ADMISSION INFORMATION

ELIGIBILITY
Applicants to Pace University graduate degree and certificate programs must hold a bachelor’s degree from an accredited college or university if postsecondary education was completed in the United States. Applicants who are currently in their senior year at an undergraduate institution may apply for admission, but acceptance is contingent upon receipt of a final transcript indicating all senior year grades and receipt of the bachelor’s degree. Applicants who have attended institutions outside of the United States should review the Bridge Program description on page 4.

All information provided in the application must be accurate and complete. Any misrepresentation in or omission of facts from the application will justify a denial or revocation of admission or subsequent dismissal from the graduate program. The Office of Graduate Admission reserves the right to verify any or all information in the application and supporting documentation.

Pace University Graduate Merit Scholarships
Merit-based scholarships are awarded to entering full-time and part-time matriculated graduate students who demonstrate exceptional scholastic ability. The Scholarship Committee considers each applicant’s academic record to determine the scholarship award. All students admitted to a degree program are automatically reviewed for scholarship. There is no separate application to be completed. Domestic scholarship recipients must register for a minimum of six (6) credits per fall and spring semesters. International scholarship recipients must register for nine (9) credits per fall and spring semesters.

ADMISSION CATEGORIES

Matriculant
Applicants who wish to pursue a graduate degree or certificate at Pace University should apply for matriculant status. The University has established the following criteria as the most critical in the evaluation of applications for matriculant status: scholastic achievement and a desire to excel as evidenced by previous academic work; aptitude for graduate study as indicated by scores on the Graduate Management Admission Test (GMAT) and Graduate Record Exam (GRE); motivation, leadership potential, and maturity as evidenced by work and/ or volunteer experience, extracurricular activities, recommendations, and responses to questions on the application.

Conditional Matriculant
An applicant who wishes to pursue a degree program but who has not taken a required GMAT or GRE prior to application may apply as a conditional matriculant. If an applicant is accepted as a conditional matriculant, he or she will be permitted to enroll for a maximum of two courses in the first semester. (Note: Summer I and II are considered one semester.) To continue beyond the first semester, a conditional matriculant must complete Pace graduate course work with at least a 3.0 QPA and must submit an official GMAT or GRE score report and receive written confirmation of matriculation from the Office of Graduate Admission. The matriculation decision will be based upon a student's undergraduate and graduate records, satisfactory performance on the admission test and other application information. An applicant who needs a student visa is not eligible to apply under this status.

Special Student
Graduates of accredited colleges or universities who do not wish to pursue a graduate degree program in the Lubin School of Business may apply for admission as a special student. Admission as a special student will be granted only to those applicants who meet admission standards established by the Faculty Council of the Lubin School of Business. Individuals granted special student status may enroll for a maximum of two courses.

Auditor
Individuals holding a US bachelor’s degree or its equivalent may apply to audit a maximum of two graduate courses at Pace University. The objective of auditor status is to enable students seeking a renewal or extension of knowledge related to their careers to enroll in appropriate graduate courses. Auditors are granted neither grades nor credit for audited courses. An audited course will not be applied to a degree program.

Alumni Auditor
Alumni of Pace University’s Lubin graduate programs are eligible to audit graduate classes subject to the approval of the instructor and space limitations. Students must have the necessary background for admission to courses; not every course is open to alumni auditors. Interested alumni should file an Alumni Auditor Application with the Office of Student Assistance during the second week of the desired semester.

Visiting Student
A student currently in good standing in a comparable graduate program at another institution may apply to take courses in a graduate program of Pace University by completing the Visiting Student Application on page 17. Registration for courses is on a space-available basis and the courses must be completed in the semester for which the visiting student applied. Applicants accepted as visiting students may take a maximum of two courses in a Pace graduate program.
SPECIAL PROGRAMS

Dual Concentration MBA
A dual concentration MBA is available for those students who wish to do advanced work in two career concentrations. In this program, the student may choose, in consultation with faculty advisers in each subject area, to combine two of the available MBA career concentration areas.

Advanced Graduate Certificate Program in Business
Current MBA and MS students may pursue these certificates to build their resume while taking classes at Pace.

Applicants for this program must be qualified professionals who hold a master’s degree. An MBA or other business master’s is preferred. Applicants must present a record of strong academic performance and show evidence of relevant professional experience. Applicants with non-business graduate degrees such as law, engineering, etc. are evaluated on the basis of their previous academic performance and the relevance of their graduate degree and work experience.

MBA/JD
Applicants should follow the application procedures for the Pace University School of Law and the Lubin School of Business, which include payment of application fees and taking the Law School Admission Test (LSAT), the Graduate Management Admission Test (GMAT), or the Graduate Record Exam (GRE). Admission to either the School of Law or the Lubin School of Business does not guarantee admission to the other school. Applicants must meet the independent admission requirements of each school in order to be admitted to the joint program. Students who begin in the MBA program must apply to and be accepted by the School of Law by the end of their first year of full-time business study or by the end of their second year of part-time business study. Students who begin in the Law School must apply to and be accepted by the Lubin School of Business no later than during the fourth semester of law study (if in the four-year program). Once a student in either the School of Law or the Lubin School of Business has been admitted to the other school, the student should notify the associate dean for Academic Affairs in the School of Law, and the director of Academic Advisement or the associate dean of the Lubin School of Business, of his or her intention to participate in the joint program.

BBA/MBA-CPA, BBA-ACC/MS-FM, BBA-ACC/MS-Taxation for Pace University Undergraduates
Admission to the Pace BBA/MBA-CPA program must originate at the undergraduate level. Candidates will be required to have a personal interview with the undergraduate program coordinator and must demonstrate maturity and their ability to present themselves in a professional manner. Candidates must submit a graduate application for admission to an Office of Graduate Admission. Admission to the MBA program will require a strong cumulative quality point average for all undergraduate work completed at Pace University and a satisfactory score on the Graduate Management Admission Test (GMAT). The final decision on admission to the graduate portion of the program will be made by the Graduate Admission Committee in accordance with guidelines established by the Faculty Council of the Lubin School of Business.

SPECIAL INSTRUCTIONS

DEFERRALS
Students who have been admitted to a graduate program at Pace University but who wish to delay their entrance for a period of time may request a deferral by writing to the Office of Graduate Admission prior to the start of the semester for which admission has been granted. The request must specify the semester the student anticipates entering the program. The graduate admission staff considers each request for deferral individually and retains the right to grant or deny admission for a future semester.

DECISION APPEAL
An applicant who is not approved for admission may appeal the decision. The appeal should be made in writing to the Office of Graduate Admission within one month of notification of denial.

MERIT-BASED GRADUATE ASSISTANTSHIPS
A limited number of merit-based graduate assistantships are offered to highly-qualified full-time students. Criteria are as follows:

- **GMAT**—Minimum score: 550; GMAT AWA—Minimum score: 4.5
- **GRE**—Minimum score: 550 (Verbal); 650 (Quantitative); 4.5 (Analytical Writing). Current score scaling deemed equivalent to 550 GMAT score by the Graduate Admission Committee.

- **IELTS**—Preferred score: 7.5

INTERNATIONAL STUDENT INFORMATION

APPLICATION FEE
Applicants from outside the United States must remit the $70 application fee by international money order or by a check drawn from a US bank.

DEADLINE DATE AND STATUS
International applicants who require a student visa are advised to apply well before the priority deadline dates and must apply for full-time matriculated status.

Any international student whose undergraduate degree is equivalent to a four-year baccalaureate conferred by an American college or university and who meets all other requirements, may be admitted directly into an MBA/MS program in the Lubin School of Business as a matriculant. Likewise, an international student who holds a three-year baccalaureate and has completed a master’s program is eligible for matriculation.

INTERNATIONAL STUDENTS WITH THREE-YEAR BACHELOR’S DEGREES
For more information, visit www.pace.edu/bridgeprogram.

BRIDGE PROGRAM FOR INTERNATIONAL STUDENTS
A special program designed for the highly qualified international student whose undergraduate degree does not meet the US equivalency criteria.

For more information, visit www.pace.edu/bridgeprogram.

TRANSCRIPTS
If foreign language transcripts are issued, English translations must accompany the original transcript. Pace will accept translations and evaluations in the following manner:
- sent from any NACES (www.naces.org) accredited translation evaluator (preferred)
- sent and attested by the institution of origin
- the student’s Ministry of Education
- a US consular officer or
- an EducationUSA adviser (www.educationusa.state.gov).

To help expedite the process and review of an application, it is suggested that an academic evaluation of foreign course work be submitted with all translations.

All materials submitted become the confidential property of Pace University and cannot be returned or forwarded to the applicant or a third party.

ENGLISH LANGUAGE PROFICIENCY TESTS
Students who earned a bachelor’s degree in a country where English is not the official language and English is not their first language must submit a Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS), or Pearson Test of English (PTE) score that is no more than two years old.

A TOEFL score of 577 (paper version), 90 (Internet version), an IELTS score of 7.0, or a PTE score of 61 is preferred to demonstrate the requisite proficiency in English for admission to Pace University. If a TOEFL, IELTS, or PTE score is below the minimums stated above, or if Admissions determines that an applicant needs additional English language preparation to become a fully matriculated student, they may be a candidate for the Pace University Global Pathways program. Once a student submits an application, the Admission Committee will advise about being admitted into this program.

Students who submit proof of citizenship from a country where English is the official language may have the English language proficiency test requirement waived. For more information, visit www.pace.edu/English.

STUDENT VISAS
To receive Form I-20 from Pace University, which is required in order to obtain an entry visa, the applicant must demonstrate that he or she has sufficient funds available to pay for tuition and living expenses for one year of study in the United States. Students must provide evidence of additional financial support of $5,000 per year for a spouse and $5,000 per year for each child that accompanies the student to the United States.

All applicants who will require a Pace University student visa must submit the Pace University Financial Affidavit for International Students included in this application packet.

All monies pledged on the Pace University Financial Affidavit for International Students must be verified. Monies can be verified in any one or more of the following ways:
- a bank letter on bank letterhead in English, which contains the applicant’s or applicant’s sponsor’s name, account number, the amount of money in US dollars, and the signature of a bank official;
- a letter of support from a sponsoring scholarship program, fellowship program, or grant organization.

ADDITIONAL INFORMATION
Information regarding applying for a non-immigrant visa or transferring/changing status if already in the US will be included in the official acceptance packet. In order to assist students, it is required that a home address be provided on the application for admission.

Please note that, as specified by US immigration regulations, students who have entered the US on a tourist visa or on a visa waiver must be in proper status prior to enrolling in classes.

Special situations regarding immigration status should be discussed with an adviser in the Office of International Programs and Services.

Students should please submit a copy of the first page (data information) and last page (current address) of their current passport. This should be submitted with the other documentation required for Pace University to issue the form I-20.

The completed affidavit must be submitted with a letter from a bank indicating the availability of sufficient funds in US dollars available for one year of study. I certify that I have ______________ US dollars available to me for the following expenses of my graduate education at Pace University.

*(insert amount from below)*

I have indicated the source of my financial support below and have attached original bank documentation in US dollars. The information I have provided on this affidavit is correct and complete. I know that giving false information on this affidavit or in support documentation may result in the cancellation of my admission to Pace University. I also understand that the entire tuition and general institution fee is due at the time of registration for each term, that the insurance cost is an annual fee, and that costs may rise in succeeding terms. I also understand that if I am required to enroll for English language coursework, additional costs will ensue.
