Baldor Specialty Foods
Beginning as Balducci’s fruit stand in Greenwich Village in 1946, Baldor has maintained its original promise – curate and deliver the best and freshest foods in the world. We are now one of the largest importers and distributors of fresh produce and specialty foods in Northeast and Mid-Atlantic regions. Generations of passionate employees make us who we are. For decades we have grown as a company because of the loyalty and excitement of our Baldor family.

Eye Level Learning Center of Pleasantville
Eye Level constantly keeps its stand as the global leader in self-directed learning. Eye Level, the new identity and the new point of departure of E.nopi, still retains E.nopi’s educational methodology while focusing on self-directed learning. It is based on an educational principle where students learn at their own pace. When a teacher understands the learning needs of a student, the teaching is most effective. Eye Level is a self-directed learning program. It encourages students to acquire self-motivation and independence, while using proactive learning methods, which places them at the center of all learning activities.
