Satisfactory Academic Progress (SAP) Review

The Federal Government requires students to maintain a specific level of academic progress (QPA and completion rate) to retain financial aid.

We review SAP at the end of **each** Spring semester.

If you are not making SAP you are at risk of losing your Federal and Institutional aid (i.e. Merit Scholarships, Pace Grant, Stafford loans, etc.) effective Summer 2025.

Consider enrolling in Summer 2025 classes at Pace to improve your QPA, if needed.

To count towards your QPA your Summer 2025 classes must be taken at Pace!

Please visit our [SAP webpage](#) for more information regarding the policy and appeal process.

Did you file your 2025-2026 FAFSA?
