PLAN FEATURES	IN-NETWORK	OUT-OF-NETWORK
Benefit Limitations - For any service or supply that is subject to a maximum visit, day, or dollar limitation on a per year basis, the benefit year begins on January 1st unless otherwise mandated. Refer to your plan documents for more information.		
Deductible (per calendar year)	$750 Individual $1,500 Family	$2,000 Individual $4,000 Family

Member cost sharing for certain services, as indicated in the plan, are excluded from charges to meet the Deductible. Pharmacy expenses do not apply towards the Deductible. Pharmacy expenses do not apply towards the Payment Limit. Only those out-of-pocket expenses resulting from the application of coinsurance percentage, copays, and deductibles (except any penalty amounts) may be used to satisfy the Payment Limit. The family Payment Limit is a cumulative Payment Limit for all family members. The family Payment Limit can be met by a combination of family members; however, no single individual within the family will be subject to more than the individual Payment Limit amount.

Payment for Out-of-Network Care**	Not Applicable	Professional: 300% of Medicare Facility: 300% of Medicare
*We cover the cost of care differently based on whether health care providers, such as doctors and hospitals, are "in network" or "out of network." We want to help you understand how much Aetna pays for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this out-of-network care. As an example, you may choose a doctor in our network. You may choose to visit an out-of-network doctor. If you choose a doctor who is out of network, your Aetna health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital. When you choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount. This amount is based on "reasonable" or "prevailing" charges. We get this data from an external database. Exactly how much Aetna "recognizes" depends on the plan you or your employer picks. Your out-of-network doctor sets the rate to charge you. It may be higher -- sometimes much higher -- than what your Aetna plan "recognizes" or "allows." Your doctor may bill you for the dollar amount that Aetna doesn't recognize. You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the recognized charge counts toward your deductible or maximum out-of-pocket. To learn more about how we pay out-of-network benefits visit Aetna.com. Type "how Aetna pays" in the search box. You can avoid these extra costs by getting your care from Aetna's broad network of health care providers. Go to www.aetna.com and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Aetna Navigator member site. This way of paying out-of-network doctors and hospitals applies when you choose to get care out of network. When you have no choice (for example: emergency room visit after a car accident), we will pay the bill as if you got care in network. You pay your plan's copayments, coinsurance and deductibles for your in-network level of benefits. Contact Aetna if your provider asks you to pay more. You are not responsible for any outstanding balance billed by your providers for emergency services beyond your copayments, coinsurance and deductibles.
