THE Mandatory PLANS

The Mandatory Meal Plans are great for students living in a residential hall or who eat most of their meals on campus. These plans give students the luxury of eating full meals or stopping in between classes to grab a snack.

THE Buy-Up PLANS

Buy-Up plans are perfect for students living on or off campus. All undergraduate Buy-Up plans include a set number of Meal Swipes per semester that can be used at on campus dining locations. One swipe is deducted from your balance each time you pay for a meal exchange. Additionally, all Buy-Up plans include Dining Dollars for use at on campus dining facilities and Flex points which can be used at all participating off-campus eateries.

Details:
- Flexible plans for students to upgrade.
- The Buy-Up meal plans are available to all students.
- The Commuter Buy-Up meal plans are only available for commuters.

Dining Dollars

Dining Dollars may be utilized on campus at all dining facilities. Beekman Market, Beekman Dining 2nd & 6th Floor, Starbucks Express, Kessel Café, Alumni Hall Café & Market at Miller Hall.

Details:
- Spend as little or as much as you want!
- Save on sales tax.
- Unused dining dollars from the fall semester rollover to the spring semester. Dining dollars that remain at the end of the spring semester are forfeited for all meal plans.

FAQs

What is Meal Exchange?
A Meal Exchange includes an entrée, a side, and a beverage. For best value, don’t use a retail Meal Exchange if you’re just getting a quick snack (that’s what Dining Dollars are for). Each dining facility has a menu that lists the options for a Meal Exchange by station.

What are Dining Dollars?
Dining Dollars are a convenient, cashless way to make purchases using your campus ID at your on-campus retail dining locations. Like a debit card, funds are deducted as purchases are made. Dining Dollars roll over from fall semester to spring semester and expire the last day of classes of spring semester. They can also be used for snacks and dining. Dining Dollars can be purchased in incremental amounts if you have an active meal plan.
