December 2024

Friday, December 13: [Information session on tenure and/or promotion](#) (TAP) recording.

February 2025

By Tuesday, February 4, EOB: Candidate emails their Department Chair, cc'ing their Dean and Faculty Career Development:

- Letter of Intent (use template)
- List of a minimum of 10 external evaluators and their bio-sketches (in the Letter of Intent)

From the [Tenure and Promotion Process](#) guidelines: The Candidate will provide names of external evaluators such that they satisfy an “arms-length” relationship, i.e. should be as independent as possible from the candidate.

- *External letters are required and should not be professionally affiliated with the nominee, as a result of having in the last five years:*
 - *been a supervisor or a trainee of the nominee*
 - *collaborated, published, or shared funding with the nominee, or have plans to do so in the immediate future*
 - *been employed by Pace University*
 - *feel for any reason unable to provide an impartial review of the nomination*

NOTE: If a candidate whose Tenure Review date is 2025-2026 decides to request a Tenure Clock Stoppage, this request needs to be approved by February 3, 2025 (using template).

By Tuesday, February 18: Faculty Center holds a session to review the process, deadlines, and guidelines by Zoom.

By Tuesday, February 25, EOB: Candidate emails a draft dossier to their Department Chair for feedback. [Draft includes: CV, Executive Summary, Scholarship, Teaching, and Service statements.]

Note: these documents and the CV do not have to follow the same format and page count as those for Pace Internal TAP Review-the final Dossier.

March 2025

By Tuesday, March 11, EOB: Department Chair provides feedback to the candidate on draft dossier.

By Tuesday, March 25, EOB: Department TAP Committees and Department Chairs develop additional names of external evaluators for each candidate. Department Chairs send the list of external evaluators and their bio-sketches to candidates for review and comment.

- *Department Chairs will prepare a list of external evaluators who are in academia on the basis of their ability to comment on the candidate's professional accomplishments, and who are expected to hold at least the rank for which the candidate is being considered, recognizing that the value of external evaluation letters is greatly enhanced by the objectivity and credibility of the author. Evaluators do not have to be scholars in the identical sub-specialty as the candidate, however their specialty should be broadly related to the candidate's sub-specialty and they must have the ability to assess the impact of a candidate's scholarly or creative activities. Letters from full professors are preferred.*
- *Non-academic external evaluators may be included when a clear explanation of the relevance of such an evaluation is presented. It is always in the best interest of the candidate for the most knowledgeable pool of external evaluators possible to be selected.*
- *If a candidate is reapplying for promotion within three years of a previous dossier submission (whether as a result of denial of promotion or withdrawal of the case prior to final decision), five additional new letters should be sought at the time of resubmission.*
- *The Chair will consult with the Department TAP Committee and may consult other experts in the field if they are unable to judge the adequacy of the TAP candidate's scholarship. The Chair will pay special attention to identifying external evaluators who can assess the impact of a candidate's scholarship and the academic rank of the evaluator since full professors are preferred. The Chair will develop a sufficiently large list of external evaluators to achieve the goal of securing five such that no fewer than five letters may be secured.**

- *The Chair must check the rank/title and arms-length relationship of the external evaluator before approving the list and sending it to the Dean's Office.*
- *If there is more than one candidate in a department that is going up for TAP, Chairs check to make sure there are no duplicates. An external evaluator may only provide one letter during a review year.*
- *External letters are required and should not be professionally affiliated with the nominee, as a result of having in the last five years:*
 - *been a supervisor or a trainee of the nominee*
 - *collaborated, published, or shared funding with the nominee, or have plans to do so in the immediate future*
 - *been employed by Pace University*
 - *feel for any reason unable to provide an impartial review of the nomination*

**A sufficiently large list would have 15 names. This allows for a better yield of the final minimum of 5 external evaluations.*

April 2025

By Tuesday, April 1, EOB: Candidate sends comments on the full list of external evaluators to their Department Chair. Candidates are responsible to proofing emails, titles, and spelling of names, including those submitted by the Chair. Candidates are permitted to exclude 1/3 of the individuals from the full list.

By Tuesday, April 8, EOB: Department Chair sends the roster of external evaluators' bio-sketches and contact information, along with any candidate comments on the evaluators, to the Dean's Office, cc candidate and Faculty Career Development.

This list should be in a word document, include the names chosen by chair/TAP committee and the names chosen by the candidate. Label which names came from Chair/committee and which ones came from the candidate. Email this list to the Dean, cc Faculty Career Development and the candidate.

By Tuesday, April 15: Candidate submit their CV to Faculty Career Development (any format and any page length) for external evaluator review.

May 2025

By Tuesday, May 6: Faculty Center solicits the finalized roster of external evaluators to receive at least 5 commitments per case. (*Note: the candidate's dossier is shared with those external evaluators who accepted at a later date.*)

By Tuesday, May 6: Candidates who would like feedback/review or combining files, etc. by Ally Kimmel, share with akimmel@pace.edu their One Drive (or google/drop box) folder of

dossier files that are for external evaluators (otherwise, candidates would submit directly into their case on Interfolio by June 6)

June 2025

June 2 to 6: The Academic Portfolio Workshop is held. For more information, please email Faculty Career Development.

By Friday, June 6, EOB: Candidate submits the following documents for external evaluation: curriculum vitae, executive summary, scholarship/research statement and scholarship/research (or creative works) supporting documents.

Note: these documents and the CV do not have to follow the same format and page count as those for Pace Internal TAP Review-the final Dossier.

By Tuesday, June 10: The external evaluators who committed to providing an evaluation for a candidate receive access to materials.

By Tuesday, June 17 EOB: Candidates submit their unverified FACT sheet in docx format (using template) to Faculty Career Development.

By Tuesday, June 24 EOB: Department TAP Committees form. **Department Chair** informs Faculty Career Development of Department TAP Committee members.

Note: It is strongly suggested that each TAP committee consist of at least three voting members (the total number of voting members must be odd to ensure proper voting outcomes). If a department does not have sufficient number of full or tenured faculty, seek faculty in other departments. If you need a list of eligible faculty, please contact Ally Kimmel.

Note 2: The candidate going for TAP should not form their own TAP committee. This is the responsibility of the candidate's Department Chair or Associate Dean.

Note 3: Those on Sabbatical Leave cannot serve on a TAP committee.

Note 4: Department Chairs of Associate rank should still serve and provide evaluation for the candidate who is applying for Full. Associate Professors on a TAP Committee may not vote for any candidate that is applying for Full.

Here is an excerpt from the [TAP Process from the Provost's Office website](#) (review the Chair Responsibilities on that website as well)

COMMITTEE RESPONSIBILITIES (DEPARTMENT TAP, SCHOOL TAP, CDFPT, AND CDFPT APPEALS)

- Voting members must fully participate in committee deliberations. There can be no proxy voting on tenure and/or promotion cases at any level.
- Each faculty member and administrator (including the Department Chairperson) who participates in the tenure and/or promotion process votes

only once on any particular case. The committee member may decide at which level to vote if they serve on more than one level of review and will recuse themselves in all other levels.

- Committee members voting for promotion must at least hold the rank being sought by the candidate and must not hold a lower rank than the candidate currently holds. If committee members at lower rank than the candidate are members of a department or school TAP committee, they may be present for the discussion and participate up to the point of vote.
- Committee members voting for tenure must hold tenure.

July 2025

By Tuesday, July 8: Candidates who would like feedback/review or combining files, etc. by Ally Kimmel, share with akimmel@pace.edu their One Drive (or google/drop box) folder of dossier files that are for Pace Internal TAP Review-the final Dossier (otherwise, they would submit directly into their case on Interfolio by August 12.)

Seven (7) Days After Faculty Councils Submit Their Votes: The President and the Provost review dossiers, taking into account the recommendations at all previous levels of consideration. The President makes a final recommendation to the Board of Trustees.

March 2026

Week 1 of March: The Board of Trustees considers and votes on the President's recommendations, usually at the next board meeting. Successful candidates are officially

notified before the following academic year convenes. Their promotion and/or tenure takes effect on September 1 of the next academic year.

^Individual exceptions to extend deadlines cannot be granted.

2026 Timetable of Procedures for CDFPT Appeal Process[^]

From Faculty Handbook: Subsequent to a negative recommendation by the CDFPT, a faculty member may appeal to the CDFPT Appeals Committee by filing such appeal through the Provost. The CDFPT Appeals Committee is a University-wide Committee that hears appeals from negative promotion and tenure recommendations by the CDFPT. The Appeals Committee is currently composed of six members of the Faculty (exclusive of the School of Law) who are not members serving on the current year's CDFPT and who are elected by their respective Location Faculty Councils: three from the Westchester Faculty Council and three from the New York Faculty Council. Six alternate members are similarly elected to be available in case of inability to attend, or recusal due to a conflict of interest due to service on a related department, College or School TAP committee, or if a challenge for cause is made of a regular member of the Committee. In addition, two voting faculty members of the CDFPT, named by that group, will serve as non-voting liaison representatives to the Appeals Committee. Liaisons respond to questions from the CDFPT Appeals Committee about the facts of applications considered by the CDFPT that are relevant to the CDFPT Appeals Committee's review. At least one liaison must be present at each meeting of the CDFPT Appeals Committee. As with the CDFPT, the Provost will serve as a resource person on matters of procedure.

The Appeals Committee shall only consider whether an appeal is warranted if: (1) procedural due process was not followed (e.g., information provided by the appellant in a timely and otherwise appropriate fashion was not presented to the CDFPT), and/or (2) the appellant is as qualified as a candidate within an equivalent rank recommended by the CDFPT in the same year. Dossiers within relevant rank are made available for review to candidates who wish to appeal the CDFPT recommendation. The CDFPT Appeals Committee may only consider questions answered by the CDFPT liaisons and the same fact sheets, evaluation forms, recommendations, and dossiers of the nominee and others within relevant rank reviewed by the CDFPT. The CDFPT Appeals Committee may only consider information that was available to the CDFPT. As with the CDFPT, the CDFPT Appeals Committee is not bound by precedent or recommendations from prior years. An individual faculty member has the right to appeal the CDFPT decision only on their own behalf. Following its review, the CDFPT Appeals Committee will provide its recommendation in writing to the President and the candidate.

In addition, subsequent to application and non-recommendation by the Appeals Committee of the CDFPT, a candidate may appeal directly to the President concerning his or her promotion and/or tenure.

February 2026

Within one (1) week from Appeal Date: Candidate who wishes to appeal the decision must submit an appeal intent to the Provost's Office. Please note the appeal intent is not the letter of appeal and is not binding. For a description of the appeals process, see the 2013 Faculty Handbook Section D9.

Within thirty (30) calendar days of Appeal Date: Candidate submits/uploads the documentation to their appeal case for review.

March/April 2026

Within forty-five (45) calendar days of Appeal Date: Appeals Committee begins review of appeal(s).

Within sixty (60) calendar days of Appeal Date: Appeals Committee recommendation(s) is (are) submitted to the Faculty Center, and the candidate is notified.

May 2026

Within fifteen (15) calendar days of receiving the Appeals Committee's written recommendation: The President issues decision(s) on appeal(s) and makes a final recommendation to the Board of Trustees.

The Board of Trustees considers and votes on the President's recommendation(s), usually at the next Board meeting. The President and Board of Trustees' recommendations for each candidate are submitted to the Faculty Center. Successful candidates are then officially notified before the following academic year convenes.

^Individual exceptions to extend deadlines cannot be granted.
