

Call for Papers

PIERS Student Conference: Encountering Nature Through University Culture

**Are you writing a paper on the environment or environmentalism?
"Recycle" it at the PIERS Conference and you could win \$200!**

**Open to students from all
majors and all universities.**

**Present your work at the
PIERS Student
Conference on March 23, 2012.**

Deadline for submissions: December 31, 2011

Possible topics: Alternative transportation, global warming, natural resources, organic farming, population growth, renewable energy, sustainable consumption, waste and recycling, and more!

Submit a 250 word abstract to piers@pace.edu.
