If you would like to register for a course that requires permission (e.g., clinics, externships, Guided Research, Directed Research, law review, moot court, Federal Judicial Honors Program), you must register for that course in person at the Registrar’s Office, or by sending an email to the Registrar once you have been granted permission.

## E. Drop/Add Policies (See Academic Rule 7.D)

**Summer** – After May 25, 2025, when the in-person drop/add period ends, a student can drop/add courses only if the student completes a drop/add form from the Registrar’s Office. Students must have that form signed by the professor and the Academic Dean. **Students who drop a class after the fourth week of classes (beginning on Monday, June 16, 2025) will receive a “W” on their transcript.** No student may withdraw from a class after the last day of classes.

**Fall** – After September 2, 2025, when the in-person drop/add period ends, a student can drop/add courses only if the student completes a drop/add form from the Registrar's Office. Students must have that form signed by the professor and the Academic Dean. **Students who drop a class after the fourth week of classes beginning on Saturday, September 20, 2025 will receive a "W" on their transcript.** No student may withdraw from a class after the last day of classes.

## **II. REQUIREMENTS THAT AFFECT REGISTRATION**

### **A. Normal Course Load for Both Divisions (See Academic Rule 7.B)**

The normal course load is 13 to 16 credit hours per semester for full-time students and 9 to 12 credit hours per semester for part-time students.

### **B. Overloads and Underloads (See Academic Rule 7.C)**

Although a normal full-time course load is 13-16 credit hours, full-time students may register for 10-12 credits as an underload and may register for 17 credits as an overload, with the permission of the Academic Dean.

Although a normal part-time course load is 9-12 credit hours, part-time students may register for 8 credits as an underload or 13 credits as an overload, with the permission of the Academic Dean.

Overload permission will normally be granted only if the student has a strong law school academic record. Underload permission will normally be granted only if the student, through summer school attendance, is significantly ahead of their class in credits or if, in the case of final semester part-time 4L students, only 8 credits are needed to graduate. **Students in the full-time program may not carry fewer than 10 credit hours in a semester and part-time students may not carry fewer than 8 credit hours in a semester.**

During the summer semesters a full-time student may take no more than 8 credits and a part-time student may take no more than 6 credits.

For information on subject areas that are frequently tested on the Bar Examination, please contact Danielle Kocal, Director of Academic Success or go to the [Academic Success website](#) which contains detailed information about the Bar Examination.

**C. Timing of Courses**

In choosing electives, be aware of the scheduling assumptions underlying when particular courses are offered during your upper class years. Required courses for Advanced Certificates are offered once a year. Highly specialized, non-required electives may only be offered once every other year. Assembling your schedule will be easier if you bear those assumptions in mind. In addition, keep in mind that some courses have prerequisites that must be taken first. In addition, full-time students interested in a litigation-oriented clinic in their third year must take Evidence in their third semester and Trial Advocacy in their fourth semester.

**A. Policy on Regular and Punctual Attendance (See Academic Rule 4.F)**

The School of Law requires all students to regularly and punctually attend classes. A student’s right to continue attending a course or to take examinations in a course is conditioned upon regular attendance of classes in that course. In the event that a student persistently violates this policy, the professor, at his/her/their discretion may impose sanctions including the disqualification of the student from taking the final examination or from receiving credit for the course.

Please also note that the New York State Board of Law Examiners requires that each application for admission to the Bar be supported by a law school certificate of the applicant’s regular attendance. Similar requirements are imposed by other state bar examining committees.

**B. Rescheduling Final Examinations: Only the Registrar Can Reschedule an Examination (See Academic Rule 10.C)**

1. Anonymity Rule: It is a violation of the Honor Code to contact a professor to reschedule an examination because it breaks anonymity. It is mandatory that you contact the Registrar, not the professor, for this purpose.
2. Conditions for Rescheduling of an Examination: Examinations will be rescheduled only if the student:
  - a) has **two** or more exams that **are being given on the same calendar day or in the evening and in the morning of the following day**. Students must notify the Registrar's Office of this conflict two weeks before the end of classes. The Registrar will determine which examination will be rescheduled, although the student may indicate a preference.
  - b) is ill on the examination day. The student must notify the Registrar's Office that because of illness he/she cannot sit for a particular exam on that day. The student must present a signed note from his or her physician to the Registrar's Office attesting to the illness before he/she is allowed to schedule a makeup exam.
  - c) has a business emergency on the examination day. Prior to the exam day, the student must present a signed note (on company letterhead) from his or her employer attesting to the emergency before he/she is allowed to schedule a makeup exam. If travel is involved, student must show proper documentation.
  - d) has an emergency in his or her immediate family on the examination day. The student must notify the Registrar's Office that because of an emergency he/she cannot sit for a particular exam on that day. The student must present a note that attests to the emergency before he/she is allowed to schedule a makeup exam.
  - e) has previously submitted a letter from a member of the clergy verifying religious grounds for deferment.
3. **Vacation travel plans are NOT a valid excuse to miss an exam. Please do not make any travel plans during the exam period, including the make-up date for each semester. No exceptions will be made.**

**Make-up exams must be taken on the day(s) assigned each semester by the Registrar.**

## B. LAW SCHOOL TUITION CANCELLATION POLICY

1. Tuition and special course fees are cancelled fully when a student drops all courses before the start of the second week of classes. For first year students, orientation is considered your first week of classes. A week is defined as 7 calendar days.
2. Tuition and special course fees are cancelled fully when a student is dismissed from the University prior to the end of a semester.
3. Tuition may be subject to a prorated cancellation when a student officially withdraws from all courses due to a medical condition by filing a written notice with the Registrar's Office and then filing for a medical leave of absence with Pace University. The cancellation will take affect once the medical leave of absence has been approved by the university. Please be aware that any Financial Aid awarded the student will also be readjusted according to the federal guidelines for withdrawal.

**Please note: Application, technology, general institution, university health care, student activity and non-course fees are not refundable under any circumstance.**

**Note:** It is the student's responsibility to withdraw from courses for which the student has registered. Failure to officially withdraw will result in tuition liability. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of his or her financial obligation, nor entitle the student to a refund. A student who registers for class and does not attend class remains fully responsible for all financial obligations. Federal financial aid recipients who cease attending classes for a semester, but do not officially withdraw, will be deemed to have unofficially withdrawn and will have a portion, or all, of their federal aid cancelled, after the close of the term when their failure to complete their courses is recorded.

Students registered for a monthly payment plan are responsible for completing all payments if a balance exists after cancellation of tuition. **Application, technology, general institution, university health care, student activity, and non-course fees are not refundable.**

## TUITION INSURANCE

Tuition insurance is a type of insurance policy that can assist in the financial protection of monetary loss due to a student's involuntary withdrawal from their studies. Different providers and policies provide varying levels of reimbursement for the cost of tuition and housing not covered by the University's [refund policy](#) and [tuition cancellation schedule](#). Pace University does not endorse a specific provider or policy and recommends the careful review of the terms and conditions of any policy prior to enrollment. To learn more information on tuition insurance, please review the following resources: [Consumer Reports](#), [Wall Street Journal](#), and [US News](#).

## E. PAYMENT OPTIONS

### Monthly Payment Plans:

Pace University offers monthly payment plans accessible through the [MyPacePortal](#). These plans enable students or their families to pay monthly installments on their account toward tuition, fees, and housing. Many students and families find

monthly installments more manageable than a single lump sum payment each semester. These interest-free payment plans are not loans; therefore, there are no credit checks. These plans are available for the fall and spring semesters in three, four, or five monthly installments. There is also a weekly plan option available for the summer terms.

All students are eligible to take advantage of these payment plans. Please note there is a non-refundable enrollment fee each term, and students must re-enroll in a plan each semester. The link to the Payment Plans will detail payment due dates, type of payments accepted, (credit cards, web checks, ACH payments), as well as fees associated with late payments.

#### **Authorized Users:**

For students who wish to grant access to an “authorized” user, the portal will provide the option for students to send an invitation email to whomever the student “authorizes”. The invitation will include access to the student account information and the ability to submit a payment on the student’s behalf.

Please note: Payment Plans are **only** available online.

#### **F. International Students:**

Pace University is now a partner with **FlyWire** to streamline the tuition payment process for our international students. With **FlyWire**, you are offered excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money compared to traditional banks. You will also be able to track where your payment is in the transfer process via a student dashboard and an email confirmation will be sent to you when your payment is received by the school.

You may also use TransferMate:

- Log in to your **Student Account**.
- Go to the **Make Payment** tab, and verify the Current Account Balance.
- Select **TransferMate** in the Method drop-down menu.
- Select the country you are paying from and click Review Rate.
- Select your preferred payment method (bank transfer or e-wallets).
- Enter payer details, confirm the payment information and initiate your payment.

#### **G. Full Payment**

Full payment, less validated financial aid, is due on the opening date of the semester.

- E-Check or credit payment through [MyPace Portal](#)
- Direct payment by check or money order to Pace Law School, Bursar’s Office, 78 N. Broadway, White Plains, NY 10603. Checks and money orders must be payable to Pace University.

#### **H. Deferral of Payment Utilizing Financial Aid**

If you filed your FAFSA, the law school financial aid office will send you via Pace Email your Financial Aid Award notice. Awards are usually divided in half for Fall & Spring. Once you have completed the necessary requirements, your Financial Aid (scholarship, loans, and/or grants) will be applied directly to the cost of your education and deducted from your tuition payments. If your aid is not sufficient to cover full payment, you can apply for the Graduate Plus Loan or a Private Educational Loan. You may also opt to use the University Payment Plan, with the understanding that you are responsible for the enrollment fee, and may use any remainder or other funds for the next payment. Refunds are permitted if an account is paid in full and a credit balance exists.

If you are seeking Federal loans and have not filed a FAFSA as of yet, you must [apply online immediately](#).

**Students who fall below good standing (2.30 GPA) are not eligible for federal aid unless a waiver is granted by the Financial Aid Office for extenuating circumstances.**

If you are obtaining tuition benefits from your employer and those benefits are paid at the time grades are released, you will be responsible for paying your tuition obligation at the time of registration. Students are then reimbursed directly by their employer.

#### **I. REGISTRATION VOID DUE TO NONPAYMENT**

Full payment of tuition and fees is due on the first day of each new semester. If by the fourth week of school you have not completed making payment (other than students enrolled in the University Tuition Payment Plan), your registration will be voided. You must stop attending classes and you will not receive academic credit.

We will allow you to be reinstated only if you make full payment within one week of the void.

#### **J. DELINQUENCY OF OUTSTANDING BALANCES**

Delinquent outstanding balances, including those from installment payment plans, are subject to collection by the University or, at the University's option, its designated agent. Late charges and interest may be added to a delinquent outstanding balance. In addition, the actual collection expenses, including attorneys' fees, if any, incurred by the University will be added to the delinquent outstanding balance. The amount of the actual collection expenses and fees may exceed fifty percent of the delinquent outstanding balance (including any late charges and interest).

Any student who has a delinquent outstanding balance is not eligible to enroll at the University. The University will not provide copies of transcripts to or on behalf of any student with a delinquent outstanding balance. A delinquent outstanding balance will be reported to all national credit bureaus and may significantly and adversely affect the student's credit history. The University may pursue legal action to recover the amount of the delinquent outstanding balance, plus any late charges, interest, actual collection expenses, court costs, and attorneys' fees.

#### **K. STUDENT REFUNDS**

Students may be eligible to receive a refund when payments posted to their respective student account exceed the cost of tuition, fees, dorm, meal charges, and any other allowable ancillary charges. Payments may include disbursed financial aid (including scholarships and loans), check payments, and other payments resulting in a credit balance. The refunding process starts approximately ten business days after the opening date of the semester. The opening day of the semester does not count orientation. The opening day is the first day of course instruction. Refunds are generated once per week. Students may review the status of their accounts through the MyPace portal, Account Summary.

Refunds from accounts paid by cash, check, money order, or financial aid awards/loans are sent from Pace University to BankMobile, for distribution to the student, in accordance with the student's selected refund preference. Visit [BankMobile](#) for more information.

If a credit card has been used to pay all or part of a semester's charges, any credit resulting from any source will be refunded first to the credit card, up to the amount charged on the card, but not in excess of the original charged amount. If a credit balance still exists after refunding to the credit card, that credit will be refunded to the student in accordance with the BankMobile information above.

Note: If a student withdraws from a course, or all courses, the level of financial aid eligibility may be recalculated, based on the date of withdrawal and the amount of the tuition credit cancellation, if any. When a recipient of federal funds withdraws or stops attending classes during the first sixty percent of a semester, a recalculation in compliance with the federal Return to Title IV Funds regulation will be done: any unearned aid will be returned appropriately to the source, e.g., U. S. Department of Education or federal loan lender. If, after review, a student is deemed ineligible for any or all financial aid, any balance due to Pace University becomes the responsibility of the student. This policy is subject to change without prior notification. All questions should be directed to the Office of Student Assistance/Financial Aid.
