

Pace University PhD Program Objectives (PO) Annual Assessment Report 2022-2023

The following is Pace University's Doctor of Philosophy (PhD) Program Objectives (POs) Assessment Report for the program's annual review. This plan includes input from the various stakeholders including: aggregate student assessment data that addresses student knowledge, skills, and professional dispositions; demographic and other characteristics of applicants, students, and graduates; and data from systematic follow-up studies of graduates, site supervisors, and employers of program graduates.

The assessment data compiled and analyzed is based on a five-point scale which is constituted as: 1 – Ineffective, 2 - Somewhat Ineffective, 3 – Adequate, 4 – Effective, 5 – Very Effective.

Program goals are baselined at a minimum standard of 80% to designate “meeting standard” or above. Our students continued to receive high quality academic instruction, strong clinical practicum experiences, and internship professional roles among five doctoral core areas, including: (1) counseling; (2) supervision; (3) teaching; (4) research and scholarship; (5) leadership and advocacy.

99% of our stakeholders indicated that the program was Effective or Very Effective in meeting the program objectives. Again 99% of our stakeholders indicated that the program was Adequate, Effective or Very Effective in meeting the program objectives.

The PLO Assessment Plan is divided into the following areas:
