Five Year Review of Outcomes: Class of 2017-2022

Outcome Collection and Reporting is based on the First Destination Survey Standards and Protocols provided by the National Association of Colleges and Employers (NACE)

- Class Year: July 1st to June 30th

- Data on the class is collected until December after the last graduating class in May (Approximately six months out)

- Includes PT and FT employment in all categories (new and maintained), enrolled in continued study, military service and volunteering

- NACE employment categories include permanent, temporary, contract, internship, fellowship, entrepreneur, freelance, faculty tenure or non-tenure track

- Employed, Continuing Education and Service rates do not include non-seekers

- Graduates who conferred more than one degree during the same graduation year are represented only in the higher class level statistics
