

Adding and Editing a Manual Cards Horizontal Component

- After clicking **Edit** on your webpage, scroll to the bottom of your page.
- Under **Components**, click **Add Manual Cards Horizontal**.

- Or, if you are editing an existing Manual Cards Horizontal Component, Click the **Edit** button

- There are three fields to start when you add a Manual Cards Horizontal component
- **Title**, **Description**, and the **Add Manual Card Horizontal *toCards*** button. **Add Manual Card Horizontal**
- By default, a Manual Cards Horizontal component will start with one empty Manual Card

The screenshot shows the editor for a 'Manual Cards Horizontal' component. At the top, the title bar reads 'Manual Cards Hori...' with a tab indicator '1' and a 'Collapse' button. Below the title bar, there is a 'Title' field containing the text 'Title of Section'. Underneath is a 'Description' section with a rich text editor toolbar (including bold, italic, subscript, superscript, bulleted list, numbered list, quote, link, unlink, and image icons) and a dropdown menu currently set to 'Paragraph'. The description text area contains the placeholder text 'This is the text that will appear above the Manual Cards.' To the left of the description area is a handle icon for dragging. Below the description is a 'Text format' dropdown set to 'Basic HTML' and a link to 'About text formats'. The bottom section is titled 'Cards' and contains a single card with the title 'Manual Card Horiz...' and an 'Edit' button. At the very bottom, there is a button labeled 'Add Manual Card Horizontal' and a link labeled 'toCards'.

- The **Title** and **Description** above the cards are not mandatory fields, but you can add content here if needed. The **Title** and **Description** will appear above your manual cards as a Heading and a blurb. For example, see the next slide of this presentation

Add Manual Card Horizontal to Cards

- You can add multiple cards but we recommend to keep it under 10.
- More cards means more images. More images make the page slower and may impact the SEO of the page.
- The sample below has 3 cards, which will look like this on your page.

SAMPLE CARD

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Donec at orci in augue egestas pulvinar. Fusce ultricies enim nunc, vitae dignissim ligula venenatis ac.

SAMPLE CARD 2

Suspendisse potenti. Ut mollis nunc dignissim dapibus ullamcorper. Nulla eros eros, aliquam interdum eros vel, tincidunt ultricies enim. Pellentesque varius mi elit, id blandit eros vehicula eu.

SAMPLE CARD 3

Pellentesque varius mi elit, id blandit eros vehicula eu. Praesent lobortis facilisis porta. Etiam scelerisque sit amet augue nec mattis.

- You can change the order of your cards by using the **Change Order icon**  to the left of the card

Manual Card Guidelines

- Manual Cards are not intended to house large quantities of text. The general rule, is that this text shouldn't run much longer than the image.
- Theoretically, you could add unlimited Manual Cards to a page, but please try to limit how many cards you use.
- Images for this component must be cropped to 975x548 pixels
- Images for this component must named using using the correct naming convention (all lowercase)
 - [department-or-school]-manual-card-[subject-matter-of-the-card].jpg
 - Using this naming convention, if you were creating a Manual Card image for the Financial Aid website, and the image was for the "Types of Financial Aid" section of that site, the name of the image file would be **financial-aid-manual-card-types-of-financial-aid.jpg**
