Student Leadership

within the Division of Diversity, Equity, and Inclusion

The Division of DEI strongly supports and advocates for student leadership opportunities. During the 2021-2022 academic year, we had 2 peer education programs: PAASA and FIRE.

PAASA & FIRE

Each year, student leaders are hired by the Office of Sexual and Interpersonal Wellness. PAASA (Peer Advocates Against Sexual Assault) is the peer education group on the NYC campus and FIRE (Fighting Ignorance and Rape through Education) is on the Pleasantville campus. Peer educators lead events, conduct workshops, and raise awareness for the office. They are also confidential resources and meet individually with students who have been impacted by sexual misconduct. Hiring typically begins around March in the Spring semester.

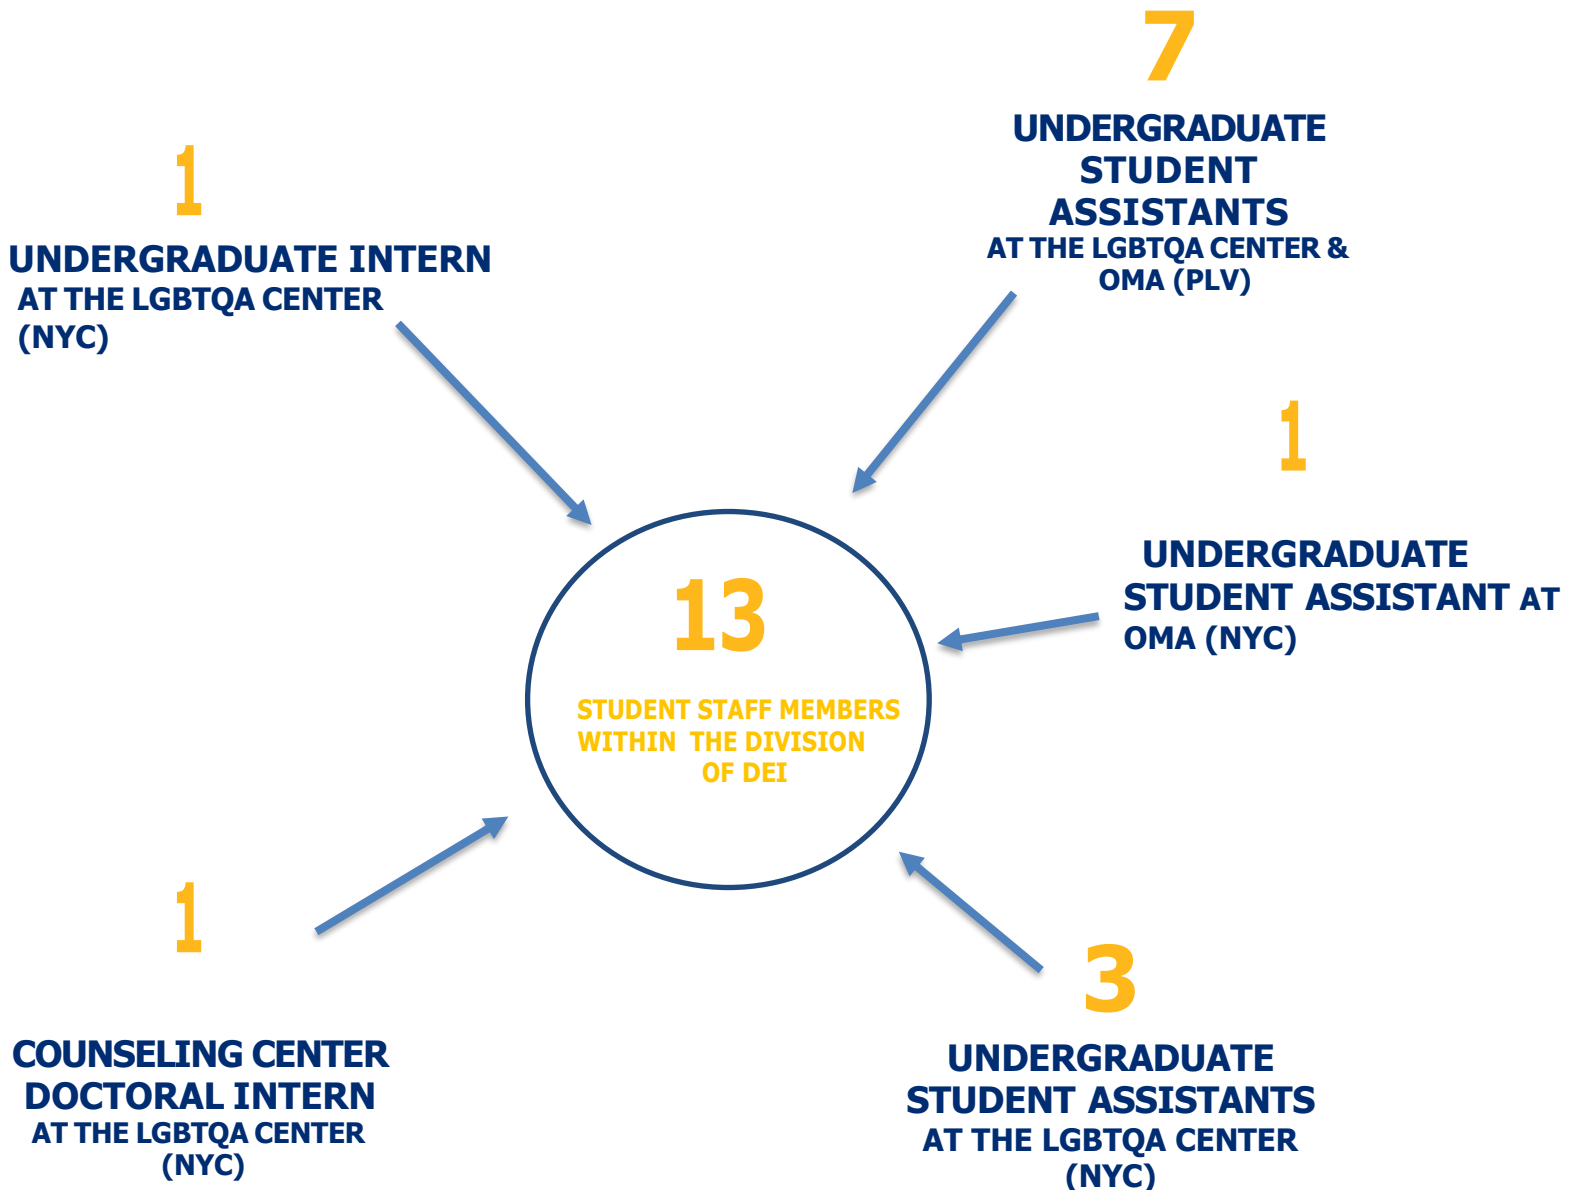

Student Leadership

within the Division of
Diversity, Equity, and Inclusion

Employment and Internships

In addition to student leadership programs, the Division of DEI also employs and works with undergraduate and graduate students as student assistants, volunteers, interns, and externs across departments.

Non-Discrimination Policy

The University is strongly committed to maintaining working and learning atmosphere that is free from unlawful discrimination, harassment and retaliation. The University is also an equal opportunity employer that is strongly committed to making all personnel decisions without regard to actual or perceived sex, gender or gender identity; race; color; national origin; religion; creed; age; disability; citizenship; marital or domestic partnership status; sexual orientation or affectional status; genetic predisposition or carrier status; military or veteran status; status as a victim of domestic violence, sex offenses or stalking; or any other characteristic protected by law federal, state or local law, rule or regulation.

All University employees, supervisors, administrators, officials, faculty members, students, and applicants, as well as everyone with whom the University does business (e.g., outside vendors, consultants, contractors) are prohibited from engaging in unlawful discrimination and/or harassment based on any of these protected characteristics. Inquiries concerning the application of Title IX and implementing regulations, as well as inquiries concerning the application of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and Title VI of the Civil Rights Act, may be referred to the Executive Director of Title IX Compliance and Title IX Coordinator, Bernard Dufresne, (212) 346-1310, 163 William Street, 3rd Floor, Rm. 340, New York, NY 10038 or Assistant Secretary for Office for Civil Rights.
