CONSENT FOR MEDICAL TREATMENT OF MINORS (Students Under the Age of 18)

To provide medical evaluation or treatment to minors, permission is necessary by law. All students under the age of 18 years old require a parent's or guardian's signature submitted to the Health Services Center for medical treatment consent.

I hereby grant permission for medical evaluation, treatment and hospitalization in case of accident or illness for my minor child/legal ward. I also give permission for the release of information concerning my student's medical condition to other responsible University officials when necessary or to outside agencies for treatment on an as-needed basis.
