Here's a Five Year Review of Outcomes: Class of 2020-2024
Outcome Collection and Reporting is based on the First Destination Survey Standards and Protocols provided by the National Association of Colleges and Employers (NACE)
-     Class Year: July 1st to June 30th
-     Data on the class is collected until December after the last graduating class in May (Approximately six months out)
-     Includes PT and FT employment in all categories (new and maintained), enrolled in continued study, military service and volunteering
-     NACE employment categories include permanent, temporary, contract, internship, fellowship, entrepreneur, freelance, faculty tenure or non-tenure track
-     Employed, Continuing Education and Service rates do not include non-seekers
