PREGONES THEATER
571-575 WALTON AVENUE • BRONX, NY 10451 • TEL: 718-585-1202

FLY-BABIES PIOJOS is Pregones Theater's biting new musical comedy! In a world full of class divisions, misunderstandings and wars there is something common to all humankind: LICE— otherwise known as fly babies! You will laugh while dispelling the notion that lice only happen to the poor, the irresponsible, the nappy haired and the underdeveloped across the world.

In Pregones' signature style, this new comedy will keep your feet tapping! Baroque music, rock, tango and cha-cha create a fitting musical atmosphere for the persecution, treatment and eventual survival of lice throughout the world and across centuries.

Group will meet in front of 1 Pace Plaza and depart at 6:15pm

"La Gringa" is the story of a young woman from New York who goes to Puerto Rico in search of her extended family. When she finds them, the complicated misperceptions that develop on all sides unfold in comic dialogue. With an ironic wink of an eye, La Gringa hilariously and emotionally captures the spirit of the Puerto Rican experience.
