

On Thursday, April 27, 2023, Pace University and its employees will celebrate Take Our Daughters and Sons to Work® Day. Pace University and its employees invite their children, relatives, friends, and other sponsored children between the ages of 8 and 15 to attend. The children will be participating in interactive learning activities. By bringing children together, we all contribute to creating a more equitable world at home, at school, and in the workplace. This year, we are celebrating the opportunities that children will discover and the opportunities for parents/guardians, mentors, and the community to continue involvement in this unique educational experience.

It is the intent that the employees of Pace University will serve as role models and will inspire the children to strive to attain their full potential. Moreover, children will discover how courses such as science, math, English, and business can better prepare them for a wide variety of jobs and will become aware of the skills needed to be hired in specific professions.

Parent/Guardian/Sponsor, please fill out the bottom of this form and have the participating student take it to their teacher or principal to sign. You may keep the paper, or it may remain at the school.

Parent/Guardian/Sponsor's Name _____

Teacher _____
