

**JASON J. CZARNEZKI**  
PROFESSOR OF LAW  
ELISABETH HAUB SCHOOL OF LAW  
PACE UNIVERSITY (NEW YORK)

As a higher education administrator, professor of law, business executive, and leader of a global nonprofit organization and technology startup, Dean Jason Czarnezki has significant experience in fundraising and development, systems and change management, budget and finance, personnel management, and public speaking—while building cultures of success and empowerment in the institutions he has led.

Jason specializes in environmental and natural resources law and policy, sustainable business strategies, and food systems policy, with expertise in sustainable procurement, eco-labeling, and life cycle assessment and costing. Passionate about protecting nature and building the circular economy, Jason helps individuals and institutions to reach their sustainability goals through a commitment to environmental health, economic welfare and social justice.

EXPERIENCE

ELIZABETH HAUB SCHOOL OF LAW AT PACE UNIVERSITY (NEW YORK)

Fulbright Specialist, 2018-2025

Richard Ottinger Outstanding Service Award, 2018

President's Award for Outstanding Contribution to the University, 2023 & 2024

*Led top-ranked environmental law program as a “law school within a law school” and with a startup mentality, managing over 50 permanent faculty and staff, ~300 students and researchers, a dozen academic degree programs, and 9 centers and clinics, while overseeing a multi-million USD dollar budget—Ranked #1 by U.S. News & World Report 5 years in a row (2021-2025). As Associate Dean and Executive Director of Environmental Law Programs, managed and oversaw curriculum mapping, budget and financial management, environmental faculty and staff meetings, fundraising strategy and development, branding and marketing including social media and graphic design, event planning, and external and alumni relations, strengthening connections with environmental practitioners, and expanding career experiential opportunities for students and program graduates. Played a significant role in acquiring the largest donation in the history of Pace University and handled stewardship of this eight-figure transformational Haub Family gift to the law school, nearly all of which went to the Pace environmental law program. Role of Associate Dean for Strategic Initiatives was created and added to portfolio in an effort to improve outcome measures for the entire law school, using data analytics and budget analysis to improve student recruitment and retention, develop new marketing strategies, improve career placement, offer unique solutions caused by the recent changes in the legal education market, and engage in budget modeling and financial projections. Founded and led the Sustainable Business Law Hub—an incubator space, student-training program, research endeavor, and think tank devoted to addressing global sustainability challenges through policy and research projects, relationships and ESG consulting with the business community, and capacity building in private environmental governance and sustainability strategies.*
