HOUSING CHECK IN
5-MINUTE UNLOADING PASS

Student Name:______________ Room #:________
License Plate #:____________ Time IN:________

Due to a large volume of traffic experienced during move-in over the past years, only 5 MINUTES are allowed in this area for unloading. **Drivers must never leave their vehicles unattended.** Our Welcome Wagon volunteers will direct you to local parking garages. We recommend that you bring two people with you to help you check-in; one to park your car and a second to watch and move your belongings while you proceed through the check-in process. Our Welcome Wagon Volunteers will assist you with the unloading of your vehicle. We highly recommend you bring a handcart, as the availability of carts here is very limited. Any vehicles that remain in the unloading area longer than 5 minutes or left unattended will be subject to fine or tow at the **OWNER’S EXPENSE.** Thank you for your cooperation.
