How to transfer your Pace University Commencement 2022 tickets

Transferring tickets to your guests provides flexibility if members of your party are arriving separately at USTA Billie Jean King Tennis Center, but it’s not mandatory. If you are arriving with your entire party, one person can have all the tickets on their mobile device.

Tickets can be transferred on your mobile device or on a desktop platform; however, USTA Billie Jean King National Tennis Center recommends following the instructions using your mobile device. To enter the venue on May 16, 2022, you and your guests will need to show tickets on a mobile device.

Anyone without access to a mobile device should speak with a Tennis Center representative at the East Gate entrance where tickets are being scanned for assistance in entering the venue.

1. Sign into your account. Once signed in, select View options and instructions for signing in.
2. Choose for the event that you would like to manage for transferring ticket/s. Once the event has loaded, your tickets will be listed accordingly.
3. Select to send your guests’ tickets to them. Note: Your graduate ticket will NOT have the ability to be transferred.
4. Choose which ticket/s to transfer. You can transfer multiple tickets to one guest, or each ticket to a different guest. Your graduate ticket will not be listed here as an option, as it is non-transferrable.
5. Once you have selected the ticket/s to be transferred, input the information for the guest that you would like to transfer the ticket/s to.
6. The guest/s receiving the ticket/s will get an email invitation to accept their ticket/s. They must “Accept Tickets” and they will be prompted to create an account on the NTC Account Manager webpage to receive them.
7. After your guest accepts the ticket/s they will receive a confirmation email including next steps for accessing and saving the accepted ticket/s.
