

While the Career Services program cannot guarantee employment, international students are eligible to work off campus in study-related positions with authorization from Career Services and the Office of International Students and Scholars. For more information, go to [www.pace.edu/careers](http://www.pace.edu/careers).

- You must be fully matriculated in a degree program as a full-time student (9 credits).
- International students on an F-1 visa must be enrolled full-time for one full academic year (two consecutive academic semesters) before they are eligible to participate in a paid/unpaid off-campus internship/Curricular Practical Training (CPT).
