## Changes and Adaptations Requiring State Education Department Approval

### Changes in Program Content (all programs)
1. Any of the following substantive changes:
   - Cumulative change from the Department's last approval of the registered program of one-third or more of the minimum credits required for the award (e.g., 20 credits in an associate degree program)
   - Changes in the program's focus or design (e.g., eliminating management courses in a business administration program), including a change in the program's major disciplinary area
   - Adding or eliminating an option or concentration
   - Eliminating a requirement for completion, including an internship, clinical, cooperative education, or other work-based experience
   - Altering the liberal arts and science content in a way that changes the degree classification, as defined in Section 3.47(c)(1-4) of Regents Rules

### Other Changes (all programs)
2. Program title
3. Program award (e.g., change in degree)
4. Mode of delivery (Note: if the change involves adding a distance education format to a registered program, please complete the Application to Add the Distance Education Format to a New or Registered Program.)
5. Discontinuing a program
6. A format change that alters the program's financial aid eligibility (e.g., from full-time to part-time, or to an abbreviated or accelerated semester)
7. A change in the total number of credits of any certificate or advanced certificate program

### Establishing New Programs Based on Existing Registered Programs
8. Creating a dual-degree program from existing registered programs
9. Creating a new program from a concentration/track in an existing registered program

**PLEASE NOTE:**

Establishing an existing program at a new location requires new registration of the program. If the requested action changes the program’s major disciplinary area, master plan amendment may be needed if the revised program represents the institution’s first program in that major subject area, at that degree level. If a requested degree title is not authorized for an institution chartered by the Board of Regents, charter amendment will be needed.
