See if your provider is in our network—or find a new one

You can locate a provider through our provider search tool, which is updated six days a week. Please keep in mind that the availability of any particular provider cannot be guaranteed.

Steps to locating a doctor

1. Click here to access the search tool.
2. Enter your ZIP code or city/state and click search. This will allow you to search the entire directory or search for a specific doctor.

3. Select plan choice — "Managed Choice® POS (Open Access)" under the "Aetna Open Access Plans" section and click continue to search for doctor.
4. Search by doctor name or select a category.

5. Click or search for a specific provider type and your list will appear.

This material is for information only. Providers are independent contractors and are not agents of Aetna. Provider participation may change without notice. Aetna does not provide care or guarantee access to dental services. Information is believed to be accurate as of the production date; however, it is subject to change.
