Purchasing
All commitments for purchases must be finalized via eProcurement no later than May 3, 2024, for expected delivery by the end of the fiscal year. All goods and services delivered after June 30th will be treated as fiscal year 2025 charges and charged to the FY2025 budget. Temporarily Restricted accounts are excluded from this constraint.

Purchasing Card Purchases
All Purchasing Cards will be suspended for use starting May 3, 2024. Only Executive cards and cards considered essential will remain open.

Purchase Order Roll
Similar to last year, Purchase Orders will not be rolled to FY25. Please reissue any PO that will be utilized in FY25 with the appropriate balance and indicate it is a replacement PO with the FY24 PO number.

Expense Reimbursements through Accounts Payable
Expenses related to fiscal year 2024 (expenses incurred on or before June 30, 2024) cannot be combined with expenses related to fiscal year 2025 (expenses incurred on or after July 1, 2024). Expenses incurred in June, 2024 must be submitted by Wednesday, July 10, 2024 for inclusion in June 2024 close. In order to meet our reporting requirements to complete an accurate cut-off for the year-end audit close, please immediately communicate any expected delays in reporting to the corresponding finance contact as soon as possible. This submission date is critical.

Third Party Billing (Non-Student Receivables)
Events that occur on or before June 30, 2024 should be billed timely and related invoices should be submitted to Robyn Triscari by Friday, July 12, 2024. If an invoice cannot be submitted by July 12th, please send a memorandum describing the event and the amount to be accrued as revenue. Please include sufficient supporting data to substantiate the amount accrued.

Adjustments including Corrections and Transfers
Submit by Friday, July 12, 2024 all corrections and transfers of transactions for the period July 1, 2023 through June 30, 2024. This request applies to all budgets (e.g., operating, grant, agency, capital, endowment, endowment spending etc.) of the University, as well as both expense and revenue related transactions. Please provide the index and account
information as well as the transaction number and supporting documentation, including an explanation of the situation and reason for correction / adjustment.

Redistributions (PHAREDS)
Submit by Friday, July 12, 2024. This deadline is intended to ensure timely close of university grant accounts. **In order to meet our reporting requirements to complete an accurate cut-off for the year-end audit close, please immediately communicate any expected delays in reporting to the corresponding finance contact as soon as possible. This submission date is critical. As a reminder all PHAREDS are now processed electronically using the Employee Portal.**

Vendor Invoices (Payments)
All vendors should be sending invoices directly to Accounts Payable. If vendors are sending invoices to your area, please forward them to Accounts Payable and contact the Purchasing Department so that they can arrange to have these vendors send invoices directly to Accounts Payable. Please ensure that the invoices are received in Accounts Payable no later than Wednesday, July 10, 2024.

Goods and services received by the University by June 30, 2024, but unbilled by the vendor, should be described in a memorandum and forwarded to Regina Beatty, Accounts Payable Director (Finance Office, 100 Summit, Valhalla) or rbeatty@pace.edu by Friday, July 19, 2024, for inclusion (accrual) in the June 30, 2024 financial statements. Accruals will be finalized by Friday, July 26, 2024: any invoice received after that date will be booked to Fiscal Year 2025 regardless of the date of invoice, service, or delivery. **Please inform the accounts payable office of any outstanding invoices in a timely manner to avoid those invoices being charged to your fiscal year 2024 budget.**

The memorandum for goods and services unbilled by the vendor should include the following information:

- Vendor name
- Date goods or services were received
- Description of goods or services
- Index and account number to be charged
- Dollar amount (an estimate is appropriate if an exact amount is not known)

**In order to meet our reporting requirements to complete and accurate cut-off for the year-end audit close, please immediately communicate any expected delays in reporting to the corresponding finance contact as soon as possible. This submission date is critical.**

Business Card Reconciliations
All business card transactions for FY24 must be fully approved and reconciled (including final approvals) no later than Friday, July 12, 2024. Any card transactions approved after this date will be charged to the FY25 budget.
