

# HOW TO USE ZOOM ON YOUR MOBILE DEVICE

To get started, download Zoom from the App Store, Google Play, etc. Once the installation has been completed, open the app on your device.

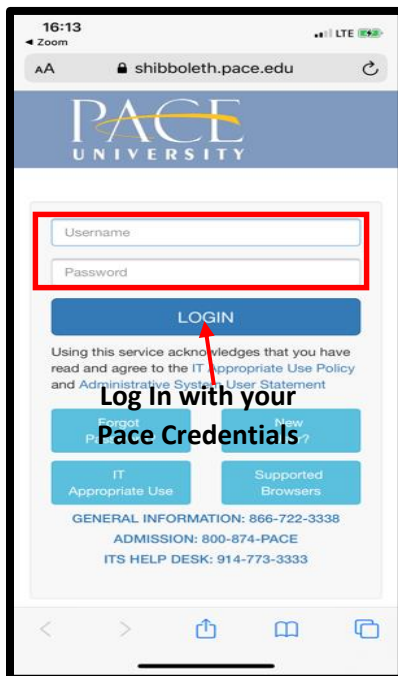

Click Sign In

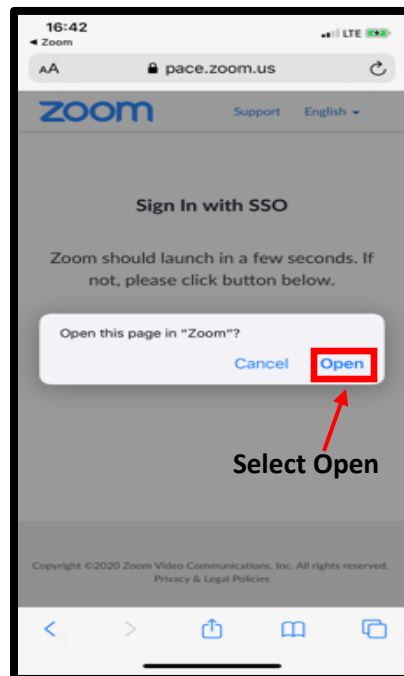

Enter Pace for the company domain

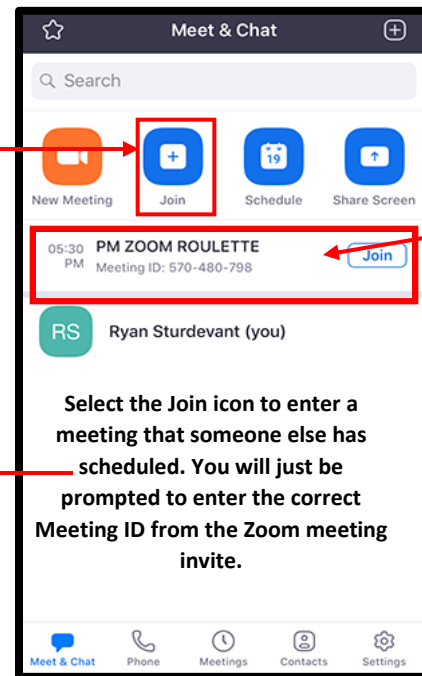

Select Go

Log In with your Pace Credentials

Select Open

To Join a meeting you have scheduled – locate the scheduled upcoming meeting on the interface and select Join.

Select the Join icon to enter a meeting that someone else has scheduled. You will just be prompted to enter the correct Meeting ID from the Zoom meeting invite.
