MISSION

The mission of the Lubin School of Business is to provide its students with exceptional experience-based learning that blends business theory with practical applications to prepare its graduates for successful professional careers in the global business environment.

Lubin School of Business

**Annual Awards Ceremonies
Recognizing Beta Gamma Sigma Honorees
and
Outstanding Graduates**

**Class of 2024
PROGRAM**

Beta Gamma Sigma is the preeminent international honor society in business. Membership in Beta Gamma Sigma is the highest recognition a business student can receive in an undergraduate, master's, or doctoral program at business schools accredited by AACSB International—The Association to Advance Collegiate Schools of Business, the premier accrediting organization for business schools in the world. The mission of Beta Gamma Sigma is to encourage and honor academic achievement in the study of business and personal and professional excellence in the practice of business. The principles of Beta Gamma Sigma are represented by three Greek words, the initials of which form the name of our honor society: Beta (representing Honor), Gamma (representing Wisdom), and Sigma (representing Earnestness).

To be eligible for membership, students are required to demonstrate academic achievement by earning one of the following academic rankings:

- The upper 10 percent of the sophomore class
- The upper 10 percent of the junior class
- The upper 10 percent of the senior class
- The upper 20 percent of the graduating master's class
- Completion of all doctoral requirements
