**Get the most out of your experience at Pace University. There are many services that are offered to veteran students at no cost:**

## Guiding

A Veterans Affairs Liaison will work with you to give you a better understanding of your VA benefits, the Post-9/11 GI Bill, Basic Allowance for Housing, and more.

## Problem Solving

If you're having difficulty in the classroom, if you've got a hold on your account, or are confused about which department to contact, the Office for Student Success will point you in the right direction.

## Learning

Resources such as academic advising, the Tutoring Center, the Writing Center, library assistance, and career services are available to all University students.

## Helping

Counseling is available to all Pace students. Students are encouraged to take advantage of the Counseling Center for any reason, including personal, educational, or vocational; alcohol and drug counseling; and psychological assessment. The Center works in conjunction with many VA Hospitals in the area to provide a full range of services.

## Financing

Pace is a proud member of the Yellow Ribbon Program, providing financial assistance to qualified veterans. Pace also offers a 50 percent tuition scholarship\* to veterans from all branches of the U.S. Armed Forces who have served in Afghanistan or Iraq since September 11, 2001. The scholarship applies to all part-time and full-time undergraduate and graduate programs.
