FINISH IN FOUR
Summer II Intensives: Earn 3 Credits in 3 Weeks

Pleasantville Campus

Food Revolution: The Politics and Ecology of What We Eat
ENV 296Y (CRN 50429)

Taught by Professor Tracy Basile, this course combines academic learning with hands-on farming so you will understand the connections between local food, healthy communities and economic justice.

Slumming & Tramping: Queer America
WS 296X (CRN 50425)

Taught by Professor Andrew Stout, students will gain knowledge of LGBTQ culture and history in America, while challenging preconceived notions and "norms," with the goal of creating more aware and engaged citizens.

History of Film
FSS 202 (CRN 50424)

Taught by Professor Rebecca Martin, this course will discuss the development of film from the silent era through the present. Emphasis will be placed on American film with consideration of other national cinemas.
