Banner 9 PEAFACT: Tenure/Rank Process for Faculty

PEAFACT is the banner form that maintains faculty rank and tenure data. Within this form the following information is stored: Primary Activity (i.e. Instructional), Faculty Type (i.e. Adjunct Faculty), Academic Title and Institution Credit (Contract Load, which is used in the overage process).

Step 1: PEAFACT Form

 Go to the **PEAFACT** form and enter the UID of the faculty member you are looking to update the rank/tenure for. If you do not know the UID click on the ellipse (three dots) to open the search menu. Select **List for Employee**. Enter the last name, first name or both and press F8 or click **Go.** If you do not know the spelling you can conduct a wildcard search by entering % symbol after or before the first few letters of the name.

 Review the information in the Faculty Action Tracking block. The following information should already be provided: Primary Activity, Institution Credit, Faculty Type, Academic Title, Begin Date. If needed, update the Academic Title to reflect the correct title. PLEASE NOTE: Academic Title is the job title, <u>NOT</u> the Rank.
