YOUR TAKE-OFF GUIDE:

HOW TO GET THE MOST FROM THE STUDY ABROAD FAIR!

QUESTIONS TO ASK YOURSELF

- *Why do I want to study abroad?*
- *What are my academic & personal objectives from a study abroad experience?*
- *Where do I want to study? (big city vs. university town vs. off the beaten path)*
- *What length program should I choose? (1-3 weeks, 4+ weeks, semester, year)*
- *How much interaction with other U.S. university students do I want?*
- *What type of foreign culture (and language) do I want to experience?*
- *What kinds of courses can I take abroad (and graduate on time)?*
- *What non-academic opportunities do I want? (e.g., travel/campus clubs/ volunteering)*
- *What level of on-site support do I need? How independent do I want to be?*

QUESTIONS TO ASK PROFESSORS & PARTNERS

- *Why should I pick your university/program?*
- *What's so special about your university/progam's location?*
- *I'm a X major. Can I study X at your university?*
- *What is the learning style like, and how does it differ from the U.S.?*
- *What's the cost-of-living in your location?*
- *What kind of housing is offered?*
- *What's the mix of U.S. students, local students, and international students?*
- *What level of independence is expected of students on this program?*
- *What is student life like outside the classroom?*
- *What is your favorite thing about the program?*
