Master of Public Administration

Evening | Online

Department of Public Administration
Dyson College of Arts and Sciences

MPA Mission

- The mission of the Master of Public Administration Program at Pace University is to prepare pre-service and in-service students in the New York City metropolitan area, the state of New York, the U.S. and internationally to become value-driven public service leaders, managers and analysts by offering our graduates the knowledge of roles, values, skills, and practices that will help them become competent global leaders and professionals capable of effective, ethical, innovative, and creative leadership in the public service, in government, health care and nonprofit organizations. Our MPA program draws on and values the diversity of our students, faculty, alumni and community, which contributes to the advancement of practice and scholarship in public administration, affairs and policy.

Goals	Outputs	Outcomes
