Academic Policies and General Regulations

Degree Requirements

The academic regulations at Pace University are designed to ensure adherence to standards of academic excellence while affording the latitude and flexibility necessary to accommodate the needs of and conditions faced by a diverse student body.

Requirements for a Bachelor's or Associate Degree are:

- Successful completion of the requirements for a major program as specified in the catalog current at the time of a student’s matriculation or as subsequently amended. A bachelor's degree normally requires completion of 128 credits, although some majors may exceed this requirement. In addition, certain adult degree programs may only require 120 credits for degree completion. An associate degree requires successful completion of 60–66 credits, and a minor requires completion of 12–18 credits. Students should consult the curricula described in the sections for the academic schools within this catalog for the exact number of credits and courses required for their major program.
- Completion of at least 32 credits in residence at Pace University for all bachelor’s degrees, and the associate in science degree in early childhood development and for all associate in applied science degrees. Associate in arts and associate in science degrees require that 30 credits of the 60-credit programs be completed at Pace.
- Completion of at least one-half of the major program and one-half of a minor program, if the student elects one, in residence at Pace University. Students pursuing a bachelor of business administration degree must also complete at least one-half or 50 percent of the business credits required for the BBA, including business core, major and auxiliary requirements, in residence at Pace University.
- A minimum cumulative QPA of 2.0 (unless indicated differently by a school, college, or specific major)
- A minimum QPA of 2.0 in the student’s major (unless indicated differently by a school, college, or specific major)
- An "Application for Graduation" must be filed with the Office of Student Assistance by the appropriate date: January graduation must be filed by the previous March 15, May graduation must be filed by the previous September 15, and September graduation must be filed by the previous November 15.
- All financial obligations to the University must be met before the student’s diploma is released.

Transfer Credit Policy for Undergraduate Students

Responsible Executive: Provost and Executive Vice President for Academic Affairs

Responsible Office: Office of Student Assistance/University Registrar

Effective Term: Fall 2012

Revision Date: August 23, 2012

I. Types of Transfer Credit Accepted by Pace University

The following statements describe the sources of acceptable transfer credit:

1. Pace University will accept transfer credit from institutions accredited by a regional affiliate of the Commission on Higher Education. Prior coursework should be completed at institutions that are fully accredited by regional accrediting agencies or are recognized candidates for accreditation. These regional accrediting agencies include:

   - Middle States Association of Colleges and Schools
   - New England Association of Schools and Colleges
   - North Central Association of Colleges and Schools
   - Northwest Association of Schools and Colleges
   - Southern Association of Colleges and Schools
   - Western Association of Schools and Colleges

2. Pace University will accept transfer credit from non-regionally accredited institutions upon review of course descriptions and/or syllabi. These institutions must be approved by the U.S. Department of Education and hold either professional or national accreditation, as verified by the Council for Higher Education Accreditation (CHEA). The Council for Higher Education Accreditation provides a searchable database of colleges and universities and their accreditations.

3. Pace University will accept transfer credit from post-secondary level international institutions that are formally recognized by their country’s ministry of education or its equivalent.

4. Pace University will accept transfer credit from institutions that have entered into transfer credit articulation agreements with the University.

5. Pace University recognizes the achievements of students as represented by their successful completion of exams through the College Board’s Advanced Placement (AP), College Level Examination Program (CLEP), the International Baccalaureate (IB) program, the French Baccalaureate Program, and General Certificate of Education Advanced Level Exams (GCE).
Depending on the exam and the score achieved, students may earn credit applicable towards the Core Curriculum, major requirements, or elective requirements of their chosen major.

6. Pace University offers assessment of prior learning, including credit by examination, experiential learning assessment, acceptance of American Council on Education recommended credit, and acceptance of National College Credit Recommendation Service recommended credit.

7. Pace University will accept results of acceptable performance on standardized proficiency examinations. Where a standardized proficiency examination is not available, a Pace University departmental Challenge Proficiency Examination may be administered. The non-refundable cost of each examination is equal to one credit of tuition for each course challenged.

II. Maximum Transfer Credit
1. A maximum of 68 credits may be transferred from accredited two-year institutions toward a baccalaureate degree program. Credit will be granted only for equivalent lower-division and some upper-level courses offered at Pace University as determined by a designated transfer credit evaluator.

2. A maximum of 96 credits may be transferred to a baccalaureate degree program from accredited four-year institutions. Specific credits are awarded dependent on the specific program the student enrolls in.

3. Up to 30 credits will be accepted for credit earned by completion of standardized examinations (i.e., AP, CLEP, and IB). Credits earned from these examinations are considered lower-division and are counted in the limits listed above.

4. Up to 36 credits may be applied from prior learning assessment portfolios to the following degrees: Bachelor of Science in Professional Studies, Bachelor of Arts in Liberal Studies, Bachelor of Science in Professional Computer Studies, and Bachelor of Business Administration in Business Studies. Students may also apply up to 15 portfolio credits to the other bachelor degrees with permission of the advisers of the school in which the degree is offered.

III. Grade Requirements
Undergraduate transfer credit may be received only for courses taken at regionally accredited institutions in which a grade of C or better was earned (C– grades are not transferable). The grades received at other institutions will not be used in the calculation of the Pace University cumulative grade point average. Credit will also be granted for courses in which a grade of P has been earned as long as the other institution’s grading scale clearly indicates the P grade as being equivalent to at least a grade of C (2.0).

IV. Transfer Credit Conversion
Pace University’s academic calendar is based on the semester system. College credit is accumulated based on semester hours. If the previous institution attended was not on a semester system, a credit conversion will be required and completed as follows:

- Quarter hour system – a conversion of hours must be completed to reflect the proper number of credits for each course. To convert credit hours to the semester system from the quarter system, multiply by 0.667. The table below reflects the number of semester credits granted for quarter-hour credits.

<table>
<thead>
<tr>
<th>Quarter Hours</th>
<th>Semester Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>6</td>
<td>4</td>
</tr>
<tr>
<td>5</td>
<td>4</td>
</tr>
<tr>
<td>4</td>
<td>3</td>
</tr>
<tr>
<td>3</td>
<td>2</td>
</tr>
<tr>
<td>2</td>
<td>1</td>
</tr>
<tr>
<td>1</td>
<td>No Credit</td>
</tr>
</tbody>
</table>

- Pace University does not offer “half” credit courses. If courses from the previous institution attended did not have whole semester hours, the credit hours of those courses will be rounded down (example: 2.5 credits are rounded down to 2). The contact hours of a half -credit course does not meet the contact hour requirement for a one-credit course at the University. Whenever possible, courses containing half credits will be grouped together to grant the most credit possible to the student.

V. Evaluation of Academic Records and Credit Limitations

Course Equivalency - Courses transferred must be applicable and comparable to corresponding courses in the academic program in which the student is, or will be enrolled in, at Pace University. In cases where the student’s program at Pace University provides for electives, the student may receive elective credit toward the degree requirement for courses taken at another institution that are not offered at Pace University.

It is important to note that Pace University awards transfer credits for those courses that are liberal arts in nature, or are applicable to a non-liberal arts program offered at the University (i.e. business, education, social work, etc.). Pace does not award credit for those courses that are highly specialized or technical such as secretarial courses, automotive repair, or construction technology. The University does not award transfer credit for courses that are designed to give students the necessary background for college-level work. Remedial courses such as basic writing skills, pre-algebra, and English as a Second Language (ESL) are not transferable.
Review of Coursework – Transfer credit evaluations are based upon academic department approval of courses. This process has been automated so that the preliminary transfer credit evaluation can be completed and sent to the student soon after he or she is admitted to the University. Since the process is automated, most of the courses that are transferred to Pace have previously been evaluated by departmental chairpersons and are tracked on the Banner system. The University has a historic record of courses taken at other institutions that have been certified by each of the academic departments as equivalent to Pace University courses. The list of equivalencies can be accessed on the Transfer Credit Equivalencies webpage at https://appsrv.pace.edu/TCEweb/. Personnel in the Office of Undergraduate Admission and the Office of Student Assistance may grant transfer credit for introductory courses that can be applied to the University Core Curriculum before academic departmental equivalencies are determined.

Students who have attended non-regionally accredited institutions of higher education may request that their coursework be evaluated for transfer credit. Credit will be evaluated on a case-by-case basis and the student will be expected to provide course descriptions and/or syllabi to assist in evaluating the coursework.

Courses that have not been previously evaluated are sent to the appropriate academic department for credit determination and then added to the Banner system. If the departmental chairperson cannot determine an equivalency after a review of the course description and/or syllabus, the course may be applied as General/Open elective credit depending on the program in which the student is enrolled. Any arts and sciences course that does not have an equivalency may be applied towards the Areas of Knowledge component of the University Core Curriculum or as General/Open electives.

NOTE: Courses that are repeated at Pace University after transfer credit is applied will result in the removal of the transfer credit from the academic record at Pace University. The only exception will be for students admitted into the Challenge to Achievement at Pace (CAP) program who must complete placement examinations in English and Mathematics (see Transfer Credit for CAP Students statement).

In cases where the same Pace University equivalency has been determined for two courses at different institutions, only one of the courses will be applied to the degree program. Transfer credit will not be given for the second course.

VI. Advanced Placement – Incoming undergraduate students may receive credit through the Advanced Placement program. These tests are administered as early as the sophomore year in high school. Incoming freshman and transfer students who took an AP course in high school must submit their official score reports to be eligible for transfer credit. A list of acceptable scores is available on the Dyson College of Arts and Sciences’ webpage under Core Curriculum/Policies.

VII. College Level Examination Program – The College Level Examination Program (CLEP) may be taken by students prior to enrollment or concurrently while at Pace University. CLEP exams are offered in a variety of subjects and represent knowledge gained through coursework as well as through life or work experience. Current students must consult their academic advisor before taking any CLEP exam to ensure the exam will fulfill requirements of their major program. The CLEP score reports should be sent with the application for admission or immediately following completion of the exam. A score of at least 50 is needed to receive credit.

VIII. Residency Requirement – The number of transferable credits is limited by the degree program to which the credits will be applied. All students are required to complete a minimum of 32 credits and 50% of their major and 50% of their minor requirements at Pace University. A major program is defined as those courses directly related to the student’s primary course of study (e.g., accounting, marketing, history, mathematics, computer science, etc.). For students in the Lubin School of Business, the business core requirement in the major field is considered part of the undergraduate major program. In addition, 50% of all business credits required for the BBA degree is to be completed at the University.

IX. Time Limits on Transfer Credit - Normally there is no time limit on the transfer of courses. However, in some subject areas and for some programs, courses taken over ten (10) years previously will not automatically be awarded transfer credit. The appropriateness of the subject matter will be taken into account.

X. Transfer from International College/University - Academic records (transcripts) issued in a language other than English are required to be translated and attested by the institution of origin or an approved evaluation/translation agency accepted by Pace University. Transfer applicants should also submit an official catalog or syllabus of course work from each post-secondary institution attended to receive transfer credit. Course descriptions and syllabi must be translated for review by the appropriate academic department.

Pace University will accept translations and evaluations from World Education Services (WES), Inc., University Language Services, Inc., or a translator/interpreter associated with the American Translator Association (ATA).

It is important to ensure that translations and evaluations reflect US equivalency credits and grades to expedite the review of your previous academic records.

International Examinations – Official grade reports should be submitted if French Baccalaureate (higher level only), International Baccalaureate (higher level only), or General Certificate of Education Advanced Level (GCE) examinations have been completed. Credit is awarded based on the subject and the score received.

NOTE: Credit must be granted based on the subject and the score received.

In cases where the same Pace University equivalency has been determined for two courses at different institutions, only one of the courses will be applied to the degree program. Transfer credit will not be given for the second course.
XI. Transfer Credit for Challenge to Achievement at Pace (CAP) Program Students

Students admitted to Pace University through the CAP program will be placed into required English classes based solely on the results of their performance on Pace University’s Writing Placement Exam. Any previously earned credit for college-level English courses, or successful completion of exams through the College Board’s Advanced Placement (AP), the College Level Examination Program (CLEP), or the International Baccalaureate (IB) program, will be accepted only as credits towards the General/Open Electives component of the chosen degree program.

XII. Transfer Students with Fewer than 13 Credits

Full-time day students that transfer to Pace University with fewer than 13 credits are required to enroll in a University 101 class in their first semester unless they have received transfer credit for the equivalent of Pace University’s UNV 101 course. University 101 is not offered as an evening course.

All exceptions to this policy must be approved in writing by the Office of the Provost. Exceptions will be maintained in the permanent student academic record.

Credit by Examination and Assessment

Prior Learning Assessment

Adult students are likely to have acquired college-level learning outside of the academic classroom. In addition to evaluating transfer credit from prior college work, Pace University offers assessment of prior learning, including credit by examination and experiential learning assessment, and accepts ACE/PONSI-recommended credit.

Experiential Learning Assessment (ELA)

Pace University recognizes that adults often come to school with a great deal of experience and knowledge gained outside of a formal academic setting. Students interested in exploring the possibility of earning college credit for that knowledge should meet with an Adult and Continuing Education adviser to explore the options available. When an adviser determines that a student may be eligible for experiential credit, the student will be encouraged to enroll in a prior learning assessment course (INT 196B). This course will guide the student through the process of writing a portfolio that will be submitted for evaluation to the appropriate academic department. A faculty evaluator reviews the portfolio and, if college-level learning is demonstrated, approves the granting of credits. Credit earned through portfolio assessment is entered on a student’s transcript as transfer credit. Students must be enrolled in a degree program; up to 36 portfolio credits may be applied to the following degrees: bachelor of science in professional studies, bachelor of arts in liberal studies, bachelor of science in professional computer studies, and bachelor of business administration in business studies. Students may also apply up to 15 portfolio credits to the other bachelor degrees with permission of the advisers of the school in which the degree is offered. The portfolio process may not be completed once the student has obtained 96 credits towards a degree.

*Note there is no guarantee of earning 36 or 15 portfolio credits. The number of portfolio credits earned depends on the individual student’s experience and the extent to which that experience is deemed to be equivalent to comparable learning achieved in Pace University coursework.

Challenge Examinations - Undergraduate

Students who believe they have knowledge comparable to what would be gained by successful completion of a particular course at the University may in some cases obtain credit for that course by passing a “challenge examination.” Normally such examinations are standardized examinations available through such testing centers as the Education Testing Service (Pace is a participant in both the New York State College Proficiency Examination Program and the College-Level Examination Program). In the absence of a standardized examination, a department may arrange for a special examination. Not every course may be “challenged,” but many can be. Please consult the appropriate academic department for details and further information.

Students who receive credit through a Pace University “Challenge Examination” will be charged one credit of tuition for administration of the examination, whether or not credit is earned. Credit earned through a “Challenge Examination” does not satisfy the residency requirement for graduation or apply to enrollment status verification.

CLEP Exams

With CLEP a student can earn college credit for what he or she already knows by passing a 90-minute examination. CLEP examinations measure knowledge of the material usually covered in various classes during the first two years of college. Pace University students may take the CLEP exam at the Midtown Pace campus or other open test centers. Contact the test center directly to find out its registration procedure. Be sure to ask about its service fee, testing schedule, and parking/transportation information. For a list of the required scores and the credits awarded by Pace for each CLEP exam, please refer to “Adult & Continuing Education” at www.pace.edu.

Other Prior Learning Assessment Options

- Pace University may accept or waive credit earned through additional exams, which include: DANTES (DSST – DANTES Subject Standardized Tests), Pace University challenge exams, and Pace University proficiency exams.

- Pace accepts credit recommended by PONSI (Program on Non-collegiate Sponsored Instruction) and ACE (American Council on Education). ACE and PONSI evaluate courses and in-service training sponsored by corporations, unions, and other non-collegiate organizations, and they issue program guides which recommend credit for training deemed equivalent to
college courses. Pace also accepts military training program evaluations as listed in the National Guide to Educational Credits, Directory of the National Program on Non-collegiate Sponsored Instruction (PONSI), and Guide to the Evaluation of Educational Experiences in the Armed Services.

- Specific professional licenses or certificates may be accepted as prima facie or conventional credit.

### Credit Load Policy

Matriculated students who have a cumulative grade point average of at least 2.0 may carry up to six courses, not to exceed 18 credits. Matriculated students who are on academic probation or with a cumulative GPA of less than 2.0 may carry up to four courses, not to exceed 13 credits, including any workshop referrals. Non-matriculated students may carry up to three courses, not to exceed 10 credits, provided they maintain a cumulative GPA of at least 2.0. Non-matriculated students on academic probation are limited to two courses, not to exceed eight credits. A maximum of two courses, not to exceed eight credits, is permitted in each Summer Session. A maximum of four credits in any single intersession term is permitted. Students are advised to assume credit and course loads that consider the time and energy demands imposed by employment and other outside responsibilities, and should limit their program of study to four courses, not to exceed 13 credit hours, provided they maintain a cumulative GPA of at least 2.0. Those on scholastic probation who have substantial outside responsibilities should limit their course load to two courses, not to exceed eight credits, including any workshop referrals. Any exception to the above credit load policy must be approved by the dean of the school in which the student is enrolled.

Note: A required remedial workshop has the demands and responsibilities equivalent to a two to three credit course, and should be considered as such when determining how many credit hours to register for, and how much time outside of the classroom will be needed to handle your academic responsibilities.

### Double Major/Dual Degree

Students with a strong academic record, generally a 3.00 or higher cumulative GPA, may elect to take a second major with the approval of the department chair of the second major and the dean of the school of the first major. If the two majors have the same degree (BA, BS or BBA), regardless of college/school, then the requirements for both majors need to be fulfilled. Depending upon the two majors selected, students may be able to fulfill the requirements for both majors without exceeding 128 credits.

If the two majors are different degrees (i.e. dual degrees e.g., BBA marketing and BA speech communication), then in addition to fulfilling all course requirements for both majors and degrees, a minimum of 32 credits is required to be completed beyond the requirements for the first degree or a minimum total of at least 160 credits for both degrees.

### Minors

Many bachelor degree programs allow students to select a minor as part of their academic preparation. Minors are offered in a variety of academic areas. At least one-half of the credits in the minor must be completed at Pace. Interested students should refer to the appropriate college/school sections of this catalog for specific requirements.

### Placement and Registration

#### Academic Advisement

Prior to each registration period, faculty advisers, academic advisers, and Adult and Continuing Education advisers are available to help students plan their programs.

Although advisers will lend assistance, the responsibility for academic planning rests primarily with the student. A student should become familiar with the requirements for the program in which he or she are registered and initiate conferences with the appropriate adviser. Before registering, however, students must submit their course selections to their advisers for approval.

#### Placement Testing

The University is committed to helping each student achieve academic success. Through careful advisement and review of prior academic record, a student may be required to take placement tests in subjects such as mathematics, writing, and reading.

All new first year students will take placement tests in Math and English. Students admitted to Pace through the CAP Program will be placed into required English classes solely on the results of their performance on Pace University’s Writing Placement Exam. Any previously earned credit for college-level English courses, or successful completion of exams through the College Board’s Advanced Placement (AP), the College Level Examination Program (CLEP), or the International Baccalaureate (IB) Program, will be accepted only as credits toward the General/Open Electives component of the chosen degree program.

Depending upon transferred coursework and credits, transfer students may be required to take placement tests in Math and/or English. All transfer students are required to take ENG 201, unless additional transfer credit (beyond that already used for ENG 110 and ENG 120) is exactly equivalent to our upper-level writing course, ENG 201: Writing in the Disciplines. Transfer credit equivalencies will be determined by the English Department on each campus.

**English Course Placement** — Students newly admitted to the University may be tested to determine appropriate placement into their first English courses. Newly admitted transfer students will be tested for writing proficiency if they have not been given transfer credit for English.

**English as a Second Language (ESL) Placement** — The English Placement Test determines where an ESL student begins in the sequence of ENG 052, ENG 099A (both
Placement Criteria and Placement Testing

- All students will be required to take ENG 201, unless additional transfer credit (beyond that already used for ENG 110 and ENG 120) is exactly equivalent to our upper-level writing course, ENG 201: Writing in the Disciplines. Transfer credit equivalencies will be determined by the English Department on each campus.
- All students, including those in the CAP Program, with SAT verbal scores of 500 and above will be placed in ENG 120 (3 credits).
- Students with SAT verbal scores below 500 will write an Essay Placement test during the registration process for new students. In New York, the English Placement Test New Student Profile Sheet will be filled out by all these students to determine those to be placed in appropriate-level ESL sections (ENG 052, ENG 099A, ENG 100A, ENG 110A). All students with a below 500 in Pleasantville and all non-ESL students in New York with a verbal score below 550 will be placed in ENG 110 or ENG 120 based on the results of their placement exams. The tests used for this procedure will be designed by each campus and will include placement criteria for the readers. The Directors of Writing in cooperation with the New York director of ESL, will design the placement tests used on each campus.
- In New York, regardless of SAT verbal test scores, it may be determined by samples of writing during the first two weeks of classes that a student with ESL difficulties in ENG 110 or ENG 120 needs to be re-placed in ENG 110A or ENG 120A or any other ESL or ENG course that is deemed appropriate for the student’s skill level. Such replacement of students, or any other ESL replacement, must be ascertained by the instructor consulting with the director of ESL.

Speech Clinic Referrals

Students who do not achieve minimum departmental standards in SPE 100, 101, SPE 102 or SPE 102A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to Speech Clinic (SPE 050, 052) for individual or group remedial speech services. An assigned student must register for Speech Clinic in the semester following the referral. A grade of Incomplete-Referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the Speech Clinic. However, they may be required to take more than one semester of the Speech Clinic.

Immunization Compliance

Measles, Mumps, and Rubella

Students born after December 31, 1956, who are registered in a degree or certificate program and enrolled for six credits or more in one semester, are required by New York State Public Health Law § 2165 to provide Pace University with proof of immunity to measles, mumps, and rubella within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

Proof of Immunity. There are several forms of acceptable proof of immunity, but only one form of proof of immunity for each disease is required.

Measles. Proof of immunity to measles may be established by one of the following forms of immunity:
- The student must submit proof of two doses of live measles vaccine: the first dose given no more than four days prior to the student’s first birthday and the second at least twenty-eight days after the first dose; or
- The student must submit serological proof of immunity to measles. This means the demonstration of measles antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant or nurse practitioner that the student has had measles disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the institution pending actual receipt of immunization records from the armed services; or
- If a student is unable to access his/her immunization record from a health care provider or previous school, documentation that proves the student attended primary or secondary school in the United States after 1980 will
be sufficient proof that the student received one dose of live measles vaccine. If this option is used, the second dose of measles vaccine must have been administered within one year of attendance at the University.

**Mumps.** Proof of immunity to mumps may be established by one of the following forms of proof of immunity:

- The student must submit proof of one dose of live mumps vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to mumps. This means the demonstration of mumps antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit a statement from the diagnosing physician, physician assistant, or nurse practitioner that the student has had mumps disease; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

**Rubella.** Proof of immunity to rubella may be established by one of the following forms of proof of immunity:

- The student must submit proof of one dose of live rubella vaccine given no more than four days prior to the student's first birthday; or
- The student must submit serological proof of immunity to rubella. This means the demonstration of rubella antibodies through a blood test performed by an approved medical laboratory; or
- The student must submit proof of honorable discharge from the armed services within ten years from the date of application to the University. The proof of honorable discharge shall qualify as a certificate enabling a student to attend the University pending actual receipt of immunization records from the armed services.

Beginning on the thirty-first day after classes begin, students who failed to provide one form of proof of immunity as described above for each disease will not be permitted to continue their attendance at the University and will be administratively withdrawn from the University. Attendance means the physical presence of the student at the University. Thus, students who fail to provide one form of proof of immunity for each disease by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to forty-five days if a student is from out of state or from another country and can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2165, or when a disease outbreak occurs. If an extension is granted by the University, students who have not complied with New York State Public Health Law § 2165 by the forty-fifth day will not be permitted to continue their attendance at the University beginning on the forty-sixth day after classes began.

Students who are administratively withdrawn are responsible for all charges incurred during the semester up to the date they are administratively withdrawn. In addition, students will receive a withdrawal grade ("W") for each course in which they are enrolled on the date they are administratively withdrawn.

Students who do not provide one form of immunity for each disease as identified above within thirty days but are enrolled only in online courses, will not be administratively withdrawn from the University. Such students will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

**Exemptions from Immunization Requirements**

There are circumstances under which a student may be exempt from immunization requirements.

**Medical Exemption**

If a licensed physician, physician assistant, or nurse practitioner, or licensed midwife caring for a pregnant student, certifies in writing that the student has a health condition which is a valid contraindication to receiving a specific vaccine, then a permanent or temporary (for resolvable conditions such as pregnancy) exemption from the immunization requirements may be granted by the University. The certification must specify those immunizations which may be detrimental and the length of time they may be detrimental. In the event of an outbreak of measles, mumps or rubella, medically exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

**Religious Exemption**

A student may be exempt from vaccination if, in the opinion of the University, the student or the parent or guardian of a student less than eighteen years old holds genuine and sincere religious beliefs which are contrary to the practice of immunization. The student requesting exemption from the immunization requirements may or may not be a member of an established religious organization. Requests for exemptions must be in writing and signed by the student if eighteen years of age or older, or the student’s parent or guardian if the student is under eighteen. The University may, in its sole discretion, require documents that support the request for a religious exemption. In the event of an outbreak of measles, mumps or rubella, religiously exempt individuals may be excluded from classes and other curricular and extracurricular events, University housing, and/or campus in order to protect them from exposure.

**Meningococcal Meningitis Disease**

Students of any age who are registered to attend classes and are enrolled for six credits or more in one semester are required by New York State Public Health Law § 2167 to satisfy one of the following two options within thirty days of the first scheduled day of classes in the first semester in which they are enrolled:

- Certificate of immunization for meningococcal meningitis disease; or
• A response to receipt of meningococcal meningitis disease and vaccine information provided by Pace University and signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian; and one of the following two options.

• Self-reported or parent recall of meningococcal meningitis immunization within the past ten years; or

• An acknowledgement of meningococcal meningitis disease risks and refusal of meningococcal meningitis immunization signed by the student or, if the student is under eighteen years of age, by the student's parent or guardian.

Beginning on the thirty-first day after classes began, students who failed to satisfy one of the two options described above will not be permitted to continue their attendance at the University and will be administratively withdrawn. Attendance means the physical presence of the student at the University. Thus, students who fail to satisfy one of the two options by the thirty-day deadline will not be permitted, for example, to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing. The time period may be extended to sixty days if a student can show a good faith effort to comply with the requirements above of New York State Public Health Law § 2167. If an extension is granted by the University, students who have not satisfied one of the two options above within sixty days will not be permitted to continue their attendance at the University beginning on the sixty-first day after classes began.

Students who are administratively withdrawn are responsible for all charges incurred during the semester up to the date they are administratively withdrawn. In addition, students will receive a withdrawal grade ("W") for each course in which they are enrolled on the date they are administratively withdrawn.

Students who do not satisfy one of the two options described above within thirty days but are enrolled only in online courses, will not be administratively withdrawn from the University. Such students will be permitted to continue their online courses but will not be permitted for any reason to be on campus, or attend classes or any other curricular or extracurricular events, or be present in University housing.

**Registration Policies**

Registration instructions are included in the Schedule Book, which is available online at www.pace.edu/osa.

**Appointment Time**

The first day in which a student may register for a given semester, whether in person or via their MyPace Portal account. The appointment time is determined by a student’s classification.

**Holds**

Students who have registration holds cannot register for courses; they can only drop courses in person. Holds are placed on students’ files by various departments. In the event that a hold is indicated, the student should contact the appropriate department for instructions on how to clear it. Students should refer to their MyPace Portal account for a current listing of holds.

**Closed Classes**

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may enter a closed class that has not reached room capacity only with permission of one of the following: the department chair, the assistant/associate dean, or the advising office of the school/college in which the course is offered. After this time, the student needs the permission of the instructor and one of the following: the department chair, the assistant/associate dean, or the academic advising office* of the school/college in which the course is offered. Permission from the Instructor and the assistant/associate dean is not guaranteed, and the Office of Student Assistance may reserve the right to decline any attempts at registration after the late registration period has ended for any given semester.

*For non-matriculated students, your adviser may be found in the Office of Adult and Continuing Education.

**Late Registration**

The time period starting on the first day of classes for the fall, spring, or summer session term, where any initial registrations by continuing students will result in a late fee. New students will not incur a late fee.

**Maximum Credit Hours (Undergraduates)**

A student who wishes to register for credits that exceed maximum credit hours allowed must request approval from the dean of his/her school and register in person with permission, after their appointment time, with the Office of Student Assistance on their home campus.

**Open Classes**

Up through the first seven calendar days of a typical Fall, Spring, or Summer term, students may register in the normal manner, either in person or via their MyPace Portal. During the eighth through fourteenth day of a typical Fall or Spring term, the student needs permission of the instructor, and must register in person at the Office of Student Assistance. After the fourteenth day, or the seventh day of a typical Summer term, the student needs permission of the instructor and the assistant/associate dean or the academic advising office of the school or college in which the student is enrolled, provided there is ample seating capacity remaining in the course. Permission from the instructor and the assistant/associate dean is not guaranteed, and the Office of Student Assistance may reserve the right to decline any attempts at registration after the late registration period has ended for any given term.
Student Classification
A student’s classification is determined by how many credits the student has earned:
Freshman: 0 – 31 credits
Sophomore: 32 – 63 credits
Junior: 64 – 95 credits
Senior: 96+ credits

Student Enrollment Status (per semester)
An undergraduate student who is taking anywhere from 1 to 11 credits is considered a part-time student, whereby an undergraduate student who is taking 12 or more credits is considered a full-time student. A graduate student who is taking anywhere from 1 to 8 credits is considered a part-time student, whereby a graduate student who is taking 9 or more credits is considered a full-time student.

Time Conflict
A student may request permission to register for a course that overlaps in time with another course. The signatures of both the instructor of the new desired course and the dean of the school/college of the student’s major are required. The student may register in person, with approval, after their registration appointment time with the Office of Student Assistance on their home campus.

Withdrawal Policy
Students receive no credit for courses they discontinue. Withdrawal after the second week of class in a 14- or 15-week semester or its equivalent will result in a grade of “W” which will not affect the student’s GPA. Withdrawals are permitted prior to the dates indicated:

<table>
<thead>
<tr>
<th>Term Length</th>
<th>End of:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regular 14/15 semester</td>
<td>8th week of class</td>
</tr>
<tr>
<td>Two-track (7 Weeks)</td>
<td>2nd week of class</td>
</tr>
<tr>
<td>Four-week term</td>
<td>2nd week of class</td>

<tr>
<td>Six-weekend modules</td>
<td>2nd week of class</td>
</tr>
<tr>
<td>Intensive weekend modules</td>
<td>1st day of class</td>
</tr>
</tbody>
</table>

A withdrawal during the ninth and tenth weeks of a 14/15-week semester (“Withdraw With Permission”) requires the permission of the instructor of the course and the dean of the school in which the student is matriculated. Students who do not withdraw online or file for withdrawal with the Office of Student Assistance within these times will continue to be registered for the course(s) and will be assigned an “F” in the course(s) affected if they have not completed the requirements of the course(s). Under exceptional circumstances, a student may withdraw without academic penalty from a class after the established time limit, but only with permission from the school that administers the student’s academic major, in consultation with the school from which the course originates. Withdrawals are not permitted after a degree has been awarded. Please consult the most current undergraduate/graduate catalog for complete information regarding University policies and regulations.

Note: It is the student’s responsibility to withdraw from courses he or she has registered for. Failure to officially withdraw will result in tuition liability. Students may withdraw online through the MyPace Portal or by filing with the Office of Student Assistance. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of his or her financial obligation, or entitle the student to a refund. A student who registers and does not attend class remains fully responsible for all financial obligations.

Courses

Auditors (Students)
A student may enroll in a class as an auditor; however full tuition is paid to audit, while no grade or credit for the course is received. The student’s transcript will be annotated with a grade of AUD. Students applying for an audit elective must complete the appropriate forms at the Office of Student Assistance within the first two weeks of a regular semester and within the first week of a summer session.

Auditors (Alumni)
Alumni of Pace University programs are eligible to audit certain undergraduate and graduate classes, subject to the approval of the instructor and to space limitations. Alumni may take one course per term on an audit basis. Tuition and the general institution fee are waived. The graduate is responsible for any course fees; such as, lab fees, clinical fees or special course fees. Students must have the necessary background of prerequisites for admission to courses. Interested alumni should file an Alumni Auditor Application with the Office of Student Assistance at their home campus beginning the first day of classes of the desired semester. The University reserves the right to restrict particular courses at any and all campuses.

Undergraduate alumni must have earned a Pace University bachelor’s degree and may audit undergraduate courses only. Undergraduate associate degree and certificate recipients do not qualify for the Alumni Audit Program. Graduate alumni, master degree, doctoral degree, and post-master certificate recipients of Pace University may audit selected graduate and undergraduate courses.

Courses taken through the Alumni Audit Program will be recorded on a student’s transcript with a grade of AUD and will carry no grade points towards a GPA calculation of any kind.
CANCELED COURSES
Courses and/or sections of courses may be cancelled by the University at its discretion.

CLASS ATTENDANCE POLICY
Classroom instruction provides an educational experience that allows students to benefit from the guidance and abilities of the instructor, as well as the exchange of values and ideas among others in the class. For that reason, class attendance is important. Each instructor is authorized to establish a class attendance policy for his or her course in a manner that recognizes the occasional circumstance preventing a student from attending class while also ensuring the maintenance of educational standards and the likelihood that the student will meet course requirements.

CLASS ADMISSION
Admittance to courses listed in the term schedule shall be subject to the current admission policy of Pace University. Receipt of the term schedule or University catalog does not imply acceptance of new or former students who do not meet current academic standards. A student may not enter a class unless proper registration procedures have been followed. Students may register without special permission through the Late Registration period. After this date, registration is not guaranteed, and will require appropriate signatures and in person registration, to be considered.

CLASS EXAMINATIONS
Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a separate date. The student must file an application with the departmental secretary for the course they wish to take as a conflict exam.

CONFLICT EXAMINATIONS
Students who have two (2) scheduled final exams at the same time or more than two (2) exams on the same day may apply to take one of these exams on a different date. The student must file an application with the departmental secretary (PLV) or OSA (NYC) for the course they wish to take as a conflict exam. The required form is downloadable from the Final Examination website.

COURSE NUMBERS
Each course has a subject, a course number and a title. The numeric value represents the academic level of the course, namely undergraduate, graduate, doctoral or Law. The University’s course numbering system is as follows:

- 000-099 Adult and Continuing Education and Zero Credits
- 100-499 Undergraduate courses

500-999 Graduate/Doctoral/Law

COURSE RESTRICTIONS
Independent Study, unscheduled Tutorials and other courses are restricted from Web registration and other registration procedures. Students may request entry to these courses, and, if approved, register after their registration appointment time with the appropriate departmental signatures in person at the Office of Student Assistance on their home campus. Approval is not guaranteed.

COURSE WAIVERS
A student unable to take courses required by his or her major because he or she is ineligible to participate in the Pace Promise may resolve the difficulty in one of the following ways:

- The student may seek a waiver to substitute another course for the one that presents the difficulty.
- The student may seek a waiver to fulfill these requirements with equivalent work done independently. He or she must obtain a waiver of the requirement(s) from the department in which the course is offered, and should then proceed to register as described above for independent study. The 3.00 QPA requirement also applies to students taking an independent study under these circumstances, and a waiver should only be considered on an exception basis. The student’s transcript will show credit received for independent study, not for the required course. The “Application for Waiver or Substitution” must be approved by the dean of the school in which the student is matriculated and by the chair of the department of the waived course. If the course to be waived is part of the University Core Curriculum, it must also be approved by the Office of the Dean of the Dyson College of Arts and Sciences.

DEFERRED EXAMINATIONS
(Absence from a Final Exam)
Students are permitted to take a deferred examination with the approval of their instructor for compelling reasons only, such as illness, emergencies, or other exceptional circumstances. Students who have sufficient reason to request a deferred examination are required to complete a deferred examination application form and have it approved by their instructor. The student must file an application through the departmental secretary (PLV) or OSA (NYC) for the course they wish to take as a deferred exam. The required form is downloadable from the Final Exam website. If the instructor is not available, students should contact the appropriate academic department for assistance. After obtaining the necessary signature(s), students must then submit the approved form to the Office of Student Assistance and pay a fee of $32.00 for one exam or $50.00 for two or more exams.
Designated Lecture Section
A designated lecture is a class with 60 or more enrolled students.

Independent Study
Independent study is intended to encourage qualified students to undertake research and study beyond normal course offerings. It is open to juniors and seniors with a QPA of 3.0 or better. A student may register for a maximum of 6 credit hours of independent study in a given semester. In each case, a research paper or project will be required. Independent study may not be used to receive credit for a course listed in the Undergraduate Catalog. The independent scholar will work under the direct supervision of a faculty member specifically qualified in the area of the student’s interest. The area proposed for independent study need not be drawn from fields already offered in the curriculum, provided it constitutes a reasonable supplement to work already undertaken.

A student considering registering for independent study should consult with the appropriate department chair and/or the faculty member with whom he or she is interested in working. The “Independent Study Application” may be obtained from the Office of Student Assistance. It should be completed by the student in consultation with the proposed supervising instructor. The student and instructor should agree on the description of the project and on the method of appraisal and grading, number of contact hours, due date, etc. The completed application should then be submitted for approval to the department chair and dean of the school in which the independent study is undertaken.

After the application has been approved, the student submits the application to the Office of Student Assistance to process the course registration. Students must complete registration for independent study by the second week of the semester.

Intersession Courses
Courses are offered during the month of January, May, and August on a limited basis. Intersession courses run anywhere from two weeks to four weeks long, and a student may take a maximum of four credits in any single intersession term.

Lab/Lecture Courses
Some lecture courses require a lab component, which will be listed as a separate class with its own CRN number in the term schedule. The CRN numbers for both the lecture class and the lab component must be used during registration in order to be registered for the class.

Out-of Division Courses
Students who wish to register for Out-of Division courses will be required to register in person at the Office of Student Assistance on their home campus. Graduate students may register for undergraduate courses without approval. An undergraduate student must request written permission from his/her Dean and the Dean for the graduate course in order to register.

Out-of Major Courses
Certain courses are offered for specific majors only. A student may request written permission to register for an Out-of Major course from the Chair of the department offering the course. If approved, the student may register in person at the Office of Student Assistance on their home campus.

Pass-Fail-Undergraduate
Students with 60 credits and a cumulative GPA of at least 2.5 may take one elective course per semester pass-fail. Core courses and major courses are excluded. Not more than four courses toward the degree may be taken on a pass-fail basis. Only a grade of “F” will be computed into the GPA. Students must notify the Office of Student Assistance of their intent to take a course pass-fail within the first two weeks of a fourteen- or fifteen-week term, or the first week of a four-, six-, or seven-week session.

Permission to Enroll in a Course at Another Institution
Undergraduate degree students who are in good academic and financial standing at Pace University may apply to take a maximum of 12 credits of approved course work at other accredited colleges and universities subject to the following conditions:

1. Students are required to obtain permission using the form “Permission to Enroll in a Course at Another Institution” approved as indicated in the first week of a four-, six-, or seven-week term.
2. Students must have the form “Permission to Enroll in a Course at Another Institution” approved by their major academic department. Students are to provide a copy of the course description for each course that they plan to take approved in advance by the appropriate Pace academic department. Students are to submit the form to the Office of Student Assistance prior to taking the course at another institution. Courses that have been pre-approved by Pace academic departments for transfer purposes may be approved by the college or school that offers the student’s major without additional departmental review.
3. Students who have completed 68 or more credits toward their degree (including Pace and transfer credits) may not take courses at a two-year institution.
4. Study abroad and other Pace-approved internship programs and off-campus programs are not subject to this policy. Students planning to study abroad are advised to contact the Office of International Programs and Services on their home campus for detailed information related to course approvals and how the courses will be annotated on their Pace University academic record.
5. Students may not study at another institution during a term in which they are enrolled at Pace University. Exceptions are permitted by the student’s college or school, if a required course is not being offered at Pace University.

6. Only courses in which a grade of "C" or better is earned will be accepted in transfer. Courses completed at another institution may not be used for recomputation of Pace grades. Upon completion of each course, students are required to have an official transcript sent from the other institution to the Pace University Office of Student Assistance. All other policies related to transfer credits, as they appear in the University catalog, remain in effect.

7. Students may request and receive permission to take a course at another institution, which they have previously taken at Pace without attaining a passing grade. The course will be considered for transfer credit only (provided the student attains a grade of "C" or better) and may not be used to recompute the failing grade at Pace.

Policy on taking Courses at other Institutions

Undergraduate degree students who are in good academic and financial standing at Pace University may apply to take a maximum of 12 credits of approved course work at other accredited colleges and universities subject to the following conditions:

- Students are required to obtain permission using the form “Application for Permission to Enroll at Another Institution.” Students are to obtain approval first from the school or college at Pace which offers their major. They are then required to have each course that they plan to take approved in advance by the appropriate Pace academic department. Students are to provide a copy of the course description for each course that they plan to take. Courses that have been pre-approved by Pace academic departments for transfer purposes may be approved by the college or school that offers the student’s major without additional departmental review.
- Students must have the form “Application for Permission to Enroll at Another Institution” approved as indicated in step one above and then submit it to the Office of Student Assistance prior to taking the course at another institution. Courses will not be approved retroactively.
- Students who have completed 68 or more credits toward their degree (including Pace and transfer credits) may not take courses at a two-year institution.
- Study abroad and other Pace-approved internship programs and off-campus programs are not subject to this policy. Students planning to study abroad are advised to contact the Office of International Programs and Services on their home campus for detailed information related to course approvals and how the courses will be annotated on their Pace University academic record.
- Students may not study at another institution during a term in which they are enrolled at Pace University. Exceptions are permitted by the student’s college or school, if a required course is not being offered at Pace University.
- Only courses in which a grade of “C” or better is earned will be accepted in transfer. Courses completed at another institution may not be used for recomputation of Pace grades. Upon completion of each course, students are required to have an official transcript sent from the other institution to the Pace University Office of Student Assistance: Attention Transfer Credit Auditor. All other policies related to transfer credits, as they appear in the University catalog, remain in effect.
- Students may request and receive permission to take a course at another institution, which they have previously taken at Pace without attaining a passing grade. The course will be considered for transfer credit only (provided the student attains a grade of "C" or better) and may not be used to recompute the failing grade at Pace.

Prerequisite Policy

Before registering for a course, students should verify that they satisfy all prerequisites. Students who do not satisfy the prerequisites for a course will generally not be allowed to continue in the course. Waivers of prerequisites may be granted by the appropriate academic department for substantive reasons. Students who have taken courses at another college or university should have these courses evaluated before registering for courses in the same discipline at Pace.

Religious Beliefs and Attendance

No person shall be expelled from or be refused admission as a student to Pace University for the reason that he or she is unable, because of his or her religious beliefs, to register or attend classes or to participate in any examination, study or work requirements on a particular day or days. Any student at Pace University who is unable, because of his or her religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any study or work requirements. It shall be the responsibility of the faculty and of the administrative officials of Pace University to make available to each student who is absent from school, because of his or her religious beliefs, an equivalent opportunity to register for classes or make up any examination, study or work requirements which he or she may have missed because of such absence on any particular day or days. No fees of any kind shall be charged by Pace University for making available to the said student such equivalent opportunity.

If registration, classes, examinations, study or work requirements are held on Friday after 4:00 p.m. or on Saturday, similar or makeup classes, examinations, study or work requirements or opportunity to register shall be made available on other days, where it is possible and practicable to do so. No special fees shall be charged to the student for these classes, examinations, study or work requirements or registration held on other days. In effectuating the provisions of this section, it shall be the duty of the faculty and the administrative officials of Pace
University to exercise the fullest measure of good faith. No adverse or prejudicial effects shall result to any student because of his or her availing himself or herself of the provisions of this section.

Speech Clinic Referrals
Students who do not achieve minimum departmental standards in SPE 100, 101, SPE 102 or SPE 102A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to Speech Clinic (SPE 050, 052) for individual or group remedial speech services. An assigned student must register for Speech Clinic in the semester following the referral. A grade of Incomplete-Referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the Speech Clinic. However, they may be required to take more than one semester of the Speech Clinic.

Textbook Information
To view textbook information, visit the online class schedule at textbook.pace.edu.

Time Conflict
A student may request permission to register for a course that overlaps in time with another course. The signatures of both the instructor of the new desired course and the Dean of the School/College of the student's major are required. The student may register in person, with approval, after their registration appointment time at the Office of Student Assistance on their home campus.

Tutorials
Tutorials are regularly scheduled courses that are under-enrolled by normal standards, but which, at the discretion of the dean and with the consent of the instructor, are retained on a tutorial basis. In these circumstances, New York State regulations require that the objectives and usual conduct of the course remain unchanged. Students' academic transcripts will record the course name and number as listed in the Undergraduate Catalog and class schedule. Students must complete registration for tutorials by the second week of the semester.

Undergraduates in Graduate Courses
Pace undergraduate students in their junior and senior years who have a minimum cumulative quality point average of 3.00/3.25 (depending on the college/school in which the course is to be taken) may petition to register for a graduate course for which they have the prerequisites. Students must receive written permission from the chair or dean (depending on the program) of the department offering the graduate course. A maximum of two courses (6–8 credits) may be counted toward both the undergraduate and a graduate degree. However, the quality points earned in the course(s) will be calculated only in the student's undergraduate QPA.

Video Conference Courses
Pace University's Video Conference Network allows simultaneous instruction at different sites. The technology used by the faculty includes video cameras, TV monitors, sound equipment, and electronic presentation technology.

Disruption of Normal Academic Progress

Double Line Policy
The University is aware that students may experience academic difficulties early in their studies. In rare instances, therefore, the University policy allows a matriculated student who has been placed on academic probation and who has not attempted more than a total of 48 credit hours, to change schools or degree programs within the University and to request from the deans of the schools involved that this change be clearly indicated on his or her academic record. After reviewing this record, the dean(s) may allow a "double line" to be drawn across it to mark this change in program. All credits earned prior to the approval of the double line, for which grades of "C" or above were earned, will remain applicable towards the degree requirements, but will no longer be computed in the GPA. A minimum of 32 credits below the double line must be completed at Pace. This policy does not apply to non-matriculated students or those in the Challenge to Achievement Program.

Leave of Absence
For various reasons, students sometimes find it necessary or desirable to interrupt their enrollment at Pace University. The reasons for a leave of absence include, but are not limited to, the following:

- To pursue academic endeavors elsewhere such as studying or conducting research at another institution.
- Financial hardship.
- An internship.
- A serious medical condition of the student's spouse, domestic partner, sibling, parent, child or step-child.
- Employment obligations. A leave of absence pursuant to this Leave of Absence Policy may commence during a semester or prior to the beginning of a semester and is limited to two consecutive semesters, excluding summer semesters. A student, who is unable to complete the semester and applies for a leave of absence, must also withdraw from the courses in which he or she currently is enrolled and will receive a "W" for each course from which the student withdrew. Although the "W" grades will appear on the student’s transcript, they will not affect the student's cumulative quality grade point average. In addition, the student will be subject to the Tuition Cancellation Policy and certain
financial aid rules and procedures. (Further information about the impact of a leave of absence on a student’s financial aid may be found below under Financial Aid.)

Procedure. Students who are contemplating a leave of absence are encouraged to speak with their academic advisor prior to submitting a Leave of Absence Application. Academic advisors can provide information about the effect of a leave of absence on such issues as course sequencing and graduation date. After meeting with an academic advisor, in order to apply for a leave of absence, a student must:

- Complete a Leave of Absence Application.
- Submit the completed Leave of Absence Application for approval to the chair of the department in which the student’s major is housed, or the assistant or associate dean of the school or college in which the student is enrolled, or the student’s academic advisor.
- Submit the completed Leave of Absence Application with the signature of approval to the Office of Student Assistance.
- Provide whatever additional documentation the University may require concerning the student’s request for a leave of absence.

Upon returning from a leave of absence, the student must complete a Resumption of Study Application. Information about resuming studies may be found in the Resumption of Study Policy.

Length of a Leave of Absence. Ordinarily, a leave of absence pursuant to this Leave of Absence Policy is limited to two consecutive semesters excluding the summer semesters and may be commenced at any time. For purposes of counting the two consecutive semesters, a leave of absence shall commence at the beginning of the first fall or spring semester after the student applies for and approval is granted for a leave of absence. A leave of absence due to non-medical reasons will not be approved for more than two consecutive semesters (excluding summer semesters).

Under certain circumstances, however, a leave of absence due to a serious medical condition of the student’s spouse, domestic partner, sibling, parent, child or step-child may be extended for a total of four consecutive semesters (excluding summer semesters). For example, when a student applied for a leave of absence due to the serious medical condition of a parent, the expected time required for the parent to recover from an automobile accident was unknown. Subsequently, due to the prolonged recovery period, the student was unable to resume his or her studies on the date previously approved by the University. Under such circumstances, and following the same procedure set forth above, the student may request an extension of the leave of absence. In order to be eligible for an extension, the student must provide whatever documentation the University may require concerning the reason for the extension. A leave of absence due to a serious medical condition of the student’s spouse, domestic partner, sibling, parent, child or step-child will not be approved for more than a total of four consecutive semesters (excluding summer semesters).

Degree Requirements and Graduation Date. Ordinarily, the degree requirements applicable to the student’s declared major will not change due to the student’s leave of absence. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2012 takes a leave of absence in the spring 2011 semester. Because of the one-semester absence, the student’s graduation date may be postponed one semester until December 2012 at which time he or she will have been enrolled for eight semesters. However, a student’s graduation date may be postponed in excess of the number of semesters he or she was on a leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor before submitting a Leave of Absence Application, and again when resuming their studies, about the consequences, if any, of their leave of absence on degree requirements and graduation date.

Transfer of Credits Earned During Leave of Absence. Students contemplating taking courses at another college or university during their leave of absence and transferring those course credits to Pace University upon their resumption of studies should consult with their academic advisor before enrolling in courses elsewhere. Transfer credits for such courses must be approved in advance by Pace University; otherwise, they may not be accepted by the University.

Financial Aid. Students on a leave of absence pursuant to this Leave of Absence Policy are considered to be withdrawn from the University for purposes of financial aid. Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about the status of their financial aid during a leave of absence prior to submitting a Leave of Absence Application.

Ordinarily, Pace-funded merit awards will be restored upon a student’s resumption of studies after a leave of absence in accordance with this Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. (Related information about the reinstatement of Pace-funded merit awards may be found in Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy.)
International Students. The University is legally obligated to report a leave of absence for any reason by a student with an F-1 or J-1 visa to the Department of Homeland Security. Students with an F-1 or J-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for the leave is an illness that prevents the student from returning to his or her home country and appropriate documentation from a hospital in the United States has been provided.

Students with an F-1 or J-1 visa who are contemplating a leave of absence must first consult with an advisor in the International Students and Scholars Office, and again when they resume their studies after a leave of absence.

1 Information about a leave of absence due to military service may be found in the Military Leave of Absence Policy.
2 Students considering a leave of absence due to their own serious medical condition should consult the Medical Leave of Absence Policy.

Military Leave of Absence

Pace University is required by federal law to readmit students who left the University or did not accept an offer of admission from the University in order to perform military service. The general requirements for readmission after military service are described below.

This Military Leave of Absence Policy (the “Policy”) applies only to United States military veterans seeking readmission to the same program in which they were enrolled when they last attended the University. Veterans seeking admission to a different program are not eligible for readmission under this Policy, nor are veterans eligible who began their military leave of absence prior to August 14, 2008.

A student is eligible for readmission if during his or her leave of absence the student performed voluntary or involuntary active duty service in the United States Armed Forces, including service by a member of the National Guard or Reserve on active duty, active duty for training, or full-time National Guard duty under federal authority, for a period of more than thirty consecutive days. In order to be eligible for readmission under this Policy, the cumulative length of the absence and all previous absences from the University for military service cannot exceed five years, including only the time the student spent actually performing military service. Veterans who received a dishonorable or bad conduct discharge are not eligible for readmission under this Policy.

Ordinarily, unless notice is precluded by military necessity, a student (or an appropriate officer of the Armed Forces or official of the Department of Defense) must give written or verbal notice to the Assistant Director of Student Accounts, Office of Student Assistance (White Plains), of the student’s leave for military service as far in advance as is reasonable under the circumstances. To be readmitted students must give written or verbal notice to the Assistant Director of Student Accounts, Office of Student Assistance (White Plains), of their intent to resume their studies no later than three years after completion of the military service, or two years after recovering from a service-related injury or illness. Students who do not submit a notification of intent to resume their studies within the required time periods may not be eligible for readmission under this Policy, but may be eligible for readmission under the University’s Leave of Absence and Resumption of Studies Policies.

After the student provides notice of intent to reenroll, ordinarily the University must readmit the student into the next class or classes in the same program, with the same enrollment status, number of credits, and academic standing as when he or she was last in attendance at or admitted to the University. The student may also request a later admission date or, if unusual circumstances require it, the University may admit the student at a later date. If the University determines that the student is not prepared to reenter the program with the same academic status where he or she left off, or will not be able to complete the program, the University must make reasonable efforts at no extra cost to the student to enable him or her to resume or complete the program. Reasonable efforts include, but are not limited to, providing a refresher course and allowing the student to retake a pretest as long as they do not place an undue hardship on the University. If, after reasonable efforts by the University, the University determines that the student is not prepared to resume the program where he or she left off, or the University determines that the student is unable to complete the program, or the University determines there are no reasonable efforts the University can take to prepare the student to resume the program or to enable the student to complete the program, the University is not required to readmit the student.

If the program in which the student was previously enrolled is no longer offered, he or she must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program.

If the student is readmitted to the same program, for the first academic year in which the student returns, unless there are sufficient veterans or other service member education benefits to pay the increased amount of tuition and fees, the student will be charged the same tuition and fees the student was or would have been assessed for the academic year the student left on a military leave of absence. For subsequent academic years, veterans admitted to the same or a different program may be charged the same tuition and fees as are other students in the program.

For additional information about readmission under this Policy, please contact the Assistant Director, Office of Student Assistance (White Plains), at VeteranAffairs@Pace.edu or 877-672-1830 (option 8).

Medical Leave of Absence

Students sometimes find it necessary or desirable to interrupt their enrollment at Pace University due to their own serious medical condition. A leave of absence pursuant to this Medical Leave of Absence Policy may commence during a semester or prior to the beginning of a
semester and ordinarily is limited to two consecutive semesters, excluding summer semesters. A student, who is unable to complete the semester and applies for a leave of absence, must also withdraw from the courses in which he or she is enrolled and will receive a "W" for each course from which the student withdrew. Although the "W" grades will appear on the student's transcript, they will not affect the student's cumulative quality grade point average. In addition, the student will be subject to the Tuition Cancelation Policy and certain financial aid rules and procedures. 

Procedure. Students contemplating a medical leave of absence due to their own serious medical condition should contact the Office of Student Assistance to discuss the procedure and obtain the necessary forms. Students are encouraged to speak with their academic advisor prior to submitting a Medical Leave of Absence Application. Academic advisors can provide information about the effect of a medical leave of absence on such issues as course sequencing and graduation date. 

In order to apply for a medical leave of absence, a student must complete a Medical Leave of Absence Application, a Consent for Communication Regarding Request for a Medical Leave of Absence and/or Resumption of Studies after a Medical Leave of Absence, and an Authorization for Information Release. The completed Application, Consent and Authorization must be submitted to the University Registrar, Office of Student Assistance, One Pace Plaza, New York, NY 10038. Upon receipt of these documents, the University Registrar will send a copy of the Authorization and a Treating Healthcare Provider's form to the student's treating healthcare provider in order to obtain information about the condition necessitating a medical leave of absence. 

The completed Treating Healthcare Provider's form is to be returned by the treating healthcare provider to the Counseling Center or University Health Care, as the case may be, for review. If the Counseling Center or University Health Care approves the application for a medical leave of absence, the University Registrar will assist in obtaining the other necessary approvals.

Students are required to provide whatever additional information and/or documentation the University may require concerning the student's request for a medical leave of absence.

Upon returning from a medical leave of absence, the student must complete a Resumption of Study after a Medical Leave of Absence Application. Information about resuming studies may be found in the letter granting approval of the medical leave of absence and the Resumption of Study Policy, and from the University Registrar.

Length of a Leave of Absence. Ordinarily, a leave of absence pursuant to this Medical Leave of Absence Policy is limited to two consecutive semesters excluding the summer semesters and may be commenced at any time. For purposes of counting the two consecutive semesters, a leave of absence shall commence at the beginning of the first fall or spring semester after the student applies for and approval is granted for a leave of absence.

Under certain circumstances, however, a leave of absence due to a student's serious medical condition may be extended for a total of four consecutive semesters (excluding summer semesters). For example, a student may have experienced post-operative complications that resulted in a recovery period longer than was anticipated at the time the student applied for a medical leave of absence. Under such circumstances, and following the same procedure set forth above, the student may request an extension of the medical leave of absence. In order to be eligible for an extension, the student must provide whatever documentation the University may require concerning the reason for the extension. A leave of absence due to a student's serious medical condition will not be approved for more than a total of four consecutive semesters (excluding summer semesters).

Degree Requirements and Graduation Date. Ordinarily, the degree requirements applicable to the student's declared major will not change due to the student's medical leave of absence. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a medical leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a medical leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2012 takes a medical leave of absence in the spring 2011 semester. Because of the one-semester absence, the student's graduation date may be postponed one semester until December 2012 at which time he or she will have been enrolled for eight semesters. However, a student's graduation date may be postponed in excess of the number of semesters he or she was on a medical leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor before applying for a Medical Leave of Absence and again when resuming their studies about the consequences, if any, of their leave of absence on degree requirements and graduation date.

Transfer of Credits Earned During Medical Leave of Absence. Students contemplating taking courses at another college or university during their medical leave of absence and transferring those course credits to Pace University upon their resumption of studies should consult with their academic advisor before enrolling in courses elsewhere. Transfer credits for such courses must be approved in advance by Pace University; otherwise, they may not be accepted by the University.

Financial Aid. Students on a leave of absence pursuant to this Medical Leave of Absence Policy are considered to be
withdrawn from the University for purposes of financial aid. Consequently, loan repayment obligations may be triggered. Students should speak to a representative of the Financial Aid Office for more detailed information about the status of their financial aid during a leave of absence prior to submitting a Medical Leave of Absence Application.

Ordinarily, Pace-funded merit awards will be restored upon a student’s resumption of studies after a leave of absence in accordance with this Medical Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Medical Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Medical Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. (Related information about the reinstatement of Pace-funded merit awards may be found in Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy.)

International Students. The University is legally obligated to report a leave of absence for any reason by a student with an F-1 or J-1 visa to the Department of Homeland Security. Students with an F-1 or J-1 visa who take a leave of absence may not remain in the United States during the leave unless the reason for the leave is an illness that prevents the student from returning to his or her home country and appropriate documentation from a hospital in the United States has been provided.

Students with an F-1 or J-1 visa who are contemplating a leave of absence must first consult with an advisor in the International Students and Scholars Office, and again when they resume their studies after a leave of absence.

Probation and Academic Dismissal

Pace University students are expected to maintain good academic standing. The University considers a cumulative quality point average (CQPA) of 2.0 (undergraduate students only) to be evidence of good academic standing, but specific college/schools or programs may have higher requirements. Please contact school or program administrator for specific program definition of satisfactory progress. Any student who is not making satisfactory academic progress toward the degree is automatically put on academic probation and is reviewed by the academic standards committee of the appropriate college/school. Students are generally allowed one semester on probation to improve their academic performance and to raise their CQPA. However, students with serious or continuing deficiencies will be academically dismissed from the University. If a student is academically dismissed from the University, the dismissal is effective on all Pace campuses.

Students who are academically dismissed from the University are allowed one appeal. Student appeals are made directly to the respective college/school. Students may be reinstated only once through the appeals process. Students who are dismissed for poor academic performance may not register for classes at any of the Pace campuses for at least one full academic year. After this time, a student may apply for reinstatement to his or her college/school on his or her home campus. Please contact school or program administrator for the appropriate reinstatement procedure.

Students sometimes need to interrupt their studies at Pace University for medical reasons. In order to be approved for a leave of absence for medical reasons and entitled to reinstatement of their Pace-funded merit awards when they resume their studies, students are required to comply with the Leave of Absence Policy at the time they temporarily leave the University.

On occasion, a student who has a Pace-funded merit award may be incapable of complying with the Leave of Absence Policy in order to obtain an approved leave of absence at the time he or she leaves the University due to medical reasons and, consequently, is ineligible for the reinstatement of the Pace-funded merit award when the student resumes his or her studies. Under such circumstances, and provided the student has been approved to resume his or her studies in accordance with the Resumption of Studies Policy, if the student is denied reinstatement of his or her Pace-funded merit award because of the student’s failure to timely comply with the Leave of Absence Policy, the student may appeal the denial to the Reinstatement of Pace-funded Merit Award Committee (the “Committee”).

Only if the student demonstrates to the satisfaction of the Committee and the Provost that he or she satisfied each of the following three criteria will the appeal be granted:

- The student was absent for no more than four consecutive semesters (excluding summer semesters), beginning with the first fall or spring semester in which the student did not enroll at the University for medical reasons; and
- Once the student was capable of notifying the University of the reason for failing to comply with the Leave of Absence Policy, he or she followed the requisite procedure of the Leave of Absence Policy and was granted a retroactive leave of absence; and
- An extraordinary medical condition of the student or his or her spouse, domestic partner, sibling, parent, child or step-child reasonably prevented the student from complying with the Leave of Absence Policy in order to obtain an approved leave of absence at the time the student temporarily left the University.

Only upon receipt of sufficient evidence that the student satisfied each of the three criteria above, shall the Committee recommend to the Provost that the appeal be granted and the student’s Pace-funded merit award be reinstated on the same terms and conditions as were in effect when the student stopped attending classes. The Provost shall accept the recommendation of the Committee provided he or she determines there is sufficient evidence that the student satisfied each of the three criteria above.

Resumption of Studies

In order to resume their enrollment at Pace University after an interruption due to, among other reasons, a leave of absence pursuant to the Leave of Absence Policy or
Medical Leave of Absence Policy, dismissals due to unsatisfactory academic performance, dismissals or suspensions due to disciplinary issues and, in certain circumstances, withdrawals, students must file a Resumption of Studies Application with the Office of Student Assistance. 

Procedure. In order to resume their studies at the University, at least three weeks prior to the commencement of the semester in which they wish to resume their studies, subject to the exceptions identified below, students must: 

- Apply to resume their studies on their home campus. 
- Complete a Resumption of Studies Application. 
- Submit the completed Resumption of Studies Application for approval to the chair of the department in which the student’s major is housed, or the assistant or associate dean of the school or college in which the student is enrolled, or the student’s academic advisor. Approval given to resume studies may be subject to certain conditions. 
- Arrange for official transcripts from any university or college attended since the student’s last enrollment at Pace University to be sent to the Office of Student Assistance at the University. (As stated in the Leave of Absence Policy and Medical Leave of Absence Policy, transfer credits for courses taken elsewhere during the leave of absence must be approved in advance by Pace University; otherwise, they may not be accepted by the University.) 
- Submit the completed Resumption of Studies Application with the signature of approval to the Office of Student Assistance. 
- Clear all “holds” on the student’s account, including, without limitation, payment of all past due balances. 
- Provide whatever additional documentation or approvals the University may request. 
- Students are required to confer with an academic advisor before registering for any courses. 

Exceptions to Procedure. In addition to any exceptions in the letter granting a medical leave of absence applicable to students applying to resume their studies after the medical leave, the procedure described directly above is subject to the following exceptions: 

- One semester prior to the semester in which they wish to resume their studies, students in the School of Education, the Lienhard School of Nursing and the Physician Assistant Program must submit their completed Resumption of Studies Application to the Dean of the School of Education and Dean of the College of Health Professions, respectively, prior to submitting it to the Office of Student Assistance. 
- International students who intend to resume their studies must first confer with a representative of the International Students and Scholars Office at least one semester prior to the semester in which they wish to resume their studies. 

Degree Requirements and Graduation Date. Ordinarily, the degree requirements applicable to the student’s declared major will not change due to the interruption of the student’s studies. Nevertheless, there are circumstances when the degree requirements or program offerings will change while the student is on a leave of absence, e.g., requirements of the New York State Education Department, accrediting agencies or applicable law.

The time within which a student is required to complete the degree requirements ordinarily will not change because of a leave of absence, although the graduation date may change. For example, a student who is required to complete the degree requirements within eight semesters is scheduled to graduate in May 2012 takes a leave of absence in the spring 2011 semester. Because of the one-semester absence, the student’s graduation date may be postponed one semester until December 2012 at which time he or she will have been enrolled for eight semesters. However, a student’s graduation date may be postponed in excess of the number of semesters he or she was on a leave of absence if the student is enrolled in a program with required course sequences and the prerequisite courses are not offered every semester.

Students should check with their academic advisor when resuming their studies about the consequences, if any, of the interruption of their studies on degree requirements and graduation date.

Financial Aid. Students interested in financial aid should speak to a representative in the Financial Aid Office about whether they are eligible for financial aid upon their resumption of studies.

Ordinarily, Pace-funded merit awards will be restored upon a student’s resumption of studies after a leave of absence in accordance with the Leave of Absence Policy or Medical Leave of Absence Policy provided (i) all other requirements for such merit aid are satisfied, and (ii) the student resumes his or her studies by the date identified and approved in the Leave of Absence Application or Medical Leave of Absence Application. If a student does not resume his or her studies on or before the date identified and approved in the Leave of Absence Application or Medical Leave of Absence Application or obtain an extension of the leave of absence if the student is eligible for one, Pace-funded merit awards may be excluded from future financial aid awards. Pace-funded merit awards are not restored for students resuming their studies after a leave of absence due to a dismissal for academic reasons or a dismissal or suspension for disciplinary reasons. (Related information about the reinstatement of Pace-funded merit awards may be found in the Reinstatement of Pace-funded Merit Award Following a Medical Leave of Absence Policy.)

1 Information about a leave of absence due to military service and resumption of studies may be found in the Military Leave of Absence Policy.

2 This Resumption of Studies Policy is not applicable to students who interrupted their enrollment at Pace University, whether or not pursuant to the Leave of Absence Policy or Medical Leave of Absence Policy, and now wish to enroll in the iPace program. For information about the iPace program, including eligibility criteria, please contact iPace@pace.edu.

3 Students resuming their studies after a medical leave of absence must consult and comply with the terms and conditions for resuming their studies set forth in the letter granting them a medical leave of absence. If there is a conflict between this Resumption of Studies Policy and the
terms and conditions in the letter, the letter supersedes the conflicting portions of this Policy. Students should contact the University Registrar for clarification about any conflicts as well as for complete information about the procedure for resuming their studies after a medical leave of absence.

Grades and Academic Standing

Academic Integrity
Students must accept the responsibility to be honest and to respect ethical standards in meeting their academic assignments and requirements. Integrity in the academic life requires that students demonstrate intellectual and academic achievement independent of all assistance except that authorized by the instructor. The use of an outside source in any paper, report or submission for academic credit without the appropriate acknowledgment is plagiarism. It is unethical to present as one’s own work the ideas, words, or representations of another without proper indication of the source. Therefore, it is the student’s responsibility to give credit for any quotation, idea, or data borrowed from an outside source.

Students who fail to meet the responsibility for academic integrity subject themselves to sanctions ranging from a reduction in grade or failure in the assignment or course in which the offense occurred to suspension or dismissal from the University. Individual schools and programs may have more specific procedures for violations of academic integrity. Therefore, students are encouraged to familiarize themselves with the academic integrity policies of the University and of individual schools and programs in which they are enrolled. Students penalized for failing to maintain academic integrity who wish to appeal such action must follow the appeal procedure outlined in the Grades Appeal Process (p. 25) section or that of the individual school or program in which they are enrolled if such school or program has a separate appeal procedure in place.

Grading System
A letter grade is awarded as a measure of student performance only by the faculty member assigned to teach a particular course and section. The spectrum of letter grades ranges from A through F, including plus and minus refinements to the letter grades, which are available to allow faculty greater flexibility in the measurement of student performance. The following describes the letter grading system and its descriptive and quantitative (percentage) equivalents. These equivalents are shown only as guidelines for faculty. Specific grading policies should be announced by the instructor in a given course.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Quantitative</th>
</tr>
</thead>
<tbody>
<tr>
<td>A, A-</td>
<td>Excellent</td>
<td>90-100%</td>
</tr>
<tr>
<td>B+, B, B-</td>
<td>Good</td>
<td>80-89%</td>
</tr>
<tr>
<td>C+, C</td>
<td>Satisfactory</td>
<td>70-79%</td>
</tr>
<tr>
<td>C-</td>
<td>Passing</td>
<td>60-69%</td>

<tr>
<td>AUD</td>
<td>Auditor—no credit granted for course</td>
<td>None</td>
</tr>
</tbody>
</table>

*In specific courses (usually courses that continue the following semester) or in special circumstances, with the permission of the dean, a grade of K (pending) may be assigned. This extension may not exceed one year from the end of the semester in which the K grade is assigned.

Quality Point System
Each letter grade translates into a numerical equivalent as cited below. The quality point average (QPA) is obtained by dividing the total number of quality points by the number of credits attempted at Pace, including a grade of "F", but not grades of "W," "I-R," "K" or "P." A QPA of 2.00 is necessary for graduation.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A-</td>
<td>3.7</td>
</tr>
<tr>
<td>B+</td>
<td>3.3</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>B-</td>
<td>2.7</td>
</tr>
<tr>
<td>C+</td>
<td>2.3</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>C-</td>
<td>1.7</td>
</tr>
<tr>
<td>D+</td>
<td>1.3</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0.0</td>
</tr>
<tr>
<td>I-R</td>
<td>0.0</td>
</tr>
<tr>
<td>K</td>
<td>0.0</td>
</tr>
</tbody>
</table>
The quality point average (QPA) is obtained by dividing the total number of quality points by the number of credits attempted at Pace, including a grade of "F", but not grades of "W", "I-R", "K" or "P." A QPA of 2.00 is necessary for graduation.

**Incomplete Work**

Inability to complete required course work or to take an examination may, at the discretion of the instructor, result in a grade of "I." A maximum of six weeks will be provided to allow the student to complete the required course work or examination. If the course requirements are not completed within the six-week period, the grade of "I" will automatically become an "F" failing grade.

**The "I-R" Grade and Referrals**

A student in any course in the University who is found to be deficient in basic skills in English or, on the New York City campus, oral communication can be referred for remedial work. In such an instance, the student will receive the grade of "Incomplete-Referral" (I-R) with a provisional letter grade. The I-R grade is for those students who have mastered course content to the level of C or better but who have limited writing or oral deficiencies that can be remediated.

Referral at the end of a semester from any course offered by the University may also be made if a student demonstrated inadequate writing skills in prepared assignments or examinations. A referred student must complete the required remediation in the semester following the referral and may not take any other English course at the same time. A student who is referred at the end of the semester will receive a grade of Incomplete-Referral (I-R) for the course from which he or she was referred, with a provisional letter grade; the letter grade becomes official when the student has completed the remedial course.

**Speech Clinic Referrals (New York City Campus)**—

Students who do not achieve minimum departmental standards in COM 200 or COM 200A may be referred to the Speech and Hearing Center for a speech evaluation. Referred students may be assigned to speech clinic (SPE 050, SPE 052) for individual or group remedial speech services when appropriate. An assigned student must register for speech clinic in the semester following the referral. A grade of incomplete-referral (IR) with a provisional letter grade is given to students in the course from which they were referred. The I-R grade is removed when the student registers for the speech clinic. However, she or he may be required to take more than one semester of the speech clinic.

**Pass-Fail - Undergraduate**

Students with 60 credits and a cumulative GPA of at least 2.5 may take one elective course per semester pass-fail. Core courses and major courses are excluded. Not more than four courses toward the degree may be taken on a pass-fail basis. Only a grade of "F" will be computed into the GPA. Students must notify the Office of Student Assistance of their intent to take a course pass-fail within the first two weeks of a fourteen- or fifteen-week term, or the first week of a four-, six-, or seven-week session.

**Change of Grade**

No grade will be changed beyond six months after the end of the semester in which the course was taken. No grade will be changed or recomputed nor will withdrawals be permitted after a degree has been awarded.

**Grade Appeal Process**

As a general principle, the instructor has sole authority to establish standards of performance and to exercise judgments on the quality of student performance, but in a manner that reflects reasonable and generally acceptable academic requirements. Grades assigned in this fashion are final except as the instructor may wish to review them. No faculty member, administrator, or other individual may substitute his or her judgment of the student's performance for the reasonable judgment of the instructor.

Students who believe that a final grade received in a course was not determined in a manner consistent with the principle described above may challenge that grade by first arranging, within a reasonable period of time (approximately 10 school days from the time that the student knew or should have known of the final course grade), to meet informally with the instructor to establish a clear understanding of the method by which the grade was determined. Every effort should be made to resolve the matter at the level of the instructor and the student. Students who have difficulty arranging a meeting with the instructor should consult the department chair.

If after meeting with the instructor, the student wishes to continue the grade challenge, the student may appeal in writing (with copies to the instructor and the dean of the school) within a reasonable period of time to the chair of the department that offers the course in question. The
statement should clearly state the basis for questioning the grade received in the course. It should be noted that if the chair is the instructor, the appeal is to the dean of the school.

The chair’s decision to have a grade reviewed or not is final. If the chair decides that the method by which the student’s grade was determined was not proper, the chair will apprise the instructor of the basis for questioning the grade and request that the instructor review the grade. If the instructor, for any reason, does not review the grade, the chair will request that at least one other faculty member qualified to teach the course in question review the grade. In the process of such a review, the faculty member(s) is (are) authorized to assign a grade change and may, if necessary, require additional examination of the student’s performance as a basis for the grade change.

Students may, at any point in this appeal process, solicit the advice and assistance of an individual faculty or staff member. This individual’s authority in these matters is limited to mediating the relationship between the student and the instructor and/or chair.

Re-computation (Repeated Course) - Undergraduate

If a student repeats a course, only the grade and credits earned the last time the course was taken will be computed in the cumulative GPA. Students wishing to apply for re-computation of their GPA must complete the appropriate form at the Office of Student Assistance. The GPA average will be recomputed only for the semester in which the student repeats the course; the average of the semester in which the course(s) was first taken will not be changed. If a student withdraws from the course during the semester in which it is being repeated, the cumulative GPA will reflect the original grade. Re-computation is not permitted after a degree has been awarded. Students who receive permission to take at another institution a course for which they failed to attain a passing grade at Pace will have the credit earned at the other institution treated as transfer credit at Pace (provided they attain a grade of "C" or better). The course may not be used to recompute the failing grade at Pace.

Records

Transcripts of Records Policy

In accordance with the Federal Family Educational Rights & Privacy Act (FERPA) of 1974 and subsequent amendments, official academic transcripts cannot be released without the written consent of a student or alumnus. The University will not provide copies of academic transcripts to or on behalf of any student or alumnus with a delinquent outstanding balance. There is no fee assessed for official or unofficial academic transcripts. Current students and recent alumni may also request an academic transcript via the web through the MyPace Portal (www.pace.edu/MyPace). Official academic transcripts are sent directly to other institutions; official academic transcripts sent to students are marked “Student Copy”. Students and alumnus that do not have a hold on their account may print an unofficial transcript through the MyPace Portal. The University accepts no responsibility for the accuracy of an unofficial academic transcript after it has been printed.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act ("FERPA") is a federal law designed to protect the privacy of a student's education records, establish a student's right to access and review his or her education records, provide guidelines for the correction of inaccurate and misleading information that may be contained in those education records, and create a right to file complaints about alleged FERPA violations with the Department of Education.

Once a student reaches 18 years of age or attends a postsecondary institution, the rights created by FERPA transfer from the student's parents to the student. These rights include:

- The right to have access to and review his or her education records maintained by the postsecondary institution.
- The right to request amendment of his or her education records that contain inaccurate and misleading information.
- The right to limit the disclosure of personally identifiable information in his or her education record.
- The right to file a complaint about alleged FERPA violations with the Family Policy Compliance Office of the Department of Education.

FERPA protects personally identifiable information in a student’s education records. Education records are defined under FERPA as those records, files, data, video and audio tapes, handwritten notes and other material that contain information that is directly related to a student and maintained by Pace University or a party acting for the University. There are exceptions, however, to the definition of education records. For example, the term education record does not include:

- Records kept in the sole possession of the maker, used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the records.
- Records of the Safety and Security Department of the University.
- Records relating to a student’s employment with the University.
- Records maintained by a physician, psychiatrist, psychologist, and other health care professionals in connection with treatment of a student.
- Records created or received by the University after a student is no longer in attendance and that are not directly related to the student’s attendance at the University.
- Grades on peer-graded papers before they are collected and recorded by the instructor.

Personally identifiable information includes, but is not limited to:
• The student’s name.
• The name of the student’s parents or other family members.
• The address of the student or the student’s family.
• The student’s social security number or student identification number.
• Other indirect identifiers, such as the student’s date of birth, place of birth, and mother’s maiden name.
• Any information that alone, or in combination with other information, is linkable to a specific student that would allow a reasonable person who does not have knowledge of the relevant circumstances to identify the student with reasonable certainty.

Access to and Review of Education Records

Under FERPA, a student has the right to have access to and review his or her education records with the exception of the following records: (i) information contained in an education record concerning students other than the student whose education record is being accessed; (ii) financial records, including any information those records contain, of the student’s parents; and (iii) confidential letters and statements of recommendation placed in the student’s education records after January 1, 1975 provided the student has waived his or her right to review those letters, and confidential letters and statements of recommendation placed in the student’s education records before January 1, 1975 and used only for the purpose for which they were specifically intended. (In order to waive the right to review confidential letters and statements of recommendation in a student’s education record, the student must submit a completed and signed Waiver of Right to Review Confidential Letters and Statements of Recommendation form to the Office of Student Assistance.)

Any student who wishes to access and review his or her education records must submit a dated written request to the custodian of the record, e.g., the Office of Student Assistance, a department chair, a program director, a faculty member. No later than 45 days after receiving the student’s request, the custodian will make arrangements for the student to review his or her education records. A representative of the University may be present during the inspection, and the student may be required to present valid photo identification before accessing the records. Photocopies of the records are available upon request and for a fee of fifteen cents per page.

Amendment of Education Records

Under FERPA, a student who believes information in his or her education records is inaccurate, misleading, or in violation of the student’s privacy rights recognized by FERPA, has the right to request that the records be amended. The right to seek amendment of an education record does not include changes to a grade unless the grade assigned was inaccurately recorded, an opinion, or a substantive decision made by the University about the student.

To request an amendment, the student must submit a written request to the custodian of the record. The request should clearly identify the portion of the record the student seeks to have amended and specify the reasons for the requested amendment. If the custodian of the record determines the information contained in the record is inaccurate, misleading, or in violation of the student’s privacy rights recognized by FERPA, the custodian will amend the record and notify the student of the amendment in writing.

If the custodian determines an amendment of the student’s education record is not warranted because it is not inaccurate, misleading or in violation of the student’s privacy rights recognized by FERPA, the custodian will inform the student in writing of the decision not to amend and will also inform the student of his or her right to a hearing on the matter. The student’s written request for a hearing must be received by the dean for students of the student’s home campus within 30 calendar days of the date of the custodian’s decision denying an amendment, and the hearing shall be held within a reasonable time thereafter. Within 5 business days after receiving the student’s written request for a hearing, the dean for students or his or her designee will appoint a hearing officer to review the matter. The hearing officer must be a University representative with no direct interest in the outcome of the matter.

The hearing officer shall, in his or her sole discretion, determine whether, under the circumstances, the hearing should be conducted in-person or by telephone. The hearing officer shall provide the student and the custodian of the education record at issue with reasonable notice of the date, time, and place of the hearing if it is to be in-person and the date and time if it is to be conducted by telephone. The student and the custodian shall each have the opportunity to present evidence at the hearing in support of their respective positions. The student may, at his or her own expense, be assisted or represented by one or more individuals, including an attorney, of the student’s choice.

Within a reasonable time after the hearing, the hearing officer will notify the student and the custodian of the record in writing of the hearing officer’s decision. The hearing officer’s decision must be based solely on the evidence presented at the hearing and must include a summary of the evidence and the reasons for the decision. If the hearing officer determines the information contained in the record is inaccurate, misleading, or in violation of the student’s privacy rights recognized by FERPA, the record will be amended. However, if the hearing officer determines the information is not inaccurate, misleading, or otherwise in violation of the student’s privacy rights recognized by FERPA, the education record will not be amended and the student has the right to place a statement in his or her record commenting on the contested information and explaining why he or she disagrees with the hearing officer’s decision.

Disclosure of Education Records to Third Parties

Absent an exception under FERPA, the University must obtain a student’s prior written consent before it discloses personally identifiable information from a student’s education records to a third party. In order to authorize the disclosure of personally identifiable information from his or her education records to a third party, a student must...
FERPA provides a number of exceptions, however, that allow the University to disclose information from a student’s education record without the student’s consent. Circumstances under which the University may disclose personally identifiable information from a student’s education records without obtaining the student’s consent, include, but are not limited to, the following:

- To University officials with a legitimate educational interest in the personally identifiable information to be disclosed. A University official includes, without limitation, faculty; officers; administrators; administrative assistants and clerical staff; safety and security staff; trustees; attorneys; auditors; health care providers; members (including student members) of University-sponsored committees and disciplinary boards; student employees assisting other University officials in performing their duties and responsibilities for the University; and a contractor, volunteer or other party to whom the University has outsourced University services or functions. A University official has a legitimate educational interest in the personally identifiable information to be disclosed if the official needs to review the education record in order to fulfill his or her professional duties and responsibilities for the University.
- To officials of another school in which the student seeks or intends to enroll.
- To the parents of a tax-dependent student as defined in section 152 of the Internal Revenue Code of 1986.
- In connection with the student’s request for or receipt of financial aid if the information is necessary to determine the eligibility, amount or conditions of the aid, or to enforce the terms and conditions of the aid.
- In connection with a health or safety emergency if knowledge of the personally identifiable information is necessary to protect the health or safety of the student or other individuals.
- To the parents of a student under the age of 21 at the time of disclosure, and the disclosure concerns the student’s violation of a federal, state or local law or University policy regarding the use or possession of alcohol or a controlled substance, provided the University has determined the student has committed a disciplinary violation with respect to the use or possession, and the disclosure does not conflict with any state law that prohibits such disclosure.
- Directory information (see discussion below of directory information).
- To comply with a judicial order or lawfully issued subpoena.
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense concerning the final results of a disciplinary hearing with respect to the alleged crime.
- The final results of a disciplinary proceeding related to a crime of violence or non-forcible sex offense may be released to any third party if the student who is the alleged perpetrator is found to have violated the University’s policies. Disclosure under this exception is limited to the name of the student perpetrator, the violation committed, and any sanction imposed. The disclosure shall not include the name of any other student, including the victim or a witness, without the prior written consent of the other student.
- To authorized representatives of the Comptroller General of the United States, the Attorney General of the United States, the U.S. Secretary of Education, and state and local educational authorities for audit or evaluation of federal or state supported education programs, or for the enforcement of or compliance with federal legal requirements that relate to those programs.
- To organizations conducting studies for or on behalf of the University for the purposes of administering predictive tests or student aid programs, or improving instruction.
- To accrediting organizations to carry out their accrediting functions.

**Directory Information**

FERPA permits the University to disclose directory information to the public without obtaining the student’s prior written consent. Directory information is defined by FERPA as information contained in a student’s education record that would not generally be considered harmful or an invasion of privacy if disclosed. The University has defined directory information more specifically as:

- Student’s name
- Campus telephone number
- Campus address
- University e-mail address
- Date of birth
- College or school in which the student is enrolled
- Program and/or field of study
- Enrollment status, e.g., undergraduate or graduate student, full-time, part-time, not enrolled, graduated
- School attended immediately prior to enrolling at the University
- Dates of attendance
- Degrees and honors
- Awards received
- The weight and height of members of athletic teams

Students may “opt out” of directory information and request that directory information, as defined above, be withheld, in whole or in part, and released only with the student’s prior written authorization. Students who wish to opt-out of some or all of the directory information must complete and sign a Request to Opt-out of Directory Information form and submit it to the Office of Student Assistance on or before September 30 of each year. (Students who transfer to the University in the spring semester or return to the University in the spring semester after a leave of absence must submit a completed and signed Request to Opt-out of Directory Information form to the Office of Student Assistance on or before February 15.) Students who wish to revoke their previous request to opt-out of some or all of the directory information must submit a completed and signed Request for Revocation of Opt-out of Directory Information form to the Office of Student Assistance.
Complaints of Alleged Failures to Comply with FERPA

A student who believes his or her FERPA rights have been violated or that the University has failed to comply with the requirements of FERPA has the right to file a complaint with the federal office that administers FERPA. Complaints should be addressed to:

Family Policy Compliance Office
US Department of Education
400 Maryland Ave, SW
Washington, DC 20202-5901
Phone: 202-260-3887

Additional Information about FERPA

Scholastic Honors

Dean’s List

Matriculated students (“degree students”) who achieve a high standard of scholarship in a semester are named to the dean’s list, published at the end of each fall and spring semester.

Honors are awarded as follows:

First Honors 3.85–4.00
Second Honors 3.65–3.84
Third Honors 3.50–3.64

To be eligible for honors, students must complete nine credits, excluding grades of P. Students who receive a D or F are ineligible for honors that semester. Students who attain a qualifying average through the removal of an incomplete grade after the six-week extension may not be included on the dean’s list. Eligible students are sent a dean’s list certificate by the dean of their college/school.

National Honor Societies at Pace University

An invitation to all pace undergraduate students. In keeping with its motto Opportunitas, the mission of Pace University is to provide its students with the opportunity to discover and fulfill their potential. At Pace University, supportive and challenging programs prepare graduates for meaningful lives and successful careers in a rapidly changing world. The university’s commitments combine respect for traditional academic values with readiness to meet the challenges of the future with energy and innovation.

Pace University strives to foster intellectual growth, ethical maturity, civic responsibility, and professionalism in specific disciplines. National honor societies at Pace University play a vital role in advancing these goals. All national honor societies recognize academic excellence, promote scholarship, and enrich the undergraduate educational experience. Members benefit from fellowship among students, faculty, and active professionals. Honor societies are keys that open doors to graduate school, career opportunities, and professional development. Membership in an honor society bestows honor, recognition, and lifetime distinction. Honor societies keep their members informed of changing developments in their respective fields through meetings and publications. Finally, members may be eligible for scholarships offered by national honor societies that support undergraduate education, graduate education, and special activities. Students are encouraged to strive to meet the eligibility requirements of the appropriate honor societies listed below.

Alpha Chi

The National College Honor Scholarship Society

Alpha Chi is a general honor society that admits students from all academic disciplines. The purpose of this honor society is to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. Membership in Alpha Chi recognizes previous accomplishments and provides opportunity for continued growth and service. Some 300 chapters, located in almost every state and in Puerto Rico, induct more than 11,000 members annually. Alpha Chi is distinctive in that it involves members in all aspects of its operation: chapter officer leadership, student representation on the National Council, local chapter event planning, and presenting scholarly programs at regional and national conventions.

Alpha Delta Sigma

The National Marketing Honor Society

Alpha Delta Sigma is the national honor society sponsored by the American Advertising Federation.
**Alpha Iota Delta**

**The National Honor Society in the Decision Sciences**

Alpha Iota Delta is dedicated to the ideal of solving the problems of mankind with humanity and rationality. Humanity is recognized in the decision sciences by understanding that there is a human component to every decision. Rationality is recognized by understanding that there is a need in every decision for order, sensitivity, and relativity. Alpha Iota Delta was formed to foster the growth of these ideals within future generations of the decision sciences by conferring distinction upon a very select group of current students who have distinguished themselves in decision science curricula and who hold high promise in their careers.

**Alpha Lambda Delta**

The Alpha Lambda Delta chapter at Pace University began in the spring of 2012. Alpha Lambda Delta (ALD) is a national honor society for first year students. Students that earn a cumulative grade point ranking them in the top 20% of their class after the first semester are invited to join ALD. Alpha Lambda Delta offers students the opportunity to participate in community service and a variety of campus activities with other high achieving Pace University students. Lastly, ALD members are eligible to apply for exclusive for scholarships at the undergraduate and graduate level, and for studying abroad.

**Alpha Phi Sigma**

**The National Criminal Justice Honor Society**

Alpha Phi Sigma is the nationally recognized honor society for students in the criminal justice sciences. The society recognizes academic excellence by undergraduates as well as graduate students of criminal justice.

**Alpha Sigma Lambda**

**The National Honor Society for Nontraditional Adult Students, Mu Alpha Chapter**

The Mu Alpha Chapter of Alpha Sigma Lambda recognizes the special achievements of adult students who accomplish academic excellence while facing competing interests at home and at work. This honor society is dedicated to the advancement of scholarship and recognizes high scholastic achievement in an adult student’s career.

**Beta Alpha Psi**

**The National Honor Society for Accounting, Finance, and Information Systems**

Beta Alpha Psi is the national honorary and professional fraternity for students of accounting, finance, and information systems. As the premier professional accounting and business information fraternity, Beta Alpha Psi recognizes academic excellence and complements members’ formal education by providing interaction between students, faculty, and professionals, and by encouraging ethical conduct, and public service. Beta Alpha Psi brings excellent students and business professionals together and fosters professional and social development by sponsoring activities that enhance the educational experience and broaden the perspective of each member. The Pace chapter has earned “Superior Chapter” status nationally each year since its inception.

**Beta Beta Beta**

**The National Biology Honor Society**

Beta Beta Beta (TriBeta) is a society for students dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. Since its founding in 1922, more than 175,000 persons have been accepted into lifetime membership, and more than 430 chapters have been established throughout the United States and Puerto Rico.

**Beta Gamma Sigma**

**The National Honor Society in Business**

Beta Gamma Sigma is the preeminent national honor society in business. Membership in Beta Gamma Sigma is the highest national scholastic recognition that a student in business can receive in an undergraduate or graduate program at a school accredited by the AACSB International —The Association to Advance Collegiate Schools of Business. The first national honor society in business, Beta Gamma Sigma was the result of a merger of three separate societies established to honor academic achievement in business at the University of Wisconsin, University of Illinois, and the University of California.

**Gamma Kappa Alpha**

**The National Italian Honor Society**

The Gamma Kappa Alpha National Italian Honor Society is a society formed to acknowledge superior scholastic performance in the field of Italian language, literature, and culture, and is open to membership at institutions of higher learning in the United States and Canada. The Society encourages college students to acquire a great interest in, and a deeper understanding of, Italian culture, art and history. The organization recognizes outstanding undergraduate scholarship in the field of Italian by awarding annually the Gamma Kappa Alpha Award for Scholarship.

**Golden Key International Honour Society**

Golden Key International Honour Society recognizes and encourages scholastic achievement and excellence in all undergraduate fields of study, unites with faculty and administrators in developing and maintaining high standards of education, provides economic assistance to outstanding members by means of both undergraduate and

[30] PACE UNIVERSITY UNDERGRADUATE CATALOG 2012-2013
graduate scholarships, and promotes altruistic conduct through voluntary service.

**Kappa Delta Pi**

The International Honor Society in Education
Kappa Delta Pi is dedicated to scholarship and excellence in education. The Society is a community of scholars pledged to recognize scholarship and excellence in education, promote the development and dissemination of worthy educational ideas and practices, enhance the continuous growth and leadership of its diverse membership, foster inquiry and reflection on significant educational issues, and maintain a high degree of professional fellowship. Those students interested in the International Honor Society in Education for the Pleasantville campus, please refer to Pi Lambda Theta.

**Kappa Mu Epsilon**

The National Mathematics Honor Society
Kappa Mu Epsilon is a specialized honor society in mathematics, founded in 1931 to promote interest in mathematics among undergraduate students. The chapters' members are selected from students of mathematics and other closely related fields who have maintained high standards of scholarship, have professional merit, and have attained academic distinction.

**Lambda Pi Eta**

The National Communications Honor Society
Lambda Pi Eta is an honor society that seeks to recognize, foster, and reward outstanding scholastic achievement, to stimulate interest in the field of communication, to provide an opportunity to discuss and exchange ideas in the field of communication, and to establish and maintain close relationships and understanding between faculty and students.

**Lambda Sigma**

The National Honor Society for Second-Year Students
Lambda Sigma, a National Honor Society for second year students, is dedicated to the purpose of fostering leadership, scholarship, fellowship, and services among its members as they promote the interests of the colleges and universities they represent.

**Omicron Delta Epsilon**

The International Honor Society in Economics
Omicron Delta Epsilon is one of the world's largest academic honor societies. The objectives of Omicron Delta Epsilon are to recognize scholastic attainment and to honor of outstanding achievements in economics, as well as to establish closer ties between students and faculty in economics within colleges and universities, and among colleges and universities.

**Phi Alpha Theta**

The National History Honor Society
Phi Alpha Theta is a professional society whose mission is to promote the study of history through the encouragement of research, good teaching, publication, and the exchange of learning and ideas among historians. This honor society seeks to bring students, teachers, and writers of history together for intellectual and social exchanges.

**Phi Sigma Iota**

The International Foreign Language Honor Society
Phi Sigma Iota recognizes outstanding ability and high standards of students and faculty of foreign languages, literatures and cultures (including classics, linguistics, philology, comparative literature, ESL, bilingual education, and second language acquisition). It is the highest academic honor in the field of foreign languages. Phi Sigma Iota has initiated over 50,000 members since its foundation in 1917, and has created and supported numerous scholarship programs.

**Pi Delta Phi**

The National French Honor Society
Pi Delta Phi recognizes outstanding scholarship in the French language and its literatures, increases the knowledge and appreciation of Americans for the cultural contributions of the French-speaking world, and stimulates and encourages French and francophone cultural activities.

**Pi Gamma Mu**

The International Honor Society in Social Sciences
Pi Gamma Mu recognizes undergraduate and graduate students who have distinguished themselves as scholars of the social sciences. Academic disciplines concerned principally with human behavior. Pi Gamma Mu considers the following fields to be included among the social sciences: anthropology, criminal justice, economics, geography, history, international relations, political science, psychology, and sociology.

**Pi Lambda Theta**

The International Education Honor Society
Pi Lambda Theta is an international honor society and professional association in education that honors excellence and fosters leadership skills and intellectual values. Membership is open to students and professionals who have met specific academic requirements or who have achieved certification by the National Board for Professional Teaching Standards. Members can draw on a network of colleagues for professional support and friendship – before
graduation, throughout a career, and after retirement. Those students interested in the International Honor Society in Education for the New York City campus, please refer to Kappa Delta Pi.

Psi Chi
The National Honor Society in Psychology
Psi Chi is the National Honor Society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship and advancing the science of psychology.

Sigma Iota Epsilon
The National Management Honor Society
Sigma Iota Epsilon is the premier honorary and professional fraternity organization in management. Sigma Iota Epsilon recognizes superior scholarship and offers members opportunities to engage in professional programs and other activities intended to bridge the gap between management theory and management practices.

Sigma Tau Delta
The International English Honor Society
Sigma Tau Delta's central purpose is to confer distinction upon students of the English language and literature in undergraduate, graduate, and professional studies. Sigma Tau Delta also recognizes the accomplishments of professional writers who have contributed to the fields of language and literature. One of the largest members of the Association of College Honor Societies, Sigma Tau Delta has more than 600 active chapters, more than 900 faculty sponsors, and inducts approximately 7,000 members annually.

Sigma Theta Tau
The International Honor Society of Nursing
Sigma Theta Tau International honors those who demonstrate a personal commitment to nursing excellence. Sigma Theta Tau is committed to fostering excellence, scholarship, and leadership in nursing to improve health care worldwide. The Society promotes the use of nursing research in health care delivery and makes its resources available to all people and institutions interested in the latest knowledge in nursing care. Members are committed to providing the latest research, information, and technology in nursing science, and are instrumental in the profession's scientific journey toward improved patient care.

Sigma Xi
The International Honor Society of Science and Engineering
Sigma Xi is a scientific research society. One of the oldest and largest scientific organizations, Sigma Xi has promoted a variety of science-oriented programs since its founding in 1886. Its goals are to foster worldwide interactions involving science, technology, and society; to encourage appreciation and support of original work in science and technology; and to honor scientific achievements. Sigma Xi is a society of more than 80,000 scientists throughout the world. Throughout its history, there have been 195 Nobel laureates in Sigma Xi.

Upsilon Pi Epsilon
The International Pi Epsilon Society for the Computing Sciences
Upsilon Pi Epsilon is the first and only international honor society for the Computing Sciences. It was founded in 1967 to recognize scholarship and professionalism. Membership in Upsilon Pi Epsilon is limited to candidates who can effectively achieve the goals of recognizing outstanding talent in the computing sciences, promoting high scholarship in the computing sciences, establishing and maintaining high standards, representing the computing sciences in interdisciplinary communications, and encouraging individual contributions to society through the computing sciences.

Graduation Policies, Honors, and Awards

Candidates for Graduation—Candidates for graduation must file an Application for Graduation with the Office of Student Assistance according to the schedule below. They can be faxed to their home campus or delivered in person. Students who have filed the application by the filing date will receive a graduation evaluation letter from the graduation auditor. Please refer to Commencement for additional information.

<table>

</tr>
<tr>
<td>December</td>
<td>Prior to Previous March 15</td>
</tr>
<tr>
<td>May</td>
<td>Prior to Previous September 15</td>
</tr>
</tbody>
</table>

Commencement—Commencement exercises are scheduled once a year, every May. Degree recipients in December, or students who are expected to complete their degree requirements in May or August of the same year, are eligible to participate in commencement exercises in May. Students who have filed an Application for Graduation with the Office of Student Assistance by the filing deadline will receive information regarding the commencement exercises, tickets, invitations, and academic attire, from the Office of Special Events. Please refer to Candidates for Graduation for additional information.

Latin Honors—Bachelor’s Degree Students Are Awarded Honors For High Scholarly Achievement On The Following Basis:

<table>
<thead>
<tr>
<th>Honor</th>
<th>Final QPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa cum laude</td>
<td>3.85–4.00</td>
</tr>
<tr>
<td>Magna cum laude</td>
<td>3.65–3.84</td>
</tr>
</tbody>
</table>
Graduation With Distinction—Students who have completed 32–59 credits at Pace University, and are therefore not eligible for Latin Honors, and who have earned a bachelor’s degree with a final QPA of 3.50 are eligible to receive their degrees with distinction. Graduates of the associate degree programs who have earned a final QPA of 3.50 and have completed at least 30 credits at Pace are also eligible to receive their degrees with distinction.

Commencement Awards

Trustees’ Award—This award is presented to the graduating student whose positive contributions to university life and whose academic accomplishments exemplify the highest level of achievement attainable for an undergraduate. The student receiving the award must have completed a minimum of 60 credits at pace.

Community Service Award—This award is presented to the graduating student whose active contributions to the life of the university community and to the endeavors of our neighbors in the surrounding community most admirably embody an appreciation for social responsibility. The student receiving the award must have completed a minimum of 60 credits at Pace with a cumulative QPA of 2.75 or better.

The Henry Birnbaum Endowed Scholastic Achievement Award—This award is presented to a graduating full-time graduate or undergraduate student who has earned all of his/her degree credits at Pace University on the New York City Civic Center Campus, who has shown outstanding scholarly aptitude during his/her tenure at Pace, and who has earned a quality point average of at least 3.8 upon graduation.

The Charles H. Dyson Award—This award is presented to the outstanding member of the Dyson College Society of Fellows.

Scholastic Achievement Award—This award is presented to the graduating students in the Dyson College of Arts and Sciences, Lubin School of Business, School of Education, Lienhard School of Nursing, and Seidenberg School of Computer Science and Information Systems excelling in scholarship, effectiveness in class discussions, research, and general performance in a bachelor’s degree program. The students receiving the award must have completed a minimum of 60 credits at Pace and be qualified at least for graduation cum laude.

Academic Leadership Award—This award is presented to the graduating students who best exemplified academic citizenship through integrating academic achievement and leadership skills to serve as a role model for other students. Students receiving this award must have a cumulative QPA of 3.3 or higher.

Other Policies

Affirmative Action Policy Statement

The Affirmative Action Policy of Pace University is adopted pursuant to its commitment to the principles of equal opportunity for all minorities and women, which specifically pledges the university to a policy of nondiscrimination toward any person in employment or in any of its programs because of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status. Pace University admits, and will continue to admit, qualified students of any race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status, to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not and will not discriminate on the basis of race, color, religion, disability, national or ethnic origin, sexual orientation, veteran status, age, sex, or marital status in employment, in administration of its educational policies, admissions policies, scholarship and loan programs, athletic, and other school-administered programs.

Information for Students with Disabilities

The same rigorous standards for admission apply to students with and without a disability. In order to support the continued success of students with disabilities, the University prohibits discrimination on the basis of disability and is committed to ensuring equal access for students with disabilities to its facilities, programs, and activities. The University’s commitment to equal educational opportunities for students with disabilities includes providing reasonable accommodations for the needs of students with disabilities.

Disabilities and Accommodations

Federal law, including the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, as well as state and local laws prohibit institutions of higher education from discriminating against students with disabilities. The Americans with Disabilities Act defines an individual with a disability as a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual, has a record of such an impairment, or is regarded as having an impairment. Students with, among others, visual, hearing and mobility impairments, psychological disorders (including, but not limited to, specific learning disabilities, organic brain syndrome, attention deficit disorder, emotional or mental illness), and chronic health disorders such as diabetes, heart disease, and HIV infection (whether asymptomatic or symptomatic) may be disabled and therefore eligible for a reasonable accommodation. Each student diagnosed with a particular disability will have a different level of functioning even within the same disability category. Further, compensation skills will also vary from one student to another and in the same student over time. Therefore,
accommodations are determined on a case-by-case basis according to a student’s documented needs, guidelines suggested by federal and state law, and criteria developed by the University.

Identifying and implementing a reasonable accommodation for a student with a disability is an interactive process that includes shared responsibility between the University and the student. Accommodations include adjustments to make the campus, residential housing, transportation and parking accessible, academic adjustments or modifications, and auxiliary aids and services. Examples of academic adjustments that may be made available to eligible students include priority registration, substitution of one course for another, a leave of absence, and extended time to complete an assignment or test. Auxiliary aids and services that may be provided to eligible students include, for example, note takers, recording devices, sign language interpreters, and computers equipped with voice recognition or other adaptive software.

The University is required to provide a reasonable accommodation; it is not required to provide the specific accommodation requested by the student. In providing accommodations, the University is not required to lower or effect substantial modifications to essential requirements or to make modifications that would fundamentally alter the nature of the service, program or activity. Thus, for example, although the University may be required to provide extended time within which to complete a test, it is not required to change the substantive content of the test. Personal attendants, individually prescribed devices, readers for personal use or study, wheelchairs, hearing aids, and other devices or services of a personal nature are the responsibility of the student, not the University. Finally, the University is not required to make modifications or provide auxiliary aids or services that would result in an undue burden on the University.

Funding for auxiliary aids and services may be available from certain state agencies such as, for example, the New York State Office of Vocational and Educational Services for Individuals with Disability. For those auxiliary aids and services that are likely to be funded by a state agency, the University may require the student to apply to the agency for funding. The University may provide assistance with the application for funding.

Request for an Accommodation

To request an accommodation for a qualifying disability, a student must self-identify and register with the Coordinator of Disability Services for his or her campus. The Coordinator of Disability Services for the New York City campus, Jenna Cler, may be contacted at the Counseling Center at 156 William Street, 8th floor, New York, New York 10038, 212-346-1526 or by e-mail, jcler@pace.edu. The Coordinator for the Westchester campus, Elisse M. Geberth, may be contacted at the Counseling Center in the Administration Center at 861 Bedford Road, Pleasantville, New York 10570, 914-773-3710 or by e-mail, egeberth@pace.edu. Notifying other University offices, faculty or staff does not constitute giving notice to the University of a request for an accommodation. No one, including faculty, is authorized to evaluate the need and arrange for an accommodation except the Coordinator of Disability Services. Moreover, no one, including faculty, is authorized to contact the Coordinator of Disability Services on behalf of a student.

It is the student’s responsibility to request an accommodation. Because some accommodations may take considerable time to arrange, students are urged to contact the Coordinator of Disability Services in order to request an accommodation as soon as possible after receiving notice of admission to the University. Untimely requests may result in delay, substitution, or an inability to provide an accommodation. If a request for an accommodation is submitted late, the Coordinator of Disability Services will, nevertheless, make every reasonable effort to process the request for an accommodation.

Before an accommodation will be provided, the student may be required to submit medical and/or other diagnostic information concerning the student’s disability and limitations. If the information provided is unclear or incomplete, the student may be required to provide additional information or participate in further evaluations. In addition, the University may, at its expense, arrange for its own evaluation of the disability and needs of a student.

The Coordinator of Disability Services will, in conjunction with others as may be appropriate, evaluate the information provided by the student and health care providers; refer the student for additional testing and evaluation as may be necessary; make recommendations for the accommodations to be provided to the student; and, assist in arranging for the implementation of the accommodation to be provided.

If a student experiences difficulties with the implementation of the accommodation or, if after it has been implemented, a student has concerns that the expected results of the accommodation are not being met, the student must promptly notify the Coordinator of Disability Services. The Coordinator of Disability Services will, as may be appropriate, endeavor to remedy the situation.

If a student disagrees with the accommodation recommended by the Coordinator of Disability Services, he or she should promptly appeal the recommendation to Mr. Geoffrey Harter, the University’s Judicial Compliance Officer, who may be contacted at 914-773-3717.

Depending on the nature of the disability and the accommodation provided, a student may be required periodically to submit medical and/or diagnostic information demonstrating the current status of the disability and/or to renew the request for an accommodation.

Any questions about the services offered by the University to disabled students or the procedures for requesting an accommodation should be directed to the Coordinator of Disability Services at 212-346-1526 or 914-773-3710.

shall be maintained as confidential. Individually identifiable information will not be disclosed except as may be required or permitted by law or pursuant to a release signed by the student.

Complaints of Disability Discrimination

If a student has concerns that he or she has been discriminated against because of a disability, he or she should contact the University’s Affirmative Action Officer at 212-346-1310 or 914-773-3856.

Additional Services Offered by the Counseling Center

The University’s Counseling Center offers psychological services to all students. To make an appointment, call the Counseling Center at 212-346-1526 or 914-773-3710.

Emergency Closings and Other Changes in Class Schedules

Occasionally, the University is confronted by the need to close because of inclement weather or other reasons beyond the University’s control. Such closings are normally announced through the major radio stations in New York City and Westchester County and often appear on their Web sites. In addition, students can also check the Pace University home page, and/or call the Pace Events Phone (PEP) for school closing information.

- New York City, (212) 346-1953
- Pleasantville/Briarcliff/White Plains, (914) 773-3398

Closings are also posted on the University’s website at www.pace.edu and are sent via text message and email for those who sign up for Emergency Notifications at alert.pace.edu.

Although classes are planned to commence and conclude on the dates indicated in the academic calendar, unforeseen circumstances may necessitate adjustment to class schedules and extension of time for completion of class assignments. Examples of such circumstances may include faculty illness, malfunction of University equipment (including computers), unavailability of particular University facilities occasioned by damage to the premises, repairs or other causes, and school closings because of inclement weather. The University shall not be responsible for the refund of any tuition or fees in the event of any such occurrence or for failure of a class to conclude on the date originally scheduled. Nor shall the University be liable for any consequential damages as a result of such a change in schedule.
University Core Curriculum

Core Curriculum Overview

Pace University offers an innovative, cutting-edge Core Curriculum of liberal arts and sciences courses central to all undergraduate degrees and required of all Pace undergraduate majors.

Effective with the entering class of Fall 2012, this curriculum requires a minimum of 44 credits in the Liberal Arts and Sciences that are grouped into two distinct sections: Foundational Requirements and Areas of Knowledge. Foundational Requirements include courses in Writing, Mathematics, Science, Computer Science, and Language. Areas of Knowledge requirements provide students flexibility and choice in selecting courses, including the option of developing an in-depth sequence in a specific arts and science discipline.

Core Curriculum courses, regardless of a student's major, address fundamental problems and issues in the Arts and Sciences from diverse perspectives and approaches and ensure that Pace graduates will develop abilities essential to success in college study and in careers and also achieve competency in a variety of skills that are sought by employers and are needed for graduate level work. Moreover, core courses are enriching intellectually and personally and serve to prepare students to become lifelong learners, better able to respond to the inevitable changes and challenges of their professional and personal lives.

Objectives of Foundational Requirements:

Section I of the Core Curriculum ensures that you will achieve competency in a variety of communication and quantitative skills. You may be eligible to place out of some foundational requirements by taking proficiency or placement exams in English, language, or computing. If you require additional work and support in these vital skill areas, you will find the help you need through this series of courses.

Completion of Foundation Requirements:

New students entering as freshmen are required to complete Foundational Requirements within 66 credits.

Objectives of Areas of Knowledge Requirements:

Section II of the Core Curriculum offers broad exposure to a variety of approaches and perspectives in the Humanities, Social Sciences and Sciences, and to different modes of analysis and understanding. These courses are intended to develop a sense of social, civic, and global awareness and responsibility. There are hundreds of courses to choose from. Moreover, this section offers students the opportunity to develop an in-depth sequence or concentration.

12 Learning Outcomes of the Core Curriculum are:

* Communication
* Analysis
* Intellectual depth, breadth, integration and application
* Effective citizenship
* Social Interaction
* Global, National, and International Perspectives
* Valuing
* Problem-solving
* Aesthetic response
* Information Literacy and Research
* Scientific and quantitative reasoning
* Technological Fluency

Features of the Pace University Core Curriculum are:

* Community Building
* Focus on Student Learning Outcomes
* Social responsibility and civic engagement
* Choice and Flexibility
* Ability to complete a minor in the Core

Other University Core requirements that fit into one of the two sections include:

* One Learning Community (LC): should be taken within the first two years of study
* Two Writing-Enhanced Courses (WE): in addition to Foundation writing courses
* One Civic Engagement and Public Values Course: (CE and formerly AOK 1)

Note that the above Other Core requirements may be satisfied by Foundational courses, Area of Knowledge courses, major courses, and Open Elective credits. Moreover, school advisors are available to provide students with assistance in choosing these and other Core courses.

OUTLINE of FALL 2012 UNIVERSITY CORE CURRICULUM: (44-55 minimum credits)

Foundational Requirements:

ENG  Composition (can test out)
ENG  Critical Writing
ENG  Writing in the Disciplines *
COM  Public Speaking
MAT  Mathematics
Second Language Proficiency (can test out) and

**Areas of Knowledge Requirements:**

- **WH** Western Heritage course(s)
- **WCT** World Heritage course(s)
- **HCE** Humanistic and Creative Expressions course(s)
- **HSN** Analysis of Human, Social, & Natural Phenomena course(s)

*New students entering as freshmen are required to complete this course by the time they attain 30 credits and, in addition, must complete the remainder of the Foundational Requirements within 66 credits.

**University 101:**

University 101 is a Required First Year Learning Experience. Full-time day students that transfer to Pace University with fewer than 17 credits are required to enroll in a UNV 101 class in their first semester unless they have received transfer credit for the equivalent of Pace University’s UNV 101 course. University 101 is not offered as an evening course.

**Second Language Proficiency Policy**

1. **Placement based on AP scores**—For students who have taken an AP exam in French, German, or Spanish Language or Literature, the placement is as follows:
   - **Score of 4 or 5**—Students receive six Pace credits and are exempt from taking language courses for core, but are encouraged to continue language studies to develop proficiency. Students who elect to continue may select any 300-level course. They might also consider completing a minor or major (or second major) in a language.
   - **Score of 3**—Placed in a three-credit 200-level course. Course No. 280, "Intensive Review," is the recommended course in Spanish or French, but other options are also possible. Must complete one (3 credit) language course to satisfy the language core requirement.

2. **Placement based on SAT II Exam Scores**
   
   Students may take the SAT II language exam, as high school or college students. The placement is as follows:
   - **Score of 550 or above**—Exempt from taking language courses for core, but are encouraged to continue language studies to develop proficiency. Such students may select any 300-level course. They should also consider completing a minor or major (or second major) in a language.
   - **Score of 450-549**—Placed in a three-credit 200-level course. No. 280, "Intensive Review," is the recommended course in Spanish, French, and Italian, but other options are also possible.] Must complete that one language course to satisfy the language core requirement.

**Score of 300 – 449**—Placed in course number 102. Must complete 102 plus a 200-level course to satisfy the language core requirement.

**Score below 300**—Placed in course number 101. Must complete 101 and 102 to satisfy the language core requirement.

For further information on registering for the SAT II exam, go to: http://www.collegeboard.com/student/testing/sat/lc_two.htm

3. **Placement based on high school record**
   
   If a student has studied a language for the following length of time in high school, he/she will be placed at the following level of the same language:
   - **Four years —No. 280** or other 3-credit 200-level course selected by the student. Must complete that one language course to satisfy the language core requirement.
   - **Three years —No. 280** (intensive review) is the best option in French, Spanish, or Italian. In Japanese and Chinese, the intensive review course is No. 281 in PLV and No. 271 in NYC. Must complete that one language course to satisfy the language core requirement.
   - **Two years or one year (during any high school years) —No. 101.** Must complete 101 and 102 to satisfy the language core requirement. (Note: students with a facility for language may elect to accelerate their language study by enrolling in intensive language study 101A and 102B, offered consecutively for seven weeks each during a single 14-week semester.)

4. **Placement for those starting a new language**
   
   All students starting a new language at Pace will be placed at the beginning (101) level. Those students must complete 101 and 102 in that language to satisfy the language core requirement.

**Notes on Language Core Requirements:**

- Students who have completed their secondary schooling at an institution where English is not the language of instruction are exempt from the core language requirement. However, they are invited to learn a new language at Pace.
- American Sign Language (ASL) may be used to fulfill the core language requirement. Transfer students with two semesters of college-level study of ASL (grade "C" or better) will receive transfer credit and will be exempt from further study of any language at Pace.
- Transfer students in the professional schools, with the exception of the School of Education, may take a culture course to fulfill the entire language core requirement. The remaining three credits are to be made up in Inquiry and Exploration.

**Transfer Students**

Transfer students must complete 60 credits in the Arts and Sciences. They must fulfill the Foundational Requirements and the Civic Engagement course, with flexibility for the remaining credits. Transfer students in the professional
schools, with the exception of the School of Education, may take a culture course to fulfill the second language requirement.

For purposes of determining the appropriate University Core Curriculum requirements for students who come to Pace with transfer credits, a transfer student is defined as one who successfully completes (grade of "C" or better) a minimum of 25 college-level credits prior to the student’s attendance at Pace University. Thus students with fewer than 25 transfer credits, (freshmen), will be required to take the entire new core.

**In-Depth Sequence**

In completing their core requirements, an alternative for qualified students is to explore a subject area in the arts and sciences in some depth. Pace students are afforded the option of concentrating in a subject area by pursuing an "in-depth sequence."

An in-depth sequence consists of at least nine (9) credits in a subject area within the core, beyond core requirements in that area, and is in a field of study outside the student’s major. Students build an in-depth sequence of courses (no more than one course from each Area of Knowledge). Students may apply the in-depth sequence toward a minor or second major in the Arts and Sciences. Courses in the sequence may not substitute for requirements in the student’s school or first major program.

A student wishing to pursue an In-Depth Sequence should consult the Office of the Dean of the Dyson College of Arts and Sciences in order to file an approved program for courses with the Office of Student Assistance in advance of study.
Profile

Mission
Pace University’s historic mission retains its central importance today: to provide high quality professional education and training coupled with an excellent liberal education to students for whom that education offers the opportunity to lift their lives and prospects to new levels.

Vision
Pace is a university dedicated to offering a wide array of programs of education for professions in demand, framed by the perspective and independent critical thinking that comes from an excellent liberal education. In selected areas in each school or center, Pace will offer professional programs that are among the best in the New York tri-state area. Pace will always seek to relate its programs of professional education to the most important currents in those professions, capitalizing on its location in and around New York City to offer students real-world experience through internships and co-operative work experiences, using community service as a learning tool and employing problem-solving and other teaching techniques that re-enforce the relationship between a student’s university experience and professional challenges and satisfactions.

The Pace Story
The Pace story began in 1906 when Homer and Charles Pace borrowed $600 to rent classrooms in the old New York Tribune building in lower Manhattan—located on the site where Pace Plaza stands today. Initially their curriculum focused on preparing men and women to become accountants. At the time, Pace was an innovation that met the needs of the modernizing world, providing opportunity to men and women who aspired to a better life. Over the next 100 years the Pace tradition of innovation continued, providing opportunity to a highly diverse and motivated population who wanted access to better jobs in the arts, nursing, law, education, information technology, business, and science, as well as knowledge that would create a better life for themselves and for others.

Pace Institute began its transformation after World War II into a modern university with emphasis on the liberal arts and sciences. With dynamic leadership and fiscally sound management, Pace grew from rented facilities and few resources into one of the largest universities in New York State, with a multimillion dollar physical plant, an endowment of nearly $100 million and a reputation for excellent teaching and talented, ambitious graduates.

The University’s decision to develop a college of arts and sciences, established in 1966 as both an autonomous academic unit and a foundation for the undergraduate core curriculum, has strengthened and enriched the educational experience of Pace students and provided an ongoing source of intellectual enrichment to the University. The Dyson College of Arts and Sciences is central to the intellectual life of Pace, to shaping academic priorities, and to providing ethical, humanistic, and scientific principles upon which lives and careers are founded.

From its origins as an institute with an excellent business curriculum that prepared men and women for careers in accounting, Pace’s Lubin School of Business has continued to improve, building its reputation for excellence in business education. The University founded the Lienhard School of Nursing, the School of Law, the School of Education, and the Seidenberg School of Computer Science and Information Systems in response to the need for strong professionals in other disciplines. Together Pace University’s six schools and colleges provide outstanding professional preparation that meets the needs of employers in the New York metropolitan area and around the globe.

Academics at Pace
Now over 100 years old, Pace is a private, metropolitan university located in New York City and Westchester County whose five schools and one college offer a wide range of academic and professional programs. Educating achievers who are engaged with critical issues both locally and globally, the University enrolls approximately 13,000 students in bachelor’s, master’s, and doctoral programs.

At the heart of Pace’s academic values is a historic commitment to excellence in teaching, as manifested by small classes, an emphasis on skill development and critical thinking, special tutoring and support services, and academic advising. Academic experiences at Pace emphasize teaching from both a practical and theoretical perspective, drawing on the expertise of full-time and adjunct faculty members who balance academic preparation with professional experience to bring a unique dynamic to the classroom.

The University supports and encourages scholarly activity among its intellectually vital faculty. Much of the work has professional application, and Pace particularly invites scholarship that directly relates to the classroom experience and involves students in the research process.

Pace has always had a student-centered focus and is committed to providing access to those who range widely in age, ethnicity, socioeconomic background, and academic preparation. This includes increasing amounts of institutional financial aid to help students meet the growing costs of a private education; locations in New York City and Westchester County; evening, weekend, and summer scheduling; and special counseling and academic support services, all ways in which the University has sought to enhance the accessibility and opportunities of a Pace education.
A significant tradition of Pace University is its strong relationship with business, civic, and community organizations. Pace’s co-operative education program provides robust internship experiences with a wide range of employers. Dedicated to educating its students to be civically engaged, the University also emphasizes involvement with the community. With more than 85,000 alumni living in the New York City metropolitan area, strong networking opportunities mark the Pace experience.

Recognizing that international education is key to student success, Pace is working to enhance its wide range of study abroad options, faculty led travel courses, programs for international students, and awareness of prestigious fellowships. Pace is committed to working with talented undergraduates to compete for prestigious national and international awards, and in fact, 37 Pace graduates have been awarded Fulbright student fellowships to conduct research and teach English abroad since 2002.

Pace University in the 21st century is shaped by its enduring traditions of opportunity and innovation. One hundred years after its founding, the University continues its commitment to providing access to a diverse population while innovating to meet the needs of the global economy. Known for academic breadth, community involvement, and professional readiness, Pace University prepares its students to contribute to their professions and their world.

A Multicampus University

New York City

Pace University is a metropolitan New York university with a growing national reputation for offering students opportunity through high quality professional preparation coupled with an excellent liberal education. Each of its urban and suburban campuses has its own distinctive atmosphere but shares common faculties and traditions.

The campus in lower Manhattan, in the heart of the civic and financial center of New York City, serves as an intellectual and cultural focal point for one of the city’s most dynamic and vital areas. Students’ educational experiences are enriched by an environment filled with diverse culture and art, populated by citizens of the world, and alive with activity.

Pace’s modern Midtown Center at 551 Fifth Avenue and 45th Street in Manhattan, only blocks away from Grand Central Station, and offers graduate and undergraduate courses to goal-oriented people looking to advance their careers.

Westchester County

The Westchester campus in Pleasantville is set on 200 acres land in mid-Westchester County New York, and offers a broad range of undergraduate degree programs in a stimulating collegiate environment. The Briarcliff annex, a short distance from Pleasantville, is the location of residence halls, recreational facilities, and administrative offices. A shuttle bus provides continuous service between the campuses. Pace’s School of Law, and a center for other graduate courses in business, public administration, and computing are located in White Plains, the hub of Westchester County.

All campuses are linked by the powerful, goal-oriented features of a Pace University education—personal attention, flexibility, and responsiveness to the needs and expectations of a diverse and demanding student population.

Commitment to International Education

In order to fulfill its academic mission in the broadest terms, Pace University seeks to identify and respond to the growing interdependence of today’s world. A variety of international activities and programs help to expand the global perspective of our students and faculty. We offer international study courses, enroll international students in regular and special programs, encourage faculty research overseas to promote academic exchange, emphasize the study of foreign languages, and engage in curriculum development with international understanding as a primary goal. Pace University produced more the two dozen students who have won international Fulbright Fellowships.

Accreditation and Membership

Pace University is chartered by the Regents of the State of New York and is accredited by the Middle States Association of Colleges and Secondary Schools. All Pace University degree programs are registered with the New York State Education Department. The Chemistry Departments in New York City and Pleasantville are accredited by the American Chemical Society. The Physician Assistant Program is accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA). The Bachelor of Science in computer science and the Bachelor of Science in information systems are accredited by the Computing Accreditation Commission (CAC) of ABET, Inc. The programs of the Lienhard School of Nursing are accredited by the Commission on Collegiate Nursing Education (CCNE). The Lubin School of Business is accredited for both business and accounting by the Association to Advance Collegiate Schools of Business (AACSB International). The programs of the School of Education are accredited by the National Council for Accreditation of Teacher Education (NCATE). The School of Law is accredited by the American Bar Association. The Doctor of Psychology (Psy.D.) program and the Counseling Center’s predoctoral internship in professional psychology in New York City are accredited by the American Psychological Association. Copies of the accreditation documents are on reserve in each of the University’s libraries for inspection by students, prospective students, and parents.

Lower Hudson Valley Council of School Superintendents
Metropolitan Council for Educational Administration Programs
National Association for Supervision and Curriculum Development
Phi Delta Kappa

Following is a list of accrediting agencies with whom individuals may address complaints:

New York State Education Department
Address complaints to:
New York State Education Department
Office of Higher Education and the Professions
Central Education Center, Room 5B28
Albany, NY 12230
Phone: 518-474-5851
http://www.highered.nysed.gov/ocue/COMPLAINTFORM.pdf?

Middle States Commission on Higher Education
Address complaints to:
Middle States Commission on Higher Education
3624 Market Street
Philadelphia, PA 19104
Phone: 267-284-5000
Visit the website for more information:

Accreditation Review Commission on Education for the Physician Assistant (ARC-PA)
Address Complaints to:
ARC-PA
12000 Findley Road, Suite 150
Johns Creek, GA 30097
Phone: 770-476-1224

Visit the ARC-PA website for more information:
http://www.arc-pa.org/faq/index.html#complaint

American Bar Association (ABA)
Address complaints to:
Office of the Consultant on Legal Education to the ABA
321 N. Clark Street, 21st Floor
Chicago, IL 60654-7598
Phone: 312-988-6738
Visit the ABA website for more information:
http://www.americanbar.org/groups/legal_education/resources/accreditation/complaint_procedures.html

American Chemical Society (ACS)
Address complaints to:
Secretary of the Committee on Professional Training
Office of Professional Training
1155 Sixteenth Street, N.W.
Washington, DC 20036
Phone: 202-872-4589

American Psychological Association (APA)
Address complaints to:
Office of Program Consultation and Accreditation
American Psychological Association
750 First Street, NE
Washington, DC 20002
Phone: 202-336-5979
Visit the APA website for more information:

Association to Advance Collegiate Schools of Business (AACSB International)
Address complaints to:
AACSB International
777 South Harbour Island Boulevard, Suite 750
Tampa, FL 33602
Phone: 813-769-6500
Visit the AACSB website for more information:
http://www.aacsb.edu/accreditation/resources/policies/complaint_procedures.pdf

Commission on Collegiate Nursing Education (CCNE)
Address complaints to:
Commission on Collegiate Nursing Education (CCNE)
One Dupont Circle, NW, Suite 530
Washington, DC 20036
Phone: 202-887-6791
Visit the CCNE website for more information:

Computing Accreditation Commission of ABET, Inc. (ABET)
Address complaints to:
ABET111 Market Place, Suite 1050
Baltimore, MD 21202
Phone: 410-347-7700
Visit the ABET website for more information:
http://www.abet.org/appm-2012-2013/?

National Council for the Accreditation of Teacher Education (NCATE)

Address complaints to:
National Council for Accreditation of Teacher Education
2010 Massachusetts Avenue NW, Suite 500
Washington, DC 20036
Phone: 202-466-7496

Degree Offerings

Associate in Arts (AA)
Associate in Science (AS)
Bachelor of Arts (BA)
Bachelor of Business Administration (BBA)
Bachelor of Fine Arts (BFA)
Bachelor of Science (BS)
Bachelor of Science in Nursing (BSN)
Master of Arts (MA)
Master of Arts in Nursing Education (MA)
Master of Business Administration (MBA)
Master of Fine Arts (MFA)
Master of Laws in Comparative Law (LLM)
Master of Laws in Environmental Law (LLM)
Master of Public Administration (MPA)
Master of Science (MS)
Master of Science in Education (MSEd)
Master of Science in Nursing/Family Nurse Practitioner (FNP)
Master of Science in Physician Assistant Studies (MSPAS)
Master of Science for Teachers (MST)
Juris Doctor (JD)
Doctor of Juridical Science (SJD)
Doctor of Professional Studies (DPS)
Doctor of Nursing Practice (DNP)
Doctor of Psychology (PsyD)
Doctor of Nursing Practice (DNP)

* Transfer and adult students only

**Allied health programs are offered in conjunction with: Columbia University, New York State College of Optometry, New York Medical College, and New York College of Podiatric Medicine.
†† Program requires students to choose a second major based on the subject they choose to teach.
+++ Students can choose to major in Literacy, Special Education, or Educational Technology at the MSE level.
# Associate and Combined Degree programs have separate admission and enrollment requirements. Please contact the admission office for more details. Students who wish to enroll in the combined degree program usually do so in their junior and/or senior years and are required to meet a minimum GPA.
Pre-med and pre-law tracks are preparatory for medical school or law school, respectively.

* Transfer and adult students only
**Allied health programs are offered in conjunction with: Columbia University, New York State College of Optometry, New York Medical College, and New York College of Podiatric Medicine.
†† Program requires students to choose a second major based on the subject they choose to teach.
+++ Students can choose to major in Literacy, Special Education, or Educational Technology at the MSE level.
# Associate and Combined Degree programs have separate admission and enrollment requirements. Please contact the admission office for more details. Students who wish to enroll in the combined degree program usually do so in their junior and/or senior years and are required to meet a minimum GPA.
Pre-med and pre-law tracks are preparatory for medical school or law school, respectively.

Admission

Applicants for admission to Pace University are considered in terms of past achievement and future promise. The Admission Committee considers the record of each applicant individually.

Procedures for Admission (Degree Students)

Ready to apply? Please visit the Admission Web site.

First-Year, Transfer and International degree students may apply to Pace University for either the fall or spring semester and as a full-time or part-time student.

</table>

First-Year Applicants – The following information must be submitted for a student to be considered for admission:

- An application for admission and a nonrefundable application fee of $50.00
- An official high school transcript certifying graduation or equivalency certification (GED) and scores (photocopies are not accepted)
- A personal statement or essay

Transcripts from all previously attended colleges and universities must be submitted even if transfer credit will not be requested. Submission of false records or omission of previous college, university and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

In order to complete the evaluation of credits and registration, all credentials should be received by the Office of Undergraduate Admission at least six weeks prior to the date of enrollment. Courses with grades of C or better are considered for transfer credit. Grades of C- or lower are not transferable.

Lienhard School of Nursing Applicants

The four-year BS in Nursing Program is offered only on the Westchester Campus. The application deadline for first-year and transfer applicants is February 15. Admission to the nursing program is competitive.

Transfer applicants must have a 3.0 or better cumulative GPA and take the Evolve Reach Admissions Assessment (A2) Exam to be admitted. Please refer to www.pace.edu/transfer/nursing for testing details.

Lienhard School of Nursing students must be certified in Professional Providers CPR and submit a satisfactory medical certification, including physical examination, chest x-ray, and required immunization prior to their first clinical experience.

Freshmen / First Year

Freshman First Year

Candidates for admission to the freshman class should have a minimum of 16 academic units including four years of English, three to four years of history/social science, three to four years of college preparatory mathematics, two years of lab science, two years of a foreign language, and two to three academic electives. Prior to enrolling, students must complete the high school program or GED and graduate.

High School Equivalency Diploma – Candidates for admission who hold a recognized high school equivalency diploma (GED) must have a minimum total score of at least 3,000, with a minimum score of 410 on each individual part of the test. An applicant who has taken the GED scoring less than 3,000 may be eligible for admission as a non-degree student. Applicants must submit official test scores and a diploma (photocopies are not accepted) to the Office of Undergraduate Admission.

Note: Pace does not offer preparation courses for the GED.

Placement Examinations – Most freshmen are required to take placement examinations to determine first-year programming. Details will be sent beginning in May after
Transfer

A transfer student is defined as anyone who has earned college-level coursework after graduation from a secondary school or high school. Transfer applicants must submit high school records and college transcripts from all schools attended (even if transfer credit is not requested) with their application, essay, and two (2) letters of recommendation. Submission of false records or omission of previous college, university, and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

Transfer Credit Policy - Transfer Students

Transfer credit is evaluated according to the following policy:

**Grade Requirements** – Courses with a grade of C or better from a regionally accredited college/university will be considered for transfer credit.

**Major Program** – A major program is defined as those courses directly related to the student’s primary course of study (e.g., accounting, marketing, history, mathematics, computer science, etc.). Fifty (50) percent of the student’s major program must be completed at Pace University. For students in the Lubin School of Business, the business core requirement is considered part of the major program.

**Degree Program** – The number of transferable credits is determined by the degree program to which the credits will be applied.

**Bachelor’s Degree** – A maximum of 96 credits may be transferred to a bachelor’s degree program from accredited four-year institutions (see below for limitations on transfer from two-year colleges). Course equivalencies are awarded based upon the student’s degree program.

**Transfer from Two-Year Colleges** – A maximum of 68 credits may be transferred from accredited two-year institutions toward a bachelor’s degree program. Credit will be granted only for equivalent lower-division and some upper-level courses offered at Pace as determined by the appropriate academic department.

**EVOLVE Test for Nursing Students** – Transfer students admitted to the Lienhard School of Nursing are required to take a placement test prior to admission and must have a 3.0 GPA or better to be accepted. More information is at www.pace.edu/transfer/nursing.

**Course Equivalency** – Courses transferred must be applicable and comparable to corresponding courses at Pace University. In cases where the student’s program at Pace provides for electives, the student may receive elective credit toward the degree requirement for those courses taken at another institution that are not offered at Pace.

**Sources of Transfer Credit:**

- Institutions accredited by a regional affiliate of the Commission on Higher Education (e.g., The Middle States Association of Colleges and Schools)
- Institutions that have entered into transfer credit articulation agreements with Pace University
- Other institutions, with the approval of the appropriate chairpersons and dean
- Results of acceptable performance on standardized proficiency examinations

Where a standardized proficiency examination is not available, a Pace departmental Challenge Proficiency Examination may be administered. The cost of each examination is one credit of tuition for each course challenged.

**International Student Applicants**

Would you like to apply? Please visit the International Admission web site.

An international student is defined by Pace as any student who enters the U.S. on a nonimmigrant visa, including a student, exchange student, diplomatic, or dependent visa, to study at the University.

**Application Procedures**

International students are required to complete the Application for Admission for Undergraduate International Students. The application is to be returned to the Pace University Application Processing Center with a $50.00 nonrefundable fee.

**Important Dates**

- Fall Early Action deadline: December 1
- Fall Performing Arts deadline: January 15
- Fall regular decision deadline: February 15 (Pace uses a rolling admission plan after February 15 based on space availability.)
Fall Nursing deadline: February 15
Fall Tuition and Housing Deposit deadline: May 1
Spring application deadline: December 1 (Pace uses a rolling admission plan after December 1 based on space availability.)
Spring Tuition and Housing Deposit deadline: January 1

In support of the application for admission, the following information is required by the Office of Undergraduate Admission before a final admission decision can be made:

- Official academic records (transcripts), diplomas, and final examination scores from all secondary (high school) and post secondary (college, university) institutions (in English). Photocopies, facsimiles, and notarized copies of academic records (transcripts) are not considered official and will not be accepted.
- Academic records (transcripts) issued in a language other than English are required to be translated and attested by the institution of origin or an approved evaluation/translation agency accepted by Pace University.
- Transfer applicants should also submit an official catalog or syllabus of course work from each post secondary institution attended to receive transfer credit.
- Applicants whose native language is not English must submit the results of the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). Official test scores must be sent directly to Pace University. Photocopies or notarized copies of TOEFL or IELTS scores are not accepted. Click here for more info about TOEFL requirements.
- Two letters of recommendation from a teacher, academic counselor, or individual who knows the applicant well and can describe her or his academic potential and personal characteristics
- A personal statement or essay on a topic of their choice.

**Student and Exchange Student Visas**

To receive an entry visa for study in the U.S., an international student must demonstrate that he or she has sufficient funds available to pay for tuition, room and board, and all living expenses for his or her studies at Pace University for a minimum of one year.

Click here for more info about the application/TOEFL/Visa requirements.

**Enrollment and Registration** – After a student has been notified of her or his acceptance, a $100 nonrefundable deposit will be if she or he chooses to live off campus. For students planning to live in university-sponsored housing, a nonrefundable $600 tuition and housing deposit will be required. Specific information will be sent by the International Director of Admission at the time of admission regarding the deposit deadline. All new international students are required to complete the University's placement examination upon arrival on campus and prior to registration. Students having limited English skills may be required to enroll in intensive noncredit English classes prior to their enrollment in academic courses. Noncredit intensive English courses will entail additional expense and extend the time normally required to complete the student's degree.

**International Baccalaureate Diploma Program** – Pace University recognizes the demanding course of study involved with the International Baccalaureate Diploma Program (IB) and views IB coursework as a strong indicator of academic promise and achievement.

At Pace University, credit or advanced standing may be awarded for higher level (HL) examinations with scores of 4, 5, 6, or 7. Credit and advanced standing is determined on a course-by-course basis.

For more detailed information, please contact the Office of International Admission. Additional information regarding the International Baccalaureate can be obtained from your guidance counselor or the IB North America Regional Office in New York:

Email: ibna@ibo.org
Telephone: (212) 696-4464
Fax: (212) 889-9242

**Non-degree Students**

Non-degree students, (students enrolled in credit bearing courses who have not been admitted into a degree program), are admitted and registered by the Office of Undergraduate Admission. Admission as a non-degree student requires completion of high school or a GED, and/or proof of good academic standing at previously attended colleges or universities.

Submission of false records or omission of previous college, university, and/or proprietary school attendance may result in denial of admission, reversal of admission decision, and/or denial of transfer credit.

Non-degree students may enroll in classes for the fall, spring or summer semesters and attend on a part-time basis registering for a maximum of 11 credits per semester up to a maximum of 25 credits in total. Students may apply for matriculation into a degree program after meeting the requirements listed under the Procedures for Admission of Degree Students section of this catalog.
Visiting Student Status

A Visiting Student is a non-degree student who takes classes at Pace for the purpose of transferring the credits back to another university or college. Visiting students are admitted and registered by the Undergraduate Admission Office. Requirements for admission may include any or all of the following: official copy of college transcript(s), letter of permission from the applicant's resident academic institution including a statement of good academic standing, HS transcript or GED or proof of HS graduation.

Advanced Placement

College Board Advanced Placement Program – Pace University is a participant in the Advanced Placement Program of the College Board. Students who achieve satisfactory scores on the Advanced Placement Tests must send official test results and may receive credit and/or advanced placement.

For more detailed information, please contact the Office of Undergraduate Admission.

Educational Testing ServiceBox 592 or ServiceBox 1025
Princeton, NJ 08540 Berkeley, CA 94701

International Baccalaureate

Pace University may accept International Baccalaureate (IB) credit, provided a certain score is attained. Credit is granted for higher level (HL) courses only.

CLEP and CPEP Examinations

Credit may be awarded for results obtained through the College Level Examination Program (CLEP) and the New York State College Proficiency Exam Program (CPEP) provided that the courses are applicable to the degree program chosen and a satisfactory score has been achieved.

CLEP General Examinations – Students must attain at least a minimum score of 50 to receive credit from the general examination.

CLEP Subject Examinations – The standard score required for credit must be equivalent to a C grade (based on the most recent college board norming data). The number of credits awarded is based upon the recommendations of the College Level Examination Program.

American Council on Education (ACE) Credit

Transfer credit may be granted for credit earned or standardized exams taken that are approved by the American Council on Education. Evaluation and approval of credit is subject to review by Pace chairpersons or dean.
Tuition and Fees

Like all good investments, a Pace education returns value over time.

**Special Course Fees**

Undergraduate and Graduate Students

Special course fees are listed in the course schedule, with the specific course, if applicable.

<table>
<thead>
<tr>
<th>Fee Name</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Institution Fee (GIF)</td>
<td></td>
</tr>
</tbody>
</table>
Pace University assesses a General Institutional Fee (GIF) to cover the costs of libraries and fitness centers, which support student services not covered by tuition. Many institutions charge similar fees or they assess separate fees for the aforementioned services. Pace University has consolidated the cost of these services into one concise fee for the convenience of its student population.

Students who are enrolled in a combined degree program are treated as undergraduate students through the end of the semester (Fall, Spring, or Summer) in which they earn 128 credits toward their degree, and then are treated as graduate students beginning with the first semester after the semester in which they achieve 128 credits toward the degree. They are assessed the prevailing undergraduate or graduate tuition rate where appropriate.

Undergraduate students who are not enrolled in a combined degree program and who are advised to enroll in a graduate course (resulting in a 12-18 credit load) will be charged the prevailing undergraduate flat-rate tuition. For either of these tuition exceptions to occur, formal notification must be given to an OSA/Student Accounts manager by the academic adviser once the student is registered, so that the tuition can be manually adjusted as necessary prior to the beginning of the applicable semester. Please be reminded that non-combined-degree undergraduate students may only have a maximum of six (6) graduate credits applied to their undergraduate degree.

**Technology Fee**

Pace University assesses a Technology Fee to ensure students have access to the latest instructional technology resources available. All revenue generated from the technology fee goes directly towards funding instructional technology initiatives that are focused on enhancing the student learning experience. A committee comprised of students and faculty will vote to determine which discretionary initiatives receive funding each year, with annual reports to be provided to the Pace Community.

**Tuition Cancellation Policy**

**Undergraduate and Graduate**

Only tuition, student activity, and special course fees can be cancelled in the following situations: 1) when a student is separated from the University for disciplinary or academic reasons prior to the end of a semester; 2) officially withdraws from any course or courses, regardless of the method of instruction, by filing a written notice at the Office of Student Assistance; or 3) officially withdraws using the MyPace Portal at www.pace.edu/mypace. Any student who has a delinquent outstanding balance is not eligible to enroll at the University. The University will not provide copies of transcripts to or on behalf of any student with a delinquent outstanding balance. A delinquent outstanding balance will be reported to all national credit bureaus and may significantly and adversely affect the student’s credit history. The University may pursue legal action to recover the amount of the delinquent outstanding balance plus any late charges, interest, actual collection expenses, court costs, and attorneys’ fees.

**Important Notes**

- **Students in arrears to the University may not be permitted to register for either credit bearing or non-credit bearing continuing education courses until their prior balance is paid in full. Payments received for new enrollments will be applied to any outstanding balance due Pace University.**
- **IN ALL CASES STUDENTS MUST CONTACT THEIR CAMPUS OFFICE OF STUDENT ASSISTANCE VIA MAIL, TELEPHONE, OR IN PERSON TO COMMUNICATE THEIR INTENTION TO ATTEND WHETHER OR NOT A PAYMENT IS DUE OR A BILL HAS BEEN RECEIVED.**
- **PERSONAL CHECKS:** Personal checks are accepted in payment of tuition and fees. A charge of $20.00 is assessed for each check returned unpaid by the bank. The Office of Student Assistance reserves the right to exclude students from using personal checks, and may require a student to pay by certified check or money order if an account is more than 90 days in arrears.
- **CREDIT CARDS AND WEBCHECKS:** Credit cards (Visa, MasterCard, American Express, and Discover/Novus) are accepted for payment. Credit cards may be used to pay in full the semester charges, less validated Financial Aid. Payment may be made online or by using the reply copy of the semester invoice. If late fees apply, they will be charged. The OSA/Student Accounts Office reserves the right to exclude students from paying by credit card and may require a student to pay by certified check or money order. Students may also pay via WebCheck through their MyPace Portal. A personal checking or savings account from a U.S. financial institution is required. A student will need the account number and the routing number of the financial institution in order to process a WebCheck payment.
- **DELINQUENCY OF OUTSTANDING BALANCES:** Delinquent outstanding balances, including those from installment payment plans, are subject to collection by the University or, at the University’s option, its designated agent. Late charges and interest may be added to a delinquent outstanding balance. In addition, the actual collection expenses, including attorneys’ fees, if any, incurred by the University will be added to the delinquent outstanding balance. The amount of the actual collection expenses and fees may exceed 50 percent of the delinquent outstanding balance (including any late charges and interest).

Note: Application, technology, general institution, and university health care fees are not refundable. Tuition cancellation will be made according to the schedule associated with the term of enrollment. Please see the Tuition Cancellation Schedule (p. 58) for more information.

**Note:** It is the student’s responsibility to withdraw from courses he or she has registered for. Failure to officially withdraw will result in tuition liability. Students may withdraw online through the MyPace Portal or by filing with
the Office of Student Assistance. Non-attendance of classes, informing the instructor of withdrawal, or stopping payment on a check does not constitute official withdrawal and does not relieve the student of his or her financial obligation, or entitle the student to a refund. A student who registers for class and does not attend class remains fully responsible for all financial obligations. In addition, federal financial aid recipients who cease attending classes for a term, but do not officially withdraw, will be deemed to have unofficially withdrawn and will have a portion of their federal aid cancelled after the close of the term when their failure to complete their courses is recorded.

It is important to note that all charges and cancellations are based upon tuition commitments for the full semester. The effective date of withdrawal and cancellation, if any, will be the date when formal application is filed with the Office of Student Assistance (notification to the instructor is not sufficient) or withdrawal via the MyPace Portal at www.pace.edu/MyPace. In the case of withdrawal by mail, the official postmarked date of the correspondence will be the effective date of withdrawal.

Students using the Tuition Pay monthly payment plan are responsible for completing all payments if a balance exists after cancellation of tuition. Application, technology, general institution, university health care and non-course fees are not refundable.

Student Refunds

Students may be eligible to receive a refund when payments posted to their respective student account exceed the cost of tuition, fees, dorm, meal charges and any other allowable ancillary charges. Payments may include disbursed financial aid (including scholarships and loans), check payments, and other payments resulting in a credit balance. The refunding process starts approximately 10 business days after the opening date of the semester and refunds are generated once per week. Students may review the status of their accounts by viewing the Account Summary section of their portal accounts.

Student refunds will be generated:

• When a credit balance is created as a result of the posting of Title IV financial aid (including Federal Pell Grant, Federal SEOG, Federal loans), a refund will be sent to HigherOne for distribution to the student, in accordance with the student’s indicated preference. If the aid is disbursed before the semester starts, the credit will be sent to HigherOne approximately two weeks (14 days) after the opening of the semester. Thereafter, refunds are typically mailed within 10 days of disbursement, but assuredly within 14 days from the date the credit balance is created. Students should view the reverse side of the HigherOne Card, go to the indicated website, and choose their preferred method for receiving excess funds. Effective July 1, 2008, there are two methods for receiving refunds that are available through HigherOne: 1) One Account Deposit (Easy Refund) - This means that within minutes of your refund being released by the university you can have use of your money; or 2) ACH Transfer - Have your money directly deposited into any bank account you designate (Students are required to fill out a form). Students should visit their Web site at www.paceuone.com to set up their refund preferences.

• If an account is paid in part or in full, by a Parent PLUS loan, and a credit balance exists, a check will be drawn, payable to the borrower, to the extent of the existing credit balance, but not exceeding the amount of the PLUS loan. If the loan is disbursed before the semester starts, the check will be mailed approximately two weeks (14 days) after the opening of the semester. Thereafter, refunds are typically mailed within ten days of disbursement, but assuredly within 14 days from the date the credit balance is created. Parents may waive their right to receive the excess funds by requesting that any excess funds be refunded directly to the student when they complete the Request for Federal Direct Plus Loan application form and submit it to the Financial Aid Office. Requests made in this manner are effective for the loan processed under that application only. Parents may also waive their right to receive the excess funds by contacting the Office of Student Assistance and submitting a written request. The request must include the student’s name, Pace ID number, and the specific term (semester and year) of the loan. Requests will be valid for the specified academic year only. Such arrangements may be rescinded by a parent by submitting a follow-up letter requesting a change of preference. Letters should be mailed to the Office of Student Assistance at the student’s home campus.

• When a credit balance is created as a result of an overpayment or withdrawal and a check or cash payment only is used, a refund will be sent to HigherOne for distribution to the student, in accordance with the student’s indicated preference.

• Refunds for students who use credit cards to pay their bills are handled differently. The Office of Student Assistance refunds in kind, i.e., to the credit card used to pay for the semester’s charges. Refunds to the card used to pay the charges may be made for a period of up to 18 months after the charge, regardless of the current status of the credit card. If financial aid is disbursed after the application of the credit card payment, any resultant credit will be refunded to the credit card, up to the amount paid by credit card. The amount refunded to the credit card will never exceed the amount of the original credit card payment. Any excess credit above the original credit card payment will be refunded according to the guidelines stated earlier.

• If a student withdraws from a course or all courses, the level of aid eligibility may be recalculated based on the date of the withdrawal and the amount of tuition cancellation, if any. (The Tuition Cancellation Policy (p. 56) may be found in the Undergraduate Catalog, the Graduate Catalog and within the applicable semester Schedule Book) When a recipient of federal funds withdraws or stops attending classes during the first 60% of the semester (payment period), a recalculation in compliance with the federal Return to Title IV Funds policy will be done and any unearned aid will be returned appropriately to the source (e.g., U.S. Department of Education or federal loan lender). Return to Title IV calculations (R2T4) are
completed by the Financial Aid Office, in accordance with Federal regulations. After review, if a student is deemed ineligible for any or all financial aid, any balance due resulting from the Return to Title IV calculation becomes the responsibility of the student.

This policy is subject to change without prior notification. Please consult your campus Office of Student Assistance if additional assistance is necessary.

**Tuition Cancellation Schedule**

**Time of Withdrawal:**

*Note:* Weeks are counted as seven calendar days and count from the first day of the semester or term. The application, technology, and general institution fees are non-refundable.

Cancellation Because of Business Transfer

Students leaving the area during the first eight weeks of class because of a permanent business transfer may receive a prorated refund of all the semester’s tuition and special course fees, provided they submit a tuition appeal in accordance with policy. Written substantiation from the employer must accompany the request for a refund. A change of employer, work responsibility, hours, or required business travel does not qualify as a Business Transfer.

Note: Students who are Financial Aid recipients and receive a cancellation due to a business transfer are subject to Financial Aid Review and possible aid adjustment.

Cancellation Because of Military Service

Any student required to discontinue attending classes because of induction into or activation in the U.S. or a foreign military service may be eligible for a complete refund of all tuition and fees (except the application, technology, and general institution fee), if orders to report for active duty are received within the first two weeks of class. Thereafter students may choose either a prorated refund or an application of full credit of tuition and fees (excluding application, technology, and general institution fees) to future enrollment. Any application for refund must be substantiated by the official notice of induction or enlistment and submitted prior to induction. If it is for foreign military service activation, a notarized copy of the translation of the orders into the English language is required for consideration.

Note: Students who are financial aid recipients and receive a cancellation due to military service are subject to financial aid review and possible aid adjustment.

Cancellation Because of Serious Illness

If a student withdraws from all his or her classes during the first half of the semester due to serious illness, a prorated cancellation of tuition and special course fees may be permitted, if a tuition appeal is submitted in accordance with policy. The policy is applicable to the student’s personal illness only, and must be documented with an original copy of a physician’s diagnosis and recommendation and, if working, disability papers. Any resulting credit balance may be refunded to the student. If the withdrawal takes place during the first 20 percent of the semester, a 100 percent tuition cancellation will be allowed, provided the resulting credit remains on account, to be used within a one-year period. If withdrawal takes place after the midpoint of the semester, a prorated cancellation will be permitted but any resulting credit must be held on account to be used within a one-year period.

Note: Students who are financial aid recipients and receive a cancellation due to medical reasons are subject to financial aid review and possible aid adjustment.

Financial Aid Refund and Repayment Policy

When a student who is receiving financial aid withdraws from or drops classes for any reason, the resulting refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges must be credited first to the financial aid programs from which the student was receiving funds for that semester. The amount credited to each financial aid program is determined by the type of aid received, the number of credits the student had before and after the drop or withdrawal, the length of time the student was enrolled, and the amount of any adjustment to charges.

Please note that to officially withdraw from classes, a student must withdraw via the Web (www.pace.edu), or file for withdrawal with the Office of Student Assistance.

Federal Financial Aid Recipients Who Withdraw From All Classes:

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Perkins Loan, Federal Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation.

If the student has withdrawn within the first 60 percent of the semester, the student is considered to have “earned” the portion of dispersible Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the “earned” portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student’s account. Students may not apply for additional federal aid after withdrawing from all classes. If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan (for parents or graduate students)
5. Federal Pell Grant
6. FSEOG (Federal Supplemental Educational Opportunity Grant)

Note that in certain circumstances a student may be required to repay a portion of a refund back to the federal government.

Federal Financial Aid Recipients Who Withdraw Below Six Credits – The procedure varies by program:
Federal Work Study - A student working under the FWS program, who drops or withdraws below six credits, must stop working immediately because he/she no longer meets the federal guidelines for FWS.

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG) - If a student receives a refund, credit, or cancellation of any institutional charges and FSEOG has been disbursed to the student’s account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

Federal Perkins Loans, Direct Stafford Loans, and Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student’s account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

All Federal Aid - Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

Federal financial aid recipients who drop below the level of enrollment for which the aid was originally awarded, but who remain enrolled for at least six credits - the procedure varies by program:

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Perkins Loans, Direct Stafford Loans, and Direct Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges an adjustment to these programs may be required to eliminate an over award.

Recipients of Pace University Scholarships and Grants Who Withdraw From Any Classes

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges or meal plan charges, any university aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.

Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State regulations govern the reduction or cancellation of TAP in cases where students withdraw or drop classes. New York State TAP and most other state grant programs are applicable only to tuition. If a student withdraws and receives a refund, credit, or cancellation of tuition and/or fees, New York State awards must be reduced to ensure that the award amount does not exceed the remaining applicable charges. In addition, other adjustments may be necessary. The student should contact the University TAP coordinator regarding TAP and other New York State grant program refund requirements.

In all cases, students who are considering withdrawing from classes may call or visit the Financial Aid Office for further details or to discuss their particular situation.

Exit Counseling Guide for Federal Student Loan Borrowers

If you borrowed federal loans while attending Pace, Exit Counseling is required before you withdraw, graduate, or drop below part-time attendance. Exit counseling helps you understand your rights and responsibilities as a student loan borrower. Please view the Exit Counseling Guide for Federal Student Loan Borrowers for detailed information.

Federal Financial Aid Recipients Who Withdraw Below Six Credits

(Note: The procedure varies by program.)

Federal Work Study (FWS) – A student working under the FWS program who drops or withdraws below six credits must stop working immediately because he/she no longer meets the federal guidelines for FWS.

Pell Grant – A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (SEOG) – If a student receives a refund, credit, or cancellation of any institutional charges and SEOG has been disbursed to the student’s account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

Federal Perkins Loans, Direct Stafford Loans, and Plus Loans – If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student’s account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

All Federal Aid – Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Academic Competitiveness Grant (ACG), National SMART Grant (SMART), Federal Perkins Loan, Federal...
Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation. If the student has withdrawn within the first 60 percent of the semester, the student is considered to have “earned” the portion of disbursable Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the “earned” portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student’s account. Students may not apply for additional federal aid after withdrawing from all classes.

If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:
1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan (for parents or graduate students)
5. Federal Pell Grant
6. Academic Competitiveness Grant (ACG)
7. National SMART Grant (SMART)
8. SEOG (Federal Supplemental Educational Opportunity Grant)

Note: In certain circumstances a student may be required to repay a portion of a refund back to the federal government.

Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State Higher Education Services Corporation’s regulations govern the reduction or cancellation of TAP in cases where students withdraw or drop classes. New York State TAP, and most other state grant programs, are applicable only to tuition. If a student withdraws and receives cancellation of tuition and/or fees, New York State awards must be reduced to ensure that the award amount does not exceed the remaining tuition charges. The student should contact the TAP Certifying Officer regarding the refund procedures of TAP and other New York State grant programs for students deemed noneligible after certification. In addition, withdrawing from courses may impact the student’s eligibility for future awards.

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges, any University aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.
Athletics and Recreation

Pace University views athletics and recreation as an integral part of the educational experience. The athletics program is designed to bring students together through participation in a variety of varsity, intramural, and recreational sports while serving as a focal point for all students, faculty, staff, and alumni.

As with other nonacademic activities, athletic activities add another dimension to university life. Intercollegiate and intramural sports give the men and women of Pace University a chance to compete at many levels of ability and interest. There are 13 varsity teams and a wide variety of intramural sports.

The 75,000 square-foot, 17 million dollar Ann and Alfred Goldstein Health, Fitness and Recreation Center has been a recognizable landmark of the Pace community since its opening in 2002. The multipurpose, state-of-the-art facility, located on the Pleasantville campus, includes a 2,400 seat arena, an eight lane natatorium, a walking/jogging track, a weight room, an aerobics room, an athletic training facility, locker rooms, and an health care center.

Pace University maintains a successful intercollegiate program for students who qualify under the rules of the University, NCAA, Northeast-10 Conference, and ECAC. Men’s intercollegiate varsity sports include basketball, baseball, cross country, lacrosse, football, and swimming and diving. Women participate in basketball, cross country, soccer, softball, Spirit Squad, swimming and diving, and volleyball. Pace University competes at the NCAA’s Division II level, with membership in the Northeast-10 Conference.

Football kicks off the fall season with the Setters competing in the ten-team Northeast-10 Conference. The women’s volleyball team has won the Northeast-10 Conference Championship twice in the past ten years and has competed in the NCAA Division II Championship in five of the last nine seasons. In 2005, Pace University hosted the Northeast-10 Conference Volleyball Tournament. Both teams play their home games in Pleasantville. The women’s soccer team has shown improvement in every season since the inception of the team in 1997. The women’s soccer team plays all its home games on the Briarcliff campus of Pace University.

The men’s and women’s basketball teams play their home games at the new Goldstein Health, Fitness, and Recreation Center on the Pleasantville campus. The women’s team advanced to the NCAA Division II Elite Eight in 2001, and the men’s squad won the first NCAA tournament game in program history in 2002.

The baseball team has moved to the Division II ranks and will play in the Northeast-10 Conference which features teams from all across New York and New England. They play their home games on Finnerty Field on the Pleasantville campus. The men’s lacrosse team is perennially ranked among the top ten teams in the nation and also plays on the Pleasantville campus. Women’s softball which has a tradition of regional and conference prominence is played on the Briarcliff campus.

Among Pace’s remaining sports, men’s and women’s cross country compete against some the most talented Division I and II programs in the Northeast region at various meets in the fall.
Campus Services

Campus Dining Services

Chartwells Food Service is contracted by the University to provide food service to the Pace Community. They offer a variety of locations, programs, and services to make students’ dining experience exceptional. Whether on the New York City or the Westchester campus, students have the flexibility to choose where, when, and what they would like to purchase.

There are great locations on the New York City and Westchester campuses—each serving a different purpose. For those grabbing something to go on the New York City Campus there is a licensed Starbucks store serving baked goods, bottled beverages, and their famous coffee. All campuses offer full-service fare, students may try one of the cafés or eateries, which offer a large variety of salad bars; made-to-order Boar’s Head deli sandwiches; hot off the grill burgers, chicken breasts, veggie burgers and more, cook-to-order stations; pizza and pasta’s, made to order sushi, smoothie bars and traditional entrees.

All full time undergraduate students at the Westchester and New York City campuses are required to participate in a level of the University’s Mandatory Dining Plan. Please refer to the Housing Occupancy Agreement and Campus Dining brochure for resident and full-time Commuters or visit the Meal Plan Information page on www.dineoncampus.com for various buy-in levels and requirements.

All part-time students are invited to choose a dining plan of interest. Take a look at our Campus Dining website and choose the plan that best suits your needs. To sign up visit the meal plan office on either the Pleasantville or NYC campus or go to the Pace Portal click on the Student tab and look for MY HOUSING & DINING and choose your meal plan. For more information call:

- Pleasantville, Kessel Campus Center, (914) 773-3763
- New York City, One Pace Plaza, 1st floor, (212) 346-1283
- Briarcliff, Dow Hall, (914) 923-2612

University Health Care

University Health Care (UHC) was the first nurse-managed primary care center in an academic institution implemented through a school of nursing. Others have used it as a model, nationally and internationally.

A full range of primary health care services are offered to Pace University students, faculty, staff, alumni, and their families. UHC is staffed by advanced practice nurses with physician consultants. UHC provides a needed service to the Pace community while also providing nursing students excellent clinical experiences.

The University Health Care Fee covers UHC office visit co-pays for sickness and accident visits. Wellness visits, preventive services, diagnostic tests and procedures may incur additional charges. UHC is able to bill your insurance directly.

Services available for students, faculty, staff, alumni, and their families include:

- health education
- health assessment with complete physical examinations
- women’s health care
- diagnosis and treatment of illnesses such as sore throat, cough or other infections
- first aid for minor injuries
- management of chronic health problems such as high blood pressure.

Locations:

Pleasantville Campus:
Goldstein Fitness Center, Room 125
861 Bedford Road - Pleasantville,
New York 10570
Telephone: (914)773-3760

New York Campus:
41 Park Row, Suite 313
New York, 10038
Telephone: (212)346-1600

Identification Cards (Higher One)

University policy requires that a valid Pace University identification card be worn on the outermost garments on all campuses. (Visitors will be issued temporary passes.) A special resident ID is required for admission to the residence halls. At the New York campus and Lubin Graduate Center, ID cards must be displayed to enter campus. ID cards must be presented for access to the Pleasantville and Briarcliff campuses between 11:00 p.m. and 7:00 a.m., Monday through Friday, and throughout the weekend. This card is also required for admission to the Academic Computing labs, Library Services, and on-campus events. Administrative ID Offices are located at:

New York City
One Pace Plaza, Solutions Center 1st floor next to OSA, (212) 346-1812

And on the B-level in the Auxiliary Services Office
Monday-Thursday, 10:00 a.m.-6:00 p.m.

White Plains
Alosia Hall, (914) 422-4138
Monday-Friday, 9:00 a.m.-5:00 p.m.
Friday, 9:00 a.m.-5:00 p.m.

Pleasantville
Kessel Student Center, (914) 773-3830
Monday–Friday, 9:00 a.m.–5:00 p.m.
Operation hours at the above locations will be expanded at the beginning of each academic year. Arrangements will be made for the issuance of ID cards at the Lubin Graduate Center and the Midtown Center. Notices regarding times and dates will be posted.

A student will keep the same ID card for his or her entire Pace career. The Office of Student Accounts and Registrar Services will issue a new validation sticker each semester upon receipt of payment for tuition. A $20.00 fee is charged for replacement cards. The Office of Student Assistance will accept payment for this fee by Cash, check or money order, payable to Pace University.

The Office of Student Assistance will accept payment for this fee by Cash, check or money order, payable to Pace University.

**Environmental Center**

**ENVIRONMENTAL DIVISION**

The Environmental Center is an academic component of the Department of Biological Sciences of Dyson College of Arts and Sciences and serves as an educational resource to the Pace community and to the regional area. The primary objective of the Center is to promote environmental education. In addition the Center serves as a meeting place for the environmental club, (N.A.T.U.R.E.), sponsors Earth Month, and supports efforts to "green" the campus. Students from the University and local high schools also work closely with faculty at the Center, designing and pursuing individualized internships.

The Center is situated around a number of historic farm buildings from the Choate estate, combined with livestock pens, bird of prey enclosures and a live animal exhibit room. The Cottage classroom building, where several Environmental Studies courses are taught, utilizes solar panels to provide some of the electricity. The grounds are enhanced by eclectic gardens throughout and the east end features a small diverse nature trail.

**Security**

**PACE SAFETY AND SECURITY**

The primary responsibility of the Safety and Security Department is to ensure the safety and security of the students, faculty, staff and visitors of the University.

Pace University provides a 24 hours a day, 365 day per year security presence on each campus. There is a supervisor on duty at all times in addition to fixed and patrol assignments. All uniformed security personnel receive mandatory pre-employment training in accordance with state laws. They also receive additional in-service training as needed. Security officers respond to an array of situations during their tour of duty. These may include, but are not limited to, medical emergencies, fire or intrusion alarms and service calls. Security officers also prepare incident reports and refer matters to other Pace departments or outside agencies, as necessary.

**YOUR RESPONSIBILITY**

While Pace University safety and security personnel strive to create and maintain a safe campus environment, we need your help. All students, faculty, staff and visitors must assume primary responsibility for their personal safety and the security of their personal belongings. Precautionary measures are the key. Students walking at night are encouraged to travel in groups and on lighted walkways. If this is not possible, security will provide an escort upon request between any two points on campus. Residence hall room doors should be locked at all times when the room is unoccupied. All access doors to the residence halls should not be propped open, and unknown persons should never be allowed into the residence halls unannounced. Any individuals who do not appear to belong in the residence hall, parking lots or any campus location should be reported to campus security immediately.

**ID CARDS**

In order to better protect the University community, upon entering the building on the New York campus and White Plains Graduate Center, the Pace University ID card must be displayed to the security officer. Temporary ID’s will be issued to those individuals who do not have their ID cards or persons exhibiting a valid reason to enter the building.

**UNIVERSITY PARKING**

All students who register will receive a parking and traffic guide. This guide will inform you of all the parking regulations which you must follow while your vehicle is on campus.

**Traffic/Photo ID Offices**

Pleasantville – Kessel Campus Center (914) 773-3830
Monday – Friday 9:00 a.m. – 5:00 p.m.

White Plains – Aloysia (914) 422-4138
Monday – Friday 9:00 a.m. – 5:00 p.m.

New York – B Level Security (212) 346-1812
Monday – Friday 9:00 a.m. – 5:00 p.m.

**Campus Security Offices (Use lobby phone to call for security if office is closed)**

Pleasantville – Goldstein Center (914) 773-3400
Open 24 hours a day

White Plains – Preston Hall (914) 422-4300
Open 24 hours a day

Briarcliff – Dow Hall (914) 923-2700
Open 24 hours a day

New York – B Level Security (212) 346-1800
Open 24 hours a day
Lost and Found
Pace assumes no responsibility for personal property missing or lost from University premises. Students should exercise care for all personal property including apparel, purses, wallets, briefcases, office articles, books, pictures, and equipment. Missing property should be reported to the Security Office, which makes every reasonable effort to recover it. Anyone finding unidentified property should bring it to the Security Office immediately.

Parking
Pleasantville, Briarcliffs and White Plains Campuses
All vehicles brought on campus must be registered with the Safety and Security Department. Students must register their vehicles at the beginning of each academic year and will be issued a Parking and Traffic Guide at the time of registration. The Safety and Security Department will also issue temporary parking permits. Special permits are available for students with unique needs or disabilities.

Parking is permitted in designated areas only and prohibited in crosswalks, fire lanes, bus stops, unpaved areas, spaces reserved for the disabled, and any other areas designated as “restricted parking.” Vehicles parked in violation will be given a ticket and in some cases towed at the owner’s expense. Chronic violators will be referred to the Dean for Students or to the department head for appropriate disciplinary action.

With the exception of some designated parking spaces, all parking is on a first-come, first-served basis. Possession of a parking permit or pass authorizes parking but does not guarantee a parking space.

Pace University assumes no responsibility for the theft or damage to any vehicle. Complete parking and traffic regulations are available in campus security offices.

Parking is not available on the New York City campus. Limited meter parking and private parking lots are located nearby for a fee.

Library
The Pace Library serves as both depository and gateway to global print and electronic resources in support of the University’s broad and diversified curriculum, scholarly research, and independent study, and provides ubiquitous and seamless connectivity to digitized networks and information through a user cordial interface. The aggregate holdings of the Pace Library are supplemented by reciprocal borrowing and access accords, traditional interlibrary loan services, and commercial document suppliers, with expanded options for user-initiated and controlled services.

With comprehensive service operations in lower Manhattan and Westchester, the Pace Library promotes coordinated collection development and resource sharing and facilitates access to electronic information in a distributed networking environment. The Pace Library encompasses an estimated 800,000 circulating volumes, videos, and a broad assortment of specialized reference works, and maintains print and electronic subscriptions to thousands of serial publications with microfilm back files to meet the programmatic and accreditation requirements of Dyson College of Arts and Sciences, Lubin School of Business, Seidenberg School of Computer Science and Information Systems, School of Education, and Lienhard School of Nursing. Most of the Pace Library’s electronic resources, including the online union catalog, full text databases, electronic reserves, interlibrary loan request forms, Internet resources, an online tutorial (Apollo), and, reference guides are accessible remotely from home or office.

As an OCLC Interlibrary Loan System user, the Pace Library connects to Worldcat, a global online database consisting of 57,000,000 machine-readable bibliographic records with numerous holdings locations. The Pace Library belongs to METRO, a regional reference and resources system for New York City’s five boroughs and Westchester County. METRO provides regularly scheduled pick-up and delivery of library materials, free interchange of photocopies, direct access interlibrary loans and the METRO referral card which enables researchers to directly access collections normally closed to the public. In addition, the Pace Library is affiliated with WALDO, a Westchester-based consortium of academic and other libraries, which promotes resource-sharing, a variety of database services, and off-site storage options.

The Pace Library provides a knowledgeable, skilled and diverse staff whose members are client-focused, team-oriented and committed to excellence and their own professional growth and development. The Pace Library offers a comprehensive and flexible range of reference services to meet the multifaceted needs of a culturally diverse and geographically dispersed user community, including in-person assistance, telephone consultation, e-mail, Blackboard Library Research Forums, and online interactive chat sessions. Functioning as research consultants and navigation experts, With a highly trained cohort of instructional services librarians, the provision of sophisticated computing resources and digitally enhanced classroom facilities, and the intensive involvement of librarians in information literacy instruction, Web content creation, and distance learning programs, the Pace Library has become the focal point of technology-based learning within the University. The emerging Information Commons, which combines flexible instructional settings and collaborative learning spaces with integrated library, technical, multimedia production, and learner support services, promotes a student-centered learning environment that is closely aligned with the University’s new core curriculum and Strategic Agenda. Students may conduct research, obtain a wide range of academic support services, write papers, tabulate and interpret data, design Web pages, develop e-portfolios, and collaborate in small groups on multimedia projects in a one-stop shopping approach.

The Pace Library Home Page (http://library.pace.edu) provides more complete descriptions of library resources and services plus general information on library policies and procedures.
**Hours**

**Birnbaum Library - NYC**
- Monday - Thursday: 8:00 am - 11:00 pm
- Friday: 8:00 am - 10:00 pm
- Saturday: 10:00 am - 8:00 pm
- Sunday: 12:00 pm - 8:00 pm

**Mortola Library - Pleasantville**
- Monday - Thursday: 8:30 am - 2:00 am
- Friday: 8:30 am - 11:00 pm
- Saturday 9:00 am - 6:00 pm

- Saturday: 10:00 am - 5:00 pm
- Sunday: Closed
Student Affairs

Dean for Students Office

The Dean for Students has a key role in developing the personality and environment of the University by engaging the full academic community whenever possible in collaborative activities. In addition, the office plays an important role in communicating the interests and concerns of the students to the academic and administrative leadership. The Office of the Dean for Students is responsible for many areas of student life including residential life, multicultural affairs, student development, campus activities, wellness programs, and counseling services (including services for students with disabilities). The Office also oversees implementation of University rules and regulations that have been established for the well-being of all. Students may arrange to meet with the Dean when they wish to discuss personal, emotional, or academic issues.

Marijo Russell-O’Grady
Dean for Students, New York City
(212) 346-1306
mrussell@pace.edu

Lisa Bardill Moscaritolo
Dean for Students, Westchester
(914) 773-3351
lbardillmoscaritolo@pace.edu

Angela D’Agostino
Dean for Students, School of Law
(914) 422-4146
adagostino@law.pace.edu

Counseling Services

The mission of Counseling Services complements the University’s mission. Counseling aims to help students cope more effectively with developmental, vocational, familial, emotional, and relational aspects of their lives. The intention is to support students in directing energies toward fulfillment of their academic, professional, and personal goals. In order to achieve these goals, the Counseling Center provides the following services:

- Individual and group counseling
- Community wellness consultation and outreach
- Prevention programming
- Crisis intervention
- Services for students with disabilities
- Educational programming
- Workshops and outreach programming
- Diversity consultation and outreach
- Organizational consultation to student organizations
- Consultation and referral services

All Counseling Center services are confidential and free of charge for Pace University students.

Residential Life

The Offices of Housing and Residential Life are committed to providing facilities, programs, and services that complement your academic development and promote your personal and social development. Each member of the Housing and Residential Life staff is trained in areas of student development and crisis management, as well as the daily management of their facility. As adults, students are expected to accept the responsibilities of community membership while enjoying its privileges.

Living on campus, whether in New York City or suburban Westchester county, can be the most exciting experience of a young person’s life—and having a place to call "home" adds a sense of safety and belonging. Our residence facilities give Pace students that satisfaction. All rooms are furnished with a standard twin bed, desk, chair, dresser, wardrobe or closet, and window blinds. Suites and apartments have living room and dining room furniture as well as a variety of appliances. Residence halls are equipped with cable TV, and high-speed wired and wireless Internet access, at no additional cost.

General Facts: At Pace University, approximately 2,000 students live on campus in New York City, with another 1,200 residing on campus in Pleasantville and Briarcliff. Most first-year students will be placed in 55 John Street or Maria’s Tower on the city campus, although some first year students may reside in other halls; and in Westchester, first-year students may be placed in Martin and North Halls in Pleasantville, and Dow Hall, Valley and Hillside Houses, and Howard Johnson Hall in Briarcliff. Residents can apply for select living learning communities offered in certain Residence Halls on both campuses. Students who apply for the fall semester by the priority deadline (May 1st), can request each other as roommates (requests are not guaranteed) along with a campus preference. After the first year, students select their room through a room selection process which begins in March and concludes in April.

To apply for housing, student need to complete and submit a Housing Application along with a $400 housing deposit and a $100 security deposit to the Office of Student Assistance.

There is a graduate housing option for each campus. More information about graduate housing can be found on the Residence Life website for each campus.

The Office of Housing and Residential Life Staff

Community living is a valuable experience that provides opportunities and rewards that will last a lifetime. Exposure to new people, ideas, cultures and ways of thinking create an environment ripe for growth and learning. At Pace, our residential life program is centered in the belief that community living is an integral part of the total educational experience. The staff is committed to providing facilities, programs, and services that complement your academic
development and promote your personal and social development.

Students are viewed as whole individuals working toward integration with others and enjoying the privileges of community membership, while accepting its inherent responsibilities. Our program, policies, expectations, and guidelines are designed with your safety and welfare in mind. Your involvement in the community as self-regulating adults is the key to making the residence halls places where you:

- Meet other students and establish relationships that will enhance your Pace experience
- Successfully live together through peer interaction and learning, complementing your academic program
- Assume responsibility and accountability for your own lives and living environments
- Develop friendships and relationships that are respectful, civil and mutually satisfying
- Participate in educational, social, and cultural programs
- Develop skills through participation that will enhance your Pace experience and prepare you to contribute as members of outside communities

The Office of Housing & Residential Life is led by a team of dedicated individuals whose commitment is to support the academic endeavors of each of our residents while offering meaningful challenges that encourage their personal growth. Each Residence Hall staff member is trained in areas of student development and crisis management as well as the daily management of their facility. Please visit your RA or your Residential Area Director should you need any assistance during your stay in Housing.

Centers For Student Development And Campus Activities

While much of the college experience takes place inside the classroom, the Centers for Student Development and Campus Activities promote the integral part that occurs outside the classroom through co-curricular activities. Students are encouraged to define their campus experience by creating new organizations, participating in programs, creating new events, and reflecting on their experience. The SDCA staff strives to support students by providing opportunities for the enhancement of academic, cultural, social, and recreational aspects of student life. Every student has the opportunity to become involved on campus. From student organizations to events, social justice programs to spirituality, commuter students to the family association, we are always searching for new ways to support our students as they define their campus and community.

As advocates of student empowerment, SDCA provides resources, guidance, and support to enhance student achievement and personal development. Opportunities to participate in student governance, leadership training, cultural events, and a wide array of diverse student organizations abound for all interested Pace University students. SDCA also collaborates with other offices and departments in hosting many University traditions and events including Student Orientation, Convocation, Homecoming and Family Weekend, Pace Males a Difference Day, Sophomore Appreciation days, Senior Celebrations and much more.

Activities

All clubs and organizations, including Greek Life, funnel through the Centers. Home to more than 100 student organizations, the Centers assist student leaders with club advisement, new club development and resource assistance and serve as a conduit for all the clubs’ programming needs. Through the Centers for Student Development and Campus Activities, students can find student government representatives, the student newspaper offices, yearbook offices, and other club offices. Students may turn to the Centers for campus posting services, student event promotions, class list-serves, and college ring orders.

Leadership Training

One of the central and traditional purposes of higher education is to prepare students for positions of leadership both inside and outside the University community. Conferences, workshops, and seminars are scheduled each year for students to examine and develop their leadership potential. In addition to these opportunities, the Centers have established the Student Development Transcript that documents a student’s out-of-classroom experiences. Offerings include the Leadership Retreats, the Setter Series, Emerging Leaders, and Student of the Month/Year recognition.

Orientation

Each year, the Centers for Student Development and Campus Activities direct the organization and implementation of varied orientation programs for entering students. Included in these offerings are required summer overnight programs for new students and, in conjunction with Welcome Week activities, sessions specifically geared to commuter, transfer, international, adult, and resident students.

Special Programs

The Centers collaborate with other offices and departments in hosting the many University traditions and events including the Convocation, Homecoming/Family/Alumni Weekend, Spirit Night, as well as annual theme celebrations including Latino Heritage Month, Black History Month, Women’s History Month, LGBT Pride Month, and Asian Heritage Month. The Centers for Student Development and Campus Activities can be found in Pleasantville on the upper level of the Kessel Student Center, and in New York City on the 8th floor of the 41 Park Row Building.
Cultural Programming

On the New York City campus, the 743-seat Michael Schimmel Center for the Arts has presented a wide range of cultural programs and public events for the campus and surrounding community for more than 25 years. In addition to student productions and special events, the Michael Schimmel Center hosts professional theatre, music, and dance, as well as international companies such as the Beijing People’s Art Theatre, with support from the Patricia O. Ewers Center for the Arts and Multicultural Studies.

When not in use for performances, the theatre is home to the award-winning television program Inside the Actors Studio. Recent guests have included Al Pacino, Bradley Cooper, Casts of Mad Men and Glee, Queen Latifah, Dave Chappelle, and George Clooney. Pace students are offered free admission to these tapings and Pace theatre and film studies students are often featured on the broadcasts during the question sessions.

The theatre is also a vital venue for Robert De Niro’s annual Tribeca Film Festival each spring. A gallery in the theatre lobby features exhibitions by a wide range of professional artists.

A resident professional theatre, the Hudson Stage Company, performs in the Woodward Hall theatre on the Briarcliff campus.

On the Pleasantville campus, performances are held in the Kessel Campus Center and Wilcox Hall, as well as in the 2,400-seat Goldstein Health, Fitness, and Recreation Center. The Choate Gallery features art exhibitions by students and professional artists, as well as readings and other cultural events.

Special events also take place at the Law School in White Plains.

Office of Multicultural Affairs (OMA)

The Office of Multicultural Affairs (OMA) views multiculturalism in the broadest sense. Our lens goes beyond race/ethnicity/nationality, to include the cultures of gender, gender identity, poverty, violence, differing abilities and aging.

At the core of the Office of Multicultural Affairs (OMA) mission is the commitment to provide opportunities and venues for Pace University and external communities to examine, discuss, debate, collaborate and develop partnerships around themes that perpetuate (un)checked power, privilege, marginalization and social injustices.

To that end, OMA sponsors programs and initiatives that include, but are not limited to:
- Inclusion
- Social Justice
- Community Building and Empowerment
- Mentoring
- Scholarly Endeavors

OMA is additionally committed towards cultivating artistic expressions and creative interactions by sponsoring workshops and programs in the arts.

Office of Multicultural Affairs and Diversity Programs (MADP)

Westchester in Pleasantville Campus

The Pace University-Westchester Office of Multicultural Affairs & Diversity Programs (MADP) aims to promote a productive educational and work environment that fosters and values equality, respect, fairness, and diversity. To this end, the MADP seeks to provide services and programs that will instill university-wide appreciation for diverse perspectives and backgrounds regardless of race, gender, class, sexual orientation, religion, age, or ability.

Pace University’s Westchester Diversity Team serves as both a working and advisory group to the Office of Multicultural Affairs & Diversity Programs. Comprised of students, faculty, staff and administrators, the Westchester Diversity Team supports the social justice efforts of the Office of Diversity Programs and the Pace University community by hosting monthly advisory meetings, organizing multicultural events, and serving as a resource for underrepresented populations at Pace.

Office of Diversity Programs (ODP)

Westchester in Pleasantville Campus

The Pace University-Westchester Office of Multicultural Affairs & Diversity Programs aims to promote a productive educational and work environment that fosters and values equality, respect, human understanding, fairness, and diversity. To this end, the MADP seeks to provide services and programs that will instill university-wide appreciation for diverse perspectives and backgrounds regardless of race, gender, class, sexual orientation, religion, age, or ability.

The Office of Multicultural Affairs & Diversity Programs supports various university diversity initiatives on diversity and provides training and educational opportunities for students, faculty, and staff.

AALANA Mentorship Program

The mission of the AALANA Program is to assist first-year students in getting acclimated to a new environment while providing leadership, guidance, and support that present opportunities for our students social and academic development. AALANA is an acronym which stands for African American, Latino, Asian, and Native American. At Pace University, we understand that there are students of color who do not fit exactly into those rigid categories. With that said, when we say “AALANA,” we’ve come to also include students of West Indian/Caribbean descent, naturalized African descent, as well as students from multi-racial and multi-ethnic backgrounds.
The program was created in the spirit of building community among African American, Latino, Asian, Native American students and friends in order to secure academic and social success. Negotiating the differences between high school and college is often a challenge for first-year students, especially first generation college goers. Peer mentors are chosen and trained to assist their first-year peers in transitioning to campus life. Mentors meet with their mentees to offer strategies for academic and social success through discussions, both weekly and monthly individual and group sessions. Because of the close bond and relationship, first-year students are able to learn from the academic and social experiences of successful AALANA students and mentors. This program also provides first-year students the opportunity to connect with professional staff and faculty members.

AALANA first-year students benefit from programming designed to facilitate managing any challenges that they may encounter such as: roommate issues, managing academic and personal pressures, meeting people on campus, balancing finances, navigating through the array of opportunities that Pace provides.

Program Requirements
Participation in the program is optional. Students who wish to participate in the AALANA Mentorship Program are required to attend meetings as well as all AALANA Mentorship Programming.

Martin Luther King Commemoration
The MADP also hosts an annual Martin Luther King Commemoration program on the Pleasantville campus. The highlight of the commemoration is a well known keynote speaker who has ties to the community along with a being a leader in his area of expertise. Everyone is invited to attend.

The Jeanette and Morris Kessel Student Center
The Jeanette and Morris Kessel Student Center in Pleasantville is the living room of the campus. We provide an environment for relaxation and social interaction, opportunities for education and exchange of thought, and services for Pace University students, staff, faculty and our community.

The Kessel Student Center creates an environment that fosters and expands the feeling of community on the Pace University Pleasantville campus.

Kessel Student Center provides a state of the art facility for the use of the campus; provides services that meet the daily needs of our constituents; and continues to provide educational and entertainment activities to the campus community.

The Kessel Student Center values students who are the life source of the Student Center; collaboration, teamwork and information-sharing within our community which are vital; to our success as an organization; diversity because there is knowledge to be gained from the backgrounds, lifestyles; differences and cultural heritages represented in our community; a safe environment where all people are valued, respected and treated with dignity; trust, respect, honesty, and integrity serve as the foundation for our interactions; active listening, honest and open exchange of ideas in an environment of positive; encouragement serve as the basic of our communication; the responsible use of resources.

What’s in The Kessel Student Center?
- Dean for Students
- Chartwells Food Services
- Dining Room A – main dining area
- Auxiliary Services
  - HigherOne & ID Card Office - /about-us/administration/fp/tww/auxiliary-services-1/one-card/
  - Campus Bookstore - /about-us/administration/fp/tww/auxiliary-services-1/bookstores/
  - ATM – located in “The Well”
- Student Mailboxes for PLV campus
- Student Development & Campus Activities (SDCA) – http://www.pace.edu/student-development-plv/contact-us-0
  - Campus Chaplin
  - Student Association (SA) – Pace Pleasantville’s Student Government
- English Language Institute (ELI)
- Commuter Lounge
- Career Services – satellite office
- “The Well” Common Area
- Meeting Rooms
- Conference Room A & B
- Conference Room C&D (Video Conference Capable)
- Butcher Suite
- Gottesman Room (Video Conference Capable)

Building Hours of Operation
Monday-Thursday 8:00 AM- 11:00 PM
Saturday-Sunday 11:00 AM- 11:00 PM
Pleasantville

More than any other building on the Pleasantville campus, the Kessel Student Center is the core of student life and, as we like to see it, the hearthstone of the campus. The multi-level structure, supervised and managed in the area of policy and operations by Student Development and Campus Activities, offers dining halls, lounges, computer lab, and the student association. Here, also, are the bookstore, ATM machine, student mailboxes, and administrative offices for Student Auxiliary Services, the Dean for Students, Campus Diversity Programs, the Judicial and Compliance Office, International Programs and Services, Adult and Continuing Education, Associate Provosts, and the Vice President for Student Affairs.

The Setters’ Overlook Cafe is a popular spot for a variety of entertainment, dining, and student conference rooms. The Gottesman Room on the ground floor level and the Butcher Suite on the upper level are multipurpose rooms for dining, lectures, and special events. A wide terrace with a lawn sloping to the Choate Pond is the setting for barbecues, rallies, receptions, and other special events.

Veterans Information

At the Office of Student Assistance, the Veteran Affairs Team is committed to providing Veterans, armed force members, and their eligible dependents a seamless academic transition in all facets of their assimilation to Pace, specifically in ensuring that their well-deserved GI Bill educational benefits are properly utilized, through the U.S. Department of Veteran Affairs, in a prompt and proper manner. Pace University has been proudly recognized by G.I. Jobs magazine as a Military Friendly School for 2013; this is a distinction that ranks Pace in the top 15% of all colleges, universities, and trade schools nationwide (G.I. Jobs, 2013).

The Pace OSA VA Team processes a wide array of GI Bill benefits including but not limited to CH 33 Post 9/11, CH 31 Vocational Rehabilitation, CH 35 Dependents, and CH 30 Montgomery. In addition Pace accepts and processes Tuition Assistance Vouchers for Active Duty Servicemembers. For those individuals who have CH 33 benefits at their disposal it is strongly advised that one should apply in advance by visiting www.gibill.va.gov and accessing the VONAPP system. Please record the confirmation # that will be issued at the conclusion of the application for future reference.

Veterans interested in applying to Pace University, who would like to know how their specific benefit will be utilized, are encouraged to email veteranaffairs@pace.edu. Pace is also a proud participating member of the Yellow Ribbon Program. Under this program CH 33 beneficiaries who meet the 100% level of coverage automatically qualify to take advantage of funds from Pace and the VA once the annual cap under CH 33 has been fully exhausted for any given academic year. For those students who are not 100% covered Pace offers a Veterans 50% Tuition Scholarship. For more information on the scholarship and the Yellow Ribbon Program please visit: http://www.pace.edu/veterans. Upon admission to Pace, students are required to provide a copy of the first page of their Certificate of Eligibility (CH 33) and member-4 DD-214 either via email (veteranaffairs@pace.edu) or LAN Fax (914-989-8789).

It is the sole responsibility of the veteran beneficiary to notify the OSA VA Team EACH semester that they would like to utilize their VA educational benefits. As soon as a veteran beneficiary has finalized their upcoming course schedule and is officially registered for the semester, they must submit their request to use their benefits in writing by emailing veteranaffairs@pace.edu for each semester. In the email students are expected to state their University Identification number, the number of credits they have registered for, their chapter of benefits and percentage of coverage if and when applicable, and an authorization sentence requesting to have their benefits utilized. If the chapter of benefit requires additional paperwork such as CH 31 Vocational Rehabilitation (VA FORM 28-1905) beneficiaries or active duty personnel utilizing Tuition Assistance (Vouchers) they are required to provide the OSA VA Team via email or fax the aforementioned documents in addition to their email.

Pace accepts military SMART and AARTS transcripts. Students are encouraged to have official copies of their transcripts directly sent by their prior institutions either in print via U.S. mail or electronically via email.

Students who have accepted student loans or have received federal grants in addition to their VA educational benefits are required to email veteranaffairs@pace.edu to request disbursement of such aid.
Information Technology Services (ITS)

Information Technology Services (ITS) department provides students, faculty, and staff with resources and access to University-wide computing, mobility, data, video, and voice network services; wired and wireless access (residence halls, classrooms and common spaces); as well as access to online systems. ITS is led by Thomas A. Hull, the University’s Chief Information Officer (cio@pace.edu).

Systems such as MyPace Portal (the self-service portal for students), Blackboard Online Learning Management System, the Pace University Mobile App, and email are available online. Each residence hall room is equipped with wired and wireless connections to allow students high-speed access to the data network, cable television, and voice services.

Although Pace University does not require its students to own a personal computer or laptop to facilitate studies, all students are strongly encouraged to do so. ITS supports repairs of student-owned computers for supported hardware and software on both the Westchester and New York City campuses. Computer Resource Centers (CRCs) located on the New York City (PNY), Pleasantville (PLV), and White Plains (WP) campuses, are general-use facilities equipped with state-of-the-art PCs, Macs and peripherals such as laser printers, copiers, and scanners. The CRCs support all common use applications that students need to succeed at Pace.

Students should visit http://www.pace.edu/its to obtain current information about technology services. ITS Help Desk details and hours of operation can be found at http://www.pace.edu/information-technology-services/services/its-help-desk. For questions or issues, please contact the ITS Help Desk at 914-773-3333 (pacehelpdesk@pace.edu) or online at http://help.pace.edu.
Office of Development and Alumni Relations

The Office of Development and Alumni Relations provides information, programs, and support for more than 135,000 alumni worldwide, and is the University’s fundraising arm. We plan events such as Homecoming, an annual Holiday Celebration, and Reunion, and works closely with each school on their key events such as the Spirit of Pace Awards (formerly Leaders in Management), the Leadership and Service in Technology Award Reception, and the Lubin Lunch. The office also supports alumni who would like to reconnect with their fellow graduates based on geographic location and/or affinity groups via the Pace Alumni Network (PANet). In addition, our recent graduates from the past 10 years are invited to events and activities that address their special needs and interests.

The Alumni Online Community (OLC), a free, secure alumni service available via the alumni home page (www.pace.edu/alumni), helps Pace keep these connections strong and enables alumni to share information with each other. It offers a searchable online alumni directory, e-mail forwarding, an Alumni Marketplace, online Class Notes, and more. The Alumni eConnect, our monthly online newsletter, highlights University news and alumni benefits, alumni profiles, events, and opportunities. Alumni can also stay connected by joining our Facebook page, www.facebook.com/PaceAlumni, following @PaceUAlumni on Twitter, visiting our Photostream on Flickr, or following our board on Pinterest.

We encourage our alumni to remain engaged with their alma mater. Many of our alumni participate in student programs as guest speakers, and are actively involved in career networking and mentoring activities. Our graduates often assist Pace students in obtaining internships at their companies through Career Services, which provides job contacts and advice to both students and to alumni.

Pace’s Annual Fund helps provide resources for financial aid, scholarships, enhanced technology, and facility upgrades. The University depends on alumni financial and volunteer support to help meet the University’s critical needs and to shape its future. Our office begins this engagement by encouraging current students to make their Class Gift in order to leave their class legacy upon graduation. Current students who are interested in assisting with the Class Gift campaign should contact our office at (212) 346-1232. Anyone can make a gift to Pace by visiting www.pace.edu/givetopace.

For more information about our programs and services, please email pacealum@pace.edu or call 1-877-825-8664.
Academic and Co-Curricular Services

Division for Student Success

The Division for Student Success (DSS) supports the academic mission of Pace University by offering its students academic enrichment programs and advising services that support them as they make progress from admission to graduation. Its programs and services aid students in making a successful transition to the University and connects them to the larger University community in order to foster a transformative student experience that leads to graduation and success as well prepared young professionals. The departments within the division—the Centers for Academic Excellence, Office of Student Success, International Students and Scholars, and Study Abroad—develop and promote enrichment programs that enhance student learning and development, support Pace’s academic mission, and encourage individual student success.

The Center for Academic Excellence (CAE)

The Center for Academic Excellence (CAE) provides student-centered programs that encourage and enable new and continuing Pace students to become active members of the university community and realize their full academic potential. Through orientation, advisement, academic support, tutoring, and college transition programs, such as CAP and the First Year experience, the CAE helps all students to prepare for their continuous academic success at Pace. The Center also fosters overall student development by offering opportunities for leadership development that encourage Pace students to become leaders in campus organizations and activities. In addition, the CAE coordinates placement testing and pre-registration for all incoming students and sponsors several national honor societies: Alpha Lambda Delta (ALD) for first year students, Lambda Sigma for sophomores and Alpha Chi, for juniors and seniors.

For additional information contact the Center for Academic Excellence (specific programs and services included within the Center are described below):

- New York City, 41 Park Row, 2nd floor, (212) 346-1386
- Pleasantville, Mortola Library, Mezzanine Level, (914) 773-3434

Specific programs and services included within the Center are described below.

First-Year Experience

The Office of First Year Programs assists all newly enrolled first-year students to make a successful transition to university life and coordinates advisement for all students in their first year of college. The Office of First Year Programs also:

- Coordinates UNV 101, the required first semester seminar for all first-year students
- Oversees the Comprehensive Freshman Advising Program (CFAP) to provide all incoming freshmen with first year academic advising
- Working in collaboration with student Development and Campus Activities, helps students make a successful social transition to college
- Provides leadership and development opportunities for students to excel as peer leaders in UNV 101 classes
- Sponsors Alpha Lambda Delta, the national honor society for first year students
- Manages the First Year Academic Alerts to provide academic monitoring of all first year students

Challenge to Achievement at Pace (CAP)

The Challenge to Achievement at Pace (CAP) program is an intensive first-year academic support program designed to assist students who may not meet admission criteria but who show academic potential. Students newly enrolled in the CAP program are assigned full-time academic advisers who provide academic, personal, and career-related support and also instructs them in dedicated CAP UNV 101 sections. The CAP program:

- Provides small CAP-dedicated core classes that allow students to develop a close working relationship with their professors.
- Works closely with faculty to ensure that students receive academic support and personal guidance to meet all academic expectations.
- Provides support in all subject areas through workshops, seminars, individual coaching and tutoring.
- Provides leadership opportunities to students qualified to become peer leaders.
- Offers summer support programs in certain targeted STEM subjects.

In order to complete the CAP program and continue at the University, students must achieve a 2.0 CQPA (cumulative average), complete 24 credits, earn a grade of "C" or better in ENG120, and complete UNV 101. In addition, students must satisfy specific matriculation requirements for their intended majors.

Tutoring Center

Our nationally certified Tutoring Center supports student success by offering free tutoring in a wide range of courses in business, mathematics, the sciences, and the social sciences as well as peer counseling in academic success strategies. Individual and group tutoring sessions, online tutoring, and special discussion groups linked to specific courses are designed to encourage independent learning and academic success. For certain mathematics courses, the Center offer end-of-semester reviews. Students are encouraged to visit the Tutoring Center to make use of the following services:
Subject Tutoring

Math Lab
- Provides tutoring support for mathematics courses
- Helps students use mathematical concepts in applications for business, science, economics and other courses
- Encourages students to develop their mathematical reasoning skills

Accounting Lab (New York City only)
- Provides tutoring support in foundation and upper-division accounting courses
- Helps students develop effective study strategies
- Prepares students for course exams

General Tutoring
Provides tutoring in various courses, including CIS 101, economics, finance, nursing, the sciences, and foreign languages (NYC). Students should check the Tutoring Center on their respective campuses for availability in specific courses. Tutoring for courses not listed will be offered, when possible, as demand dictates.

Special Discussion Groups and Peer Led Team Learning
In small groups, students meet weekly with a peer leader to discuss lecture and course readings as they build their mastery of course content. In doing so, students develop the analytical and study strategies necessary for continuing success in the discipline. These meetings are in addition to the regularly scheduled classes with the professor.

The Peer Led Team Learning program is a formal SI (Supplemental Instruction) program offered in selected Science and Math courses to provide additional academic support to students and enhance their performance in these historically-challenging courses. Under faculty direction, well trained student leaders meet weekly with course sections to review lectures and labs.

Cooperative Education and Career Services
In order to assist Pace students in understanding today's complex career choices, Co-op and Career Services provides a variety of career development and placement activities for students in all disciplines.

Pforzheimer Honors College
The Pforzheimer Honors College is designed to foster the development of outstanding students by enabling them to exercise greater responsibility and initiative in their academic work and by providing them with exceptional opportunities for growth—both inside and outside of the classroom. The Honors College gives its students the opportunity to participate in a scholarly community of students and professors. The Honors College is open to all Pace students, regardless of major.

Eligibility for membership is competitive and is based on a student's prior academic achievements. Students selected for membership receive scholarships and complimentary laptop computers. Honors courses, taught by the top professors at Pace, are taken throughout all four undergraduate years. In the junior or senior year, an Independent Research project (fundable by an Honors College Research Grant) may be undertaken in which a student collaborates with a faculty mentor; the results of this research are presented at the annual Honors Independent Research Conference and may then be published in Pace University's scholarly journal and online.

Honor students benefit from a variety of special activities and events on campus as well as trips that provide access to the New York City area's museums and theaters. Additionally, Honors students have an Honors College Adviser, receive the Honors College newsletter, may use the Honors Study Room, may choose to live in the Honors dormitory, are paired with an upper-class Honors mentor, enjoy early registration, and much more.Honors courses are noted on the student's transcript, and an Honors certificate and medallion are awarded at graduation.

Students should contact the specific campus office for the Pforzheimer Honors College they are interested in attending to learn more about the unique academic requirements, programming, and benefits of the Honors College. More information is available on our web site at www.pace.edu/honors-college.

For additional information contact the Pforzheimer Honors College:
- Pleasantville Campus, Mortola Library, third floor, (914) 773-3848
- New York Campus, One Pace Plaza, Room W207, (212) 346-1146

International Programs and Services
The Office of International Programs and Services is available to assist international students during their initial transition to Pace and all students who wish to study overseas. The office acts as a resource center for students, faculty, and administrators by encouraging and supporting the enrollment of international students within Pace University, and providing advice on study abroad opportunities to all Pace students. The office collaborates with faculty, and administrators to develop new programs in other countries and improve existing linkages and services. The staff is committed to international education and to working with the community to achieve the goal of internationalizing Pace.

For additional information contact the Office of International Programs and Services:
- New York City, One Pace Plaza, Suite W-207, (212) 346-1368, Fax: (212) 346-1948
- Pleasantville, Kessel Student Center, 213, (914) 773-3425, Fax: (914) 773-3399

*The Pleasantville office provides services to all Westchester international students, including PLV, WP Graduate School and Law School and all Westchester domestic students for Study Abroad advising.
International Students and Scholar Services

The International Students and Scholars Office (ISSO) supports the internationalization efforts of Pace University by serving as the primary resource center for international students, scholars, their dependents and the University community. The Office promotes international and cross cultural communications and understanding.

The International Students & Scholars Office (ISSO) is committed to providing quality services to international students, scholars and their dependents at Pace University.

The Office assists with matters of special concerns of the international population. The Office strives to educate and inform each international student and scholar through providing information prior to their arrival, conducting orientation programs, advising on visa and employment matters, legal rights and responsibilities, health insurance, adjustment issues and personal concerns, and coordinating a variety of programs and activities on campus. The International Students & Scholars Office is responsible for institutional compliance with the U.S. Department of Homeland Security (DHS) and Department of State (DOS) regulations. For detailed information please visit the following Web site: www.pace.edu/international.

Study Abroad

Pace University is committed to providing its students with a variety of overseas opportunities to travel and learn abroad. The Study Abroad Office provides advising services and support to students considering study abroad. The staff provides information on program and country options, explains policies and procedures, reviews applications and student records, processes academic credit for study abroad, and provides orientation and resources for study abroad participants. The Study Abroad Office staff also works closely with faculty members on the development and administration of short-term travel courses, semester and summer study abroad programs, and various exchange and global partnerships. For more information on study abroad destinations, programs and options please visit: www.pace.edu/studyabroad.

Travel Courses

Pace University offers traditional or internet courses that include an international experience thru travel organized and led by Pace University faculty. The travel portion is similar to a lab or field experience and is typically between 1 - 4 weeks and may take place during January, Spring Break or May/June/July. Generally the travel portion is a required part of the course, but in some cases, it may be optional. Please check the travel course website for the most current offerings.

Advising Center for Exploring Majors (ACEM)

ACEM provides individual academic advising for students who are exploring options for majors, double majors, minors, or combined degree programs and for students who seek guidance on changing a major. It is also a place where all Pace students may find information about University requirements, majors and minors, and it offers programs to enhance academic exploration. Through the course, INT 197H, “Exploring Majors and Careers,” students can learn about issues related to academic planning, goal setting and career orientation. Among its many services, ACEM:

- Provides opportunities for academic exploration, decision making, and planning.
- Assists students in charting paths to major selection and graduation.
- Directs students to the appropriate academic support.
- Connects students to academic advisers within the appropriate college or school.
- Monitors and assists students in academic difficulty return to good academic standing.
- Sponsors Lambda Sigma, the national Sophomore Honor Society.

Pre-Law Advising

Law schools do not prescribe particular undergraduate programs as preparation for admission, but students should become aware of entrance requirements at specific schools they seek to enter. Admission to law school generally requires a competitive grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT).

Students interested in studying law at the undergraduate level, to gain a better understanding of the legal system or in preparation for a career in law, are encouraged to pursue either the Law or the Pre-Law minor, which are outlined in the Lubin School section of this catalog.

Pre-law advisers are available within the Legal Studies department on each campus for consultation with students considering a legal career.

Many law schools, including Pace University’s School of Law in White Plains, may accept students after three years of undergraduate study. Contact the law school in question for more information about this option.

Advising for Pre-Medical, Pre-Dental, Pre-Osteopathy, and Pre-Veterinary Students

There is no specific major for these pre-professional programs. Therefore, students who are intending to apply to professional schools above must contact the Pre-Professional Advisory Committee at the beginning of their undergraduate careers so that they follow an appropriate program of study to qualify for admission to their school of choice. This Committee will also keep the student informed about requirements for entrance examinations (i.e., MCAT, DAT, etc.), as well as special programs when applicable. Information on proper advisement and the Advisory Committee may be obtained at the office of the Department of Biology and Health Sciences. Each student must also consult with his or her appropriate academic department.
adviser to ensure that he or she is taking the required courses for the chosen major field of study as well as those needed for admission to professional schools.

**Advising for Joint Degree Programs in Allied Health Sciences**

Joint degree programs are offered through Pace and another participating institution in the following allied health areas: occupational therapy, optometry, podiatry, and physical therapy. The undergraduate portion of these programs is administered through the Department of Biology and Health Sciences. Students who are interested in these professions should contact the chair of that Department at the start of their undergraduate careers to plan the appropriate courses to satisfy admission requirements for these programs. Students interested in these joint degree programs should refer to the program descriptions: Occupational Therapy Joint Program with Columbia University, Optometry Joint Program with State University of New Yorks College of Optometry in Manhattan, Podiatry Joint Program with New York College of Podiatric Medicine, and Physical Therapy Joint Program with New York Medical College.

**Advising for Physician Assistant and Clinical Laboratory Science (Medical Technology) Degree Programs**

Advisement for the Clinical Laboratory Science Degree Program is provided by the Department of Biology and Health Sciences. Students interested in this program should refer to the appropriate program description in the Dyson College section of the University Undergraduate Catalog.

**Advisement for the Communications Science and Disorders Program**

Students should consult with CSD faculty.

**The English Language Institute**

The English Language Institute (ELI) of Pace University offers English language instruction for non-native speakers at the New York City and Westchester campuses. The institute is dedicated to helping international students, visiting professionals, tourists and recent immigrants to improve their English skills for academic study, career advancement, or personal enrichment. ELI students receive Pace University ID cards and have access to facilities and services on all Pace campuses including the libraries, computer labs, recreational and sports facilities, theaters, cafeterias, and health clinics.

ELI courses are offered year round with seven entry dates: September, November, January, February, March, June, and July. There are two seven-week terms in the spring and fall, and a three-week winter term in January. In the summer there are two six-week terms. U.S. residents may choose to enroll full-time or part-time, but foreign visitors must enroll part-time (4 to 16 hours per week). Students holding F-1 visas must enroll full-time (at least 18 hours per week).

**Courses**

Noncredit courses are offered at elementary to advanced proficiency levels. All students are tested and placed in the appropriate level. Students select courses according to their goals and interests. At the lower levels, students take the Intensive English Courses in grammar, writing, reading, speaking, and listening. Grammar and vocabulary are taught in context in all courses, and class discussion is strongly encouraged. Writing classes include instruction and practice in word-processing.

At the advanced level, students may choose between three tracks: the Intensive English Program, the Pre-Undergraduate Program, or the Pre-Graduate Program. The Intensive English Program is for students who are studying English for general purposes. It emphasizes American culture and uses materials from a wide variety of sources including the popular media. The Pre-Undergraduate Program and the Pre-Graduate Program are designed for students who plan to apply to degree programs at Pace or another American university. The curriculum is content-based, emphasizing the language and skills needed to succeed in an American university and using primarily academic materials. Students increase their fluency in English by studying various academic topics using authentic reading material (textbook chapters, essays, and literature) and videotaped lectures. They learn research skills, write academic papers, practice note-taking, learn test-taking strategies, and make oral presentations. TOEFL and GMAT preparation courses (for non-native speakers) are also offered.

Advanced-level students may be allowed to take one or two undergraduate courses in addition to their ELI courses if they are academically qualified. These credits can be applied to a degree program if the student becomes matriculated.

ELI course sections are offered on a pass/fail basis. Grades are recorded in the University’s student records, and official transcripts can be obtained from Student Accounts and Registrar Services. Certificates of completion are available upon request.

**Admission**

The English Language Institute courses are open to any student who is at least 16 years old and who has completed secondary school. TOEFL scores are not required. The English Language Institute is authorized to issue the I-20 document for full-time, intensive English study (18 or more hours per week).

Admission to the English Language Institute does not constitute admission to Pace University. Each undergraduate and graduate degree program has its own admission requirements. However, academically qualified...
students who successfully complete the English Language
Institute Pre-Undergraduate Program do not have to take
the TOEFL test for admission to undergraduate degree
programs at Pace University. For more information,
contact the Admission Offices.

Special Programs
The English Language Institute also designs special
programs for high school students and other visiting groups
who do not wish to enroll in the regularly scheduled
classes. In addition, English for Professionals classes can
be taught on-site or on campas. Short-term programs for
foreign visitors can be designed to include on-campus
housing and cultural activities. For applications and more
information, contact the English Language Institute at (212)
346-1562 or eli@pace.edu, or visit www.pace.edu/eli. For
information about the English for Professionals Program,
call (212) 346-1841, send an e-mail to engpro@pace.edu,
or visit the Web site at www.pace.edu/efp.

Writing Center
In support of the Core Curriculum and the Writing
Enhanced Course Program, Writing Centers are available
for all students and faculty on both the Pleasantville and
New York campuses. In addition to tutorial services in
writing, the Writing Center provides teachers of Writing
Enhanced courses (and teachers of all courses that require
any amount of writing) with assistance and resources on
using writing to foster students’ communication and critical
thinking skills. The Writing Centers are staffed with
instructors and Pace student tutors who participate in
ongoing training in order to assist students with any aspect
of their writing, from developing a topic to citing sources.
Students and faculty are encouraged to make use of the
following free resources:
• Writing tutoring for students, available on a drop-in,
  appointment, or referral basis;
• Reference materials, including dictionaries, thesauri,
  handbooks, and interactive Web-based writing
  exercises;
• Citation guides, for information on formatting and using
  sources in MLA, APA, and a variety of other citation
  styles;
• Online writing assistance, through which a tutor will
  respond to questions and concerns about writing; and
• Writing workshops, through which Writing Center staff
  will instruct students on various aspects of the writing
  process and inform students of the resources available
to them at the Writing Center.
Each internship is planned in consultation with a faculty adviser. Regularly scheduled seminars and conferences with supervising faculty provide guidance and assistance throughout the internship. Also see the Cooperative Education section.

Cooperative Education/Internship Program

Pace University’s Cooperative Education Program is one of the nation’s leading internship and the largest in the New York metropolitan area among four-year colleges, with more than 900 placements each year and with more than 475 participating employers.

The Cooperative Education Program enables students to combine academic study with paid and non-paid internships that directly relate to career interests while they pursue their degrees. Students in all majors can explore careers through hands-on experience in a variety of settings from government and nonprofit organizations to Fortune 500 companies. Positions are available part-time during the school year and full-time or part-time during the summer.

The Benefits of a Cooperative Education Internship

• Students integrate classroom learning with actual on-the-job experiences while working in pre-professional study-related internships.
• Students earn excellent salaries in Pace Cooperative Education positions averaging $13.67 per hour.
• Students learn resume writing, interviewing, and job search skills.
• Students learn professional business practices and etiquette.
• Students develop maturity, professionalism, and self-confidence.
• Students can explore interests and career goals, build a competitive resume and develop valuable professional networking contacts.
• Co-op improves opportunities for post-graduation employment. Over 40% of all graduating Pace Co-op students receive full-time job offers from their Co-op employers.
• All Co-op students are at an advantage by graduating with career-related work experience.

The Co-op Process

• Co-op information sessions are held each semester to learn about the Co-op program from both student and employer perspectives.
• Students register and meet with a Co-op counselor to discuss the Co-op process.
• Students must attend workshops in resume writing and interviewing skills to prepare for a Co-op position.
• Once students attend the various workshops, they are able to refer themselves online for Co-op positions.
• Once they have accepted a Co-op position, they will be asked to evaluate their experience and their supervisors will evaluate their performance.
• Students also have the opportunity to seek a more advanced Co-op position or one in another field or work environment.

Eligibility
• To be eligible for a Co-op internship, students must be fully matriculated in a bachelor’s degree program, maintain a grade point average of 2.5, and have successfully completed freshman year.
• In addition to meeting these basic requirements, students must have the necessary qualifications to meet the criteria established by each participating employer. Cooperative education positions are competitive.
• Students receive transcript notation upon successful completion of their Co-op positions.
Financial Aid and Scholarship Programs

Introduction and General Eligibility

Introduction

Pace University’s Financial Aid policy is to provide the maximum financial aid available to qualified students to help make their attendance at Pace University a reality.

To this end, the University administers a wide range of scholarship and financial aid programs designed to enable the student to pursue his/her studies to graduation. There are four types of financial aid available at Pace: scholarships, grants, on-campus employment, and loans. Our financial aid administrators will develop a financial aid award package that meets your specific needs. Your package may combine two or more types of aid as well as alternative financing opportunities.

Pace University helps students and families with their college expenses by awarding merit, incentive and need based aid in the form of Pace funded scholarships, grants and awards. These are grants and do not need to be repaid. In addition to these resources, grants and scholarships are available through the state and federal government. Financial Aid in the form of loans, which do need to be repaid, is available through the federal government and private lenders.

The only way to be considered for maximum funding is to file the Free Application for Federal Student Aid (FAFSA), which is available at www.fafsa.gov and indicate that the results should be sent to Pace University. Pace’s FAFSA codes are:

New York City campus: 002791
Pleasantville campus: 002792
White Plains: 002727

We recommend that you file by February 15; after that date not all sources of funding will be available.

Pace University has a strong commitment to academic excellence. Its scholarship and grant programs are designed to award students who have demonstrated superior academic development. University-sponsored scholarships, awards and grants are awarded to students on the basis of academic merit and promise, service to the community, and financial need. Each year, students at Pace receive more than $280 million in aid overall, with over $110 million funded by Pace University. In addition, 95% of freshmen receive some type of financial aid.

It is important to recognize that many scholarship opportunities (such as Pace Endowment funds) are overlooked or missed by students who are unaware of their availability or who do not file the FAFSA. Students should be sure to check for awards they might qualify for on our Pace Endowed Scholarship site (https://appsrv.pace.edu/Scholarship/) and private outside scholarship websites. Exploring financial aid opportunities requires time, effort, and advance planning. Many of these opportunities are highly competitive so early application to several sources tends to yield the best results.

It is also important to be aware that each type of financial aid award has criteria that must be met for the student to receive the award and/or to have the award renewed for subsequent years. Please read the information about each type of aid carefully, as well as the General Eligibility and Important Policy Information sections. Please also read all communications received from the Financial Aid Office and information available on the Portal. Finally, please always feel free to speak with a Financial Aid Counselor if you have any questions.

General Eligibility

To be considered eligible for most financial aid programs a student must: be matriculated (accepted for and enrolled in a degree program, or certain certificate programs), be enrolled in at least six credits per semester, be making satisfactory academic progress, demonstrate financial need (for need-based aid), and file the Free Application for Federal Student Aid (FAFSA) by February 15 (for priority consideration). There are very few exceptions to these basic eligibility criteria, and many financial aid programs have additional eligibility criteria.

The basis of selection for most awards is ability and/or financial need. Financial need determines your eligibility for many types of aid. Financial need is the difference between the Cost of Attendance at a university or college and the Expected Family Contribution (EFC) as calculated according to the federal Need Analysis Formula. The Cost of Attendance includes estimates for tuition, fees, room, board (meals), transportation, books, and personal expenses. After filing your FAFSA you will receive a Student Aid Report (SAR) from the Federal Student Aid Office that will include your Expected Family Contribution (EFC). You can determine your financial need by subtracting your EFC from the total cost of the college you wish to attend.

The Financial Need formula is: Cost of Education – EFC = Financial Need

Most Financial Aid is renewable on a yearly basis provided there is adequate funding, and the student remains eligible. “Remaining eligible” refers to continuing to meet the criteria for receiving the award and maintaining Satisfactory Academic Progress for federal and Institutional funds ("Good Academic Standing" for New York State funds). Please make sure you review the details of the Satisfactory Academic Progress (p. 95) and Good Academic Standing (p. 97) policies.
Financial Aid Timeline

January 1
• Earliest date to submit FAFSA (file at www.fafsa.gov)

Late January – Early February
• Financial Aid FAFSA workshops take place on each Pace campus (you will be mailed information on these events). (Or if you need help filing your FAFSA, do not hesitate to call the Financial Aid Office.)

February 15
• File the FAFSA by this date for priority consideration to maximize your Award
• Undergraduate Application for Admission must be on file, completed and accepted to receive priority consideration to maximize the awards of students entering in the Fall.

After February 15
• Awards will continue to be made to students who file after February 15, but sources of funding may not be available. For more information, go to www.fafsa.gov.

NOTE: This is the only official FAFSA site.

March 1
• Award notices are sent to Freshmen and Transfer students admitted for the Fall semester and on a rolling basis after March 1st

March 15
• Financial Aid office begins notifying students and new admits of documentation and/or actions required to complete the verification process and to finalize financial aid.
• Financial Aid office sends all current students Summer Aid Applications

Mid April
• Summer Financial Aid application priority deadline.

May 1
• Deadline for tuition and housing deposits from students admitted for the Fall semester.

Late May
• Award notices are sent to Continuing students and on a rolling basis thereafter.

May and June
• Parents interested in borrowing PLUS loans to help pay the Fall bill should complete the Pace University PLUS Loan application and submit it to the Financial Aid office.
• Students interested in borrowing Alternative (Private) Loans should apply on their Lender’s web site.

Mid-June
• Invoices for the Fall semester are sent.

July 1
• Deadline for submitting all verification documentation and any other documentation requested by the Financial Aid Office in order to have aid available for Fall Payment due date. Students submitting documents after this date will still have their aid processed after the payment due date.

Early August
• Payment due for the Fall semester

Early September
• Fall semester starts

Mid-November
• Award notices are sent to Freshmen and Transfer students admitted for the Spring semester and on a rolling basis thereafter.

December 1
• Deadline for submitting all verification documentation and any other documentation requested by the Financial Aid Office in order to have aid available for Spring Payment due date. Students submitting documents after this date will still have their aid processed after the payment due date.
• Invoices for the Spring semester are sent.

Early-January
• Payment due for Spring

Mid-January
• Spring semester starts

Application Process and Filing Dates for Financial Aid Programs

All students should apply annually for financial aid.

To apply for financial aid from the federal government, New York State or Pace University, you must file the Free Application for Federal Student Aid (FAFSA). You can apply online at www.fafsa.gov.

You, and your parents or spouse, (if applicable) can electronically sign the FAFSA online using your individual PIN numbers, which can be requested from the FAFSA Web site.

For priority consideration you should file the FAFSA no later than February 15th, as some awards are made to qualifying applicants on a first come first served basis. You may estimate your answers concerning your federal tax return if you have not yet completed your tax return. Students admitted to Pace University for the Spring semester should file the FAFSA no later than December 1st for priority consideration.

When you complete the FAFSA you will need the following Pace campus codes:
• New York City campus: 002791
• Pleasantville campus: 002792
• White Plains campus: 002727

Four to six weeks after filing the FAFSA the Federal Student Aid Office will send you a Student Aid Report (SAR). It is essential you read the comments, check the data, and follow all instructions.

Other Application Requirements:
• To complete your application for New York State aid (New York residents only), complete the Express TAP
Application (ETA) online. (You will be provided with a link to the ETA from the FAFSA website after you finish filing your FAFSA.)
• To apply for the PLUS loan, have your parents return the Plus Application included with your Award Notice package.
• To apply for Endowed Scholarships from Pace University (Continuing and Resuming students only), complete the application on-line at: https://appsrv.pace.edu/Scholarship/
• To apply for Alternative Loans, apply on your lender’s website and provide your lender with any requested documentation. (See Alternative Loans (p. 94).)
• To apply for aid for the Summer, please refer to the Summer Financial Aid Application Procedures (p. 84) section below.

For the 2012-2013 financial aid year and beyond, the U.S. Department of Education strongly suggests that families use the IRS Data Retrieval function if applicable. The federal government randomly selects financial aid applications to go through a process called Verification each year. In addition, the Financial Aid Office is required to resolve all conflicting information and obtain documentation and explanations for all unusual circumstances. If you are selected for Verification, have conflicting information or unusual circumstances, the Financial Aid Office will request additional documentation or information to support your application, such as a copy of your federal tax transcript and W2 form, proof of citizenship, child support paid, etc. If documentation or information is requested you must provide it as quickly as possible. The deadline for completing verification and resolving all issues with your application is July 1st for the Fall semester and December 1st for the Spring semester. Students who submit requested documentation or information after those dates may not have their aid available in time to pay their bills for those semesters.

When to Expect your Award Notice:
• Students admitted for the Fall semester will begin receiving Award Notices two to three weeks after the FAFSA is processed by the federal processor, beginning in early March.
• Students admitted for the Spring semester will begin receiving Award Notices two to three weeks after the FAFSA is processed by the federal processor, beginning in mid-November.
• Continuing and Resuming students will begin receiving Award Notices two to three weeks after the FAFSA is processed by the federal processor, beginning in early June. Please note: Award Notices sent to Continuing and Resuming students in June are subject to change after Academic Progress is reviewed at the end of June (see Satisfactory Academic Progress (p. 95)).

Note: All awards are subject to change as a result of:
• Changes in your resident status (commuter/resident).
• Changes in your expected enrollment status.
• Receiving financial aid not listed on the Award Notice.
• Changes in your Need

In addition, if you drop or withdraw from some or all of your classes your financial aid may be reduced or cancelled.

Please refer to the Financial Aid Refund and Repayment (p. 99) policy.

Combined Degree Nursing Students:
Combined Degree Nursing students (CDP) interested in applying for financial aid should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. This application must be completed to determine eligibility for all need-based awards, including federal loans.

CDP students should be aware that, because they are pursuing a second bachelor’s degree, the federal programs available are limited to the Federal Direct Loan program, and if they are New York residents, the Tuition Assistance Program (TAP), if eligibility was not exhausted for the first bachelor’s degree. There are also limited Federal Nursing Loan funds available.

All students are strongly encouraged to seek alternative, external financial resources. An extensive list is available in the ALPS office in Lienhard Hall on the Pleasantville campus. Your campus Financial Aid Office also has listings of outside scholarship resources, as do most public libraries.

Summer Financial Aid Application Procedures
Limited types and amounts of financial aid are available for the summer terms. Students should be aware that using financial aid during the summers may impact their eligibility for aid during the following academic year or at the end of their degree program.

Students interested in receiving financial aid for the summer terms should make sure they have filed the FAFSA for the academic year prior to the summer (i.e. 2012-2013 for Summer 2013). In most cases a student should also already have a FAFSA on file for the following academic year. In addition, summer aid applicants must also file a Pace University Application for Summer Financial Aid which is available from your campus Financial Aid Office beginning in March.

Types of Financial Aid and Scholarships Available

Types of financial aid and scholarships available include:

I. Pace University Financial Aid Programs
• President’s and Deans’ Scholarship Awards
• Honors Scholarships
• Trustee Recognition and Pace Incentive Awards
• Transfer Incentive Award
• Pace Grant
• Endowed Scholarships
II. Federal Financial Aid Programs
- Federal Pell Grant
- Federal Iraq and Afghanistan Service Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Perkins Loans
- Federal Work-Study
- Federal Subsidized Direct Stafford Loans
- Federal Unsubsidized Direct Stafford Loans
- Federal Direct Plus Loans (for Parents)

III. State Financial Aid Programs (New York State Residents only):
- New York State Tuition Assistance Program (TAP)
- Aid for Part-Time Study (APTS)
- Other New York State Scholarship and Grant programs.

IV. Alternative Financing Options:
- Alternative Loans

V. Other Ways to Pay:
- Tuition Pay Plan
- The Office of Student Assistance also accepts American Express, VISA, MasterCard, and the Discover Card.

General Rules covering all Financial Aid:

General Rules covering all Financial Aid:
- Any combination of tuition-specific Pace-funded scholarships, grants or awards and New York State or other tuition-specific funding cannot exceed your actual tuition charges.
- All financial aid combined may not exceed your Cost of Attendance.
- You must be matriculated in a degree program at Pace University in order to receive any financial aid other than Alternative Loans. (Note that some Certificate program students also qualify). Matriculated means that you are admitted to and enrolled in a degree or certificate program.
- Generally, students must be enrolled at least half-time (6 credits per semester) to qualify for aid. Exceptions are federal Pell Grants and Alternative Loans.

Note: Program guidelines and funding levels, especially for New York State and Federal aid, are subject to change without enough advance notice to be corrected in this publication. The University must reserve the right to modify the amount of an award at any time on the basis of outside awards or eligibility factors not known when an award is originally offered. In addition, Pace University reserves the right to cancel or adjust any award, grant, loan or work study offer in view of a change in your financial need or if we receive information indicating that you have provided incorrect or incomplete information on the financial aid application forms or due to your failure to comply with University regulations relating to conduct and/or academic integrity.

Pace University Financial Aid Programs

Honors College Scholarship
Students are invited to join Pace's Pforzheimer's Honors College on the basis of their academic achievement, as measured by high school average, rank in class, SAT I or ACT scores and extracurricular activities. To be eligible for the Honors College, incoming Freshman students must have a high school average of 90 or higher, an SAT Critical Reading score of 550 or higher, an SAT Math score of 550 or higher and a cumulative SAT score of 1200 between those two sections (minimum ACT score of 27). Upperclass students may also be invited to join the Honors College based on exemplary academic achievement.

To be considered for Pace's Pforzheimer's Honors College and the scholarship, students must be admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor's degree program. Priority is given to those students who have completed the admissions application process by February 1.

Scholarships are available for a maximum of four years from the term the student entered the University or until the first bachelor's degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student's actual tuition. Renewal is automatic provided the student continues to participate in the Honors College, maintains a 3.30 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor's degree. If this Award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving an Honor's Scholarship may not also receive any of the following awards: President's Scholarship, Deans' Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, or Part Time Student Scholarship/Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

President's Scholarship
These prestigious scholarships are awarded to entering Freshman students who are admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor's degree program. Selection is based on academic excellence. Priority is given
to those students who have completed the admissions application process by February 1.

Scholarships are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains a 3.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a President’s Scholarship may not also receive any of the following awards: Honors Scholarship, Deans’ Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

**Dean’s Scholarship**

These prestigious scholarships are awarded to entering Transfer students who are admitted as matriculated students in a degree program. Students must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor’s degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1.

Scholarships are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains a 3.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Dean’s Scholarship may not also receive any of the following awards: Honors Scholarship, President’s Scholarship, Trustee Recognition Award, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

**Trustee Recognition Award**

These merit awards are offered to entering Freshman students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor’s degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1.

Merit Awards are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains a 2.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Trustee Recognition Award may not also receive any of the following awards: Honors Scholarship, President’s Scholarship, Deans’ Scholarship, Pace Incentive Award, Transfer Incentive Award, Pace Opportunity Scholarship, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

**Transfer Incentive Awards**

These merit awards are offered to entering Transfer students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor’s degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1.

Merit Awards are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains a 2.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.
progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Transfer Incentive Award may not also receive any of the following awards: Honors Scholarship, President’s Scholarship, Dean’s Scholarship, Trustee Recognition Award, Pace Incentive Award, Pace Opportunity Scholarship, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

**Pace Incentive Award**

These merit awards are offered to entering Freshman students who show academic promise. To be eligible, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor’s degree program. Selection is based on academic excellence. Priority is given to those students who have completed the admissions application process by February 1.

Merit Awards are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains a 2.00 cumulative QPA, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If this award is not renewed due to low QPA or unsatisfactory academic progress, it may be reinstated if the student achieves the required QPA or academic progress within one year.

Students receiving a Pace Opportunity Scholarship may not also receive any of the following awards: President’s Scholarship, Deans’ Scholarship, Trustee Recognition Award, Transfer Incentive Award, Pace Incentive Award, or Part Time Student Scholarship or Incentive Award. Students must sign an Award Agreement Form, which will be sent separately from the Award Notice, starting May 15th and on a rolling basis thereafter.

**Other Renewable Merit awards**

Pace University offers a number of other renewable merit awards to students who show academic promise and who meet various specific eligibility criteria. The types of Other Merit awards available changes overtime. Currently available Other Renewable Merit Awards include, but are not limited to:

- **Alpha Beta Gamma Scholarship** - $1000 per year offered to incoming Transfer students who are members of Alpha Beta Gamma. To qualify, the student’s Chapter Advisor must provide a letter of recommendation to the Undergraduate Admissions Office. A cumulative 3.00 QPA is required for renewal.

- **Phi Theta Kappa Award** - $1000 per year offered to incoming Transfer students who are members of Phi Theta Kappa. To qualify, the student’s Chapter Advisor must provide a letter of recommendation to the Undergraduate Admissions Office. A cumulative 3.00 QPA is required for renewal.

- **Legacy Scholarship** - $1000 per year offered to Freshman or Transfer students who are admitted for Fall 2012 and beyond whose mother and/or father graduated from Pace University. To qualify, applicants for admission must indicate on their Admission Application that one or both of their parents are Pace graduates. A cumulative 2.00 QPA is required for renewal.

To be eligible for any of these awards, students must be admitted as matriculated students in a degree program and must enroll full-time (at least 12 credits per term) in each Fall and Spring term until completing the Bachelor’s degree program. Merit Awards are available for a maximum of four years or until the first bachelor’s degree is completed, whichever occurs first. (The exception is for students in the 5-year CPA program who may receive the award for up to five years). Summer sessions are not included. These scholarships are applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid.
financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains the required cumulative QPA for their specific award, maintains Satisfactory Academic Progress, and continuously enrolls full-time in each Fall and Spring term until completing the bachelor’s degree. If these awards are not renewed due to low QPA or unsatisfactory academic progress, they may be reinstated if the student achieves the required QPA or academic progress within one year.

**Veteran Tuition Scholarship**

Pace University offers a scholarship program to veterans from all branches of the United States Armed Forces who served in Afghanistan and/or Iraq since September 11, 2001. The Pace Veterans Scholarship grants eligible veterans a 50 percent tuition scholarship. The scholarship is open to all admitted veterans who provide a copy of their DD-214 form with the following designations:

- Global War on Terrorism Expeditionary Medal
- Operation Afghanistan Campaign Medal
- Operation Iraqi Freedom Medal

To apply for this scholarship as an incoming student, students must file an application for admission for full- and/or part-time undergraduate study and provide a copy of their DD-214 with the application. Veterans who apply for the scholarship will also have the admissions application fee waived. The fee waiver form should be printed out and submitted along with the application and/or DD-214. Continuing students who have not already received the Veterans scholarship may apply for it by submitting a copy of their DD-214 to the Financial Aid Office.

To be eligible, a student must be admitted as a matriculated student in a degree program. There is no minimum enrollment required for receiving the Pace Veterans Scholarship. This scholarship is only available for the Fall and Spring terms until the completion of the first Bachelor’s degree program. This scholarship is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is automatic, provided the student maintains the required cumulative QPA of at least a 2.00. Summer sessions are not included. TTG is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. Renewal is based on continued financial need, maintaining academic progress and a cumulative 2.00 QPA and the FAFSA filing date each year.

**Trustee Tuition Grant (TTG)**

Undergraduate students who have completed at least 24 credits at Pace (not including transfer credits) and who have a 3.50 cumulative QPA are eligible for a TTG. These awards of $500 per year are restricted to students taking at least 12 credits per Fall and Spring term. This grant is not available for summer terms. TTG is applicable ONLY to tuition charges at Pace and may not, in combination with other tuition specific financial aid, exceed the student’s actual tuition. The grant is not available to recipients of the Honors, President’s or Deans’ Scholarships.

**Athletic Scholarships**

Full and partial scholarships are available to students with exceptional athletic ability. Such scholarships encourage participation in men’s and women’s basketball, men’s baseball, women’s soccer, women’s volleyball, women’s softball, men’s and women’s cross country, men’s lacrosse, and men’s and women’s swimming and diving. Applicants should contact the Athletics Department for further information.

**Free Courses For Parents**

Parents of full-time matriculated undergraduate students are eligible to take one free course each fall and spring semester on a space-available basis. Registration for tuition-free courses may only take place during the first week of class. Adult education, nursing, and graduate level courses are excluded from this offer. Parents will be charged for registration and laboratory fees. An application for the free course may be obtained from the office of Student Accounts or Registrar departments of the Office of Student Assistance. Awards for this program will not be honored for any course that is filled before the first day of class or for any course that the parent’s child is also taking during that semester.
Student Services Tuition Remission

The University offers partial tuition remission to those students participating in student organizations, such as the Pace Press, Pace Chronicle, Yearbook, radio stations, etc. For more information contact the Office of Student Development & Campus Activities.

Endowed Scholarship Funds

Endowed Scholarships are made possible through the generosity of Pace alumni and friends, as well as corporations and foundations. These benefactors have a strong belief in the importance of a Pace education for a student’s future success. There are over 250 endowed and restricted scholarships available.

To be eligible to apply, students must be matriculated (admitted to a degree or certificate program) and be enrolled for at least 6 credits per semester. Students must also be maintaining Satisfactory Academic Progress and have a GPA of 3.0 or above. Most awards are financial need based. Students must have filed a FAFSA. Continuing and Resuming students must also complete our Application for Endowed/Restricted Scholarships at https://appsrv.pace.edu/Scholarship/. It is very important to provide as much information as possible to improve the chances of being matched with an award. The priority filing date for Endowed Scholarships is June 1st.

Applications are reviewed on a first come first service basis and awards are made according to availability of funding.

Federal Financial Aid

General Eligibility for Federal Financial Aid programs:

- Must file a Free Application for Federal Student Aid (FAFSA) each year.
- Must be admitted as a matriculated student in a degree or certificate program at Pace University.
- Must be enrolled in at least 6 credits per semester (except for Pell Grants).
- Must be making Satisfactory Academic Progress toward degree.
- Must be a U.S. citizen or eligible non-citizen (permanent residents, certain refugees).
- Must be registered for the Selective Service (only applicable to males aged 18 and older).
- Must not be in default of a federal student loan.
- Must not owe a repayment on a federal student grant.
- Must have and provide a valid Social Security Number.
- Combination of federal aid and all other aid received may not exceed the Cost of Attendance.

Federal Pell Grant Program

Matriculated students who have not previously received a bachelor’s degree may be eligible to apply for this federal grant. Eligibility is based on financial need as determined by the Federal Need Analysis Formula. Applicants must be accepted to an undergraduate degree or certificate program and be enrolled for at least one credit per semester.

Students must maintain Satisfactory Academic Progress (p. 95). Awards for the 2012-2013 academic year range from $575 to $5550. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. Students may receive Pell Grants for a maximum of 12 full-time semesters or the equivalent.

Federal Supplemental Opportunity Grants (FSEOG)

Federal funds are available for a limited number of undergraduate students with exceptional financial need who are matriculated (accepted to a degree or certificate program) and who are enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive FSEOG. The amount of the grant typically ranges from $100 to $2,400 per academic year at Pace University based on the level of our federal funding. The Financial Aid Office determines who will receive FSEOG and the amount of the grant. A student must be a Pell Grant recipient to receive FSEOG. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. FSEOG funds are extremely limited; generally only students who file the FAFSA by the February 15th priority deadline each year will receive FSEOG.

Federal Perkins Loan

Pace University administers these federal loan funds and generally lends up to $2,500 per year to students with extreme financial Need who are matriculated (accepted to a degree or certificate program) and who are enrolled for at least six credits per semester. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form. Students must maintain Satisfactory Academic Progress to receive Perkins loans. Perkins loan funds are limited; generally only students who file the FAFSA by the February 15th priority deadline each year will receive Perkins loans.

Repayment begins nine months after the borrower ceases at least half-time study (6 credits per semester), and may extend over a 10-year period. During the repayment period, interest will be charged at the rate of 5 percent on the unpaid balance of the loan principal. Repayment of the whole or part of the loan may be made in advance at any time without penalty. The minimum monthly installment is generally $40 including interest. No repayment and no interest is charged during any period of up to three years should the borrower serve in the Armed Forces, Peace Corps, or VISTA. The program provides for partial or total cancellation for borrowers who teach the disabled, in Head Start, or in poverty-area schools designated by the federal government. Full and partial cancellation benefits are also
available to full-time law enforcement and corrections officers who borrow from this program after November 29, 1980. Please note that loan cancellation provisions are subject to change based on congressional legislation and appropriations.

Borrowers are required to arrange an exit interview with the Collection’s Office during their last semester at Pace University. A sample loan repayment schedule is listed below.

Federal Work-Study Program (FWS)

Federally subsidized employment opportunities are available to students with financial need who are matriculated (accepted to a degree or certificate program) and who are enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive FWS. Students must complete the Free Application for Federal Student Aid (FAFSA) annually, and list Pace University as a school to be attended on the form.

Students receiving Federal Work Study awards may be employed on campus by Pace University. Most of the students approved for Federal Work Study can be placed in jobs, but it is the student's responsibility to research job openings and to successfully obtain a position. Students interested in on-campus employment should visit Pace University's Human Resources Department’s Careers at Pace site (http://www.pace.edu/human-resources/careerspace) on the web for links to the application system and instructions.

Numerous off-campus positions are also available through the America Reads/Counts/JumpStart program which allows Pace students the opportunity to tutor young children to help improve their reading and math skills. Applications and eligibility criteria for this program are available through the New York Campus Dyson College offices.

It is important to understand that any Federal Work Study award included on a Financial Aid Award Notice only represents the student's eligibility to earn FWS funds. These funds will not be available at the start of the academic year to pay the Fall semester bill. Federal Work Study paychecks are issued twice each month based on the number of hours worked and the hourly wage rate. Paychecks are issued on a half-month delay which means that students will be paid on September 30th for hours worked from September 1st through 15th. Employment under the program will normally average 10–15 hours per week while classes are in session. During vacation periods, students may work up to 40 hours per week. Total earnings under Federal Work Study are limited to the award amount authorized by the Financial Aid Office.

Students who have not been awarded Federal Work Study who have filed the FAFSA and who have financial Need, may ask the Financial Aid Office to review their eligibility. In addition, non-FWS recipients may also apply for most on-campus jobs.

Federal Direct Stafford Loans

Undergraduate students who have been accepted to a degree or certificate program may apply for loans of up to $3,500 for the freshman year (up to 31 credits earned), $4,500 for the sophomore year (32 to 63 credits earned), and $5,500 for junior and senior years (64 or more credits earned).

Students who have financial Need qualify for the Subsidized Direct Stafford Loan. Subsidized loan recipients pay no interest during the period of enrollment and for a six-month grace period after the last day of their final semester or termination of half-time study. (Note: Congress has temporarily eliminated the interest subsidy provided on Direct Subsidized Loans during the six month grace period effective for new Direct Stafford Loans for which the first disbursement is made on or after July 1, 2012, and before July 1, 2014.)

Students who do not show financial Need may receive an Unsubsidized Direct Stafford Loan for the same amounts. Interest accrues on the Unsubsidized loan as soon as the loan is disbursed.

Dependent undergraduates may borrow an additional Unsubsidized Direct Stafford Loan of $2,000 per year. Independent undergraduates or Dependent undergraduates whose parents have been denied a Federal Direct PLUS Loan (see below) may borrow an additional Unsubsidized Direct Stafford Loan of $6,000 per year as a freshman or sophomore and $7,000 per year as a junior or senior.

Interest begins accruing on Unsubsidized Stafford loans as soon as the loan is disbursed. We strongly recommend that the student try to make interest payments on these loans while in school to avoid having the interest added to the principle of the loan after leaving school.

All applicants, regardless of income level, are required to file the Free Application for Federal Student Aid (FAFSA). The Financial Aid Office will calculate the student's eligibility for Federal Direct Stafford Loans and include them on the Financial Aid Award Notice. Once the student accepts a Federal Direct Stafford Loan, the Financial Aid Office will originate the loan with the federal government's Common Origination and Disbursement Center beginning approximately June 1st and on a daily basis thereafter. The student will then need to sign the Master Promissory Note (MPN) for the Direct Stafford Loan at www.studentloans.gov (if the student has not previously
borrowed a Direct Loan and signed an MPN). First time borrowers must also complete Loan Entrance Counseling before the loan funds can be disbursed to their college accounts. This requirement can also be satisfied online at www.studentloans.gov.

To qualify for a Federal Direct Stafford Loan, students must be matriculated in a degree or certificate program and enrolled for at least six credits per semester. Students must maintain Satisfactory Academic Progress to receive Direct loans. Only U.S. citizens or eligible non-citizens are eligible.

Students are currently charged a 1 percent loan origination fee that is assessed on the face value of each loan borrowed. This fee is deducted prior to disbursement of funds. Repayment of the principal on these loans begins six months after graduation or after the student ceases to be enrolled for at least 6 credits per semester. The minimum monthly installment is generally $50 including interest. The interest rate for new Subsidized and Unsubsidized Direct Stafford loans first disbursed on or after July 1, 2006, is a fixed rate. The maximum rate for loans first disbursed on or after July 1, 2006 is 6.80%, however the interest rate may be lower based on the date the loan was first disbursed. The standard repayment period is 10 years, but students may extend repayment under the Consolidation Loan Program or by selecting the Graduated, Extended, Income-Based, Pay as you Earn, or Income-Contingent repayment plan. The aggregate borrowing limit for undergraduate study is $31,000 for Dependent students and $57,500 for Independent students. Of those aggregate amounts, up to $23,000 may be borrowed in the form of a Subsidized Stafford Loan.

Repayment of the whole or part of the loan may be made in advance at any time without an interest penalty. Borrowers may defer repayment for up to three years while the student serves in the Armed Forces, Peace Corps, or as a full-time volunteer in VISTA.

For additional information on the Direct Stafford Loan program, please visit: http://www.direct.ed.gov/student.html.

**Federal Direct Parent Loan for Undergraduate Students (PLUS)**

The parents of a dependent student may borrow up to the full Cost of Attendance minus other financial aid, for each academic year for a child matriculated into a degree or certificate program. Parent loans have a fixed interest rate of 7.9%. Loan repayment begins within 60 days after disbursement. However, parents may request a deferment (from the federal Loan Origination Center) until six months after the student graduates or ceases to be enrolled in at least 6 credits. The standard repayment period is 10 years, however alternate repayment options are available. All borrowers are required to pay an origination fee. Currently the loan origination fee is 4 percent and is deducted from the face value of each loan borrowed.

Parents (biological or adoptive) or step-parents (currently married to the parent) of dependent matriculated students may borrow through this program. The student must be enrolled at least half time (6 credits per semester) and must maintain Satisfactory Academic Progress. The parent/step-parent must have a positive credit history. Both the parent/step-parent and the student must be U.S. citizens or eligible non-citizens. Neither the parent/step-parent nor the student may be in default of a federal student loan or owe a repayment on a federal grant. The student must have filed a Free Application for Federal Student Aid (FAFSA) for the parent to be eligible to for a PLUS loan.

The Financial Aid Office includes its “Parent Loans For Students (Plus) - Request For Federal Direct Plus Loan And Consent To Obtain Credit Report” form with Award Letters and has them available in the offices. Parents who wish to borrow a PLUS loan must complete this form and submit it to the Financial Aid Office. Upon receipt of this form, the Financial Aid Office will originate the loan with the federal government’s Common Origination and Disbursement Center beginning approximately June 1st and on a daily basis thereafter. If credit-approved, the parent must sign a Master Promissory Note (MPN) if not previously completed. The MPN can be signed online at www.studentloans.gov. There is no ‘Need” requirement for this loan. The parent/step-parent may borrow up to the cost of attendance per student minus financial aid available to the student. Funds are disbursed twice during the loan period. However, PLUS loans cannot be used to replace the student’s eligibility for the Stafford Loan, so it is generally to the family’s advantage to have the student borrow the lower interest rate Stafford Loan. Parents must reapply each year if they want a PLUS loan.

As with all student loans, Parent Loans for Undergraduate Students are to be used exclusively for educational expenses.

**Nursing Student Loan (NSL)**

Up to $2,500 per academic year may be borrowed by students matriculated in a program leading to a degree in nursing. Eligibility is limited to students with exceptional financial need. Repayment begins nine months after the borrower ceases at least half-time study in a school of nursing and may extend over a 10-year period. During the repayment period interest will be charged at the rate of 5 percent on the unpaid balance of the loan. The minimum monthly installment will be $15 plus interest. Repayment of the whole or part of the loan may be made in advance at any time without penalty.

Borrowers must arrange for an exit interview with the Collection’s Office during their final semester at Pace University.

**New York State Financial Aid**

These Scholarship and Grant programs are for New York State residents only. You must be admitted to and enrolled in a degree granting program at Pace University to receive awards.
Special Application Procedures for New York State Awards

Students who wish to apply for TAP should file the Free Application for Federal Student Aid (FAFSA). When you apply using FAFSA-on-the-Web, you will be prompted to complete your online TAP application at the end of the FAFSA session. When your FAFSA is complete you will be asked to do the following:

- Establish a HESC PIN (Personal Identification Number) for TAP.
- You MUST establish your PIN in order to apply, keep track of your application information or make changes.
- Information from your FAFSA and your family’s calculated NYS net taxable income will be pre-filled on your application for TAP-on-the-Web.

If you choose not to apply online, HESC will mail you an Express TAP Application (ETA). Information from your FAFSA and your family’s calculated NYS net taxable income will be preprinted on your ETA. Review the information, change any incorrect items, complete any missing items, then sign and mail the form using the return envelope.

Applications for NYS TAP and scholarships should be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at www.hesc.com.

The TAP application deadline is May 1 of the academic year for which aid is sought.

Tuition Assistance Program (TAP)

Direct grants currently of up to $5,000 per year are made to full-time (12 new credits a semester) matriculated students who have resided in New York State for at least one year and are making satisfactory academic progress toward their degree. Maximum usage is for eight semesters.

The amount of the grant is determined by the amount of net taxable income reported on New York State income tax returns for the student and parents. Net taxable income equals gross income minus all exemptions and deductions. If more than one member of the student’s family is attending a college or other approved school on a full-time basis, the net taxable income is reduced by $3,000 for the second family member and by $2,000 for each additional family member.

The maximum net taxable income cut-off for first-time dependent and independent (married or with dependents) undergraduate recipients as of 2003–2004 is $80,000. The maximum net taxable income cut-off for Independent undergraduate students who are unmarried or have no tax dependents as of 2003–2004 is $10,000.

NYS reserves the right to change their laws each year when they vote on the state budget.

Regents Awards for Children of Deceased and Disabled Veterans

New York State residents who are children of deceased and disabled veterans will receive $450 per year for attendance at institutions in New York State. Application should be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at www.hesc.com.

Regents Awards for Children of Deceased Police Officers, Firefighters, and Corrections Officers

Awards for full-time study are available to New York State residents who are children of deceased police officers, firefighters, or correction officers of New York State, or any of its municipalities, who died as a result of an injury sustained in the line of duty. Application may be made through the New York State Higher Education Services Corporation (NYS HESC). Contact them at 1-(888)-NYS-HESC or get more info on the Web at www.hesc.com.

New York State Aid for Part-Time Study (APTS)

Grants of up to $1,000 per semester are available to matriculated undergraduate students enrolled for 3 to 11 credits per semester. A 2.0 QPA is required, and eligibility is restricted to New York State residents. To qualify, the New York State Net Taxable Income must be less than $34,250 for independent students and $50,550 for dependent students and independent students with dependent children or other qualified dependents. Students must have financial need. NYS reserves the right to change their laws each year when they vote on the state budget.

Application forms may be obtained on-line at www.pace.edu, under Financial Aid Forms. Students who file in the Fall will automatically be renewed for the Spring semester, if they continue to meet program requirements. (See additional guidelines with application).

New York State Assistance for Native Americans

Enrolled members of New York State nations or tribes and their children who are New York State residents may obtain grants up to $1,750 a year for up to five years of attendance in an accredited college or university located in New York State.

Application forms may be obtained from the Native American Indian Education Unit, New York State Education Department, Room 478 EBA, Albany, NY 12234.
Veterans Tuition Award
This program provides financial assistance to help Vietnam Veterans, Persian Gulf Veterans and Afghanistan Veterans, studying on either a full-time or part-time basis, meet tuition charges. For full-time study, veterans are eligible for an award equal to the amount of undergraduate tuition for New York State residents charged by the State University of New York, or actual tuition charged, whichever is less. For part-time study, awards are prorated by credit hour. Part-time study for Veterans Tuition Awards is defined as at least three but fewer than twelve semester hours (or the equivalent) at degree-granting institutions.

Regents Professional Opportunity Scholarships
New York State offers 220 Regents Professional Opportunity Scholarships for students enrolled in an approved program leading to a degree in one of the following areas at Pace University: accountancy (CPA), nurse practitioner, physical therapy, physician assistant, psychology (doctorate), law (JD) or social work (master’s). Awards are restricted to full-time, matriculated New York State residents. Selection is limited to those who are economically disadvantaged and/or who are members of a minority group that is historically underrepresented in the chosen profession.

The scholarship provides up to $5,000 annually based on gross income and cost of education. The total of the scholarship and any TAP award received may not exceed the cost of education. Scholarships may cover up to four years of study for a standard baccalaureate degree. Scholarship recipients must enter into an approved practice within New York State in the field of study for which the scholarship was granted. The service requirement is one year for each annual scholarship payment received. For additional information and application forms, write or call:

NYS Education Department
Bureau of HEOP/VATEA/Scholarships
Education Building Addition
Room 1071
Albany, NY 12234
Phone: (518) 486-1319

Financial Aid from Outside Sources

G.I. Bill
Veterans who have served in the Armed Forces on active duty for more than 180 days are eligible for monthly payments through the Veterans Administration. Pace University is fully approved to conduct college-level education programs for veterans. The Office of Veterans’ Affairs is located in the Registrar’s Office on each campus. Personal and career counseling, assistance in completing applications for veteran’s assistance, and outreach and placement are all available through this office. Students who are veterans are urged to use these services and are encouraged to check at least once a semester on the status of their enrollment certification.

Outside Scholarship Resources
Students are encouraged to search for external scholarships and financial resources. Each year thousands of scholarship dollars remain unclaimed by students who are unaware of these external scholarships.

Applying for scholarships requires some time and effort, and in some cases, a financial statement component from a financial aid counselor. We strongly advise that students start early when investigating and applying for outside scholarships. Be careful about selecting scholarships to apply for. We advise students never to pay an application fee, purchase a product, or subscribe to a service when applying for outside awards. Scholarships should not cost anything but time and the effort involved in meeting the qualifications.

Please be aware of the following:
- Most outside scholarships require confirmation of actually enrollment.
- Most outside scholarship programs will send the scholarship check directly to Pace University to be deposited in the student’s Student Account at Pace.
- The Financial Aid Office will need documentation of what any outside scholarships received and what types of charges the scholarship(s) can be applied toward (if the scholarship program has any restrictions).
- Receipt of outside scholarships may reduce eligibility for other types of financial aid.

Helpful Tips:
- Confirm application dates with each scholarship program as these may change with time.
- Review the program description and submit any necessary documentation for consideration.
- If a financial statement is required from the Financial Aid Office, please allow adequate time for completion.
- Plan ahead for next year if the application date was missed this year.

R.O.T.C. Scholarships (New York City campus) –
In conjunction with the Polytechnic Institute of New York, the Department of the Army offers scholarships that cover full tuition, fees, and books to men and women who are full-time juniors and seniors and who wish to join the Army Reserve after graduation. To be eligible to apply, students must be in either their freshman or sophomore year, possess U.S. citizenship, and be graduating from the University before their 25th birthday. Off-campus classes for Pace students, which carry no academic credit, are held at Polytechnic.
**Alternative Loans**

An Alternative loan is a private loan in the student's name which, depending on the credit worthiness of the applicant, may require a cosigner. Many lenders do not require students to be in a degree or certificate program to receive these loans. Many lenders will also lend to students enrolled less than half time.

Payment and interest on Alternative loans can be deferred until six months after graduation, or as long as the student is enrolled at least half time. INTEREST WILL ACCRUE DURING THIS DEFERMENT PERIOD AND IS ADDED TO THE PRINCIPAL. It is strongly recommended that students try to make the interest payments while they are in school to avoid an increase of the principal amount of the loan during the deferment period. Students are permitted to finance up to their Cost of Attendance minus other aid.

The student's credit score determines the interest rate and fees for Alternative loans. We advise students to obtain their credit report to verify that the information being used to determine their rate is accurate and up to date. It is always important to ensure that information reported to credit bureaus is correct. The three major credit bureaus are:

- [www.equifax.com](http://www.equifax.com)
- [www.experian.com](http://www.experian.com)
- [www.transunion.com](http://www.transunion.com)

Applications for Alternative Loans can be done on-line or through a paper process directly with the student's chosen lender. It is the student's responsibility to follow-up with the lending institution to ensure that they have received all requested documents needed to finalize the loan.

Loans must be certified by a Financial Aid Counselor at Pace University in order to complete the loan process. Funds are deposited into the student's Student Account at Pace by a specified disbursement date determined by the Financial Aid Office and the Lender.

**Summer Financial Aid**

Students may be eligible for Federal Pell grants, Federal Direct Loans, NYS TAP and Federal Work Study during the Summer sessions. With very few exceptions, Pace University scholarships, grants and awards are not available for Summer sessions. In general, financial aid for the Summer sessions is based on a student's eligibility for the previous year. Therefore students interested in receiving financial aid for Summer 2013, must have filed the 2012-2013 FAFSA form.

However, we recommend that you file the next year’s FAFSA form as well. If you have not completed the FAFSA form, you can file it online at [www.fafsa.gov](http://www.fafsa.gov). Pace University’s FAFSA school codes are: New York: 002791, Pleasantville: 002792, White Plains: 002727.

Students interested in aid for the summer must file the additional Pace University Application mentioned above. We advise you to submit all required documents, and register before mid-April to guarantee financial aid availability for Summer payment dates.

Please be sure to read the application thoroughly, as receiving financial aid for the Summer will have an impact on your financial aid for the following year.

**Important Policy Information**

**Enrollment Status**

The Pace University Financial Aid Office defines an Academic Year to be 24 semester credit hours and 30 weeks of instructional time.

For Financial Aid and enrollment reporting purposes, enrollment status is defined as follows for Pace University students:

<table>
<thead>
<tr>
<th>Students</th>
<th>Full-time</th>
<th>¾ time</th>
<th>Half-time/Part-time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate</td>
<td>12 credits / Semester</td>
<td>9 credits / Semester</td>
<td>6 credits / Semester</td>
</tr>
</tbody>
</table>

Pace University offers classes in seven different academic Terms throughout a calendar year (Fall, January, Spring, May, Summer 1, Summer 2 and August). The Financial Aid Offices combines these terms into three Enrollment Periods for which financial aid is awarded.

- The Fall Enrollment Period includes only the Fall Term.
- The Spring Enrollment Period includes the January and Spring Terms.
- The Summer Enrollment Period includes the May, Summer 1, Summer 2 and August Terms.

For Federal financial aid purposes, a student’s enrollment status is based on the entire Enrollment Period. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, is considered to be a full-time student for federal aid for the Spring Enrollment Period. Or, as another example, a student taking 3 credits in Summer 1 and 3 credits in Summer 2 is considered to be a half-time student for federal aid for the Summer Enrollment Period.

For Pace Institutional financial aid purposes, a student’s eligibility for Fall or Spring scholarships, grants and awards funded by Pace University can only be based on his/her enrollment in the Fall or Spring Term. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, would not be considered a full-time student for Pace Institutional aid for the Spring Enrollment Period and would not qualify for Pace financial aid for the Spring Term.
University scholarships, grants or awards requiring full-time enrollment. That student would have to be taking 12 credits in the Spring term to qualify. Most Pace Institutional financial aid is not available for the summer.

For New York State financial aid purposes, a student’s eligibility for Fall or Spring aid can only be based on his/her enrollment in the Fall or Spring Term. However, New York State does allow the May, Summer 1, Summer 2 and August terms, together, to be treated as one Summer Enrollment Period. Therefore, for example, an undergraduate student taking 3 credits in the January term and 9 credits in the Spring term, would not be considered a full-time student for NYS aid for the Spring Enrollment Period and would not qualify for TAP or other full-time awards. That student would have to be taking 12 credits in the Spring term to qualify. However, if the student were otherwise eligible for Accelerated TAP in the Summer, his/her enrollment in all 4 summer terms combined would be used to determine his/her enrollment status.

For Alternative Loan processing purposes, a student’s enrollment status is based on the entire Enrollment Period.

**Repeating Coursework**

Students should be aware that, for federal financial aid purposes, an institution can pay a student for only one retake of a previously passed course or its equivalent. This means that once a student has passed a particular course, Financial Aid can count that student as being enrolled in that course only one more time for federal aid purposes.

For example: Say a student passed Bio 101 in Fall 2010 with a D. If that student takes Bio 101 again in Fall 2012, the Financial Aid Office can count that course in the student’s Fall 2012 enrollment. So if the student is taking Bio 101 for 3 credits and 9 other credits in Fall 2012, the student would be considered to be in 12 credits (full-time) for Fall 2012. However, if the student then took Bio 101 again in Fall 2013, it cannot be counted (regardless of whether it was passed or failed it in Fall 2012). So, if the student is taking Bio 101 for the 3rd time in Fall 2013 and 9 other credits, the Financial Aid Office would have to consider the student to be enrolled in only 9 credits for Fall 2013.

Please note that this restriction does not apply to Pace University funded aid or to Outside Resources such as Alternative Loans.

**Satisfactory Academic Progress Requirements for Federal and Pace Funded Financial Aid**

As an undergraduate student your academic progress is reviewed 6 weeks after the end of each Spring semester and you must meet the following satisfactory academic progress requirements to receive financial aid for any subsequent semester from any of the following federal or institutional aid programs:

- Federal Pell Grant
- Federal Supplement Educational Opportunity Grant (FSEOG)
- Federal Perkins Loans
- Federal Direct Stafford Loans (both subsidized and unsubsidized)
- Federal Direct PLUS loans (Graduate PLUS loans and Parent Loan for Undergraduates)
- **Institutional**
  - Pace Grants *
  - Pace Scholarships *
  - Pace Awards *
  - Tuition Remission *

**New York State**

Aid to Part Time Students (APTS)

Note: Other New York State Scholarship and Grant programs have different academic progress requirements. See the Good Academic Standing Requirements for Full-Time Undergraduate Students Receiving New York State Aid section below.

*Recipients of Pace University’s grants, awards, scholarships and tuition programs must also meet the stricter requirements of these programs regarding the cumulative QPA and other criteria required to maintain continued eligibility for these academic-based programs. Please refer to the Award Agreement Form that you received when you first received one of these awards or speak with a Financial Aid Counselor if you have any questions about your continued eligibility for any institutional award.

Satisfactory academic progress has two-fold criteria with a Qualitative and a Quantitative component. To meet the Qualitative component, students must have the cumulative quality point average (QPA) listed below for the number of credits attempted. To meet the Quantitative component, students must stay on pace to complete their degree within the maximum time frame allowed by this policy by passing the percentage of the total credits they have attempted as indicated on the chart below. Both the necessary cumulative QPA and the percentage of passed credits to attempted credits increase with the number of attempted credits.

An Undergraduate student is considered to be making Satisfactory Academic Progress if the student meets the criteria on the following table:

<table>
<thead>
<tr>
<th>Cumulative</th>
<th>Undergraduate</th>
<th>Minimum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Credits</td>
<td>Required</td>
<td>Percentage</td>
</tr>
<tr>
<td>Attempted</td>
<td>Passed</td>
<td>QPA</td>
</tr>
<tr>
<td>1 - 23</td>
<td>50%</td>
<td>1.00</td>
</tr>
<tr>
<td>24 - 47</td>
<td>55%</td>
<td>1.50</td>
</tr>
</tbody>
</table>

*Please refer to the Award Agreement Form that you received when you first received one of these awards or speak with a Financial Aid Counselor if you have any questions about your continued eligibility for any institutional award.*
The cumulative QPA (Quality Point Average) is the average of all quality points achieved for all courses taken during all semesters at Pace toward the current degree program.

2. The following will be considered as credits attempted and passed:
   a. “A” through “D” grades
   b. “P” passing with credit
   c. Transfer credits accepted toward the current degree program.

3. The following will be considered as credits attempted but not passed:
   a. “F” grades
   b. “W” withdrawal
   c. “I-F” incomplete – failure due to unofficial withdrawal
   d. “I” incomplete
   e. “I-R” – referral (if the grade of I-R remains for more than one major semester after the semester in which the course was taken)
   f. Credits from courses that have been repeated

4. The following will not be considered as credits attempted or passed:
   a. “AUD” audit no credit
   b. “K” pending

5. In the event that a student fails to meet any of the criteria as indicated in the Table above, the student will be considered to be making unsatisfactory academic progress. All Federal and Pace aid for future semesters is canceled.

Special Note regarding Repeated Courses – All courses taken at Pace are counted as attempted credits even if they have been taken again. If a student fails a course and then repeats it in a subsequent semester and receives a passing grade, the credits for the first time the course was taken are counted as attempted but not passed and the credits for the second time the course was taken are counted as attempted and passed.

Special Note regarding Withdrawals – All courses that a student has started at Pace are counted as attempted. Courses from which a student has withdrawn count as attempted but not passed, even though they do not figure into the calculation of the QPA.

Special Note for Resuming Students – All course work toward a particular degree program at Pace University is counted when determining whether a student is making satisfactory academic progress, even if the student has taken some time off from attending the University.

Special Note for Bachelor’s degree candidates who previously received an Associate’s degree from Pace - If the student is currently working toward a Bachelor’s degree and previously received an Associate’s degree from Pace, the cumulative QPA and the credits attempted and passed or not passed during the Associate’s degree program are included in the determination of the student’s academic progress toward the Bachelor’s degree program.

**Academic Progress Appeal Provisions**

A student who is not making satisfactory academic progress may submit an Appeal to be placed on Academic Progress Probation. Appeals are approved only in cases where the student has demonstrated that the academic progress criteria were not met due to extraordinary circumstances occurring in the student’s life, generally beyond his/her control.

Extraordinary circumstances might include:
1. Severe and long term illness or injury to the student making the successful completion of courses that had been started a physical impossibility or hardship.
2. Death of an immediate family member that creates serious emotional stress or, in some cases, serious financial stress or uncertainty.
3. Serious emotional distress as a result of mistreatment (i.e. rape, physical abuse).

Circumstances that, generally, do not warrant an academic progress waiver include:
1. Not liking the course or professor.
2. Being too busy at work, particularly if it is the same job the student had before the semester started and nothing out of the ordinary has occurred in the company.
3. Deciding after the semester starts to take some time off to work.

An Academic Progress Appeal may only be used once as an undergraduate student, so its use should be carefully considered and timed. During the Probation period, the student must make up any academic progress deficiency. If the Appeal is approved, the student must meet the terms of an Academic Plan developed with the Financial Aid counselor by the end of the next semester and each subsequent semester.

A waiver may be granted ONLY when the following conditions are met:
1. Detailed documentation must be provided to verify the extraordinary circumstances that warrant the waiver.
2. An explanation of how these circumstances resulted in the loss of satisfactory academic progress.
3. An explanation of how the student’s situation has changed so that these circumstances are not expected to cause further problems that would prevent the students from demonstrating Satisfactory Academic Progress in the future.
4. Based on the documentation and the student’s academic record, there must be a reasonable expectation that all future academic progress requirements will be met.

(Please note: Successful appeals of academic standing with the dean of the student’s school or division at Pace and waivers of the good academic standing requirements for New York State aid granted by the TAP Coordinator's
office do not constitute an appeal of academic progress for federal or institutional financial aid. In addition, documentation submitted to either the office of the academic dean or the TAP Coordinator’s office to support an appeal of academic standing is not shared with the Financial Aid Office. Students must submit such documentation separately to the Financial Aid Office when submitting an academic progress appeal for federal or institutional financial aid.)

A student who believes he/she has grounds for an academic progress appeal should send the documentation outlined above to the Financial Aid Director on his/her home campus.

### Good Academic Standing Requirements for Full-Time Undergraduate Students Receiving New York State Aid

Full-time undergraduate students receiving TAP, Child of Veteran Awards, Veteran Tuition Awards, or any other New York State grant or scholarship, must meet the State Education Department's requirements for both satisfactory academic progress and program pursuit. For purposes of continued state aid eligibility, students are reviewed at the end of every semester for eligibility for the following term.

**Satisfactory Academic Progress** means that the student must pass a certain cumulative number of credits with a certain cumulative GPA prior to receiving each semester’s award. A student may receive state aid for a maximum of eight (in some cases 10) semesters. The following chart outlines the number of credits passed and cumulative GPA a student must achieve in order to be eligible for each semester’s state aid award.

#### Baccalaureate Degree

This chart applies to students first receiving aid in 2006-07 through and including 2009-10:

In addition to these Satisfactory Academic Progress requirements, the student must also meet requirements of Program Pursuit.

Program Pursuit means that the student must receive passing or failing grades in a certain number of credits during each semester that he/she receives a state award. (*W* grades (withdrawals) do not meet this requirement.) The following chart outlines the number of passing or failing credits the student must receive in each semester that a state award is received in order to continue to qualify for the award.
During the semester you receive this TAP payment

</tr>
</tbody>
</table>

A recipient of New York State aid who fails to meet the Program Pursuit or Satisfactory Academic Progress requirements in a particular semester, may wish to make up the necessary credits or achieve the required cumulative QPA by pursuing credits at his/her own expense in a given semester. By so doing, he/she may be able to make up the deficiency and be eligible to receive his/her New York State aid in the following semester.

**Repeated Courses** - If the student repeats a course in which an acceptable passing grade has already been received, such a course cannot be considered in determining whether the academic progress or program pursuit requirements have been met. There are two exceptions to this rule:
1. If the passing grade received for a course is unacceptable in a particular curriculum (e.g., a student enrolled in the nursing program who receives less than a "C+" grade in a nursing course).
2. If the course can be taken more than once and credits earned each time toward the completion of a student’s degree program (e.g., NYC 290).

**Undecided Majors** - In addition to the academic progress and program pursuit requirements, students must have an approved major prior to the midpoint of their academic program. Students in a baccalaureate degree program must have an approved major prior to the first day of their junior year. Students in an associate degree program must have an approved major prior to the first day of their sophomore year.

**CAP Students** - CAP students must officially exit the CAP program and have an approved major by the aforementioned deadlines.

**Special Notes for Transfer and Readmitted Students** - Transfer students and students readmitted after an absence of at least one year from college are reviewed for satisfactory academic progress for New York State assistance on a somewhat different basis. While the student must meet the Program Pursuit Requirements based on the number of New York State award payments he/she has received, the Satisfactory Academic Progress requirements the student will have to meet may be based on either the number of state aid payment he/she has received or the number of transfer or readmit credits awarded upon admission to the University. Pace will place the student on the chart for satisfactory academic progress based on whichever placement is of greater benefit to the student.

**Accelerated Study TAP** - To qualify for Accelerated Study TAP, students must be enrolled in at least six credits and must have completed 24 credits in the prior two semesters (fall and spring) to receive payment for accelerated study during a summer term at Pace. This requirement does not apply if the student is enrolled full-time in the summer.

Waiver Provision: Exceptional Cases

A TAP recipient who does not make academic progress or Program Pursuit in a particular semester due to extraordinary circumstances (serious illness, death in the family, etc.) may request a one-time waiver of these requirements. A waiver can be used only once as an undergraduate student so its use must be carefully considered and timed. During the waiver semester, the student must make up any academic progress or program pursuit deficiency.

A waiver may be granted only when the following conditions are met:
1. Detailed documentation must be provided to verify the extraordinary circumstances. The documentation must include an explanation of how these circumstances resulted in the loss of good academic standing.
2. Based on the documentation and the student’s academic record, there must be a reasonable expectation that all future academic progress requirements will be met.

**Please note:** Successful appeals of academic standing with the dean of the student’s school or division at Pace and academic progress waivers granted by the Office of Student Financial Services for federal and/or institutional aid programs do not constitute a waiver of the good academic standing requirements of the New York State aid programs. In addition, documentation submitted to either the office of the academic dean or the Office of Student Financial Services to support an appeal of academic standing or academic progress is not shared with the TAP coordinator’s office. Students must submit such documentation separately when requesting a waiver of the good academic standing requirements of the New York State aid programs.

A student who believes he/she has grounds for a waiver of the good academic standing requirements of the New York State aid programs or who has any questions concerning his/her eligibility for New York State aid should contact the University TAP Certifying Officer or his/her assistants, at (877) OSA-1830.
Financial Aid Refund and Repayment Policy

When a student who is receiving financial aid withdraws from or drops classes for any reason, the resulting refund, credit, or cancellation of tuition, fees, dormitory charges, or meal plan charges must be credited first to the financial aid programs from which the student was receiving funds for that semester. The amount credited to each financial aid program is determined by the type of aid received, the number of credits the student had before and after the drop or withdrawal, the length of time the student was enrolled, and the amount of any adjustment to charges.

Please note that to officially withdraw from classes, a student must withdraw via the Web (www.pace.edu), or file for withdrawal with the Office of Student Assistance.

Federal Financial Aid Recipients Who Withdraw Below Six Credits

Federal Title IV financial aid includes: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Perkins Loan, Federal Direct Stafford Loans, and Federal Direct PLUS Loans (Parent Loans for Undergraduate Students or Graduate PLUS loans). For students who withdraw from all classes for a semester, federal regulations require that the Financial Aid Office perform the Return to Title IV Funds calculation.

If the student has withdrawn within the first 60 percent of the semester, the student is considered to have “earned” the portion of dispersible Title IV funds equal to the ratio of the number of days the student was enrolled to the number of days in the semester. The calculation will require the return of all federal aid that exceeds the “earned” portion. The amount of aid returned to each program is dictated by the federal calculation.

The Return to Title IV Funds calculation also determines the amount of awarded but not yet disbursed aid, if any, that can be credited to the student’s account. Students may not apply for additional federal aid after withdrawing from all classes. If a return of funds is required, it must be distributed to the various financial aid programs in the following order prescribed by law:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Loan (for parents or graduate students)
5. Federal Pell Grant
6. FSEOG (Federal Supplemental Educational Opportunity Grant)

Note that in certain circumstances a student may be required to repay a portion of a refund back to the federal government.

Federal Financial Aid Recipients Who Withdraw Below Six Credits – The procedure varies by program:

Federal Work Study - A student working under the FWS program, who drops or withdraws below six credits, must stop working immediately because he/she no longer meets the federal guidelines for FWS.

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG) - If a student receives a refund, credit, or cancellation of any institutional charges and FSEOG has been disbursed to the student’s account, an adjustment may be required as a result of the change in Cost of Attendance. If the grant has yet to be disbursed, eligibility may change.

Federal Perkins Loans, Direct Stafford Loans, and Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges and a loan has been disbursed to the student’s account, an adjustment may be required. If a loan has yet to be disbursed, loan eligibility may change. In addition, any undisbursed second disbursement of a Direct Stafford Loan or Direct PLUS Loan must be cancelled.

All Federal Aid - Students may not apply for or be awarded additional federal aid after withdrawing below six credits.

Federal financial aid recipients who drop below the level of enrollment for which the aid was originally awarded, but who remain enrolled for at least six credits - the procedure varies by program:

Pell Grant - A Pell Grant Award is determined by the student’s Effective Family Contribution and enrollment status. Pell awards may be adjusted for changes in enrollment that occur during the first 4 weeks of a semester.

Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Perkins Loans, Direct Stafford Loans, and Direct Plus Loans - If a student receives a refund, credit, or cancellation of any institutional charges an adjustment to these programs may be required to eliminate an over award.

Recipients of Pace University Scholarships and Grants Who Withdraw From Any Classes

If a student withdraws from any classes and receives a refund, credit, or cancellation of tuition, fees, dormitory charges or meal plan charges, any university aid the student has received that is applicable to the reduced charges will be adjusted if the withdrawal resulted in the student being enrolled in fewer than the minimum required number of credits for the type(s) of aid received. Most University scholarships and awards are applicable to tuition; other types of University aid are applicable to other combinations of charges. The amount of each type of aid reduced will equal the ratio of the reduced charges to the original charges.

Recipients of New York State TAP and Other State Grant Programs Who Withdraw

New York State regulations govern the reduction or cancellation of TAP in cases where students withdraw or
drop classes. New York State TAP and most other state grant programs are applicable only to tuition. If a student withdraws and receives a refund, credit, or cancellation of tuition and/or less, New York State awards must be reduced to ensure that the award amount does not exceed the remaining applicable charges. In addition, other adjustments may be necessary. The student should contact the University TAP coordinator regarding TAP and other New York State grant program refund requirements.

In all cases, students who are considering withdrawing from classes may call or visit the Financial Aid Office for further details or to discuss their particular situation.

Exit Counseling Guide for Federal Student Loan Borrowers

If you borrowed federal loans while attending Pace, Exit Counseling is required before you withdraw, graduate, or drop below part-time attendance. Exit counseling helps you understand your rights and responsibilities as a student loan borrower. Please view the Exit Counseling Guide for Federal Student Loan Borrowers for detailed information.

Frequently Asked Questions

Who is eligible to receive financial aid?

Financial aid is available to undergraduate and graduate students who have been accepted and enrolled as a matriculated students in a degree program at Pace University. Students must also be enrolled for at least 6 credits, making satisfactory academic progress, and file a Free Application for Federal Student Aid (FAFSA) to receive most types of financial aid.

International students are not eligible for federal financial aid, so will not be required to file a FAFSA. Non-degree seeking students are not eligible for federal, state or institutional aid, however they may apply for Alternative loans.

When should I apply for financial aid?

All students who wish to be considered for University administered loans, work study, and grants must file the Free Application for Federal Student Aid (FAFSA) with the federal processor. The priority deadline for filing the FAFSA is February 15th. Some types of aid will be unavailable to students who file after the priority deadline.

How do I apply for financial aid?

For institutional and federal aid, you must file the FAFSA. For more information, visit the FAFSA website at www.fafsa.ed.gov. If you are a New York State resident, you must file the FAFSA and also complete the Express TAP application. For more information, visit www.HESC.com.

What is Pace University’s Federal School Code?

In order to have your FAFSA information forwarded to Pace University for financial aid consideration, you will need to provide our school code. Our codes are: New York City Campus 002791; Pleasantville Campus 002792; White Plains Campus 002727.

Do I have to reapply for financial aid each year?

Yes, a FAFSA must be completed each year. Remember to file by February 15th for consideration for all types of aid.

Is my financial aid guaranteed for four years?

If your family circumstances remain unchanged, you maintain Satisfactory Academic Progress and all paperwork is completed in a timely manner, your financial aid package should be comparable for your four years here at Pace University. However, many factors affect your eligibility and the availability of aid. Please read the entire Financial Aid section of this catalog for more detailed information.

What Pace University Scholarships are available to me?

Eligibility for Pace University Scholarships is determined and awarded, based on your academic achievements, during the admissions process.

In addition, Pace University has limited endowed funds which have specific criteria associated with the awarding of funds. Please visit the Endowed Scholarship section under Scholarships and Grants on our Web site at www.pace.edu for more information.

How do outside scholarships change my financial aid?

The terms of the outside scholarship will determine if your financial aid needs to be adjusted. Please provide the Financial Aid Office with a copy of your outside scholarship award letter so that your financial aid package can be reviewed.

Am I eligible for loans?

All students, who file a FAFSA, are entitled to Federal Direct Stafford Loans IF they:

• Are matriculated in a degree program at Pace University
• Are enrolled for at least 6 credits per semester.
• Are U.S. Citizens or eligible non-citizens.
• Are making Satisfactory Academic Progress.
• Have not exceeded their aggregate limits.
• Have not defaulted on any prior student loans and do not owe a repayment on any federal grants.

How much can I take out in loans?

Your loan amounts are determined by your grade level/number of credits completed each year.

The loan amounts that Dependent students may take are:

<table>
<thead>
<tr>
<th>Level/Number of Credits Completed Each Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman (0-31 credits earned)</td>
<td>$5500/year (up to $3500/year may be in Subsidized loans)</td>
</tr>
<tr>
<td>Sophomore (32-63 credits earned)</td>
<td>$6500/year (up to $4500/year may be in Subsidized loans)</td>
</tr>
<tr>
<td>Junior (64-95 credits earned)</td>
<td>$7500/year (up to $5500/year may be in Subsidized loans)</td>
</tr>
</tbody>
</table>

For institutional and federal aid, you must file the FAFSA. For more information, visit the FAFSA website at www.fafsa.ed.gov. If you are a New York State resident, you must file the FAFSA and also complete the Express TAP application. For more information, visit www.HESC.com.
Subsidized loans

<td></td>
</tr>
</tbody>
</table>

Aggregate loan limit for independent undergraduate students is $57500 (maximum of $23,000 from Subsidized loans)

**What is a parent PLUS loan?**

Parents of dependent undergraduate students are eligible to assist in financing their child’s education by obtaining a federal parent loan. This is a low interest educational loan where repayment begins 60 days after the second disbursement of the loan, or the loan repayment may be deferred based on a student’s half-time enrollment. Parents are eligible to borrow the difference between the cost of attendance and the student’s other financial aid.

**How do I sign the promissory note for a Federal Direct Stafford loan?**

A Master Promissory Note can be completed electronically at www.studentloans.gov.

**Where can I complete my entrance/exit counseling session?**

You may complete this federal requirement online at www.studentloans.gov.

College of Health Professions/Lienhard School of Nursing

A Message from the Dean of the College of Health Professions

Welcome to the Lienhard School of Nursing

Thank you for your interest in the Pace University Lienhard School of Nursing (LSN) in the College of Health Professions. We are more than 47 years old, and have many distinguished programs, faculty, and services that will give you a great start to beginning and advanced nursing practice. The Lienhard School of Nursing dedicates itself to the long standing commitment of Pace University to Opportunitas.

The need for well-educated, highly skilled nurses has never been greater. The profession of nursing needs people who are dedicated to providing health care to people from diverse backgrounds, at all ages and stages of life, and to a second area of need, preparation of nursing faculty. Based on our long and rich history of educating nurses, you can be confident that the Lienhard School of Nursing will prepare you for positions of responsibility in all areas of health care and nursing education.

Set within urban and suburban settings, the Lienhard School of Nursing partners with many well-known primary, acute, and tertiary care facilities and community agencies to foster human growth and dignity, and provide primary health care. We are committed to helping individuals, families, and communities at local, national, and international levels that strive to meet health care demands now and in the future. Our vision is to be a leader in innovation and excellence in education, research, and practice in primary health care.

We consider teaching and learning our highest priorities, and are committed to the integration of scholarship and practice. Our graduates have the competitive edge through our focus on highly developed clinical skills and critical thinking, evidence-based practice, cultural competence, and leadership. Our primary health care focus is intended to promote improved health outcomes for clients.

Lienhard School of Nursing programs consist of the: 4-year BS, iPace Baccalaureate Completion Program for RNs, Combined Degree Program (CDP) for non-nurse college graduates, MS/Family Nurse Practitioner (FNP), MA in Nursing Education (NE), and the Doctor of Nursing Practice (DNP). The FNP and NE program specialties offer Certificates of Advanced Graduate Studies (CAGS). The CDP and the FNP are offered in PLV and NYC. The 4-year BS is offered only in PLV, the DNP is offered only in NYC, and NE is offered in a blended online and in-class format.

For more than 47 years, we have been educating practitioners to deliver health care to individuals and families. Our Masters programs are nationally ranked, and our DNP program prepares nurses for the most advanced level of clinical practice.

Our faculty is made up of excellent teachers and clinicians who partner with New York’s premier hospitals and health care organizations to share their expertise while creating unparalleled clinical experiences for Lienhard students. Students are immersed in evidence-based practice throughout their program. As a result, our graduates are prepared to be leaders in both academic and health care settings. Pace will help you work toward the greatness within you.

I wish all the best for you and for your future. Please let us know how we can assist you in understanding nursing as a profession or the Lienhard School of Nursing as a vital part of Pace University.

Sincerely,

Harriet R. Feldman, PhD, RN, FAAN
Dean
College of Health Professions

Vision, Mission, and Philosophy: College of Health Professions and School of Nursing

Vision of the College of Health Professions
The College’s vision is innovative leadership in education, practice, and scholarship for the health professions.

Mission of the College of Health Professions
The mission of the College of Health Professions is to educate and challenge students for the health professions to be innovators and leaders who will positively impact global health care.

Vision of Lienhard School of Nursing
The Lienhard School of Nursing will be a leader in innovation and excellence in education, research, and practice in primary health care.

Mission of Lienhard School of Nursing
The Lienhard School of Nursing is dedicated to offering access and opportunity for qualified individuals of diverse backgrounds, talents, interests, experiences, cultures, and origins to pursue careers within the profession of nursing. As a School set within culturally diverse urban and suburban settings, the Lienhard School of Nursing through
community partnerships fosters human growth and dignity and provides primary health care. Faithful to the Pace University motto, "Opportunitas," the School of Nursing is dedicated to and supports commitment to individuals, families, and communities at local, national, international and global levels to meet current and future health care needs. Essential qualities embodied in nursing education at the Lienhard School of Nursing include: the liberal arts and sciences as integral foundations; nursing theory, evidence-based practice, and research as the core body of knowledge; communication, critical thinking, cultural competence, and technological competence as essential skills; and moral and ethical decision making as values to provide society with professionally prepared nurse leaders. The School provides student-centered learning experiences that foster civic, social, and professional responsibility to embrace the challenges of the future. In keeping with our vision, our mission is to continue excellence in teaching, scholarship, practice, and service to prepare graduates to be nursing leaders in health care in the 21st century.

**Philosophy**
We believe nursing, informed by its rich legacy, is a dynamic, caring art and science that, through intention, facilitates health, healing, and comfort for individuals, families, groups, and communities, locally, nationally, internationally, and globally. We prepare nurses who provide holistic, relationship-centered care within a framework of primary health care in an evolving information age. As life-long learners, nurses participate in an interactive teaching-learning process; develop a strong sense of self-awareness and reflective thinking, and a spirit of inquiry; demonstrate cultural competence; and communicate their ideas effectively. We graduate professionals who practice in an ethical, legal, and socially responsible manner. The Lienhard School of Nursing baccalaureate curricula are process-oriented, providing a broad foundational base for entry into professional nursing practice. The master's and doctoral curricula provide the depth and breadth of advanced knowledge and skills necessary for practice and advanced clinical leadership, respectively, in primary health care settings.

LSN mission, vision and Philosophy accepted by the LSN Faculty Association, August 26, 2008.

**Lienhard Approach to Nursing**
The centrality of the liberal arts and sciences. The balance of theory with practice. The development of moral and ethical values as a basis for critical thinking and accountability. These qualities characterize the Lienhard approach to nursing.

**Goals of the Lienhard School of Nursing**

• To produce competent practitioners of nursing, consistent with professional standards, the mission of Pace University and mission and philosophy of Lienhard School of Nursing.

• To provide a quality education within urban and suburban settings to serve diverse communities.

• To provide an environment that fosters teaching, learning and scholarship.

• To prepare nurses who will provide leadership in addressing the future challenges of global healthcare.

Accepted by the LSN Faculty Association, August 26, 2008.

**Expected Student Learning Outcomes of the Baccalaureate Program**

Students are expected to achieve the following characteristics and attributes by the completion of their program:

Within the framework of primary health care and consistent with professional standards, the student will be able to:

1. Demonstrate critical thinking in the use of the nursing process.
2. Provide culturally competent relationship-centered care to individuals, families, groups and the community.
3. Provide comprehensive and technologically competent care to clients.
4. Integrate concepts of communication, holism, health promotion, and disease prevention in the delivery of care.
5. Establish community partnerships promoting health from a local through global perspective.
6. Apply nursing theory and research in an evidence-based approach to nursing practice.
7. Demonstrate accountability for the legal and ethical principles of professional nursing practice in a socially responsible manner.
8. Perform entry-level nursing leadership behaviors within the health care system.

Revised September 1, 2011

**Accreditation and Affiliations, Lienhard School of Nursing**

All Lienhard School of Nursing undergraduate and graduate programs are approved by the New York State Education Department. The baccalaureate and masters programs are fully accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036 (202) 887-6791. Prospective nursing students should be aware that admission to the Lienhard School of Nursing is competitive and class size is limited. Early application is strongly encouraged.

The Lienhard School of Nursing is named for the late Gustav O. Lienhard, Pace alumnus and honorary trustee of the University. Nursing was first established at Pace in 1966 with the introduction of a pre-professional program at the Pleasantville campus. By 1971, nursing was offered at the New York City campus and the Undergraduate School of Nursing was founded. Responding to community needs, the first professional Bachelor of Science nursing program
was established in 1973. At the same time, the Graduate School of Nursing, formerly associated with the New York Medical College, became an official school of the University. In keeping with the current organizational structure of the various schools within the University, the Graduate and Undergraduate Schools of Nursing were unified in 1979 into the Lienhard School of Nursing.

The College of Health Professions was established in 2010 in an effort to showcase the breadth of health professions majors at Pace University. The College is made up of the Lienhard School of Nursing and the Pace University-Lenox Hill Hospital Physician Assistant Studies Program.

The Lienhard School of Nursing offers the Bachelor of Science degree, designed to prepare students for careers in professional nursing. Graduates of the program are prepared as generalists in the profession, capable of assuming beginning positions in nursing in all areas of health care delivery. The traditional four-year program (BS) is offered on the Pleasantville campus only. The Combined Degree Program (BSN/ MS) is designed for the college graduate with a bachelor's degree in an area other than nursing. After 15 credits of science prerequisites are met, the BSN portion can be completed in one or two calendar years. The BSN portion of the program is offered on the New York City and Pleasantville campuses. Graduates of these two programs are eligible for the National Council Licensure Examination for Registered Nurses (NCLEX/RN).

The Department of Graduate Studies offers advanced specialization in nursing. The purpose of the master's program is to prepare nurses to practice as family nurse practitioners or nursing educators. The master's degree provides the student with a foundation for doctoral study in nursing. The Department of Graduate Studies also offers the Certificate of Advanced Graduate Study and a special Bridge Program for the nurse with a bachelor's degree in a field other than nursing (NUR 589). Consult the College of Health Professions Graduate Catalog for additional information. The Family Nurse Practitioner and Master of Arts in Nursing Education programs are offered on both the New York City and Pleasantville campuses. The Department of Graduate Studies also offers the Doctorate of Nursing Practice (DNP) program, grounded in more than 40 years of expertise of the Lienhard School of Nursing in educating primary care advanced practice family nurse practitioners (FNPs). The DNP program prepares advanced practice nurses to provide dynamic clinical leadership through culturally competent, evidence based practices and clinical innovations directed at improving health quality. For further information on the DNP visit www.pace.edu/lienhard.

Designed to prepare students for careers in the health care system, all the nursing programs combine academic education with supervised clinical experience in hospitals and community agencies. Students are encouraged to take full advantage of the educational opportunities available to them as members of the University community.

Joanne Singleton, PhD, RN, FNP
Professor, Chair of the Department of Graduate Studies and Director, Doctor of Nursing Program

Karen 'Toby' Haghenbeck, PhD, RN
Assistant Professor and Program Director, RN4

Sharon Wexler, PhD, RN
Assistant Professor and Program Director, CDP

Lucille Ferrara, EdD, RN
Assistant Professor and Program Director, FNP

Marie Truglio-Londrigan, PhD, RN
Professor and Program Director, Nursing Education

Audrey Hoover, MS, RN, FNP
Director, University Healthcare

Sophie R. Kaufman, MBA
Executive Director, ALPS -- the Center of Excellence, Advancing Leadership, Partnerships, and Scholarship

Stacie Cignarale
Director, Budget/Administration

Tiffany Friedman, MS Ed
Academic Services Coordinator

Sharon Lewis
Director of Communications

Faculty

About College of Health Professions Faculty

- Accomplished practitioners and nationally/internationally renowned scholars
- All tenure track faculty members hold doctoral degrees.
- Lienhard faculty are talented teachers, many of whom maintain clinical practices while teaching
- Many faculty are in leadership positions in national professional organizations
- Four are Fellows of the American Academy of Nursing, among a distinguished field of only 1,500 top nursing leaders within America’s 2.9 million nurses.
- Three are also Fellows in the National Academies of Practice, the only interdisciplinary group of health care practitioners dedicated to addressing the problems of health care. The Active membership of each Academy is limited to 150.
- One is a Fellow in the American College of Critical Care Medicine. The prestigious designation of Fellow of the American College of Critical Care Medicine (FCCM)
honors practitioners, researchers, administrators and educators who have made outstanding contributions to the collaborative field of critical care. The College is comprised of nurses, respiratory therapists, physicians and other healthcare professionals who are all experts in their fields.

• One is a Fellow in the New York Academy of Medicine (NYAM), one of the nation’s oldest medical academies. Founded in 1847, NYAM is an effective advocate in public health reform and a major center for health education.

Nursing Faculty

Stephanie B. Allen, Assistant Professor; BSN, Norwich University, Northfield VT; MSN (Nursing & Healthcare Administration) and MS (Management), University of Florida, Gainesville; PhD, the University of South Carolina, Columbia

Elizabeth Berro, Clinical Instructor; Diploma, Presbyterian Hospital School of Nursing; BSN, Queens College; MA in Nursing Education, New York University

Marie Lourdes Charles, Clinical Instructor; BSN, Hunter College-Bellevue School of Nursing; MA in Nursing Education, Pace University

Winifred Connerton, Assistant Professor; BA (Women’s Studies), Mount Holyoke College; BSN, Columbia University; MSN, the University of California, San Francisco; PhD in nursing history, University of Pennsylvania; Certificate of Midwifery, the University of California, San Diego

Lin Drury, Associate Professor; AS, Vincennes University; BSN, Purdue University; MS, Indiana State University; MS, St. Xavier University; PhD, Rush University

David Ekstrom, Associate Professor; BA, Oberlin College; BSN, Columbia University; MA, New York University; PhD, New York University

Carol Epstein, Associate Professor; Diploma, Mt. Sinai Hospital School of Nursing; BA, Cornell University; BSN, Ursuline College; MSN, PhD, Case Western Reserve University

Nancy Fazio, Clinical Instructor; Diploma, Westchester School of Nursing; BSN, Adelphi University; MSN, Hunter College

Lucille Ferrara, Assistant Professor; RN, Misericordia Hospital School of Nursing, Bronx, New York; BSN (Nursing), University of the State of New York - Albany; MS (Family Primary Care), Pace University; MBA (Organizational Behavior), Iona College, New Rochelle; Ed.D (Doctor of Education in Educational Leadership), the University of Phoenix, Phoenix, AZ.

Susan Gordon, Professor; BSN, Columbia University; Graduate Public Health Services in Norway Program, University of Oslo; MEd, Columbia University; EdD, Columbia University; CAGS, Pace University

Martha Greenberg, Associate Professor, Chair of the Department of Undergraduate Studies; Diploma Nursing, Burbank Hospital; BSN, Syracuse University; MSN, Hunter College; PhD, New York University

Catherine Hagerty, Clinical Assistant Professor; BSN and MA in Nursing, NYU

Karen (Toby) Haghenbeck, Assistant Professor; RN, Kingston Hospital School of Nursing; BS, MS, Pace University; Certificate of Advanced Graduate Studies (Family Nurse Practitioner), Pace University; PhD, Adelphi University

Ann Hatcher-Grove, Clinical Instructor; BS, New York University; MA, New York University

Martha Kelly, Assistant Professor; Diploma, Albany Medical Center School of Nursing; BS, Mount St. Mary College; MS, Russell Sage College; EdD, Florida Atlantic University

Joanne Knoesel, Clinical Instructor; AAS, Niagara County Community College; BS, Hunter College; MSN, New York University

Sandra Lewenson, Professor; BS, Hunter College-Bellevue School of Nursing; MS, Mercy College; MEd, EdD, Teachers College, Columbia University

Christina Marai, Clinical Instructor; BS (Nursing); MA in Nursing Education, Pace University

Margaret McCarthy, Clinical Instructor; BSN, Binghamton University; MA, Adelphi University; MS, Pace University

Renee McLeod-Sordjan, Clinical Assistant Professor; BSN, MS, DNP, Pace University

Angela Northrup, Clinical Assistant Professor; BA (Anthropology), Brooklyn College CUNY; BS in Nursing, SUNY Downstate; Family Nurse Practitioner Master’s, Pace University

Lakeisha Nicholls, Clinical Instructor, Bachelor of Science in Nursing, Pace University; Master of Arts: Advanced Practice Nursing in Pediatrics (with a minor in Nursing Education), New York University

Esma D. Paljevic, Assistant Professor; BSN, Mercy College; MA (Advanced Practice Pediatric Nursing), NYU; EdD, St. John Fisher/College of New Rochelle

Lillie Shortridge-Baggett, Professor; BS, Berea College; Med. Teachers College Columbia University; EdD, Teachers College Columbia University; The Robert Wood Johnson Foundation Nurse Faculty Fellowship in Primary Care Research, Practice, and Education; Certificates in Family Therapy, Center for Family Learning

Joanne Singleton, Professor; Chair of the Department of Graduate Studies; Director, Doctor of Nursing Program; Diploma, St. Clare’s Hospital of Nursing; BA, Marymount Manhattan College; MA, The New School for Social Research; BSN, Regents College, The University of the State of New York; PhD, and post Master’s FNP, Adelphi University

Andrea Sonenberg, Assistant Professor; BA, Biology/Neurobiology and Behavior, Cornell University; BS (Nursing), Syracuse University; MS (Nursing), Georgetown University; DNSc, Columbia University
Shirlee Ann Stokes, Professor Emeritus; Diploma (Nursing), St. Luke School of Nursing; BSN (Nursing) and MS (Teaching), Ohio State University School of Nursing; EdD and M.Ed (both Curriculum & Teaching), Columbia University Teachers College

Marie Truglio-Londrigan, Professor; BA, Lehman College; MSN, Seton Hall; PhD, Adelphi University

Sharon Wexler, Assistant Professor; BS in Nursing, Simmons College; MA Nursing, New York University; PhD in Research and Theory Development in Nursing Science, New York University

Adjunct Nursing Faculty

Sharon Aboulafia Oken, Adjunct Associate Professor; BSN, Buffalo University; MSN, Hunter CUNY

Karen Ballard, Adjunct Associate Professor; BSN, Niagara University; MA, New York University

Kathleen Barrett, Adjunct Assistant Professor; BSN, Mercy College; MS, Pace University

Joanne Bartosch, Adjunct Assistant Professor; BSN, MA, Pace University

Cheryl Burke, Adjunct Assistant Professor; BSN, MS, Pace University; MBA, Long Island University

Maureen Cooney, Adjunct Assistant Professor; AAS, Dutchess Community College; BS, MS, Pace University

Judith P. DeBlasio, Adjunct Associate Professor; BSN, Mercy College, MSN, Pace University

Jennifer Delgado, Clinical Practice Educator; BSN, Pace University; MS, Pace University

Jane Dolan, Adjunct Assistant Professor; BSN, Villanova University; MSN, Hunter Dominican College

Jane Elber, Adjunct Instructor; AND, Westchester Community College; BSN Dominican College

Marie Elms, Adjunct Assistant Professor; BS, Villanova University; MS, Pace University

Marilyn Fishman, Adjunct Instructor; AAS, Rockland Community College; BSN, Dominican College; MPA, C.W. Post

Aileen Fitzpatrick, Adjunct Instructor; BA Queens College; BSN, MS, Pace University

Mary Freiler, Adjunct Instructor; BSN, Jersey City State College; MSN, Hunter College

Alisha Fuller, Assistant Professor; BSN, Mt. St. Mary’s College; MSN, Pace University

Edna Glassman-Lackow, Adjunct Instructor; BSN, Fairleigh Dickinson University; MNA, Mercy College

Donna Kleinberger, Adjunct Instructor; AAS, BSN, MA, Pace University

Ruth Konschak, Adjunct Clinical Instructor; BS, Marymount College; BS, MPA, Pace University

Deborah Kroll, Adjunct Associate Professor; BSN, MSN, University of Kentucky

Jared Kutzin, Adjunct Assistant Professor; BS, Hofstra University; BS, Columbia University, MSPH, Boston University; DNP, University of Massachusetts

Sheree Loftus, Adjunct Assistant Professor; AS, Lasell College; BS, Worcester State College; MSN, Anna Maria College; GNP, Cornell University Medical College; PhD, University of Massachusetts

Maureen Lynch, Adjunct Instructor; BS, Dominican College; MPA, Long Island University

Kerry Maleska, Adjunct Assistant Professor; BSN, College of New Rochelle; MSN, Columbia University

Yanick Martelly-Kebreau, Adjunct Clinical Assistant Professor; AAS, Queensborough Community College; BSN, Hunter College; MSN, University of Phoenix Online; MD, Anderson University

Joanna Mikhail-Powe, Adjunct Clinical Instructor; BSN, Pace University; MS, Pace University

Amy Ma, Adjunct Assistant Professor; AS, Kishwaukee College; BS, MS, Eastern China Institute of Chemical Technology; MS, Medical University of South Carolina; DNP, Case Western Reserve University

Mary McDonald, Adjunct Clinical Instructor; AS, Westchester Community College; BSN, Pace University; MSN, College of Mount St. Vincent

Rose Moran-Kelly, Adjunct Assistant Professor; BS, CW Post of LIU; MS, SAGE

Noreen Mulvanerty, Adjunct Assistant Professor; BSN, SUNY Brooklyn; MSN, SUNY Brooklyn

Jessy Paul, Adjunct Clinical Assistant Professor; BSN, University of Delhi; MSN, Mercy College

Anne Purdy, Adjunct Clinical Instructor; BS, Mercy College; MS, Pace University

Michael Radosta, Adjunct Clinical Instructor; BS, Fordham University; MA, Iona College; BSN, College of New Rochelle; MS, New York University

Nirmala Raju, Adjunct Clinical Instructor; BS, All India Institute of Medical Sciences; MS, Iona College

Leighsa Sharoff, Adjunct Clinical Professor; BS, All India Institute of Medical Sciences; MS, Iona College

Susan Sharoff, Adjunct Clinical Professor; BS, Adelphi University; MSN, Hunter College School of Nursing

Susan Roberti, Adjunct Clinical Assistant Professor; BSN, College of New Rochelle; MS, Iona College; MSN, DNP, Case Western Reserve University

Mary Skelly-Noto, Adjunct Clinical Assistant Professor; AAS, BS, MS, Pace University

Susan Spadafino, Adjunct Instructor; BS, Pace University; MS, Pace University

Margaret Travis-Dinkins, Adjunct Clinical Instructor; BSN, Mount Saint Mary College, MSN, Walden University
Susan Vrana-Koski, Adjunct Clinical Instructor; BSN, Georgetown University School of Nursing; MPH, Columbia University
Kathleen Widas, Adjunct Instructor; AAS, Dutchess Community College; BSN, MPA, Pace University
Marsha Williamson, Adjunct Clinical Instructor; BS, College of Mount St. Vincent; MS, Hunter College
Rosemary Weingarten, Adjunct Assistant Professor; BSN, MSN, Pace University
Fay Wrigght, Clinical Practice Educator; BS, University of Michigan School of Nursing; MS, University of Michigan Rackham Graduate School
Elsa Wuhrman, Adjunct Assistant Professor; BSN, Hunter College; MS, SUNY Stony Brook

Professors Emeriti, Lienhard School of Nursing
Blagman, Patricia, Professor Emerita; BS, MEd, EdD, Teachers College, Columbia University
Calace-Mottola, Janet, Professor Emerita; BS, Syracuse University; MA, Teachers College, Columbia University
Carmody, Cathleen, Professor Emerita; BSN, New York University; MEd, St. John’s University; MS, Fordham University; EdD, Teachers College, Columbia University
DeVincenzo, Doris, Professor Emerita; BS, MA, PhD, New York University
Gariepy, Dolores, Professor Emerita; MS, Hunter College; MA, New York University
Hart, Elizabeth, Professor Emerita; BA, Hunter College; M. Ed, Columbia University; M.S. Ed. Pace University
Hiestand, Wanda, Professor Emerita; BS, MEd, EdD, Teachers College, Columbia University
Jaffe-Ruiz, Marilyn, Professor Emerita; Diploma, Mount Sinai Hospital School of Nursing; BA, Jersey City State College; MA, New York University; MEd, Teachers College, Columbia University; EdD, Teachers College, Columbia University
Khanna, Suwersh K., Professor Emerita; BS, BA, Punjab University; MEd, EdD, Teachers College, Columbia University
Kosten, Patricia, Professor Emerita; BSN, Seton Hall University; MA, St. Mary’s College; MEd, EdD, Teachers College, Columbia University
Landa, Jeannette, Professor Emerita; BS, MA, New York University
Leeser, Ilse, Professor Emerita; BS, MA, MEd, Teachers College, Columbia University; PhD, New York University
Nebens, Irene A., Professor Emerita; BSN, University of Maryland; MA, Teachers College, Columbia University
Nurena, Mary, Professor Emerita; BS, University of Bridgeport; MA, New York University
O’Day, Veronica, Professor Emerita; BSN, New York University; MS, Hunter College; PhD, New York University
Pell, Ruth K., Dean Emerita; BS, MA, Columbia University
Reilly, Alice L., Professor Emerita; BS, University of Washington; MA, Columbia University
Scharf Kohn, Paula, Professor Emerita; Diploma, Beth Israel Medical Center; BA Brooklyn College, CUNY; MA, New York University; PhD, New York University
Stokes, Shirlee, Professor Emerita; Diploma, St. Luke School of Nursing; BSN, The Ohio State University School of Nursing; MS, The Ohio State University School of Nursing; MEd, Columbia University Teachers College; EdD, Columbia University Teachers College

**Advancing Leadership, Partnerships, and Scholarship (ALPS)**

**CHP’s Vision**

The College of Health Professions will be a leader in innovation and excellence in education, research and practice in primary health care.

**Center’s Mission**

In keeping with the College’s vision, the Center is dedicated to supporting the academic mission of the College through external funding, facilitation of faculty scholarship, student opportunities, partnerships, and leadership development.

The Center provides opportunities for faculty to develop their scholarship in education, research and practice through a variety of partnerships at the local, national and international levels, and access to internal and external funding.

The Center facilitates student-centered learning experiences that further enhance the high quality professional education of College of Health Professions students to prepare them to embrace the professional challenges in health care in the 21st Century. The Center promotes leadership development in nursing and health care.

**Services at a Glance**

**Student Opportunities**

- Financial support: scholarships, awards, graduate assistantships
- Professional experiences: graduate assistantships, sponsorship to attend conferences
- International student exchanges: travel courses, summer school, independent studies, Fulbright programs

**Faculty Opportunities**

- Consultation to support faculty research trajectories through internal and external funding
- Grant writing and submission
- Award disbursement and project management assistance

---

**College of Health Professions Centers**

The College of Health Professions has two centers that support the academic mission of the College:

- ALPS (Advancing Leadership, Partnerships, and Scholarship), the College of Health Professions’ Center
• Graduate assistants to support teaching, research, and special projects
• International opportunities, research collaboration, lectures, conferences, and international organization memberships
• Technology resources

External Funding
• Grants management: pre- to post-award
• Endowments: faculty and student awards
• Development of funding strategies

Leadership
• Leadership development programs
• Coordination with internal and external partners
• Workshops, lectures, conferences

Partnerships
• Program and research collaboration
• Collaborative grant applications
• Consulting opportunities
• Lectures, workshops
• Contracts
• Lienhard School of Nursing Advisory Board
• International exchanges
• Community outreach

University Health Care

University Health Care (UHC) was the first nurse-managed primary care center in an academic institution implemented through a school of nursing. Others have used it as a model, nationally and internationally.

A full range of primary health care services are offered to Pace University students, faculty, staff, alumni, and their families. UHC is staffed by advanced practice nurses with physician consultants. UHC provides a needed service to the Pace community while also providing nursing students excellent clinical experiences.

The University Health Care Fee covers UHC office visit co-pays for sickness and accident visits. Wellness visits, preventive services, diagnostic tests and procedures may incur additional charges. UHC is able to bill your insurance directly.

Services available for students, faculty, staff, alumni, and their families include:
• health education
• health assessment with complete physical examinations
• women's health care
• diagnosis and treatment of illnesses such as sore throat, cough or other infections
• first aid for minor injuries
• management of chronic health problems such as high blood pressure.

Nursing Honor Society

Zeta Omega, Westchester/Rockland at-large Chapter, Sigma Theta Tau International is the Honor Society of Nursing. The purposes of Sigma Theta Tau are to recognize the development of leadership qualities; foster high professional standards; encourage creative work and strengthen commitment on the part of individuals to the ideas and purposes of the profession of nursing.

The Lienhard School of Nursing is part of the Zeta Omega Westchester/Rockland at-Large Chapter, which is composed of a consortium of nursing programs at the College of New Rochelle, Dominican College, Mercy College, and Pace University. Candidates for membership are selected on the basis of superior scholastic achievement. Undergraduates halfway through the program, in the upper 35% of their class, or graduate students a quarter of the way through the Master's program, with a 3.5 CQPA or higher are eligible. Outstanding community leaders in nursing are also eligible. Student standing is reviewed by the individual school's chapter Faculty Counselor and eligible students are invited in writing to consider membership.

For further information, contact Karen "Toby" Haghenbeck at khaghenbeck@pace.edu.

For further information on Sigma Theta Tau International, go to their web page at www.nursingsociety.org.

Admission Requirements

Four-Year BS Program (RN4)

Admission to the four-year bachelor's of science program is competitive. Applicants must be graduates of an approved secondary school with a minimum of 16 academic units including four years of English, three to four years of history/social science, three to four years of college preparatory mathematics, two years of lab science, and two years of foreign language. A high school chemistry course is strongly recommended. A High School Equivalency Diploma, with satisfactory scores, may also be accepted. Applicants must submit satisfactory scores from the Scholastic Aptitude Tests of the College Entrance Examination Board, a recommendation from a school counselor and/or teacher, and a personal statement or essay. All regular admits (without previous experience) in writing to consider membership.

(1) Minimum CQPA of 2.75 is needed to enter and continue in the nursing major; and (2) Successful completion of the following: 6 credits of English and Speech/Com (any combination), Biology 152 and Biology 153 (a grade of C or higher is required), University 101, Nursing 110, Introduction to Psychology, and any remedial work that is required based on performance on placement exams.
All transfer students and Pace University students wishing to change their major to nursing must meet the following criteria in order to be admitted to the nursing major: a minimum CQPA of 3.0, satisfactory scores on the standardized nursing entrance program and successful completion of prerequisite courses needed to enroll in sophomore level nursing courses. Transfer applicants who have been academically successful in their nursing studies at another institution and wish to transfer to Pace LSN must provide letters of reference from a nursing faculty member and the dean/director of the schools they attended and these must be reviewed by the Department of Undergraduate Studies chairperson prior to acceptance of the student. Transfer applicants who have failed a nursing course at another institution will not be eligible for admission. Transfer students with 25 or more credits may be eligible to combine the first and second level nursing courses according to advisement by the Department of Undergraduate Studies Chairperson.

Students admitted to Pace University who enroll in the Lienhard School of Nursing must submit a completed and approved Health Clearance Form, an Illness and Immunization Record, and current Professional Provider CPR certification, criminal background check and drug testing results approximately four weeks prior to the first clinical nursing course as described in the Health Requirements (p. 120) section and in the Lienhard School of Nursing Student Handbook.

**Combined Degree Program**

Admission to the Combined Degree Program, BSN/MS (for non-nurse college graduates) is through the Graduate Admission Office. Applicants must show satisfactory achievement in previous undergraduate work. Students must meet all entrance requirements of the Department of Graduate Studies (see College of Health Professions Graduate Catalog for admission requirements and course sequence). The BSN portion of the Combined Degree Program is an accelerated curriculum. Students must maintain a CQPA of 3.0 for progression in and graduation from the program. Following the completion of the baccalaureate (BSN) portion, students are eligible to take the NCLEX-RN to become registered nurses.

Admission to the CDP program is highly competitive.

- The preferred application deadline for January entry is September 1; the final deadline for January entry is October 15. The preferred application deadline for September entry is March 1; the final deadline for September entry is April 15.
- Class size is limited to a maximum of 64 students per class. Applications will be processed on a space available basis until the 64 seats are filled.
- Students who previously failed a nursing course or who were academically dismissed from a nursing program are not eligible for admission to the CDP.
- Admission of students who have attended other nursing programs (without failing a class or being academically dismissed) will be considered on a case by case basis. These students may be required to provide additional application materials e.g., letter(s) of reference from didactic and clinical faculty.
- The CDP is an intensive, rigorous program, so students must plan to consistently study to be successful. The full time program requires students to dedicate as many as 36 hours of weekly class and clinical hours not including study hours. We encourage students to think about personal and professional commitments and the significant amount of time necessary to devote to the program on a daily basis. Students taking 12 or more credits (one and two year programs) should not work.
- CDP applications are not reviewed until all pre-requisites have been completed. Applications will not be considered for admission until all required documents have been submitted to the Admission Office.

For more information and updates, please see http://www.pace.edu/lienhard/combined-degree.

**iPace RN/BS Completion Program**

Admission to the RN/BS track of the baccalaureate program is competitive. Minimum requirements include scholastic achievement as evidenced by prior academic performance, graduation from an associate degree or diploma nursing program and licensure (or near licensure).

- Students should have a completed Associates degree in Nursing, diploma in nursing, or RN license (which is equivalent to 43 credits).
- Students should have a minimum GPA of 2.75 for admission to the BS in Nursing.
- Students with less than the preferred minimum GPA may be asked to interview or provide a writing sample.
- Applicants for the BS in Nursing are required to provide a resume and two professional references on the application. Applicants are also required to provide their high school transcripts and a copy of their diplomas after admission.
- Graduates of foreign nursing programs must have TOEFL and transcript evaluation.
- Students should have the following pre-requisite courses and/or competency in the subject matter: ENG 110 OR ENG 120 Composition, Computer Information Systems (or CIS 101, CS 109, CS 121, or TS 105); BIO 152 Anatomy and Physiology I; BIO 153 Anatomy & Physiology II; PSY Intro to Psych. Competency is demonstrated by a grade of C or better. Competency may also be demonstrated through CLEP or Pace Experiential Learning.

**Transfer Credits (RN 4 Program and iPace RN/BS Completion Program)**
Students may transfer up to 96 credits from a four-year college (or 68 from a two-year college) into the baccalaureate nursing program. At least one half of the nursing credits must be completed at Pace. Transfer credits may be awarded for approved courses taken at other universities in which a grade of C or better was earned or for successful completion of external examinations. The list of external examinations and equivalent courses may be obtained from the Office of Admission. Nursing students may receive credit for science courses taken at other institutions provided they are equivalent to Pace University courses and have been completed within the past seven years. Situations which involve science courses taken more than seven years ago, but no more than 10 years ago, must be reviewed by the appropriate science department chairperson before transfer credit will be granted. Science courses taken more than 10 years ago may not be transferred into nursing programs at Pace University.

Placement Examinations
All new and transfer students and students changing their major to the RN4 track must adhere to the University Placement Examinations policy. Students who need remedial courses must take the remedial courses as either pre- or co-requisite with the first nursing course. All remedial work must be completed successfully before beginning the first clinical nursing course.

Curriculum Information

RN-4, BS

(PLV)*

Year One
RN-4 First Semester Fall
UNV 101  First-Year Seminar: Introduction to University Community  1
PSY 112  Introduction to Psychology  4
CHE 101  Introduction to Chemistry I  3
Core (3)  9

University 101 does not count toward the 60 credit University core requirement.

RN-4 Second Semester Spring
NUR 110  Essentials of Professional Nursing  2
BIO 152  Anatomy and Physiology I  4
Core (3)  9

All students are encouraged to take the required learning community courses in the freshman year.

Year Two
RN-4 First Semester Fall
BIO 153  Anatomy and Physiology II  4
NURS 202  Fundamentals of Nursing Practice  4
NURS 212  Professional and Therapeutic Communication  3
Core (2)  6

Core: AOK 1 Recommended

RN-4 Second Semester Spring
BIO 254  Basic Microbiology  4
NURS 250  Gerontological Nursing  4
NURS 258  Psychiatric and Mental Health Nursing  4
MAT 141  Introductory Statistics for the Life Sciences  4

Year Three
RN-4 First Semester Fall
NURS 360  Medical Surgical Nursing: Foundations  5
NURS 350  Child Health Nursing  5
or
NURS 340  Women's Health, Maternal and Newborn Nursing  5
NURS 320  Pathophysiology: Study of Foundational Systems  2
NURS 298  Evidence-Based Practice and Nursing Research or Core  3

RN-4 Second Semester Spring
NURS 330  Pharmacology  3
NURS 380  Adult Nursing: Acute and Chronic Care  5
NURS 350  Child Health Nursing  5
or
NURS 340  Women's Health, Maternal and Newborn Nursing  5
NURS 370  Pathophysiology: Study of Complex Systems  2
NURS 298  Evidence-Based Practice and Nursing Research or Core  3

Year Four
RN-4 First Semester Fall
NURS 470  Advanced Nursing Care of Patients with Complex Illness  4
NURS 476  Community and Environmental Health Nursing  4
NURS 474  Leadership and Management  4
NURS 478  Ethics and Excellence in Nursing  2
CORE (2)  6

RN-4 Second Semester Spring
NURS 470  Advanced Nursing Care of Patients with Complex Illness  4
NURS 476  Community and Environmental Health Nursing  4
NURS 480  Transition into Professional Nursing Practice  4
NURS xxx  Nursing Elective  3
CORE (2)  6
Nursing Elective: Nursing electives can be taken at any time during the program.

To meet graduation requirements of 128 credits, it is suggested that students take at least 16 credits per semester.

**MINIMUM PASSING GRADE FOR ALL NURSING CLASSES: C+**

**PASSING GRADE FOR CHE 101, BIO 152, BIO 153 AND BIO 254/264: C**

**PASSING GRADE FOR PSY 112: D**

MIN PASSING GRADE C+ FOR ALL COURSES
PREREQUISITES FOR ALL COURSES: MAT 134 OR 141 OR MAT 117 AND PSY 100 LEVEL AND CHE 101 AND BIO 152 AND BIO 153 AND BIO 264 OR BIO 254

Option 1: one-year full time plan

Option 1 Semester 1:
- NURS 401 Building a Foundation for Nursing Practice 4
- NURS 404 Communication for Professional Nursing 2
- NURS 406 Clinical Management in Psychiatric Mental Health Nursing 3
- NURS 408 Foundational Study in Pathophysiology 2
- NURS 621 Underpinnings of Advanced Nursing 3
- NURS 409 Concepts of Evidence Based Practice for Practice Improvement 2

Option 1 Semester 2:
- NURS 412 Clinical Management in Adult Medical Surgical Nursing 6
- NURS 414 Clinical Management in Maternal Newborn Nursing and Women's Health 3
- NURS 422 Pharmacology for Professional Nursing 3
- NURS 418 Pathophysiology: Concepts of Multisystem Alterations 2
- NURS 416 Clinical Management in Child Health Nursing 3

Option 1 Semester 3:
- NURS 424 Clinical Management of Population Health 3
- NURS 426 Organizational and Systems Leadership in Nursing 3
- NURS 610 Advanced Nursing in Primary Health Care 3
- NURS 448 Ethics and Excellence in Professional Nursing 2

Option 2: Two-year plan

Year 1, Semester 1:
- NURS 404 Communication for Professional Nursing 2
- NURS 406 Clinical Management in Psychiatric Mental Health Nursing 3
- NURS 408 Foundational Study in Pathophysiology 2

Year 1, Semester 2:
- NURS 422 Pharmacology for Professional Nursing 3
- NURS 418 Pathophysiology: Concepts of Multisystem Alterations 2
- NURS 448 Ethics and Excellence in Professional Nursing 2

Year 1, Semester 3:
- NURS 621 Underpinnings of Advanced Nursing 3

Year 2, Semester 4:
- NURS 401 Building a Foundation for Nursing Practice 4
- NURS 409 Concepts of Evidence Based Practice for Practice Improvement 2

Year 2, Semester 5:
- NURS 412 Clinical Management in Adult Medical Surgical Nursing 6
- NURS 414 Clinical Management in Maternal Newborn Nursing and Women's Health 3
- NURS 416 Clinical Management in Child Health Nursing 3

Year 2, Semester 6:
- NURS 424 Clinical Management of Population Health 3
- NURS 426 Organizational and Systems Leadership in Nursing 3
- NURS 428 Evolution of Professional Nursing 6

The first professional degree (BSN) may be completed in one or two calendar years. Students will have six graduate credits applied to both degrees and must then earn an additional 36 credits to fulfill the second professional (MS) degree requirements. Students must maintain a minimum CQPA of 3.0 for the entire program and successfully complete the NCLEX-RN examination to continue in the MS or MA program. Application to the Combined Degree Program is through the Office of Graduate Admission. For a more complete description of this program and an application, contact the Office of Graduate Admission, Evelyn and Joseph I. Lubin Graduate Center, and consult the Graduate Catalog.

NUR 655 in the MS or MA portion has three prerequisites: an undergraduate course in nursing research, an undergraduate statistics course or its equivalent, and a computer course or demonstrated competency in the use of computers for word processing and databasing.

MIN PASSING GRADE C+ FOR ALL COURSES
PREREQ FOR ALL COURSES: MAT 134 OR 141 OR MAT 117 AND PSY 100 LEVEL AND CHE 101 AND BIO 152 AND BIO 153 AND BIO 264 OR BIO 254

MINIMUM PASSING GRADE FOR ALL GRADUATE COURSES

iPace RN/BS Completion Program

The RN/BS completion program is offered virtually (iPace) and in executive cohort meetings on Pace campuses. Some locations may be off site. This program is tailored for RN's with an associate degree or diploma in nursing. Students who have previously completed the University core curriculum or are near completion may complete the degree in 1.5 to 2 years. Admission to the RN/BS track of the baccalaureate program is competitive. Minimum requirements include scholastic achievement as evidenced by prior academic performance, graduation from
Student Learning Outcomes of the RN/BS completion Baccalaureate are:
1. Demonstrate critical thinking in the use of the nursing process.
2. Provide culturally competent relationship-centered care to individuals, families, groups, and the community.
3. Provide comprehensive and technologically competent care to clients.
4. Integrate concepts of communication, holism, health promotion, and disease prevention in the delivery of care.
5. Establish community partnerships promoting health from a local through global perspective.
6. Apply nursing theory and research in an evidence-based approach to nursing practice.
7. Demonstrate accountability for the legal and ethical principles of professional nursing practice in a socially responsible manner.
8. Perform entry-level nursing leadership behaviors within the health care system.

This program will be evaluated using a myriad of evaluation strategies including but not limited to examinations, written papers, online discussions, student surveys, individualized clinical experiences, and strategies used in our other pre-licensure programs.

Admission Requirements:
- Students should have a completed Associates degree in Nursing, diploma in nursing, or RN license (which is equivalent to 43 credits).
- Students should have a minimum GPA of 2.75 for admission to the BS in Nursing.
  - Students with less than the preferred minimum GPA may be asked to interview or provide a writing sample.
- Applicants for the BS in Nursing are required to provide a resume and two professional references on the application.
- Applicants are required to provide their high school transcripts and a copy of their diplomas after admission.
- Graduates of foreign nursing programs must have TOEFL and transcript evaluation.
- Students should have the following pre-requisite courses and/or competency in the subject matter: ENG 110 OR ENG 120 Composition; Computer Information Systems (or CIS 101, CS 109, CS 121, or TS 105); BIO 152 Anatomy and Physiology I; BIO 153 Anatomy & Physiology II; PSY Intro to Psych. Competency is demonstrated by a grade of C or better. Competency may also be demonstrated through CLEP or Pace Experiential Learning.
courses. These credits will be double counted for the BS and the MS or MA degrees.

3. RNs with a CQPA of 3.0 or better may elect to take an independent study for 1 or more credits.

4. Any LSN undergraduate nursing elective may be taken.

University Core Curriculum for Undergraduate RN4 Students in the Lienhard School of Nursing

All Lienhard School of Nursing undergraduate RN 4 students are required to complete the University core curriculum according to the framework outlined in the curriculum worksheet.

Academic Policies

Students in the Bachelor of Science Program (RN4) must obtain a C (2.0) or better in Anatomy and Physiology, Chemistry, and Microbiology and a C+ (2.75) or better in all nursing courses in order to progress in the program. Students in the Combined Degree Program (CDP) must obtain a C (2.0) or better in Anatomy and Physiology, Chemistry, and Microbiology, and maintain a 3.0 CQPA in order to progress in and graduate from the program.

Students in the RN4 and BSN CDP program who fail two courses, whether the same or different nursing courses, will be dismissed automatically from the program.

Students must achieve a C+ (77%) grade in the theory and clinical portions of a course in order to pass a nursing course and progress in the nursing program. Students in the RN4 program and the CDP must pass a clinical calculation examination for each nursing course with a clinical component. Failure in any portion of the clinical component of the course results in a failure in the entire course. Students who either fail a nursing course or do not take a nursing course for one or more semesters will be allowed to register for a clinical nursing course on a space available basis with the signature of the chair.

Education regarding Child Abuse is provided to RN4 and CDP students during the pediatric course. All students are referred to the LSN Student Handbook for all other academic policies including education about Child Abuse, Barrier Precaution and Infection Control.

Academic Advisement

An academic/faculty advisor is assigned to each student upon matriculation into the nursing program. Students can find out who their faculty advisor is by looking online or at the advisement list posted by the Nursing Department. The student retains this advisor for the length of his/her course of study. It is the student’s responsibility to seek nursing faculty guidance throughout the program and to plan for meeting the prerequisites of the nursing courses. Students must meet with their advisors each semester prior to course registration. A departmental hold will be placed on the RN4 student’s registration status until the student meets with his/her advisor.

Health Requirements

Applicants to and students in the Lienhard School of Nursing should be aware that health clearance, including a physical examination, is required approximately four weeks prior to beginning any clinical course, including those that meet in the Clinical Education Labs as well as those in the clinical setting.

Health clearance forms provided by the Lienhard School of Nursing must be on file prior to assignment to the first clinical experience and are valid for one year. It is the student’s responsibility to obtain the health clearance forms from the Department of Undergraduate Studies. Additional requirements including but not limited to criminal background checks, health screening, drug testing and/or immunizations, may be required during the program in accordance with specific agency requirements. In order to participate in clinical practice, the student must be able to pass the health clearance requirement. He or she must be free from health impairment and/or habituation to alcohol or other drugs that may alter behavior and pose potential risk to patients or personnel or that may interfere with the performance of nursing responsibilities. Failure to submit a completed and approved Health Clearance Form and Illness and Immunization Record prevents the student from being admitted to the clinical laboratory experience.

Registration in clinical laboratories will be automatically voided if the student’s health clearance and/or supplemental agency requirements are not completed and on file four weeks prior to the first clinical laboratory each semester. If a health condition arises during the course of study that would in any way alter a student’s ability to perform in the clinical setting, it is the student’s responsibility to notify the faculty member immediately. All students must provide evidence of current Professional Provider CPR certification to the LSN Office of Academic Affairs. All students are referred to the LSN Student Handbook for further clarification of the Health Clearance policy.

Clinical Clearance Forms

The Lienhard School of Nursing Clearance Policy helps ensure the safety of our students, faculty, staff and clinical agency personnel and patients.

Please visit our website and read the following documents carefully, and complete as necessary:

• Welcome Letter and Clinical Clearance Policy
• Annual Health Assessment
• Titer/Immunization Documentation
Lienhard Student Handbook

To All Students and Faculty of the Lienhard School of Nursing:

The academic standards and the probation and dismissal policies (including the procedure for appealing a dismissal) of the various programs of the Lienhard School of Nursing are being revised. Information concerning some of these issues may be found in Lienhard School of Nursing Student Handbooks, available online. To ensure that you have the most up-to-date information concerning these issues, please contact your academic advisor or the chairs of the undergraduate or graduate departments of the Lienhard School of Nursing.

Full-Time/Part-Time Study

Students may progress through the programs on a full-time or part-time basis. Part-time students in the RN-4 program may take up to six years to complete the program.

Clinical Laboratory

Nursing students must adhere to the attendance policy for clinical laboratory experiences. It is the student’s responsibility to notify the clinical faculty member if he or she is absent. Absences are subject to the LSN Clinical Attendance Policy (see LSN Student Handbook).

Transportation to all off-campus learning experiences is the responsibility of the student.

Complaint Policy

The Lienhard School of Nursing strives to provide an environment of mutual respect, cooperation, and understanding. Notwithstanding this commitment, problems and concerns sometimes occur. Resources and procedures are available to students for resolving complaints and addressing concerns. For example, concerns about violations of University policies are addressed through the University Grievance Procedure: Student Grievances procedure. Complaints of discrimination and harassment are addressed by the University’s Affirmative Action Officer. The Lienhard School of Nursing Academic Progression Appeals Committee decides appeals of decisions dismissing students from the Lienhard School of Nursing. The Counseling Center offers personal, education, vocational counseling and resources and support services to students with disabilities.

Concerns or complaints about the Lienhard School of Nursing that are outside the scope of any existing University or Lienhard School of Nursing procedure may be addressed in accordance with the following procedure: The complaint must be in writing and contain the date, the student’s name, telephone number and e-mail address, the program in which the student is enrolled, and as much detail as possible about the student’s concerns. Complaints or concerns about the Lienhard School of Nursing Undergraduate Program should be submitted to the Undergraduate Chair; concerns about the Graduate Program should be submitted to the Graduate Chair; and concerns about the Clinical Education Labs should be submitted to the Lienhard School of Nursing Associate Dean for Administration. The Chair or the Associate Dean for Administration (or their respective designees) will, in a timely manner, investigate the complaint, take appropriate action, and notify the student of the resolution of the matter.

If the student is not satisfied with the resolution, the student may, within five (5) business days of date of the notification, appeal the resolution in writing to the Dean of the Lienhard School of Nursing.

Effective August 1, 2008

Alumni and Friends: College of Health Professions and School of Nursing

Just because you’ve graduated doesn’t mean your relationship with the College of Health Professions is over. In fact, a new chapter is just beginning. College of Health Professions graduates are encouraged to maintain close relationships with the College, the University, and each other.

Benefits of staying connected to Pace

- The Pace Alumni Online Community: A free and secure online networking service exclusively for Pace’s 120,000+ alumni. Its features include an online directory of all alumni, events and services, permanent e-mail forwarding and career resources.
- Co-op and Career Services: Post your resume or even a job ad for other Pace alumni. Take advantage of the Alumni Jobs listserv, free career counseling, and networking opportunities. Give back and become a Pace Career Advisor.
- Boards & Committees: All Pace alumni who serve on alumni boards and/or committees enhance the University’s image, strengthen its credibility within the community and ensure its viability for the students.
- College of Health Professions’ E-newsletter - The College of Health Professions electronic alumni newsletter keeps you up-to-date with some of the many innovative activities that CHP students, faculty, staff, and alumni/ae are involved in. We also welcome your input and your news. Please e-mail us your article ideas and any other information you want to share, including marriages, new jobs, promotions, research and awards, memorial notices, or general updates to:

Adelia Williams, BA, PhD, Associate Dean for Academic Affairs

Mission Statement: Dyson College of Arts and Sciences
Through innovative teaching, a collaborative student-faculty learning environment, and an inclusive community of student and faculty scholars, Dyson College of Arts and Sciences fully engages students in learning in the liberal arts. Dyson College provides students majoring in the arts and sciences the depth and breadth they need to continue their studies at the graduate and professional levels or find employment in their field. Dyson offers all students a supportive environment in which to develop the liberal arts skills needed to succeed professionally and lead rewarding, intellectually and civically engaged lives.

These vital skills needed for success include written and oral communications; critical thinking; leadership; creative analytic thinking that perceives connections among broadly based ideas; and a deeper understanding of global issues and diverse national and international cultures.

Dyson College's learning philosophy results in graduates who can think analytically and creatively, understand ideas and issues contextually, communicate effectively, act responsibly in their community, and lead confidently in today's global workplace.

Degree Requirements and Standards: Dyson College of Arts and Sciences
1. Full-time students must register for a minimum of 12 credits per semester. In order to graduate in four years, students must complete an average of 16 credits per semester. Their first-year program consists of required courses in the core curriculum and in their major field of study.
2. Part-time students are normally limited to a maximum of nine credits per semester. They must complete ENG 110 and 120 within their first 20 credits and the remaining core foundation courses within their first 64 credits.
3. Transfer students must complete a minimum of 32 credits and take one half of their major credits and one half of their minor credits at Pace.
4. It is required that students in Dyson College maintain a 2.0 quality point average (QPA) overall and a 2.0 in their major as a requirement for graduation. Major courses (required and major electives) are listed under Undergraduate Degree Programs. This quality-point requirement does not preclude a higher standard when such is appropriate.
5. Students wishing to earn both a BS and a BA must complete a minimum of 32 credits beyond the 128 credits required for a single degree.
6. Students enrolled in BS or BA degree programs in the arts and sciences are permitted to take up to 32 credits in the Lubin School of Business. Students are advised to meet with the chairperson or program adviser of their major department before enrolling in business courses.

Degree Objectives: Dyson College of Arts and Sciences

Objectives of the Bachelor of Arts and Bachelor of Science Degrees
Traditionally, bachelor of arts degrees are focused on a well-rounded foundation which best prepares students for advanced degrees. Bachelor of science degrees have a more technical focus. These majors expose students to both the theoretical and practical aspects of a field, thereby enabling them to enter the career field upon graduation.

Objectives of the Associate of Arts Degree
Students enrolled in an associate of arts degree program will begin to explore the liberal arts and sciences through basic survey courses and to develop the skills necessary for higher learning.

University Core Curriculum
The Core Curriculum, a program of study in the arts and sciences, is central to all undergraduate degrees at Pace University. Many students might ask why half their credits are taken in the core before beginning a major program of study. Core courses, regardless of a student's major, address fundamental problems and issues in the arts and sciences. They consider these themes from diverse perspectives and approaches and ensure that Pace graduates achieve competency in a variety of skills that are
sought by employers and are needed for graduate-level work. A strong liberal arts education is necessary for virtually every career.

**Core Curriculum Overview**

Pace University offers an innovative, cutting-edge Core Curriculum of liberal arts and sciences courses central to all undergraduate degrees and required of all Pace undergraduate majors.

Effective with the entering class of Fall 2012, this curriculum requires a minimum of 44 credits in the Liberal Arts and Sciences that are grouped into two distinct sections: Foundational Requirements and Areas of Knowledge. Foundational Requirements include courses in Writing, Mathematics, Science, Computer Science, and Language. Areas of Knowledge requirements provide students flexibility and choice in selecting courses, including the option of developing an in-depth sequence in a specific arts and science discipline.

Core Curriculum courses, regardless of a student’s major, address fundamental problems and issues in the Arts and Sciences from diverse perspectives and approaches and ensure that Pace graduates will develop abilities essential to success in college study and in careers and also achieve competency in a variety of skills that are sought by employers and are needed for graduate level work. Moreover, core courses are enriching intellectually and personally and serve to prepare students to become lifelong learners, better able to respond to the inevitable changes and challenges of their professional and personal lives.

**Objectives of Foundational Requirements:**

Section I of the Core Curriculum ensures that you will achieve competency in a variety of communication and quantitative skills. You may be eligible to place out of some foundational requirements by taking proficiency or placement exams in English, language, or computing. If you require additional work and support in these vital skill areas, you will find the help you need through this series of courses.

**Completion of Foundation Requirements:**

New students entering as freshmen are required to complete Foundational Requirements within 66 credits.

**Objectives of Areas of Knowledge Requirements:**

Section II of the Core Curriculum offers broad exposure to a variety of approaches and perspectives in the Humanities, Social Sciences and Sciences, and to different modes of analysis and understanding. These courses are intended to develop a sense of social, civic, and global awareness and responsibility. There are hundreds of courses to choose from. Moreover, this section offers students the opportunity to develop an in-depth sequence or concentration.

**12 Learning Outcomes of the Core Curriculum are:**

* Communication
* Analysis
* Intellectual depth, breadth, integration and application
* Effective citizenship
* Social Interaction
* Global, National, and International Perspectives
* Valuing
* Problem-solving
* Aesthetic response
* Information Literacy and Research
* Scientific and quantitative reasoning
* Technological Fluency

**Features of the Pace University Core Curriculum are:**

* Community Building
* Focus on Student Learning Outcomes
* Social responsibility and civic engagement
* Choice and Flexibility
* Ability to complete a minor in the Core

Other University Core requirements that fit into one of the two sections include:

* One Learning Community (LC): should be taken within the first two years of study
* Two Writing-Enhanced Courses (WE): in addition to Foundation writing courses
* One Civic Engagement and Public Values Course: (CE and formerly AOK 1)

Note that the above Other Core requirements may be satisfied by Foundational courses, Area of Knowledge courses, major courses, and Open Elective credits. Moreover, school advisors are available to provide students with assistance in choosing these and other Core courses.

**OUTLINE of FALL 2012 UNIVERSITY CORE CURRICULUM: (44-55 minimum credits)**

**Foundational Requirements:**

<table>
<thead>

</tr>
</tbody>
</table>

* New students entering as freshmen are required to complete this course by the time they attain 30 credits and, in addition, must complete the remainder of the Foundational Requirements within 66 credits.

**University 101:**

University 101 is a Required First Year Learning Experience. Full-time day students that transfer to Pace University with fewer than 17 credits are required to enroll in a UNV 101 class in their first semester unless they have received transfer credit for the equivalent of Pace University's UNV 101 course. University 101 is not offered as an evening course.

**Second Language Proficiency Policy**

All undergraduate students with two or more years of high school study in Chinese, French, Italian, Russian or Spanish, who plan to continue their study of the same language in either the fall, spring or summer semester must take a placement examination to determine the appropriate level of college study. Test scores remain valid for one year, so students who postpone language study beyond that year must retake the placement test. All students with less than two years of high school study in a language will automatically be placed in the 10-level course in their chosen language.

All students must begin their language study at the evaluated placement level and will not receive Core credit if they start at a lower level.

- Students placed at 101 must take 101 and 102 in the same language.
- Students placed at 102 must take 102 and 280 in the same language.
- Students placed at the 200 level or above must take one 3-credit course at the level of their placement.

**Exemptions**

- Students will be exempt from second language study if they satisfy one of the following requirements:
  - Students who have completed secondary schooling in a language other than English
  - Students who have taken the foreign language SAT II exam prior to enrollment and have a score of 550 or above
  - Students who have taken the Language and/or the Literature Advanced Placement Exam in a foreign language and scored 4 or 5 will receive 3 or 6 credits that satisfy the Core
  - Students who take the NYU 12 point Proficiency Exam and score 12 points receive 3 credits of language Core credit
- Please note that American Sign Language (ASL) may be used to fulfill the Core language requirement.
- Students who transfer 25 college credits or more in the Lubin School of Business, the Lienhard School of Nursing, and the Seidenberg School of Computer Science and Information Systems may fulfill language Core requirement by taking one culture course with a prefix of ARA, CHI, FRE, JPN, GRK, ITA, JPN, LAT, RUS, or SPA.

**Transfer Students**

Transfer students are required to complete the 60 credits of University Core Curriculum in the Arts and Sciences. These credits must include the Foundational requirements and the Civic Engagement course, with flexibility for the remaining credits. Transfer students in the professional schools, with the exception of the School of Education, may take a culture course to fulfill the second language requirement.

For purposes of determining the appropriate University Core Curriculum requirements for students who come to Pace with transfer credits, a transfer student is defined as one who successfully completes (grade of "C" or better) a minimum of 25 college-level credits prior to the student's attendance at Pace University. Thus students with fewer than 25 transfer credits (freshmen) will be required to complete the entire Core Curriculum.

**In-depth Sequences**

In completing their University Core requirements, qualified students may pursue an "in-depth sequence," i.e., an opportunity to explore a subject area in the arts and sciences in some depth.

An in-depth sequence consists of at least nine credits in a subject area within the core, beyond core requirements in
that area, and is in a field of study outside the student's major. Students build an in-depth sequence of courses, each replacing one course from each of the Areas of Knowledge (excluding Area One: Civic Engagement and Public Values), up to a maximum of three courses. Students may apply the in-depth sequence toward a minor or second major in the Arts and Sciences. However, courses in the sequence may not substitute for requirements in the student's school or first major program.

A student wishing to pursue an in-depth sequence should consult an advisor in the Office of the Dean of the Dyson College of Arts and Sciences and in advance of study file an approved program for courses with the Office of Student Assistance.

Academic Centers and Institutes

Center for Applied Ethics: A forum where advances in professional work and science confront the values mirrored in the humanities and described in social science.

The Center for Community Action & Research (CCAR): A program of the Dyson College of Arts and Sciences that supports the development of community-based learning courses for the Core Curriculum and research on the pedagogy of community-based learning. The Center also sponsors educational forums and civic engagement opportunities on issues of social responsibility, democracy, and global citizenship.

Center for East Asian Studies: Sponsors curricula and faculty development in Far Eastern and other cross-cultural studies.

Center for Religious Studies: Offers scholarly lectures and discussions on world religious thought and practice.

Center for Undergraduate Research Experiences (CURES): Provides leadership, coordination and support to student-faculty research collaborations, grant-funded research projects and programs, and opportunities for service-based internships.

The Dyson Children's Institute: Sponsors projects that focus on improving the lives of children, particularly in Westchester County.

Environmental Center: An educational center dedicated to guiding people of all ages to a lifestyle which is in close harmony with our natural environment and serves as a resource to Pace and the outside community. This center emphasizes Pace’s commitment to a philosophy of environmental education and provides students with opportunities for hands-on field studies.

Institute of Latin American Service and Studies: Develops innovative Latin American curricula and organizes service learning trips.

Michaelian Institute for Public Policy and Management: Provides research and training in the public and nonprofit sectors.

The Pace Institute for Environmental and Regional Studies (PIERS): Provides leadership in the study of the complex interrelationships between human culture and nature, with special emphasis on the Hudson River bioregion and its diverse ecological, social, and cultural values.

The Straus Thinking and Learning Center: Serves as an integral component of the Dyson College of Arts and Sciences' mission to provide all Pace students with a general education that fosters a community of learners among faculty and students. The Center assists faculty in developing innovative educational experiences that incorporate interactive learning methodologies; focus on student learning outcomes; foster critical thinking skills; and link content, pedagogy, competencies, collaborative learning, and reflection.

Thomas J. McShane Center: Offers a broad range of psychological services to community residents and referred Pace students.

Vera Lex: Philosophy of Law Journal

Web 2.0 Interdisciplinary Informatics Institute (WEB III): A virtual research institute to examine evolving rules and norms guiding Web 2.0 technologies in professional and civic contexts.

Undergraduate Degree Programs for Adult Students

The Dyson College of Arts and Sciences offers three undergraduate baccalaureate degree programs that are attractive to adult students:

Liberal Studies, BA
Professional Communication Studies, BS
Professional Studies, BS

Liberal Studies Major, BA

The B.A program in Liberal Studies is an interdisciplinary program of 120 credits in two or three arts and/or sciences
Exploratory Program Option for Undecided First-Year Students

Pace University offers an exploratory program option for new students who are undecided about which major to declare. Deciding on a major is an enriching experience, and during this exploration new students will be fulfilling requirements for graduations.

Associate in Arts Degree Program

Dyson College has an Associate in Arts degree program of 60 credits in general arts and sciences that provides students with a college degree option. This program is appealing to students who do not choose to commit to the greater time requirements of a bachelor's degree program and are interested in pursuing a course of study designed according to personal interests and/or career goals.

Note: Because an associate degree does provide a platform from which to launch further study, students interested in transferring academic credits to a bachelor’s degree program should choose courses in consultation with a faculty advisor or Dyson Dean’s Office advisor.

List of Certificate Programs

Dyson College has a number of certificate programs that offer students the opportunity for concentrated specialized study. The courses in certificate programs are not meant to provide the broad background associated with degree programs but instead are chosen to help students reach a specific goal in a relatively short time.

- Applied Physics
- Digital Design
- French
- Italian
- Latin American Studies
- Naturalist
- Photography
- Political Science
- Spanish

List of Minors

Many degree programs allow students to select a minor as part of their academic preparation. Students are encouraged to enhance their education by selecting one of
the minors listed below to complement their major field of study. Minors are open to all students whose degree programs allow for their completion. At least one-half of the credits in the minor must be completed at Pace. Please consult your advisor on the minor that interests you.

African & African-American Studies
Applied Psychology & Human Relations
Art
Art History
Biology
Chemistry
Classical & Medieval Studies
Communications
Communication Studies
Creative Writing
Criminal Justice
Digital Design
East Asian Studies
Economics
English - PLV
Environmental Studies
Film Studies
French Studies
History
Information Assurance for the Criminal Justice System

List of Accelerated Dual-Degree Combined Pace Undergraduate/Pace Graduate Programs

The following accelerated dual-degree Pace University programs offer Dyson College undergraduates with superior academic abilities an opportunity to earn a BA or BS degree and a graduate degree in a shortened period of time than by pursuing them separately.

Note: There are separate admissions requirements for the graduate portion of the program, and admission to the undergraduate part of the program does not guarantee admission to the graduate part. Both degrees are awarded at completion of the graduate program requirements.

Applied Psychology and Human Relations B.A./ Counseling M.S.

(PLV)
Applied Psychology & Human Relations majors can take advantage of a valuable opportunity to earn both a BA in Applied Psychology and a MS in Counseling (PLV) in a combined degree program of 152 credits. Students apply for admission into the graduate portion of this program in junior year upon completion of 78 undergraduate credits. Applicants must have a QPA of at least 3.0, a QPA of at least 3.3 in the applied psychology major, one semester of psychology practicum, and two letters of recommendation from Psychology Department professors. For further information please contact the department’s MS program coordinator or chairperson (PLV).

Applied Psychology and Human Relations B.A./ Mental Health Counseling M.S.

(PLV)
Applied Psychology & Human Relations majors can make use of a valuable opportunity to earn both a BA in Applied Psychology and a MS in Mental Health Counseling (PLV) of 176 credits that leads to New York State licensure in Mental Health Counseling. Students apply in their junior year upon completion of 78 undergraduate credits. Applicants must have a QPA of at least 3.0, a QPA of at least 3.3 in the applied psychology major, one semester of psychology practicum, and two letters of recommendation from Psychology Department professors. For further information please contact the Psychology Department’s MS program coordinator or department chairperson (PLV).

Biology B.S./ Environmental Science M.S.

Biology majors may take advantage of an opportunity to earn both a BS in Biology as well as an MS in Environmental Science by pursuing a five-year program offered by the Department of Biology and Health Sciences and the Graduate Program in Environmental Science of Dyson College of Arts and Sciences. Students apply to the graduate program in their junior year and after completion of at least 64 undergraduate credits and all major biology courses. Applicants must have a cumulative QPA of 3.0 and a QPA of 3.0 in biology courses and provide a statement of career goals and two letters of recommendation from faculty in the Department of Biology and Health Sciences. The graduate portion of this program is only available on the Pleasantville campus.
English B.A./Publishing M.S.

Undergraduate English majors who wish to make practical use of their major may pursue a dual degree program with the master of science in Publishing. Students must apply in their junior year and have an overall QPA of 3.0 with an average of 3.2 in the major. In senior year, students accepted into the program take 12 credits in publishing courses, thereby partially satisfying requirements for both the BA and MS in degrees. Therefore, students can complete both degree programs in five years. For more information, contact the chair of the English department and the director of the MS in Publishing program. The graduate portion of this program is available only on the New York City campus or online.

Modern Languages and Cultures: Spanish B.A./Publishing M.S.

(NYC)

Undergraduate Modern Languages and Cultures: Spanish majors who wish to make practical use of the major may pursue a dual degree program with the master of science in Publishing. Students apply in their junior year and must have an overall QPA of 3.0 with an average of 3.2 in the major. In their senior year, students accepted into the program will take 12 credits in publishing courses, thereby partially satisfying requirements for both the BA and MS degrees. Therefore, students can complete both degree programs in five years. For more information, contact the chair of the undergraduate department and the director of the MS in Publishing program. The graduate portion of this program is available only on the New York City campus or online.

Psychology B.A./Psychology M.A.

(NYC)

Psychology majors can take advantage of a valuable opportunity to earn both a BA in Psychology and an MA in Counseling in an accelerated time period. For this 152-credit combined-degree program, students apply in their junior year upon completion of 78 undergraduate credits and having met the following qualifications: a QPA of at least 3.0, a QPA of at least 3.3 in the psychology major, one semester of psychology practicum, and two letters of recommendation from Psychology Department professors. For further information please contact the department’s MS program coordinator or chairperson (PLV).

Psychology B.A./Counseling M.S.

(PLV)

Psychology majors in Pleasantville can take advantage of a valuable opportunity to earn both a BA in Psychology and an MS in Counseling in an accelerated time period. For this 152-credit combined-degree program, students apply in their junior year upon completion of 78 undergraduate credits and having met the following qualifications: a QPA of at least 3.0, a QPA of at least 3.3 in the psychology major, one semester of psychology practicum, and two letters of recommendation from Psychology Department professors. For further information please contact the department’s MS program coordinator or chairperson (PLV). For the undergraduate program curriculum, please see the undergraduate degree section of this catalog. For the graduate program curriculum, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Select Majors B.A./J.D. and Criminal Justice B.S./J.D.

For undergraduate degree students majoring in certain arts and science subjects, there is an opportunity to earn a Dyson College baccalaureate degree and a Pace Law School degree in six years. For acceptance into this 3 + 3 program interested students in their junior year must meet admission requirements of both schools, including but not limited to completion of undergraduate core and major requirements by the end of junior year, an acceptable GPA, and an appropriate score on the LSAT. Undergraduate majors that are applicable in this combined program are the BS major in Criminal Justice and BA majors in Biology, English, Environmental Studies, English, English and Communication, History, and Philosophy and Religious Studies. Interested students should meet with the Dyson College Director of Advising for details.

Select Majors B.A./Teaching Adolescents M.S.

Undergraduates with declared majors in certain arts and science subjects who are interested in developing a career teaching adolescents are encouraged to meet with their department chairs for details about an accelerated dual-degree program: a Dyson College BA and a School of Education Master of Science in Teaching Adolescents. The applicable undergraduate majors for this program are Biology, English, History/Social Science, and Mathematics (available in both NYC and PLV) and Spanish (NYC only).
Select Majors BA and BS/MPA
Public Administration

This dual-degree program offers students the opportunity to focus study on an area of interest and then apply it to the field of public administration. This is an accelerated five-year program, thus saving one year of full-time study by taking 12 graduate credits in senior year.

Graduate Programs

The graduate programs at Pace University's Dyson College of Arts and Sciences are responsive to the changing dynamics of today's society. These programs prepare highly motivated students for the challenging tasks of working in an evolving society through a blend of disciplined course work, hands-on experience, and exposure to the latest developments in their field. The result: professionals with the confidence and competence to excel in their careers. Students are offered a choice of advanced degrees and certificates in several disciplines. For course descriptions, see Dyson College of Arts and Science Graduate Viewbook. The graduate programs offered are:

- Master of Arts in Psychology
- Master of Arts in Media and Communication Arts
- Master of Fine Arts - Actors Studio Drama School
- Doctor of Psychology (Psy.D) in School-Clinical Child Psychology
- Master of Science in Counseling (Substance Abuse, Loss and Grief, General Counseling)
- Master of Science in Mental Health Counseling
- Master of Science in Psychology
- Master of Science in Education in School Psychology
- Master of Science in Education in School Psychology with Bilingual Extension
- Master of Science in Environmental Science
- Master of Science in Forensic Science
- Master of Science in Publishing
- Master of Public Administration with tracks in Environmental Management, Government, Health Care Administration, and Not-for-Profit Management

Joint Degree Science Programs With Other Institutions

Cooperative education agreements between Pace and other institutions of higher learning exist in the professional science areas indicated below. Candidates for admission to these joint degree programs must satisfy separate admission requirements of both schools. Note that admission to the undergraduate Pace University part of a joint program does not guarantee admission to the program of the other institution. Professional science areas include Chemical Engineering, Occupational Therapy, Optometry, and Podiatry.

Biology Joint Programs

Pace Biology Pre-Professional (NYC, PLV) and Columbia Univ. College of Physicians and Surgeons
MS Occupational Therapy

This program consists of three years of study at Pace and two additional years of study in occupational therapy at Columbia University's College of Physicians and Surgeons. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Master of Science degree in occupational therapy from Columbia. To be eligible for the program, students must choose one of the following undergraduate majors: biology, applied psychology and human relations, or psychology. For more information consult the academic pre-professional adviser in the departments of Biology and Health Sciences.

Pace BS Biology Pre-Professional (NYC, PLV) and SUNY College of Optometry DO Optometry

This program consists of three years of study in biology at Pace and four additional years of study at the State University of New York's State College of Optometry in Manhattan. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Doctor of Optometry degree from SUNY. For more information, consult the pre-professional adviser in the Departments of Biology and Health Sciences.

Pace BS Biology Pre-Professional (NYC, PLV) and SUNY College of Optometry DO Optometry

This program consists of three years of study in biology at Pace and four additional years of study at the State University of New York's State College of Optometry in Manhattan. Students who complete the program receive a Bachelor of Science degree in Biology Pre-Professional from Pace and a Doctor of Optometry degree from SUNY. For more information, consult the pre-professional adviser in the Departments of Biology and Health Sciences.

Chemical Engineering Joint Programs

Pace BS Chemistry (PLV) and Manhattan College BE Chemical Engineering

Pace University and Manhattan College jointly offer a five-year program which leads to a bachelor of science in chemistry from Pace and a bachelor of chemical engineering from Manhattan. The program requires three
years of study at Pace, two years at Manhattan, and summer courses. Pace students generally follow the standard BS in Chemistry program for required major courses and auxiliary courses but with appropriate modifications in required major electives and required engineering courses transferred from Manhattan. For the general BS in Chemistry curriculum, please see the undergraduate degree section of this catalog.

Application for transfer is made by the student during the third year at Pace. For more information about this joint program, contact the department chair or academic advisor in the Department of Chemistry and Physical Sciences (PLV).

Pace BS Chemistry (PLV) and Rensselaer Polytechnic Institute BE Chemical Engineering

Pace University and Rensselaer Polytechnic Institute (RPI) jointly offer a five-year program which leads to a bachelor of science in chemistry from Pace and a bachelor of chemical engineering from RPI. This program requires three years of study at Pace, two years at RPI, and summer courses. Application for transfer is made by the student during the third year at Pace. Pace students generally follow the standard BS in Chemistry program for required major courses and auxiliary courses but with appropriate modifications in required major electives and required engineering courses transferred from RPI. For the standard BS in Chemistry curriculum, please see the undergraduate degree section of this catalog.

For more information about this joint program, contact the department chair or academic advisor in the Department of Chemistry and Physical Sciences (PLV).

Preparation for Post-Baccalaureate Studies, the Professions, and Allied Health Fields

The methods of acquiring knowledge that students develop in the baccalaureate program are as important as the specific knowledge and skills that may lead to a particular credential. Prospective students in the Dyson College of Arts and Sciences may wish to consider the following possibilities:

Dentistry, Medicine, Osteopathy, and Veterinary Science. Students who intend to pursue post-baccalaureate study in dentistry, medicine, osteopathy, or veterinary science often choose either biology (BS degree), biochemistry or chemistry as their undergraduate major. These majors provide the basic courses needed in preparation for entrance tests for post-baccalaureate study. A pre-professional advisory committee counsels students who wish to pursue one of these professional fields.

Graduate Study in Arts and Sciences. Completion of a program in a given discipline with a strong quality point average will generally satisfy the requirements for graduate study in that subject. Departments will give specific guidance in such matters. Ability to communicate in written and spoken English is particularly important. A reading knowledge of one or more foreign languages is often required for advanced degrees. Statistics and computer/information science are also increasingly important to the scholar in many areas. Advanced degrees include the master of arts (MA), the master of science (MS), the master of fine arts (MFA), and the doctorate (PhD).

Graduate Study in Business. While precise degree requirements depend on the program chosen, most students with three to eight credits in economics, statistics, marketing, accounting, business law, mathematics, and computer and information sciences will be able to complete an MBA with approximately one full year’s work. Some of these subjects may be taken as part of the distribution of major requirements for the BA or BS, while those given in the Lubin School of Business may be taken as electives. Students interested in foreign languages should be particularly aware of expanding opportunities in international business.

Graduate Study in Law. Law schools generally do not prescribe any particular undergraduate major. However, undergraduates should acquire proficiency in written and spoken English, develop the ability to master large quantities of material, rapidly sharpen powers of logical analysis, and increase their capacity for independent work.

### American Studies Major, BA

**NYC, PLV**

The curriculum of this interdisciplinary program is unique. In addition to 12 credits of specified coursework, it offers students the choice of a wide range of elective courses (24 credits) in one of five tracks of study.

**University Core – (44-55)**

**Major Courses – (36)**

**Required Major Courses: (12 credits)**

<table>

</tr>
</tbody>
</table>

**Major Track Electives: (24 credits)**

Students choose ONE of the following five tracks. For selection of courses that meet degree requirements, see program worksheet and also ask program director for list of newly added courses.

**Track 1: New York: Urban and Regional Studies**

One of the unique qualities of Pace University is its connection to New York. Many academic disciplines offer courses specifically geared toward the city's cultural, historical, environmental, and political life.

**Track 2: The Law and American Studies**

The University's many law-related courses allow students to build a very successful track in law.

**Track 3: Civic Engagement and Public Values**

Pace has positioned itself as one of the foremost civically engaged universities in the country. This track draws upon an extensive offering of courses.

**Track 4: American Arts**

An ever-growing Theater Department in NYC and the flourishing of the campus Schimmel Theater as the largest performing arts venue in lower Manhattan have positioned Pace as an academic leader in performing arts in the city.

**Track 5: Individualized Studies**

This track is an opportunity to develop a unique program of study. Students will consult with an American Studies faculty member for guidance in selecting courses which will meet the track's degree requirements.

**Open Electives – (37-48)**

**Total Credit Hours: 128**

### Applied Psychology and Human Relations Major, BA

**NYC, PLV**

This program prepares students for graduate school in most applied psychology specialties (including counseling and clinical psychology) and for entry-level employment in many human services fields.

**University Core – (44-55)**

Must include PSY 112 Intro to Psychology

**Major Courses – (PLV: 42, NYC: 40-44)**

**Required Courses:**

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>PSY 304</td>
<td>Social Psychology</td>
<td>4</td>

<td>Practicum in Psychology I</td>
<td>4</td>
</tr>
<tr>
<td>PSY 392</td>
<td>Practicum in Psychology II</td>
<td>4</td>
</tr>
</tbody>
</table>

NYC: PSY 332 and PSY 337 are required.
PLV: PSY 332 or 337 is required.

**Required Major Electives:**

PLV major: Any six 200/300-level courses (18 credits)

NYC major: Any four or five courses on Dept. group lists but at least three courses from Group I (12-16 credits)

---

**Open Electives – (29-44)**

Total Credit Hours: 128

---

**Art History Major, BA**

*(NYC)*

This program provides students with a sound education in art history and prepares them for studies on the graduate level and careers in galleries, museums and art historical institutions. Students can have cross-disciplinary minors and participate in internships in their junior and senior years.

**University Core – (44-55)**

One Fine Art course and two language courses either in French, Italian or Spanish to be included. For specific Core requirements in History please consult the Art Department.

**Major Courses – (36)**

**Required Courses: (12 credits)**

---

**Art Major, BFA**

*(NYC)*

This program offers an intensive curriculum in studio art that prepares students for a rewarding career in art or design, or advanced study in the field. Students receive a broad introduction to the studio arts through a sequence of introductory courses in different media, followed by elective courses (at least half of them intermediate/advanced practice-based ones). If a concentration is desired, students choose from the following: Film/Video Production; Painting/Drawing; Photography; Digital/Graphic Design; Interior Design; or Sculpture.

**University Core Curriculum – (44-55)**

ART 102 – Art History Ancient Through Gothic, required of BFA Fine Art majors, satisfies 3 Core credits in Area of Knowledge II or IV.

**Major Requirements – (60)**

**Required Major Courses: (30 credits)**

Major Electives: (15 credits)

Students choose studio and/or art history courses.

**Open Electives – (31-42)**

Total Credit Hours: 128

### Biochemistry Major, BS

**(NYC, PLV)**

Prepares students for medical school, graduate school, or employment in the industry. This program is approved by the American Chemical Society (ACS).

**University Core – (44-55)**

See "Auxiliary courses" listed below for required courses in the major that satisfy University Core requirements in Math, Biology and Physics (36 credits).

**Auxiliary Courses**

The following courses satisfy 36 credits of University Core requirements and/or Open Elective Requirements as follows:

- Foundation Math and Science core (8 credits); Area of Knowledge 5: Analysis of Human, Social and Natural Phenomena (4 credits); and Inquiry and Experience (24 credits).

Moreover, for ACS certification, CHE 330 is required.

**Open Electives – (18-29)**

Total Credit Hours: 128

### Biology Major, BA

**(NYC, PLV)**

This B.A program prepares students for a career that may involve significant background in the biological sciences (e.g., scientific journalism and certain legal areas environmental and patent law) but does not require the extensive scientific coursework of the BS degree. Students must pass a comprehensive examination given as part of BIO 490 that assesses the ability to integrate and synthesize basic concepts in biology.

**University Core – (44-55)**

See "Auxiliary courses" listed below for required courses in the major that satisfy University Core requirements in Math, Biology and Physics (36 credits).

**Auxiliary Courses**

The following courses satisfy 36 credits of University Core requirements and/or Open Elective Requirements as follows:

- Foundation Math and Science core (8 credits); Area of Knowledge 5: Analysis of Human, Social and Natural Phenomena (4 credits); and Inquiry and Experience (24 credits).

</tbody>
</table>

**Note:**

- Advanced CHEM course may be 3 or 4 credits.
Major Courses – (35)

Biology Core Courses: (26 credits)
BIO 101 General Biology I  4
BIO 102 General Biology II  4
BIO 231 Genetics  4
BIO 335 Molecular and Cellular Biology  4
BIO 490 Introduction to Research in the Biological Sciences  3

Major Electives: (9 credits)
BIO courses numbered 200 or higher selected in consultation with the faculty adviser.

Auxiliary Courses: (14 credits)

Open Electives – (38-49)
Includes auxiliary courses not taken for core credit.

Total Credit Hours: 128

Biology Major, BS
(NYC, PLV)

Prepares students for further education either in professional schools such as medical, dental, osteopathy, or veterinary medicine, or in scientific graduate school doctoral degree programs. The curriculum consists of Biology Core courses, Biology concentration courses in one of four tracks, and auxiliary science courses.

Students must pass a comprehensive examination given as part of BIO 490 that assesses the ability to integrate and synthesize basic concepts in Biology.

University Core – (44-55)

Note: auxiliary math and science courses (37 credits) listed below fulfill various foundations, area of knowledge, and inquiry and exploration requirements for the major.

Auxiliary Courses

Auxiliary Math & Science Courses
Required auxiliary math and science courses not taken in the University Core will be taken as Open Elective courses:
CHE 111 General Chemistry I  4
CHE 112 General Chemistry II  4
CHE 223 Organic Chemistry I  5
CHE 224 Organic Chemistry II  5
PHY 111 General Physics I  4
PHY 112 General Physics II  4
MAT 131 Calculus I  4
MAT 132 Calculus II  4
MAT 134 Introduction to Probability and Statistics  3

Major Courses – (41-50)

Biology Core Courses: (26 credits)
BIO 101 General Biology I  4
BIO 102 General Biology II  4
BIO 231 Genetics  4
BIO 327 Cellular Biochemistry  4
BIO 335 Molecular and Cellular Biology  4
BIO 490 Introduction to Research in the Biological Sciences  3

Major Track Requirements - (15–24 credits)

General Biology Track
Provides broad study covering various areas of the biological sciences.
BIO 210 Ecology  4
or
BIO 215 Urban Ecology  3
BIO 264 Microbiology  4
BIO 334 General Physiology  4

Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser

Environmental Biology Track
Emphasizes study of the interrelationship between living and nonliving components of the environment and the adverse effects of human activity.
BIO 205 Concepts of Environmental Science  3
BIO 210 Ecology  4
or
BIO 215 Urban Ecology  3

Plus any three BIO courses numbered 200 or higher selected in consultation with the faculty adviser

Molecular and Cellular Biology Track
Emphasizes study of cellular structure and function and the technologies involved in the investigation of molecular processes within cells.
BIO 264 Microbiology  4
BIO 372 Introduction to Molecular Biotechnology  4
BIO 375 Advanced Cell Biology  3

Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser

Toxicology Track
Emphasizes study of the manner by which chemicals released due to human activity or from natural sources impact upon biological systems.
BIO 334 General Physiology  4
BIO 345 Introduction to Toxicology  3
BIO 346 Introduction to Basic Pharmacology  3
This Program consists of three years of undergraduate study at Pace (106 credits) and three additional years of study at New York Medical College. Students who complete the program receive a Bachelor of Science in Biology from Pace and a Doctor of Physical Therapy (DPT) degree from New York Medical College.

Podiatry
This Program consists of three years of undergraduate study at Pace (108 credits) and four additional years of study at the New York College of Podiatric Medicine.

University Core – (44-55)
Note: auxiliary math and science courses (37 credits) listed below fulfill various foundation, area of knowledge, and inquiry and exploration requirements for the major.

Auxiliary Courses

**Auxiliary Math & Science Courses**
Required auxiliary math and science courses not taken in the University Core will be taken as Open Elective courses:

- CHE 111 General Chemistry I 4
- CHE 112 General Chemistry II 4
- CHE 223 Organic Chemistry I 5
- CHE 224 Organic Chemistry II 5
- PHY 111 General Physics I 4
- PHY 112 General Physics II 4
- MAT 131 Calculus I 4
- MAT 132 Calculus II 4
- MAT 134 Introduction to Probability and Statistics 3

**Major Courses – (41-46)**

<table>

</tbody>
</table>

**Major Track Requirements - (15–20 credits)**

**General Biology Track**
Provides broad study covering various areas of the biological sciences.

- BIO 210 Ecology 4
- or
- BIO 215 Urban Ecology 3
- BIO 264 Microbiology 4
- BIO 334 General Physiology 4

Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser.

**Environmental Biology Track**
Emphasizes study of the interrelationship between living and nonliving components of the environment and the adverse effects of human activity.

- **BIO 205** Concepts of Environmental Science 3
- **BIO 210** Ecology 4
- **BIO 215** Urban Ecology 3

**Plus any three BIO courses numbered 200 or higher selected in consultation with the faculty adviser.**

**Molecular and Cellular Biology Track**

Emphasizes study of cellular structure and function and the technologies involved in the investigation of molecular processes within cells.

- **BIO 264** Microbiology 4
- **BIO 372** Introduction to Molecular Biotechnology 4
- **BIO 375** Advanced Cell Biology 3

**Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser.**

**Pre-Physical Therapy Area**

- **BIO 233** Fundamentals of Histology and Histopathology 4
- **BIO 251** Principles of Human Anatomy 4
- **BIO 264** Microbiology 4
- **BIO 334** General Physiology 4

AND

**TWO Advanced BIO electives (3-4 credits each) chosen with department advisor.**

**Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser.**

**Toxicology Track**

Emphasizes study of the manner by which chemicals released due to human activity or from natural sources impact upon biological systems.

- **BIO 334** General Physiology 4
- **BIO 345** Introduction to Toxicology 3
- **BIO 346** Introduction to Basic Pharmacology 3

**Plus any two BIO courses numbered 200 or higher selected in consultation with the faculty adviser.**

**Open Electives – (34-43)**

These include auxiliary courses, UNV 101 (required of incoming freshmen students), and remaining open electives.

**Biological Psychology Major, BA**

**(PLV)**

Prepares students for graduate school in both research and applied psychology and biology areas and for entry-level employment in such fields.

---

**Note for students interested in taking the MCAT and/or applying to medical school:**

Please contact departmental advisor at (914) 773-3791 for necessary special advisement. Such students typically need the following courses: PHY 111 and 112 (General Physics I and II) and MAT 131 (Calculus I). Moreover, some medical schools also require applicants to have taken MAT 132 (Calculus II).

**University Core – (44-55)**

**Includes following major-required Auxiliary courses (18 credits):**

- **PSY 112** Introduction to Psychology 4
- **CHE 111** General Chemistry I 4
- **CHE 112** General Chemistry II 4
- **CHE 223** Organic Chemistry I 5
- **CHE 224** Organic Chemistry II 5
- **MAT 134** Introduction to Probability and Statistics 3

**Major Courses – (48)**

**Required Courses:** (42 credits)

- **BIO 101** General Biology I 4
- **BIO 102** General Biology II 4
- **BIO 231** Genetics 4
- **BIO 251** Principles of Human Anatomy 4
- **BIO 334** General Physiology 4
- **PSY 320** Abnormal Psychology I 3
- **PSY 205** Statistics in Psychology and Allied Fields 4
- **PSY 277** Evolutionary Psychology 3
- **PSY 311** Biological Psychology 4
- **PSY 325** Neurological Psychology 4
- **PSY 380** Experimental Psychology I 4
- **PSY 381** Experimental Psychology II 4

**Major Electives:** (6 Credits)

TWO Psychology courses

**Auxiliary Courses**

Taken for university core credit (see list) and/or Open Elective credit.

**Open Electives – (25-36)**

Includes major-specific required courses not taken for University Core credit and any Physics and MAT courses typically recommended for MCAT preparation and medical school applications.

**Total Credit Hours: 128**

**Business Economics Major, BS**

**(NYC, PLV)**
**University Core – (44-55)**

- **Core must include**
  - ECO 105: Principles of Economics: Macroeconomics 3
  - ECO 106: Principles of Economics: Microeconomics 3
  - MAT 104: Finite Mathematics 3
  - MAT 117: Elementary Statistics 4

**Major Required Courses – (59)**

(Includes Economics and Business Courses)

**Required Economic Courses: (33 credits)**

- **Economic Core Courses:**
  - ECO 230: Intermediate Macroeconomics 3
  - ECO 234: Intermediate Microeconomics 3
  - ECO 238: Money and Banking 3
  - ECO 240: Quantitative Analysis and Forecasting 3
  - ECO 360: International Economics 3
  - ECO 396H: Global Finance, Investments and Economic Activity 3
  - ECO 400: Seminar in Economic Theory 3

- **Economic Elective Courses:**
  - Approved ECO courses, chosen with a faculty adviser.

**Required Business Courses: (26 credits)**

- ACC 203: Financial Accounting 4
- ACC 204: Managerial Accounting 4
- LAW 101: Business Law I 3
- MAR 250: Principles of Marketing 3
- MGT 250: Managerial and Organizational Concepts 3
- FIN 260: Financial Management 3
- TWO Business electives (NYC) 6
- or
- TWO Finance electives (PLV) 6

**Open Electives – (14-25)**

**Total Credit Hours:** 128

**Chemistry Major, BS**

(NYC, PLV)

Prepares students for graduate school, medical school, or employment in the chemical or pharmaceutical industry. This program is approved by the American Chemical Society. For students interested in forensic science, see program listing under Forensic Science.

**University Core – (44-55)**

See "Auxiliary Courses" listed below for required Math, Biology, and Physics courses in the major that satisfy University Core requirements and/or some Open Elective requirements (28 credits).

**Auxiliary Courses**

- BIO 101: General Biology I 4
- BIO 102: General Biology II 4
- MAT 131: Calculus I 4
- MAT 132: Calculus II 4
- MAT 236: Multivariable Calculus 4
- PHY 111: General Physics I 4
- PHY 112: General Physics II 4

**Major Courses – (54-55)**

**Required Courses - All concentrations: (43 credits)**

- CHE 111: General Chemistry I 4
- CHE 112: General Chemistry II 4
- CHE 221: Analytical Methods and Techniques 4
- CHE 223: Organic Chemistry I 5
- CHE 224: Organic Chemistry II 5
- CHE 301: Physical Chemistry I: Thermodynamics 4
- CHE 302: Physical Chemistry II 4
- CHE 326: Biochemistry 4
- CHE 331: Instrumental Analysis 4
- CHE 392: Chemistry Seminar I 1
- CHE 480: Research in Chemistry 3
- CHE 492: Chemistry Seminar II 1

**Required Concentration: (11-12 credits)**

ONE of three concentrations chosen in consultation with department advisor:

A. Preparation for medical or graduate school.

- MAT 238: Linear Algebra 4
- or
- MAT 253: Differential Equations 4
- CHE 330: Advanced Inorganic 4
- or
- CHE 338: Spectroscopy 4

One advanced chemistry course

- CHE 305: Quantum Chemistry 3
- CHE 322: Advanced Chemistry Course 3
- CHE 328: Advanced Biochemistry 3
- CHE 333: Advanced Chemistry Course 3
- CHE 370: Advanced Biophysical Chemistry: Membrane Transport and Ionic Channels 3

B. Preparation for employment and leading to American Chemical Society certification.

- CHE 330: Advanced Inorganic Chemistry 4
- MAT 238: Linear Algebra 4
- or
- MAT 253: Differential Equations 4

One advanced chemistry course

Choose from:

- CHE 305: Quantum Chemistry 3
- CHE 322: Advanced Chemistry Course 3
- CHE 328: Advanced Biochemistry 3
CHE 333 Advanced Chemistry Course 3
CHE 370 Advanced Biophysical Chemistry: Membrane Transport and Ionic Channels 3

C. Environmental Chemistry
SCI 345 Environmental Applications in Geology 4
ENS 610 Environmental Science I 3

ONE Advanced Chemistry course from the following group:
CHE 305, 322, 328, 333, 370

Open Electives – (18-31)
Includes the following Major Auxiliary courses not taken for University Core curriculum credit:
BIO 102 General Biology II 4
MAT 236 Multivariable Calculus 4
PHY 111 General Physics I 4

Total Credit Hours: 128

Chemistry BS: Pre-Professional Major
Pace University offers Chemistry majors the option of earning two degrees, a B.S. in Chemistry at Pace University and a B.E. at either Manhattan College or Rensselaer Polytechnic Institute, School of Engineering. Both of these joint programs involve five years of education: three years of study at Pace and two years of study at the other institution, including summer coursework. Application for transfer is made by the student during the third year at Pace.

Note that Pace students generally follow the standard BS in Chemistry program for required major core courses and major auxiliary courses but with appropriate modifications in required major electives and for required engineering courses to be transferred from RPI or Manhattan College.

Students interested in any of these joint programs should meet with a Pace Chemistry Department advisor for full details.

University Core – (44-55)
See "Auxiliary Courses" listed below for required Math, Biology, and Physics courses in the major that satisfy University Core requirements and/or some Open Elective requirements (28 credits).

Auxiliary Courses
These seven auxiliary courses satisfy 28 credits of University Core as follows:
Foundation: math and science courses (8 cred.);
Area of Knowledge: math and science courses (8 cred.);
Inquiry and Experience: math and science courses (12 cred.)
BIO 101 General Biology I 4

BIO 102 General Biology II 4
MAT 131 Calculus I 4
MAT 132 Calculus II 4
MAT 236 Multivariable Calculus 4
PHY 111 General Physics I 4
PHY 112 General Physics II 4

Major Courses – (50-54)
Required Courses - All concentrations: (40 credits)
CHE 111 General Chemistry I 4
CHE 112 General Chemistry II 4
CHE 221 Analytical Methods and Techniques 4
CHE 223 Organic Chemistry I 5
CHE 224 Organic Chemistry II 5
CHE 301 Physical Chemistry I: Thermodynamics 4
CHE 302 Physical Chemistry II 4
CHE 326 Biochemistry 4
CHE 331 Instrumental Analysis 4
CHE 392 Chemistry Seminar I 1
CHE 492 Chemistry Seminar II 1

Required Concentration: (10-14 credits)
ONE of three concentrations chosen in consultation with department advisor:
A. Preparation for medical or graduate school.
CHE 480 Research in Chemistry 3
MAT 238 Linear Algebra 4
or
MAT 253 Differential Equations 4
CHE 330 Advanced Inorganic 4
or
CHE 338 Spectroscopy 4

One advanced chemistry course
CHE 305 Quantum Chemistry 3
CHE 322 Advanced Chemistry Course 3
CHE 328 Advanced Biochemistry 3
CHE 333 Advanced Chemistry Course 3

B. Preparation for employment and leading to American Chemical Society certification.
CHE 330 Advanced Inorganic Chemistry 4
CHE 480 Research in Chemistry 3
MAT 238 Linear Algebra 4
or
MAT 253 Differential Equations 4

One advanced chemistry course
Choose from:
CHE 305 Quantum Chemistry 3
CHE 322 Advanced Chemistry Course 3
CHE 328 Advanced Biochemistry 3
CHE 333 Advanced Chemistry Course 3

C. Environmental Chemistry
SCI 345 Environmental Applications in Geology 4
ENS 610 Environmental Science I 3
SCHOOLS | 143

Open Electives – (19-34)
Includes the following Major Auxiliary courses not taken for University Core curriculum credit:
BIO 102 General Biology II
MAT 236 Multivariable Calculus
PHY 111 General Physics I

Total Credit Hours: 128

Clinical Laboratory Science Major, BS
(NYC, PLV)
Clinical Laboratory Science is an allied health profession that is central to the operation of the modern medical establishment. Medical technologists are part of the medical team of specialists that work together to determine the presence, extent, or absence of disease.

The clinical laboratory science major requires three years of academic study at Pace, followed by one year of clinical hospital training in a program approved by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). To be admitted to the program, students must meet the admissions requirements of both institutions, including the Allied Health Aptitude Examination during their first year at Pace and maintain a cumulative QPA of 3.0. For further information contact the Department of Biology and Health Sciences.

University Core – (44-55)
Includes required major specific courses in Mathematics and Chemistry: MAT 131 (4 credits) and CHE 111 (4 credits) and an In-Depth Sequence of CHE 112, CHE 223, and CHE 224 (14 credits)

Major Courses – (66)

Biology Core Courses (26 credits)
BIO 101 General Biology I 4
BIO 102 General Biology II 4
BIO 231 Genetics 4
BIO 327 Cellular Biochemistry 4
BIO 335 Molecular and Cellular Biology 4
BIO 490 Introduction to Research in the Biological Sciences 3
BIO 480 Research in Biology 3

Biology Electives (16 credits)
BIO 251 Principles of Human Anatomy 4
BIO 264 Microbiology 4
BIO 334 General Physiology 4
BIO 359 Immunology 4

Required Hospital Residency (24 credits)
BIO 495C Hospital Career Training: Medical Technology 12

Required Major Auxiliary Courses - (19)

Open Electives – (18-28)
Includes Required Major Auxiliary Courses (15-16 credits) not taken in University Core Curriculum and
UNV 101 (1 credit) required of all new freshmen.

Total Credit Hours: 146

Commercial Dance Major BFA

University Core Credits – (44-55)
Includes as an Area of Knowledge “in-depth sequence” up to FIVE Major Required DANCE Technique and DANCE Academics courses (10-11 credits).

Major Courses Credits - (66)

Required Theater Courses: (42 credits)
THR 108 Voice and Movement for the Actor I 3
THR 109 Voice and Movement for the Actor II 3
THR 151 Acting I 3
THR 251 Acting II 3
THR 255 Speech for the Stage 3
THR 256 Speech for the Stage II 3
THR 301 Advanced Scene Study I 3
THR 356 Advanced Scene Study II 3
THR 361 Advanced Scene Study III 3
THR 362 Advanced Scene Study IV 3
THR 357 Acting for Television and Film 3
THR 358 Acting for Television and Film II 3
THR 460 The Business of Acting 3
THR 499 Senior Year Experience in Theatre 3

Required Technical Electives (6 credits)
THR 122 Production Crew I (Costume) 3
THR 132 Stagecraft 3
THR 176 Lighting Workshop 3
THR 196E Theater Props 3
THR 211 Stage Management 3
THR 222 Production Crew II (Scenery) 3
THR 331 Sound and Acoustics 3

Required Theater History Courses (6 credits)
THR 131 Development of the Physical Theatre 3
THR 134 Theater History: From Classical to Neoclassical 3
THR 135 Theater History: From Romanticism to the Present 3
THR 136  World Theater 3
MUS 145  Introduction to the Opera 3
THR  Travel course 3

Required Theater Electives (12 credits)
THR 140  Makeup for Theatre I 3
THR 208  Playwriting 3
THR 232  Script Analysis 3
THR 240  Makeup for the Theater II 3
THR 254  Acting for the Musical Stage I 3
THR 257  Stage Combat I 3
THR 258  Improvisational Theatre 3
THR 354  Acting for the Musical Stage II 3
THR 355  Dialects for the Stage 3
THR 359  Directing I 3
THR 360  Directing II 3
THR 390  Theatre Internship 3 - 6

Open Electives (1-12)

Total Credit Hours: 128

Communication Arts and Journalism Major, BA

(PLV)
Prepares students for careers in print and broadcast journalism, mass communications and public relations.

University Core – (44-55)
Includes 15 credits of required auxiliary courses

Major Courses – (36)

Required Courses (21 credits)
JRN 101  Introduction to News Media 3
JRN 102  History of Journalism 3
JRN 104  News Reporting 3
JRN 203  Feature Writing 3
MCA 311  Ethics, Morality, and the Media 3
MCA 226  Writing for the Electronic Media 3
MCA 393  Intern Program I 1 - 9
or
JRN 490  Internship 3

Note that MCA 311 formerly was COM 311

Major Electives (15 Credits)
Any five courses from these two areas:

Print Area:
JRN 201  Advanced Reporting 3
JRN 202  News Editing 3
JRN 203  Feature Writing 3
JRN 207  Sports Journalism 3
JRN 296  Topics in Journalism 3

Broadcast Area:
JRN 295  Radio News Production 3
MCA 252  Media Production I 3
MCA 353  Media Production II 3

MCA 396  Topics in Communications 3

Required Major Auxiliary Courses – (15)
Also required is a concentration of at least 15 credits in another liberal arts discipline taken for University Core and/or Open Elective credits.

Open Electives – (37-48)

Total Credit Hours: 128

Communication Sciences and Disorders Major, BA

(NYC)
The Communication Sciences and Disorders (CSD) major program introduces students to the fields of speech-language pathology and audiology and offers them three options - all within the degree program's total degree credit minimum of 128 credits:

non-teaching option: introduction to the two fields and preparation for graduate graduate study

teaching option: additional 14 credits of coursework needed to qualify for the Initial Certificate in Teaching Students with Speech and Learning Disabilities.

additional teaching option: additional six credits of coursework needed to qualify for the Bilingual Extension of the Initial Certificate.

Requirements

University Core – (44-55)
Must include CSD 371 (AOK I) CSD 223 (AOK V), PSY 110 (AOK V), PSY 275 and PSY 315 (Inquiry and Exploration).

Recommended: MAT 134, BIO 220, and one physical science course.

Major Courses: Three Options

Non-Teaching Option: 44 cred.

Initial Teaching Certificate Option: 64 cred.

Combined Initial Teaching Cert./Bilingual Extension Option: 70 cred.

Required CSD Courses: ALL OPTIONS – (50)
CSD 140  Introduction to Communication Disorders 3
CSD 241  Diagnostic and Therapeutic Procedures 3
CSD 251  Early Language Development 3
CSD 253  Anatomy and Physiology of Speech and Hearing Mechanisms 3
CSD 256  Phonetics 3
CSD 270  Introduction to Audiology 3
CSD 321  Professional Speech Workshop 3
CSD 342  Advanced Communication Disorders 3
CSD 355  Bilingual Speech-Language 3
## Development and Disorders

**Note:** Both CSD 460 and CSD 461 require a minimum 2.7 CQPA or 3.0 in the major.

## Non-Teaching Option (56)

### Required CSD Courses: ALL OPTIONS – (44)

### Additional CSD and COM Courses for Non-Teaching Option - (6)

- TWO of the following three courses:
  - COM 214 Interpersonal Communication 3
  - CSD 352 Language Development and Disorders in School-Aged Children 3
  - COM 372 Counseling in CSD 3

**Open Electives (23-34)**

Subtotal: 128

## Initial Teaching Certificate Option: (64)

### Required CSD Courses: ALL OPTIONS (44)

### Additional Required CSD and COM Courses for Initial Teaching Option (9)

- CSD 352 Language Development and Disorders in School-Aged Children 3
- CSD 353 School Programs in Speech 3
- COM 214 Interpersonal Communication 3
- COM 372 Counseling in CSD 3

### Required TCH Courses (11)

- TCH 211A Professional Seminar II: Keeping Children Safe 1
- TCH 201 Education I: Understanding Schools 4
- TCH 497 Student Teaching Seminar in Speech and Language Disabilities 6

**Open Electives (9-20)**

Subtotal: 128

## Combined Initial Teaching Certificate and Bilingual Extension Option: (70)

### Required CSD Courses: ALL OPTIONS (44)

### Additional Required CSD and COM Courses for Combined Initial and Bilingual Extension Option: (9)

- CSD 352 Language Development and Disorders in School-Aged Children 3
- CSD 353 School Programs in Speech 3
- COM 213 Intercultural Communication 3

### Required TCH Courses w. Bilingual Extension – (17)

- TCH 211A Professional Seminar II: Keeping Children Safe 1
- TCH 211B Professional Seminar III 1
- TCH 201 Education I: Understanding Schools 4
- TCH 497 Student Teaching Seminar in Speech and Language Disabilities 6
- TCH 351 Foundations of Bilingual Education 3
- TCH 453 Methods and Materials of Teaching in Pre K-6 in the Bi-Lingual Classroom 3

**Note:** For the Bilingual Extension of the Initial Certificate, students must pass the State competency test in a language of choice.

## Open Electives (3-14)

Subtotal: 128

### Communication Studies Major, BA (NYC)

Communication Studies majors choose one of two areas of concentration: public/professional studies or media studies. The Public and Professional Studies program is geared for those interested in careers in organizational communication, law, politics, government, labor unions, human relations, corporate-government relations, and fund raising. The Media Studies program emphasizes the fields of communication as they apply to mass media. The program qualifies graduates for entry-level positions in broadcasting, advertising, sales, marketing, politics, and public relations.

### University Core – (44-55)

Includes required auxiliary courses in contemporary global issues (3 credits) and either a Fine Arts, Performing Arts, or Religious Studies course (3 credits).

### Required Major Courses – (42)

#### Major Core Courses (9 credits)

- COM 111 Introduction to Communication 3
- COM 113 Media, Culture, and Society 3
- COM 114 Introduction to Mass Media 3

#### Major Elective Courses: (33 credits)

**Group ONE: (6 credits)**

Choose two of the following courses:

- COM 209 Speech and Language 3
- COM 226 Writing for the Electronic Media 3
- COM 228 Writing for Convergent Technologies 3
- COM 252 Broadcast Lab 3
- Approved Service Learning Course 3

**Groups TWO and THREE: (27 credits)**

Students must complete minimum of 12 credits in each group:

**Group TWO: (12-15 credits)**

- COM 119 Organizational Communication 3
COM 203  Persuasion  3
COM 205  Dynamics of Small Group Communication  3
COM 213  Intercultural Communication  3
COM 214  Interpersonal Communication  3
COM 209  Speech and Language Research  3
COM 239  Milestones in Communication Research  3
COM 260  Pragmatic Communication  4
COM 361  Milestones in Communication Research  3

Group THREE: (12-15 credits)
COM 245  Communication and Popular Culture  3
COM 255  Political Communication  3
COM 235  Advertising and Consumer Culture  3
COM 311  Media Ethics  3
COM 312  Introduction to Cultural Studies  3
COM 335  Media and Gender  3
COM 336  Propaganda  3
COM 338  Media Criticism  3
COM 481  Language and Power  3
Approved Topics Course  3

Open Electives – (31-42)

Total Credit Hours: 128

Communications Major, BA

(PLV)
Prepares students for a variety of careers such as law, mass communications, video production, advertising, and public relations and also offers students a great deal of flexibility to design a course of study according to their interests.

University Core – (44-55)

Major Courses – (42)

Required Major Courses: (12 credits)
MCA 226  Writing for the Electronic Media  3
MCA 227  Writing for the Print Media  3
MCA 393  Intern Program I  1-9
MCA 499  Seminar  3

TWO Writing Courses: (6 credits)
MCA 337  Writing Public Relations Copy  3
MCA 339  Creative Writing for Broadcast Media  3
MCA 340  Writing for Advertising  3
MCA 360  Screenwriting  4
ENG 223  Creative Writing  3
ENG 322  Advanced Writing  3
ENG 324  Writing of Fiction  3
JRN 203  Feature Writing  3

Required Major Electives: (24 credits)

Student chooses from upper-level MCA, JRN, and SPE courses.

Note: With department chair's approval, student may choose an additional three credits of internship.

Open Electives – (31-42)

With department chair's approval may include an additional 3 credits of internship

Total Credit Hours: 128

Criminal Justice Major, BS

(NYC, PLV)
Prepares students for employment in all areas related to the field of criminal justice and other government agencies, as well as for graduate school in related disciplines.

University Core – (44-55)

Includes CHE 108 and SOC 102 in Area of Knowledge Area 5 (six credits) and three auxiliary courses (nine credits) in a single discipline if arts or science courses.

Major Courses – (36)

Required Courses (27 credits)
CRJ 121  Government Administration  3
CRJ 150  Introduction to Criminal Justice  3
CRJ 242  Crime and Public Policy  3
CRJ 250  Community Relations in the Criminal Justice System  3
CRJ 261  Introduction to Criminal Investigation  3
CRJ 305  Criminal Law  3
CRJ 346  Terrorism and Society  3
CRJ 402  Constitutional Issues in Criminal Justice  3
CRJ 412  Integrity Issues in the Criminal Justice System  3

Major Electives: THREE courses: (9 credits)
CRJ 240  Comparative Criminal Justice Systems  3
CRJ 243  Alcohol, Drugs and Crime  3
CRJ 245  Organized Crime  3
CRJ 247  Introduction to Private Security  3
CRJ 249  Law and Society  3
CRJ 251  Penology  3
CRJ 252  Probation and Parole  3
CRJ 255  Structure and Function of Police Organization  3
CRJ 296  Topics in Criminal Justice  3
CRJ 298  Contemporary Perspectives on Violence  3
CRJ 311  Controversial Criminal Cases  3
CRJ 315  Research Perspectives  3
CRJ 321  Creative Crime Control  3
CRJ 331  Strategies in Corrections  3
SCHOOLS | 147

Open Electives – (37-48)

Total Credit Hours: 128

English Major, BA

(PLV)

This major prepares students for most fields which require good communication and analytical skills, as well as for graduate study in fields such as publishing, communications, and teaching and professional schools such as law and business. For information about a combined major in education with this arts and sciences major, see the School of Education section of this catalog.

University Core – (44-55)

Major Courses – (36)

Required LIT/ENG Courses: (18 credits)
LIT 132 Introduction to Literary Studies 3
LIT 211 Literature I 3
LIT 212 Literature II 3
LIT 362 Shakespeare 3
ENG 3xx Advanced or Creative Writing course 3
LIT 499 Senior Year Experience: Culture, Creativity, Communication 3

Two Required Diversity/Cultural Pluralism LIT Courses: (6 credits)
LIT 303 Introduction to Cultural Studies 3
LIT 304 Postcolonial Literature 3
LIT 326 African American Literature 3
LIT 343 Contemporary American Literature 3
LIT 345 Literatures of Diversity 3
LIT 384 Images of Women in Literature 3

Required Track: Literature or Writing: (12 credits)

Literature Track:
LIT 382 Literary Criticism 3
LIT 300-level 3
ENG 393 Internship 1 - 6
ENG 394 Internship: Writing for Civic Engagement 3 - 6
TWO LIT 300-level courses 6

These TWO LIT 300-level courses must focus on a genre, period, or multicultural or world literature.

Writing Track:
ENG 393 Internship 1 - 6
THREE 300-level writing courses 9

Open Electives - 37-48

Total Credit Hours: 128

Open Electives – (37-48)

Total Credit Hours: 128

Economics, BA

(NYC, PLV)

Prepares students for employment in a variety of business fields, particularly finance, banking, planning, management, government, and teaching, or for further education in graduate Economics, Business, or other professional schools.

University Core – (44-55)

Core must include
MAT 104 Finite Mathematics 3
MAT 117 Elementary Statistics 4

Major Courses – (36)

Required Core Courses: (24 credits)
ECO 105 Principles of Economics: Macroeconomics 3
ECO 106 Principles of Economics: Microeconomics 3
ECO 230 Intermediate Macroeconomics 3
ECO 234 Intermediate Microeconomics 3
ECO 238 Money and Banking 3
ECO 240 Quantitative Analysis and Forecasting 3
ECO 360 International Economics 3
ECO 305 Global Finance, Investments and Economic Activity 3
ECO 400 Seminar in Economic Theory 3

Required Electives: (12 credits)
Approved ECO courses, chosen with a faculty adviser.

Auxiliary (Specialization) Requirements (9)

Three courses in a single discipline (approved by department chair) in order to enhance Criminal Justice career options. If the discipline is arts or science one, these courses may be taken as an AOK in-depth sequence or as Inquiry & Exploration courses. Otherwise, they are to be taken as Open Elective courses.

Open Electives – (37-48)

Total Credit Hours: 128

Note: both CRJ 391 and CRJ 392 are recommended
English and Communications Major, BA

(PLV)

This major offers students a great deal of flexibility thereby enabling them to design a course of study according to personal interests. It prepares students for a variety of careers such as law, mass communications, video production, and teaching.

University Core – (44-55)

Major Courses – (36)

Required Courses: (21 Credits)
LIT 132 Introduction to Literary Studies 3
LIT 369 LIT 1 Genre Course 3
LIT 482 Seminar: Jane Austen and Her World 3
LIT 499 Senior Year Experience: Culture, Creativity, Communication 3
COM 499 Seminar in Communications 3
ENG 303 Language, Meaning, and Behavior 3
ENG 3xx One Advanced or Creative Writing 3
ENG 304 Growth of the English Language 3
COM One Communications Course 3
MCA One Communications Course 3

For guidance in choosing unspecified courses, please see department chair.

Major Electives: (15 credits)
FIVE upper-level courses in one or more of the following areas: ENG/LIT/COM/MCA/JRN/FSS.

Open Electives – (37-48)

Total Credit Hours: 128

English Language and Literature Major, BA

(NYC)

Offers three concentrations in writing, literature, and related disciplines in preparation for a wide variety of careers as well as for graduate study.

University Core – (44-55)

Major Courses – (36)

Students choose ONE of three concentrations:

Concentration In Literature (36)
LIT 319 Introduction to Literary Studies for Majors 3

ELEVEN 300-level LIT courses as follows: (33)
Note: This group of eleven 300-level courses must include at least two courses each in British and American Literature and a minimum of two courses each in pre-1800 LIT and post-1800 LIT.
TWO British LIT courses (pre-1800 and/or post-1800) 6
TWO American LIT courses (pre-1800 and/or post-1800) 6
SEVEN 300-level LIT courses

Concentration In Writing and Literature (36)
Note: With department chair's permission a student with a 3.0 QPA and 90 undergraduate credits may substitute 6 credits of coursework from the Graduate Publishing Program.
SIX 300-level ENG courses 18
LIT 319 Introduction to Literary Studies for Majors 3
LIT 3 3
LIT 3 3
LIT 3 3
LIT 3 3

Concentration In Literature And Culture (36)
LIT 303 Introduction to Cultural Studies 3
FOUR 300-level LIT courses: (12)
LIT 319 Introduction to Literary Studies for Majors 3
LIT 3 3
LIT 3 3
LIT 3 3
LIT 3 3

ONE Women's and Gender Studies course from the following list: (3)
WS 220 The Medieval Woman 3
WS 266 Gender, Race and Class 3
WS 267 Meanings and Models of Motherhood in European History and Literature 6
WS 268 Men and Masculinities 3
WS 269 Dealing with Difference: Lesbians in Literature and Film 3
WS 271 Women in Jeopardy 3
WS 380 Seminar in Feminist Theory 3

TWO additional courses from the following list: (6)
300-level Writing courses, 300-level Literature courses, FSS 200/300-level courses selected from above FSS list, WS 200/300-level courses from above WS list
Open Electives – (37-48)

Total Credit Hours: 128

Environmental Science Major, BS
(NYC, PLV)

This major offers students an interdisciplinary environmental science program within the context of a liberal arts education. Designed for students interested in a scientific perspective on environmental issues, it provides both basic and applied knowledge needed to understand the environment and associated problems. This degree will allow students to continue with advanced studies in a graduate degree program or to enter the job market for environmental science positions.

University Core – (44-55)

Includes required Auxiliary courses taken for Foundation, Area of Knowledge (AOK), and/or Open Elective credit.

Note: CHE 112, CHE 223, AND CHE 224 constitute an In-Depth Sequence applicable towards AOK and I&E requirements.

Auxiliary Course Requirements

Taken as University Core and/or Open Electives (29 credits)

CHE 111 General Chemistry I 4
CHE 112 General Chemistry II 4
CHE 223 Organic Chemistry I 5
CHE 224 Organic Chemistry II 5
MAT 131 Calculus I 4
MAT 141 Introductory Statistics for the Life Sciences 4
SCI 145 Environmental Geology 3
SCI 226 Geographical Information Systems 3

Major Requirements – (50-53)

Major Courses: (26 credits)

BIO 101 General Biology I 4
BIO 102 General Biology II 4
BIO 205 Concepts of Environmental Science 3
BIO 210 Ecology 4
BIO 221 Botany 4
BIO 490 Introduction to Research in the Biological Sciences 3
BIO 491 Internship in Biology 3

Major Electives: (24-27 credits)

Students choose from the following list:

ANT 108 Global Culture and Local Identities 3
BIO 264 Microbiology 4
BIO 322 Animal Behavior 4
BIO 327 Cellular Biochemistry 4
BIO 345 Introduction to Toxicology 3
CHE 221 Analytical Methods and Techniques 4
CHE 224 Organic Chemistry II 5
ENV 111 Environmental Studies: Economical, Ethical and Political Perspectives 3

ENV 205 Globalization, Trade and the Environment 3
ENV 210 Geographical Information Systems in Environmental Science Sustainability 3
PHI 223 Environmental Ethics 3
SOC 111 Urban Sociology 3

Open Electives – (20-34)

Includes Auxiliary courses not take for University Core Curriculum credit and UNV 101 - Freshman Seminar (1 credit).

Total Credit Hours: 128

Environmental Studies Major, BA
(NYC, PLV)

University Core – (44-55)

Includes ENV 222 Principles of Environmental Science (3 credits). Recommended courses are PHI 110 and PHI 115.

Note: Students choosing a concentration in environmental biology also are required to take three science courses (BIO 101 and 102, General Biology I & II - 8 credits and BIO 205, Concept of Environmental Science - 3 credits) for University Core credit and/or Open Elective credit.

Undergraduate Major Courses – (43-48)

Required Major Courses: (36 credits)

ENV 111 Environmental Studies: Economical, Ethical and Political Perspectives 3
ENV 112 Environmental Studies - Basic Issues 3
ENV 211 Environmental Assessment 3
ENV 221 Environmental Science: The Web of Life 3
ENV 222 Environmental Chemistry: Principles, Problems and Solutions 3
ENV 380 Junior Year Research Seminar 3
ENV 498 Mentoring Seminar 3
ENV 499 Senior Year Experience in Environmental Issues 3
ENV 310 Environmental Economics 3
PHI 223 Environmental Ethics 3
POL 301 Community Politics and Environment 3
SCI 145 Environmental Geology 3

Required Major Elective Courses: (12 credits)

TENELVE credits of elective courses. Students choose from the following list but should check with program director for possible updates. However, students with a concentration in environmental biology take 7-8 credits of major electives from the Science Elective Group below.

ENV 105 Social Responsibility and the World of Nature 3
ENV 110 Nature and Culture: A Study in Connections 3
ENV 130  The Naturalists  3
ENV 140  Act Locally: Environmental Issues and You  3
ENV 205  Globalization, Trade, and the Environment  3
ENV 215  Foundations of Environmental Law for Non-Lawyers  3
ENV 220  Charles Darwin on Ecology  3
ENV 225  Environmental Anthropology  3
ENV 230  Natural Beauty: An Introduction to Environmental Aesthetic  3
ENV 311  Introduction to Environmental Law: History & Development of Environmental Regulations  3
ENV 296F  Topic: An Environmental Study of the Greater New York City Region  3
ENV 296G  Human Ecology  3
BIO 210  Ecology  4
BIO 281  Botany  4
PHI 290  Philosophical Perspectives on Technology  3
RES 296  World Religions and the Natural World  3
SCI 130  Elements of Environmental Science  3
SCI 226  Geographical Information Systems  3
INT 195  The Hudson River and the American Tide  3
INT 298G  Sacred Knowledge: Finding Common Ground Between Native American Traditions and Western Science  6
INT 396  Ethical and Economic Challenges of Ecotourism  3

SCIENCE Elective Group for Environmental Biology Concentration: (7-8 credits)

TWO elective courses from the following group:
BIO 215  Urban Ecology  3
BIO 231  Genetics  4
BIO 244  Botany  4
SCI 345  Environmental Applications in Geology  4

Open Electives – (30-41)

Must includes BIO 101, 102 and 205 if not taken for University Core credit.

Total Credit Hours: 128

Film and Screen Studies Major, BA

(NYC, PLV)

In this program film is seen as both an object of study and a methodological tool used in a variety of disciplines. Up to 24 credits in this major can be taken from courses offered in other departments, and at least 12 credits must be FSS-headed courses. Up to 21 credits can be "double-counted" towards both the FSS major and a second Dyson major, as long as both are BA degree programs. At least 15 credits must count exclusively for the FSS major (i.e., not counted towards either the University Core or second major). See program director for assistance and approvals.

University Core – (44-55)

Film and Screen Studies Major – (36)

Required Major Courses: (12 credits)
FSS 202  History of Film  3
FSS 203  The Art of Film  3
FSS 383  Theories of Film  3
FSS 386  Seminar on Film  3

Note that FSS 386 may be taken for credit more than once, because each semester the course topic differs (to include genres, movements, major figures or periods).

Required Major Electives: (24 credits)

Unless otherwise noted, electives are three (3) credits each. Students choose electives in FSS and other academic programs but no more than 6 credits in ART or MCA (unless double majoring or minoring in that area).

Close advisement in this program is necessary if double majoring and because each term new film courses are created. For courses not on this list, students must obtain approval from FSS Director.

Approved FSS INT Electives:
FSS 296A  Topic: Hitchcock  3
FSS 296C  Topic: History of the Documentary  3
FSS 296D  Video I  3
INT 298A  The Biology of Science Fiction Film  6
FSS 393  Internship in Film and Screen Studies  3
FSS 395  Independent Study in Film & Screen Studies  2 - 3

Sample list of Approved FSS Film Electives from the following Other Disciplines:

Unless otherwise noted, the following are 3-credit courses:
ANT 101  Introduction to Anthropology  3
ANT 296Q  Topic: Middle East through Film  3
ART 153  Introduction to Photography  3
ART 174  Picturing Art in Film and Video  3
ART 176  Visual Literacy  3
ART 186  Digital Design I  3
ART 228  Photography II: Color  3
ART 245  Art History: History of Photography  3
ART 253  Photography II: Black and White  3
ART 285  2D Animation I  3
ART 287  Digital Design II  3
ART 289  Video I  3
ART 380  Computer Illustration  3

**Learning Communities:**

- ART 186B Painting and
- ART 145B Basic Digital Design
- ENG 120K Film and Computing: Real and Virtual Identities
- CISC 101K Film and Computing: Real and Virtual Identities

**Open Electives – (37-48)**

**Total Credit Hours: 128**

**Forensic Science Major, BS**

(NYC)
Prepares students for employment in forensic laboratories and criminal investigation units as well as in biological and chemical research and in the pharmaceutical industry. It also prepares students for graduate study in forensic science, biology, chemistry, and biochemistry and for applying to medical and dental schools.

Note: Forensic Science undergraduates interested in the M.S. program in forensic science must apply for acceptance during the first term of their senior year.

**University Core – (44-55)**

Includes MAT 131 Calculus I, BIO 101 General Biology I, PHY 112 General Physics II, and CRJ 161 Criminal Investigations, and three required Major Auxiliary courses.

**Foundation Requirements:**
- MAT 131 Calculus I 4
- BIO 101 General Biology I 4

**Area of Knowledge Requirements:**
- PHY 112 General Physics II 4
- MAT 234 Introduction to Probability and Statistical Analysis 4
- BIO 102 General Biology II 4
- PHY 111 General Physics I 4
- MAT 132 Calculus II 4

**Inquiry and Exploration Requirements:**
- CRJ 161 Criminal Investigation 3

**Forensic Major Requirements – (60)**

**Required Major Courses**
- BIO 231 Genetics 4
- BIO 345 Introduction to Toxicology 3
- CHE 111 General Chemistry I 4
- CHE 112 General Chemistry II 4
- CHE 221 Analytical Methods and Techniques 4
- CHE 222 Organic Chemistry I 5
- CHE 224 Organic Chemistry II 5
- CHE 301A Physical Chemistry I: Thermodynamics (Lecture Only) 3
- CHE 302A Physical Chemistry II (Lecture II) 3
- CHE 326 Biochemistry 4
- CHE 328 Advanced Biochemistry 3
- CHE 331 Instrumental Analysis 4

- FOR 252 Crime Scene Processing 3
- FOR 337 Forensic Biology 4
- FOR 351 Forensic Microscopy 3
- FOR 492 Forensic Science Seminar 1

**Open Electives: (14-25)**
Includes required Auxiliary Courses not taken for University Core credit.

**Total Credit Hours: 129**

---

**History Major, BA**

*(NYC, PLV)*

Provides students with an excellent preparation for law school, graduate work, teaching, and a variety of private and public service positions.

**University Core – (44-55)**

May include two history courses. One each from two Area of Knowledge groups: Western Heritage American or European (choose from HIS 111-113, HIS 103, HIS 104, NYC 115) and World Traditions and Cultures Non-Western (choose from HIS 119, HIS 131, HIS 132, HIS 134).

**Major Requirements – (42)**

**Required Major Courses: (6 credits)**
- HIS 380 Seminar on Historiography 3
- HIS 499 Senior Year Experience in History 3

**Required Major Electives: (36 credits)**

**TWO courses each from three historical fields:**
- Non-Western, Western Heritage American, and Western Heritage European, counting two courses if taken to satisfy University Core requirements (18 credits).

**Non-Western History**
- HIS 107 World Civilization I 3
- HIS 108 World History After 1650 3
- HIS 119 The Middle East: An Historical Survey 3
- HIS 131 The Asian World: A Historical Survey 3
- HIS 132 Africa: An Historical Survey 3
- HIS 133 Latin America: The Colonial Era 3
- HIS 134 Modern Latin America 3
- HIS 196
- HIS 202 Modern Britain 3
- HIS 216 History of Human Rights 3
- HIS 217 Modern East Asia in Film 3
- HIS 218 Nonviolent Activism in Modern Asia 3
- HIS 220 Modern Islamic World: 1850-Present 3
- HIS 223 Discrimination, Integration and Assimilation: Global Jewish Experience 3
- HIS 231 Latin America: Century of Social Change and Revolution 3
- HIS 239 Wars in the Asia-Pacific 3
- HIS 241 Modern China 3
- HIS 242 Modern Japan 3
- HIS 243 Service and Study in Latin America 3
- HIS 270 History of Modern South Africa 3
- HIS 274 History of North Africa After 1800 3
- HIS 275 Modern History of Afghanistan, Iraq and Iran 3
- HIS 296

Choices include equivalent LC or topics course.

**ONE 300-level History course but excluding 380 (3 credits)**

**FOUR History courses at 200 or 300-level: (12 credits)**

**Open Electives – (31-42)**

**Total Credit Hours: 128**

**Language, Culture and World Trade Major, BA**

**(NYC)**

This interdisciplinary program blends theory and practice and features three major components: a major in a foreign language and culture (French, Italian, Russian, or Spanish); a professional concentration in one of four areas of international enterprise; and a required capstone course and an internship. It prepares students for graduate school in foreign languages or employment in international corporations including travel and tourism, media and entertainment, diplomacy, banking and transportation.

**University Core – (44-55)**

Must include ECO 105. For major-appropriate specific core requirements in history, social sciences and religious studies, students meet with Department of Modern Languages and Cultures advisor for approval.

**Major Requirements – (42-43)**

**Required Courses: (9 credits)**

**ONE internship (3 credits)**

**Required Electives: (36-37 credits)**

**EIGHT Upper-Level Courses: (24 credits)**

At least six of these courses must be 300-level and in French, Italian, Russian or Spanish.

**ONE Required Professional Track: (12-13 credits)**
Students choose one of the following tracks:

1. **World Trade Track**: MAR 351 and MGT 240 and 2 approved courses
2. **International Banking & Economic Policy Track**: ECO 238 and 362 and 2 approved courses
3. **Diplomacy Track**: LAW 325 and POL 114 and 2 approved courses
4. **International Travel Industry Track**: MGT 307 and 308 and 2 approved courses

Students choose one track, each with two specified courses and two department-approved ones:

1. **World Trade Track**: MAR 351 and MGT 240
2. **International Banking & Economic Policy Track**: ECO 238 and 362
3. **Diplomacy Track**: LAW 325 and POL 114
4. **International Travel Industry Track**: MGT 307 and 308

**Open Electives – (30-42)**

Includes following required Auxiliary Courses:

Note that these courses may be taken for core curriculum and/or open elective credit.

- **ECO 105** Principles of Economics: Macroeconomics — 3 credits
- **ECO 360** International Economics — 3 credits
- **MAR 250** Principles of Marketing — 3 credits
- **MAT 117** Elementary Statistics — 4 credits
- **MGT 250** Managerial and Organizational Concepts — 3 credits
- **LAW 101** Business Law I — 3 credits
- **RES 106** Religions of the Globe — 3 credits

Total Credit Hours: 128

**Latin American Studies Major, BA (NYC)**

Latin American Studies (LAS) is an interdisciplinary program of course offerings from eight liberal arts and social science departments. Its purpose is the development of versatile bilingual professionals and area specialists who are equipped to meet the challenges of globalization, including a complex economy for which specialization in a single, technical field is insufficient. To complete this 36-credit major, students select courses from various subject areas: Language Proficiency, History, Literature, Culture, Economy, and Society.

**Note**: Students wishing to double major may share a maximum of credits in a second Dyson BA major as follows: Modern Languages & Cultures (21); Language, Culture & World Trade (21); History (15); Economics (6).

**University Core – (44-55)**

**Latin American Studies Major – (36)**

<table>
<thead>
<tr>
<th>Required Major Courses: (6 credits)</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>LAS 101</strong></td>
</tr>
</tbody>
</table>

**Major Electives: (30 credits)**

**Language Proficiency (6 credits)**

Prerequisite: SPA 101 and SPA 102 or equivalent.

Two 3-credit courses:

- **SPA 263** Spanish for Native Speakers — 3 credits
- **SPA 280** Intensive Review of Spanish — 3 credits
- **SPA 283** Intermediate Spanish Conversation — 3 credits
- **SPA 284** Intermediate Spanish Composition — 3 credits

**History (6 credits)**

Two 3-credit courses or one 6-credit course:

- **HIS 133** Latin America: The Colonial Era — 3 credits
- **HIS 134** Modern Latin America — 3 credits
- **HIS 231** Latin America: Century of Social Change and Revolution — 3 credits
- **HIS 234** South American Colossus: The History of Modern Brazil — 3 credits
- **HIS 243** Service and Study in Latin America — 3 credits
- **LAS 201** Latin America: The Caribbean and the World — 6 credits
- **LAS 210** Luz, Camara, Accion! : Film as Mirror of Social Change in Latin American History and Culture — 6 credits
- **LAS 230** “So Far from God; So Close to Uncle Sam:” Modern Mexico in History and Literature — 6 credits
- **LAS 250** History and Environmental Policy: The Case of the South American Rain Forest — 3 credits

**Literature (6 credits)**

Two 3-credit courses or one 6-credit course:

- **LAS 150** Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era — 6 credits
- **LAS 220** Caribbean Transnational Cultures: The History, Literature and Film of the Spanish Caribbean — 6 credits
- **LIT 211J** American Voices — 3 credits
- **POR 154A** Topic: Contemporary Brazilian Literature and Culture — 3 credits
- **SPA 154R** Topic: Borders of Latino/a Identity: An Introduction to Latino/a Literature and Culture of the US — 3 credits
- **SPA 154S** Perspectives on America: The Experience of Latina Writers — 3 credits
- **SPA 319** Masterpieces of Spanish-American Literature I — 3 credits
- **SPA 320** Masterpieces of Spanish American Literature II: Dictatorships — 3 credits
- **SPA 321** Literature and Culture of Puerto Rico and the Caribbean — 3 credits
- **SPA 323** Modern Latin American Prose — 3 credits
SPA 344 The Short Story and Essay in Spanish America 3
SPA 346 Hispanic Literature and Culture in the United States 3
SPA 480C Seminar: Love and Repression in Modern Latin American and Caribbean Lit & Film 3
SPA 480D Magical Realism in Latin American Literature and Cinema 3
SPA 480F Topic: Latin American Literature and Film of the 21st Century: The Andean World 3

Culture (3 credits)
One 3-credit course:
ANT 296H Traditional and Modern Cultures of Latin America 3
ANT 296K Topic: Latino Families in Cross Cultural Perspectives 3
ART 214 Art History: Modern Art 3
SPA 154N Hispanic Cultural Experience in New York City 3
SPA 154Q Negotiating Borders: Latino Film of the United States 3
SPA 154V Latin American Cinema 3
SPA 311 Introduction to Latin American Culture 3
SPA 345 Latin American Theatre 3
SPA 347 The Culture of Mexico 3

Society, the Economy, and Civic Engagement (6 credits)
Two 3-credit courses or one 6-credit course:
ANT 296K Topic: Latino Families in Cross Cultural Perspectives 3
CS 104 Crossing the Digital Divide 3
ECO 359 Political Economy of Developing Nations 3
HIS 243 Service and Study in Latin America 3
LAS 201 Latin America: The Caribbean and the World 6
LAS 250 History and Environmental Policy: The Case of the South American Rain Forest 3
LAS 296A Latin Immigration to the USA: Perspectives on the United States’ Largest Ethnic Minority 3
PSY 296G Topics: Under the Radar- Seldom-Talked-About Addictions 3

One Additional Elective (3)
Any 3-credit course not already taken from above groups.

Open Electives – (37-48)
May include one or two highly recommended Political Science courses: POL 101 and/or 102.

Total Credit Hours: 128

Liberal Studies Major, BA (NYC, PLV)
Liberal Studies is an interdisciplinary program of 120 credits in two-three arts and/or sciences academic disciplines as determined by student interest and advisement. It is appealing to upper-level transfer students and particularly to adult students interested in the possibility of applying Experiential Learning credits towards their degree*. Sample concentrations are Communications and Literature; Criminal Justice and Sociology; and General Liberal Studies. The latter concentration is particularly flexible because it can be built around a theme of the student’s choosing, such as American studies; government; and philosophy and religious studies.

When choosing a concentration, the student works closely with advisers from the Dyson College of Arts and Sciences in order to construct a meaningful and coherent educational experience. Note that many courses applicable to the Liberal Studies major are offered online, though students are free to choose online or on-site ones.

*Note: Up to 36 Experiential Learning credits may be applied toward the degree. Students interested in applying such credits take INT 196B Portfolio Assessment (2 credits) as part of their Open Elective credits.

University Core – (44)

Foundation Courses: (9-12 Credits)
ONE Writing Course 3-4
ONE Math Course 3-4
ONE Capstone/senior year experience course in the major 3-4

Arts and Science Courses (32-35)

Interdisciplinary Major - (32-33)
TWO to THREE liberal arts and/or sciences disciplines:
At least half of these major interdisciplinary credits must be taken at Pace University, and courses must be at 200-level or higher (although up to three courses with faculty approval may be at a lower level).

Main Discipline (20 credits)
Second Discipline (6-12)
Third Discipline (0-6)

Open Electives – (27-28)
Includes INT 196B Portfolio Assessment (2 cred.) needed to determine acceptability of any Experiential Learning credits.

Total Credit Hours: 120
Mathematics Major, BA

(PLV, NYC)

A generalized program that enables students to develop a variety of skills. It allows students to double major or select up to two minors.

University Core – (44-55)

MAT 131 Calculus I (4 credits) may be used to satisfy Math core requirement; otherwise it must be taken for major credit.

Major Courses – (37)

Required Major Courses:

- MAT 131 Calculus I 4
- MAT 132 Calculus II 4
- MAT 137 Introduction to Discrete Mathematics 4
- MAT 234 Introduction to Probability and Statistical Analysis 4
- MAT 236 Multivariable Calculus 4
- MAT 238 Linear Algebra 4
- MAT 253 Differential Equations 4
- MAT 301 Algebraic Structures 3
- MAT 305 Complex Variables 3
- MAT 311 Real Analysis 3
- MAT 400 Mathematics: Connections, Communications, Research Experience I 3
- MAT 490 Mathematics Seminar Capstone Experience I 1
- MAT 491 Mathematics Seminar Capstone Experience II 2

PLV only: MAT 400
NYC only: MAT 490 and MAT 491

Open Electives – (36-47)

Total Credit Hours: 128

Mathematics Major, BS

(PLV, NYC)

The BS program in Mathematics is a specialized program that helps prepare students for employment in quantitative or technical fields (such as actuarial science, computer science, finance, operations research, statistics, and science) or for graduate study.

University Core – (44-55)

MAT 131 Calculus I (4 credits) may be used to satisfy Math core requirement; otherwise it must be taken for major credit. Also see Auxiliary Courses below for department-approved arts and science credits that may satisfy University Core.

Required Auxiliary Courses

Mathematics majors with dept. approval may choose a minor from a variety of subject areas (including accounting, actuarial science, biology, chemistry, computer science, economics, management science, physics, and statistics). A hybrid minor is also possible. Note: Auxiliary minors in a Dyson College liberal arts and science discipline satisfy applicable University Core requirements and/or Open Elective credits, but minors in other disciplines (e.g., computer or management science) satisfy only Open Elective credits.

Major Courses – (43-45)

Required Major Courses: (37 Credits)

- MAT 131 Calculus I 4
- MAT 132 Calculus II 4
- MAT 137 Introduction to Discrete Mathematics 4
- MAT 234 Introduction to Probability and Statistical Analysis 4
- MAT 236 Multivariable Calculus 4
- MAT 238 Linear Algebra 4
- MAT 253 Differential Equations 4
- MAT 301 Algebraic Structures 3
- MAT 305 Complex Variables 3
- MAT 311 Real Analysis 3
- MAT 400 Mathematics: Connections, Communications, Research Experience I 3
- MAT 490 Mathematics Seminar Capstone Experience I 1
- MAT 491 Mathematics Seminar Capstone Experience II 2

PLV only: MAT 400
NYC only: MAT 490 and MAT 491

Required Major Electives: (6-8)

TWO approved mathematics courses 200-level or higher.

Open Electives – (25-38)

Total Credit Hours: 128

Modern Languages and Cultures Major, BA

(NYC)

This program is designed for students who wish to acquire linguistic, cultural, and literary skills in one or two foreign languages. Instead of a second language, they may choose from among four interdisciplinary area studies tracks. This program prepares students for graduate school in foreign languages or for employment in the fields of travel and
tourism, media and entertainment, diplomacy, teaching, and public service.

**University Core – (44-55)**

**Major Courses – (39)**

**EIGHT 300-level courses (24 credits)**

Either in French, Italian, Russian, or Spanish:

**FOUR courses in one of the following tracks (12 credits)**

A. Second Language Track (Arabic, Chinese, French, Italian, Japanese, Portuguese, Russian, or Spanish) on any level.

B. Italian Studies Track.

C. Francophone Studies Track.

D. Hispanic Studies Track.

E. Slavic Studies Track

**Additional major course required (3 credits)**

DYS 499B Senior Year Experience in Modern Languages and Cultures

**Open Electives – (34-45)**

**Total Credit Hours: 128**

**Musical Theater Major, BFA**

**(NYC)**

**University Core Curriculum – (44-55)**

Includes 10 of the "Major Required Auxiliary Courses in Dance" taken as an In-depth Sequence

**Major Requirements – (51)**

**Required Theater Courses: (15 credits)**

THR 108 Voice and Movement for the Actor I 3

THR 151 Acting I 3

THR 251 Acting II 3

THR 460 The Business of Acting 3

THR 499 Senior Year Experience in Theatre 3

**Required Technical Electives: (6 credits)**

THR 122 Production Crew I (Costume) 3

THR 132 Stagecraft 3

THR 176 Lighting Workshop 3

THR 196E Theater Props 3

THR 211 Stage Management 3

THR 222 Production Crew II (Scenery) 3

THR 331 Sound and Acoustics 3

**Required Music Courses: (6 credits)**

MUS 150 Fundamentals of Music I 3

MUS 154 Sight Singing and Ear Training 3

MUS 250 Musical Theatre History and Repertoire I

MUS 260 Musical Theatre Technique I 3

MUS 261 Musical Theatre Technique II 3

MUS 320 Musical Theater History and Repertoire II

MUS 361 Musical Theatre Scene Study 3

MUS 460 Musical Theatre Audition Technique 3

**Required Private Voice Courses: (8 credits)**

MUS 131 Private Voice Lessons I 1

MUS 132 Private Voice Lessons II 1

MUS 231 Private Voice Lessons III 1

MUS 232 Private Voice Lessons IV 1

MUS 331 Private Voice Lessons V 1

MUS 332 Private Voice Lessons VI 1

MUS 431 Private Voice Lessons VII 1

MUS 432 Private Voice Lessons VIII 1

**Required Auxiliary Courses In Dance: (6 credits)**

Taken in University Core as In-Depth Sequence and/or in Open Electives: (16 credits)

DAN 109 Theater Dance I 2

DAN 114 Theater Dance II 2

DAN 110 Ballet I (Beginning/Intermediate) 2

DAN 116 Tap Dance I 2

DAN 206 Tap Dance II 2

DAN 202 Jazz I 2

DAN 208 Contemporary Dance I 3

DAN 205 Jazz Dance II (Intermediate) 2

DAN 211 Jazz III 2

DAN 210 Ballet II 2

DAN 310 Ballet III 2

DAN Elective 2

**Open Electives - (17)**

Includes "Required Auxiliary Courses in Dance" not taken for University Core credit

**Total Credit Hours: 128**

**Personality and Social Psychology Major, BA**

**(PLV)**

**University Core Curriculum – (44-55)**

Core must include

PSY 112 Introduction to Psychology 4

**Major Requirements – (42)**

**Required Major Courses: (24 credits)**

PSY 243 Applied Social Psychology 3

PSY 205 Statistics in Psychology and Allied Fields 4
PSY 304  Social Psychology  4
PSY 307  Psychology of Personality  3
PSY 380  Experimental Psychology I  4
PSY 391  Practicum in Psychology I  4
SOC 323  Social Theories  3

Required Major Electives: (18 credits)

SIX of the following courses:
PSY 201  Psychology of Business and Industry  3 - 4
PSY 206  Psychology and Law  3
PSY 209  Health Psychology  3
PSY 215  Psychology of Cultural Diversity  3
PSY 227  Psychology of Women  3
PSY 240  Positive Psychology and Happiness  3
PSY 257  Sports Psychology  3 - 4
PSY 258  Forensic Psychology  3
PSY 277  Evolutionary Psychology  3
PSY 278  Environmental Psychology  3
PSY 499  Capstone Course in Psychology  3
SOC 215  Sociology of the Family  3

Open Electives – (31-42)

Total Credit Hours: 128

Philosophy and Religious Studies Major, BA

(NYC)

Prepares students for graduate school in philosophy or religious studies, for law school, or for employment or study in any field requiring strong analytical and interpretive skills.

University Core – (60)

Major Courses – (39)

At least 12 credits each in PHI & RS.

Required Major Courses: (24 credits)
PHI 113  Ancient Philosophy  3
PHI 116  Modern Philosophy  3
PHI 253  Logic  3
RES 202  Great Ideas in Eastern Religious Thought  3
RES 231  The Bible: Hebrew Scriptures (Old Testament) or
PHI 355  Ethical Theories  3
PHI 357  Philosophy of Religion  3
PHI 499  Senior Year Experience in Philosophy and Religious Studies or
RES 499  Senior Year Experience  3

FIVE advisor-approved courses, three in Philosophy and two in Religious Studies, chosen from the following group:
PHI 217  Existentialism  3
PHI 218  Legal and Political Philosophy  3
PHI 223  Environmental Ethics  3
PHI 224  Medieval Philosophy  3
PHI 225  Contemporary Philosophy  3
PHI 256  Philosophy of Art: Aesthetics  3
PHI 260  Business Ethics  3
PHI 289  Political Philosophy from Machiavelli to Marx  3
PHI 296  Philosophical Issues in Feminism  3
PHI 305  Symbolic Logic  3
PHI 395  Independent Study in Philosophy  1 - 9
RES 201  Great Ideas in Western Religious Thought  3
RES 231  The Bible: Hebrew Scriptures (Old Testament)  3
RES 240  The World Religions and the Natural Environment  3
RES 296  World Religions and the Natural World  3
RES 395  Independent Study in Religious Studies  1 - 9

Open Electives – (34-45)

Total Credit Hours: 128

Physics Major, BS

(NYC and PLV)

Prepares students for graduate school and for entry-level employment in this field.

University Core Curriculum – (44-55)

Includes as many as 28 credits of Required Auxiliary Courses listed below, with three of the Mathematics courses taken as an in-depth sequence.

Required Auxiliary Courses
Taken for University Credit and/or Open Elective Credit
CHE 111  General Chemistry I  4
CHE 112  General Chemistry II  4
MAT 131  Calculus I  4
MAT 132  Calculus II  4
MAT 236  Multivariable Calculus  4
MAT 238  Linear Algebra  4
MAT 253  Differential Equations  4

Major Requirements – (44-46)

Required Major Courses: (38 credits)
PHY 111  General Physics I  4
PHY 112  General Physics II  4
PHY 231  Electromagnetism I  4
PHY 232  Electromagnetism II  3
PHY 235  Mechanics  4

**Total Credit Hours: 128**

### Political Science Major, BA

(NYC, PLV)

Prepares students for careers and graduate study in political science, international relations, law, public policy advocacy, and public administration, as well as for other opportunities in private, public, and nonprofit sectors that utilize skills involving civic competency, leadership, decision making, and negotiation.

**University Core – (44-55)**

Must include one course in contemporary global issues and one course in Fine or Performing Arts, Religious Studies, or Modern Languages and Cultures (6 credits).

**Major Courses – (33)**

**Required Major Courses: (24 credits)**

TWO 100-level and THREE 200-level courses, with at least one course from each of four subfields listed below (15 credits):

- **Comparative Politics**
  - POL 102 Public Myth and Ideologies 3
  - POL 210 Comparative Political Systems 3
  - POL 214 Revolution or Reform 3

- **Political Theory**
  - POL 101 Politics: Comparative Introduction 3
  - POL 218 Political Science and Economic Thought 3
  - POL 241 Classical Political Thought 3
  - POL 242 Medieval Political Theory 3
  - POL 243 Modern Political Theory 3
  - POL 244 American Political Thought 3

- **American Politics and Public Policy**
  - POL 111 American Government and Political Institutions 3
  - POL 118 State and Local Government 3
  - POL 220 Political Parties and Interest Groups 3
  - POL 222 Contemporary Issues in Public Policy 3
  - POL 244 American Political Thought 3

**Political Science Major, BA**

(NYC, PLV)

Prepares students for careers and graduate study in political science, international relations, law, public policy advocacy, and public administration, as well as for other opportunities in private, public, and nonprofit sectors that utilize skills involving civic competency, leadership, decision making, and negotiation.

**University Core – (44-55)**

Must include one course in contemporary global issues and one course in Fine or Performing Arts, Religious Studies, or Modern Languages and Cultures (6 credits).

**Major Courses – (33)**

**Required Major Courses: (24 credits)**

TWO 100-level and THREE 200-level courses, with at least one course from each of four subfields listed below (15 credits):

- **Comparative Politics**

  - POL 222 Contemporary Issues in Public Policy 3
  - POL 244 American Political Thought 3

**Open Electives – (40-51)**

**Total Credit Hours: 128**

### Professional Communication Studies, BS: (120 credit Program)

(NYC, PLV)

The BS in Professional Communication Studies is an accelerated online completion degree program designed to prepare students for successful professional careers in the field of communication. This interdisciplinary major includes courses in business, communication, and computer science. It is an innovative degree program for adult students who have experience in the workplace and have an associate AS or AA degree or the equivalent (60-64 credits).

The program is supported by Dyson College and Pace University's Office of Adult and Continuing Education, which has traditionally been responsible for assisting the undergraduate student, evaluating prior college-level credit and evaluating life experience for academic credit. For more information on this program, please visit our Web Site at http://online.pace.edu, call 212-346-1324 or email adultdegrees@pace.edu.

**Transfer Credits – (60-64)**

The total number of credits required to complete the degree is 120. The curriculum below contains 60 credits. Students transferring in less than 60 credits will need to take additional arts and sciences credits at Pace to fulfill the 120 credits.
Organizational Communication Concentration – (44)

Required Concentration Courses
Student meets with program coordinator for guidance in selecting appropriate Concentration electives.

- AIT 103 Online Seminar 1
- AIT 107 Computer Applications for Telecommunications 4
- CIT 231 Web Authoring and Digital Media 4
- COM 210 Introduction to Mass Media - Accelerated Bachelor's Degree Completion Program 4
- COM 260 Pragmatic Communication 4
- COM 300 Organizational Communication 4
- COM 361 Interpersonal Communication Among Cultures 4
- ENG 201 Writing in the Disciplines 3
- MCA 221 Professional Communication 4
- PAA 101 Public Administration and Its Environment 4

One approved MCA course in Public Relations (4)

AND

One Approved Elective (4)

Required Electives – (20)
Student meets with program coordinator for guidance in selecting appropriate courses to fulfill the program's required Liberal Arts and/or Science electives.

Recommended Liberal Arts and/or Science Electives

- HIS 113 The American Experience: Changing Roles of Women 4
- PAA 102 Organizational Planning and Budget Process 4
- PSY 260 Critical Thinking and Problem Solving 4
- SCI 230 Environmental Science 4

AND

One additional Elective (4)

Total Credit Hours: 120

Professional Studies Major, BS

(NYC, PLV)

Designed to meet the needs of adult students, this degree program provides flexibility in scheduling, including a number of online courses using Web-based instruction. Additionally, it offers students the opportunity to transfer in a large number of credits earned at other institutions and also to receive up to 36 Experiential credits for knowledge accumulated as a result of life experience that can be demonstrated, documented, evaluated, and deemed to be in accordance with the curriculum and standards of the University.

For further information on this program, please consult the academic advisor in the Office of the Dean, Dyson College of Arts and Sciences.

University Core Curriculum – (44-55)

Interdisciplinary Major – (36)
Students choose two disciplines:

ONE liberal arts or science discipline: (24 credits)

One other discipline either from a professional school or another liberal arts or science discipline (12 credits)

Open Elective Courses – (37-48)

Total Credit Hours: 128

Psychology Major, BA

(NYC, PLV)

This major prepares students for graduate school in both research and applied psychology and for entry-level employment in many fields of human services.

University Core – (44-55)

Core must include

- PSY 112 Introduction to Psychology 4

Major Courses – (43-48)

Required Courses: (28-32 credits)

NYC required courses include both PSY 315 and PSY 375 (32 credits)

PLV required courses include PSY 315 or PSY 323 (28 credits)

- PSY 205 Statistics in Psychology and Allied Fields 4
- PSY 304 Social Psychology 4
- PSY 308 History of Psychology 4
- PSY 311 Biological Psychology 4
- PSY 315 Cognitive Psychology 4
- PSY 375 Lifespan Development Psychology 4
- PSY 323 Psychology of Learning 3
- PSY 380 Experimental Psychology I 4
- PSY 381 Experimental Psychology II 4

Required Major Electives: (12-16 credits)

NY major: Takes approved Group I/II courses on department list (12-16 credits), at least three of which must be from Group I

PLV major: Takes any five 200/300-level PSY courses (15 credits)
Open Electives - (25-45)
Total Credit Hours: 128

Sociology/Anthropology Major, BA
(NYC)
Prepares students for exciting careers in law, teaching, business, social work, public management, urban planning, and human relations. While given an enhanced view of global and social issues including cultural diversity, race relations, gender issues, criminology, family and social problems, many students go on for advanced graduate work in the field or related areas.

University Core – (44-55)

Major Courses – (36)

Required Major Courses: (12 credits)
ANT 101 Introduction to Anthropology 3
SOC 102 Introduction to Sociology 3
SOC 323 Social Theories 3
SOC 380 Social Research Methods 3

Required Major Electives: (24 credits)
TWO of the following courses: (6 credits)
ANT 108 Global Culture and Local Identities 3
ANT 115 Kinship and the Family 3
ANT 120 People and Cultures of the Middle East 3
ANT 210 Urban Ethnography 3
ANT 296 Topics in Anthropology 3
ANT 297 Topics in Anthropology 3

SIX courses with the prefix of ANT and SOC (18 credits)

Open Electives – (37-48)
Total Credit Hours: 128

Spanish Major, BA
(NYC)
This program is designed for students who wish to acquire linguistic, cultural, and literary skills in Spanish. The program includes advanced courses in literature and culture from Spain, Mexico, the Caribbean, and Latin America. It prepares students for graduate school in foreign language or for employment in fields that require bilingual skills such as travel and tourism, media and entertainment, teaching, government agencies, and courts. Students are strongly encouraged to either double major or minor in a related field.

University Core – (44-55)

Includes TWELVE SPA credits taken for Foundation, Area, of Knowledge, and Inquiry and Exploration credit
SPA 102 Elementary College Spanish II 3
SPA 280 Intensive Review of Spanish or 3
SPA 263 Spanish for Native Speakers 3
SPA 283 Intermediate Spanish Conversation and 3
SPA 284 Intermediate Spanish Composition 3
Note that SPA 102 might require SPA 101 as prerequisite

Major Courses – (39)

Required Major Courses: (27 credits)
DYS 499B Senior Year Experience in Modern Languages and Cultures 3
EIGHT 300-level courses in Spanish 24

Major Electives (12 credits)
May include a maximum of 12 credits of elementary and intermediate level SPA courses

Open Electives – (34-45)
Total Credit Hours: 128

Theater Arts Major, BA
(NYC)

University Core - (44-55)

Open Electives – (37-48)

ONE of THREE Major Tracks – (36)

Available tracks are ACTING, DIRECTING, and DESIGN/TECHNICAL THEATER.

ACTING TRACK (36 credits)

Required Theater Courses: (9 credits)
THR 108 Voice and Movement for the Actor I 3
THR 151 Acting I 3
THR 499 Senior Year Experience in Theatre 3

Total Credit Hours: 128

Women's and Gender Studies Major, BA (NYC)

The WGS major is an interdisciplinary one completed in 36 credits. Requirements include at least 21 credits of WGS Department courses (with "WS" in their title and INT 297J) and up to 15 credits of WGS advisor-approved coursework from other academic disciplines and departments.

This major supports double-majoring in another Dyson B.A. program. Up to 18 credits in the WGS major (including approved courses from other academic disciplines) may be "double-counted" towards both the WGS major and the second Dyson major. See WGS Director for details and approvals.

University Core – (44-55)

Major Requirements – (36)

Required Major Courses: (15-21 credits)

The following linked Learning Communities (6 credits each) also are available electives:
ENGA 120  6
WS 266  6
INT 297  Pol. & Cult. of ME & SA  6
POL 210  Comparative Political Systems  3

Note: For recent additions to the list of approved courses that explore issues concerning women and count towards the WGS major or minor, please see the WGS office on your campus: (212) 346-1723 or (914) 773-3957.

Open Electives – (37-48)

Total Credit Hours: 128

Accelerated Dual-Degree Pace University Programs

Combined Undergraduate/Graduate Degree Programs

These accelerated baccalaureate and master-level or higher-level programs are intended for Dyson bachelor of arts or bachelor of science students with superior academic ability who wish to earn a bachelor's degree and a master's degree in less time than is normally required. Because these accelerated programs require that graduate credits (12 - 24 depending on program) are taken in undergraduate senior year, undergraduate candidates must demonstrate that they can meet the requirements and rigor of both undergraduate and graduate study in a compressed time period. They also must satisfy separate admission requirements for both parts of the program, and admission to the undergraduate part of the program does not guarantee admission to the graduate part of the program.

Note: Both Baccalaureate and Master degrees are awarded at completion of Master program requirements.

Applied Psychology and Human Relations/Counseling, BA/MS

BA/MS in Counseling (PLV)

Both BS and MS degrees are awarded at the completion of the MS program. In this accelerated program four graduate courses are taken in undergraduate senior year.
Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)
Includes 12 graduate credits taken in Undergraduate senior year.
For undergraduate BA curriculum of this program, please see undergraduate section of this catalog.

Additional Graduate Credits - (24)
For additional graduate courses in MS Counseling, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Required BA and MS Credits: 152
Total Credit Hours: 152

Applied Psychology and Human Relations/Mental Health Counseling, BA/MS

BA/MS in Mental Health Counseling (PLV)
Both the BS and MS degrees are awarded at the completion of the MS. In this accelerated combined program four graduate courses are taken in undergraduate senior year.

Required Graduate courses taken in undergraduate senior year – (12 credits)

Total Undergraduate Credits - (128)
Includes 12 graduate credits taken in Undergraduate senior year.
For BA curriculum of this program, please see undergraduate degree section of this catalog.

Additional Graduate Credits - (48)
For additional graduate courses in MS Mental Health Counseling, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Required BA and MS Credits: 176
Total Credit Hours: 176

BA (Select Majors)/JD

The field of law spans many disciplines and welcomes new perspectives. In this dual degree program, Pace offers students the chance to focus undergraduate study on an area of interest and then apply it to law through our Bachelor of Arts and Juris Doctor program. This is an accelerated six-year program.

Students may pair their BA degree from one of several outstanding undergraduate programs (listed below) with a law degree. During sophomore year they must apply separately to the School of Law and meet the established criteria for admission, including an appropriate score on the LSAT. Admission into the undergraduate portion of the program does not guarantee admission to the law school.

Available accelerated BA/JD Programs are:

- Biology/Juris Doctor
- English/Juris Doctor
- Environmental Studies/Juris Doctor
- History/Juris Doctor
- Philosophy and Religious Studies/Juris Doctor
- Political Science/Juris Doctor

For BA curricula of above programs, please see undergraduate section of this catalog. For Juris Doctor curriculum, please see Law School Catalog.

Note that if your major is Biology, BA, you will have the opportunity to apply your scientific expertise to the University’s Environmental Law program, which is internationally recognized. Environmental Litigation Clinic allows students to participate in litigation relating to the environment, such as the Hudson River System whose waters are protected by Riverkeeper Inc., a public interest group.

BA and BS (Select Majors)/MPA Public Administration, MPA

This combined dual-degree program prepares students for leadership and management positions in government, health care, and nonprofit organizations by integrating relevant theory with practice. Full-time students may complete this program in five years, thus saving one year of full-time study by taking 12 graduate credits in their undergraduate senior year.

For the undergraduate curriculum of this program, please see undergraduate degree section of this catalog.
For the graduate curriculum of this program, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.
Criminal Justice, BS/MPA
Economics, BA/MPA
Environmental Studies, BA/MPA
History, BA/MPA
Political Science, BA/MPA

BA (select majors)/MS in Teaching Adolescents

Undergraduates who declare majors in certain arts and sciences subjects and are interested in developing a career teaching adolescents are encouraged to meet with their undergraduate department chairs for details about this accelerated program. Students who are accepted into the program have the opportunity to earn dual degrees: a Dyson College BA and a School of Education Master of Science in Teaching Adolescents. The applicable undergraduate majors for this program are Biology, English, History/Social Science, Mathematics (NYC and PLV), and on the NYC campus also Spanish.

Biology/Environmental Science BS/MS

This accelerated combined degree program consists of a total of 150 - 152 credits. However, students must have the necessary prerequisites for graduate courses. Full-time students may complete this program in five years, thus saving one year of full-time study by taking 12 graduate credits in senior year.

For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Undergraduate Biology Major Credits (128)

Includes twelve graduate credits taken in senior year.

Additional Graduate Credits (21-23)

Includes following core courses, one track, and thesis requirement.

Note: Students who meet the admissions criteria of this program must file a formal application with the Office of Graduate Admissions during their junior year of study after receiving approval from their faculty undergraduate adviser. The criteria for admission to the Graduate portion of the Program are as follows:

- Completion of at least 64 undergraduate credits and junior class standing with a cumulative GPA of at least 3.00.
- Completion of all required undergraduate Biology courses with a GPA of at least 3.00.
- GRE will not be required.
- Transfer students may be admitted into the Program if they have satisfied all course and admission requirements as noted above.

Total Credit Hours: 150-152

Criminal Justice/Juris Doctor, BS/JD

The field of law spans many disciplines and welcomes new perspectives. In this accelerated six-year program, Pace University offers undergraduates the opportunity to immerse themselves in Criminal Justice and apply this area of expertise to law. For BS curriculum of Criminal Justice, please see undergraduate section of this catalog. For Juris Doctor curriculum, please see Law School Catalog.

During sophomore year students must apply separately to the School of Law and meet the established criteria for admission, including an appropriate score on the LSAT.

English/Publishing, BA/MS

BA in English/MS in Publishing (PLV, NYC)

This is an accelerated 5-year program of 152 credits, with 12 graduate credits taken in the undergraduate senior year. For undergraduate curriculum, please see undergraduate section of this catalog. For graduate curriculum, please consult the Graduate Viewbook of the Dyson College of Arts and Sciences.

Total Undergraduate Major Credits: (128)

Includes 12 Publishing graduate credits taken in Undergraduate senior year.

Subtotal: 128

Additional Graduate Credits – (24)

Total BA and MS Credits: 152

Total Credit Hours: 152

Modern Languages and Cultures: Spanish/Publishing, BA/MS

BA/MS in Publishing (NYC)

This is an accelerated 5-year program. For undergraduate curriculum, please see undergraduate section of this
catalog. For graduate curriculum, please see Graduate Viewbook of the Dyson College of Arts and Sciences.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)
Includes 12 graduate Publishing credits taken in undergraduate senior year.

Additional Graduate Credits – (24)
Total BA and MS Credits - 152
Total Credit Hours: 152

Psychology, BA/Counseling, MS
BA in Psychology/MS in Counseling (PLV)
In this accelerated dual-degree program, 12 graduate credits are taken in undergraduate senior year.
For undergraduate curriculum, please see undergraduate section of this catalog.
For graduate curriculum, please consult Graduate Viewbook of the Dyson College of Arts and Sciences.
Note: Both BA and MS Degrees are awarded at the completion of the MS program.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)
Includes 12 graduate credits taken in undergraduate senior year.

Total Additional Graduate Credits - (24)
Total Required BA and MS Credits: 152
Total Credit Hours: 152

Psychology BA/Mental Health Counseling MS
BA in Psychology/MS in Mental Health Counseling (PLV)
In this accelerated program, four PSY 600-level graduate courses (12 credits) are taken in the undergraduate senior year. For the undergraduate curriculum, please see the undergraduate portion of this catalog.
For the graduate curriculum, please see the Graduate Viewbook of the Dyson College of Arts and Sciences.
Note that both the BA and MS degrees are awarded at the completion of the MS program.

Required Graduate Courses taken in Undergraduate Senior Year - (12 credits)

Total Undergraduate Credits - (128)
Includes four graduate courses taken in undergraduate senior year.

Total Additional Graduate Credits - (48)
Total Required BA and MS Credits: 176
Total Credit Hours: 176

Certificate Programs in Arts and Sciences
The Dyson College of Arts and Sciences offers a number of Certificate Programs for students whose educational objectives can best be met by short-term concentrated study in the Arts and Sciences.
Applied Physics Certificate

(PLV)

This program is designed to give the student practical experience in fundamental laboratory and research procedures.

Latin American Studies Certificate

(NYC, PLV)

This certificate in Latin American Studies is a multidisciplinary program that includes courses in History, Economics, Modern Languages and Cultures, Anthropology, English, Psychology, Environmental Studies and Fine Arts, together with "LAS" interdisciplinary offerings. In 2002, the program's strong interdisciplinary learning, language proficiency and civic engagement aspects won a prestigious federal grant. LAS certificate holders possess superior preparation for those planning to specialize in the Latin American region or US Latino clientele. Examples are business and academic careers such as international management, finance, marketing and world trade; diplomacy and law; community nursing, speech therapy and clinical psychology. The certificate will also enhance liberal arts majors, such as history, political science, sociology, anthropology, languages, economics, and environmental science. It is a terminal credential which may be taken by both degree and non-degree students. Depending on course scheduling, it may be completed in one or two semesters.

Required Courses: (18 credits)

Three Foundation Courses (9 credits)

Must include at least one course each from Groups A and B:

<table>

</tr>
</tbody>
</table>
| CHE 301    | Physical Chemistry I: Thermodynamics | 4 | 4
| CHE 302    | Physical Chemistry II      | 4       |

(Please note: students must take MAT 132 before taking CHE 301 and MAT 236 before taking CHE 302.)

**Classical and Medieval Studies Minor**

**Requirements**

**Required Courses: (18 Credits)**

Because this minor is multidisciplinary, to satisfy requirements students must select courses in philosophy and at least three other disciplines. For further information about this minor, see Chair of Philosophy and Religious Studies.

**Choose ONE of the following Philosophy courses: (3)**

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>PHI 113</td>
<td>Ancient Philosophy</td>
<td>3</td>
</tr>
</tbody>
</table>

**Choose TWO courses in either Art History, History, Literature, or Women’s Studies: (6)**

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>ART 102</td>
<td>Art History: Ancient through Gothic Art</td>
<td>3</td>
</tr>
<tr>
<td>ART 201</td>
<td>Art History: Ancient Greek Art</td>
<td>3</td>
</tr>
<tr>
<td>ART 203</td>
<td>Art History: Ancient Roman Art</td>
<td>3</td>
</tr>
<tr>
<td>ART 204</td>
<td>Art History: Medieval Art</td>
<td>3</td>
</tr>
<tr>
<td>HIS 114W</td>
<td>The European Experience: The Ancient World</td>
<td>3</td>
</tr>
<tr>
<td>HIS 114S</td>
<td>The European Experience: Church, State and Society in Medieval Europe</td>
<td>3</td>
</tr>
<tr>
<td>HIS 196C</td>
<td>History of Ancient and Medieval Africa</td>
<td>3</td>
</tr>
<tr>
<td>LIT 211</td>
<td>Literature I</td>
<td>3</td>
</tr>
<tr>
<td>WS 220</td>
<td>The Medieval Woman</td>
<td>3</td>
</tr>
</tbody>
</table>

Students may substitute a classical language course, GRK 101 Elementary Classical Greek or LAT 101 Elementary Classical Latin I, for a course in ART, HIS, LIT, or WS.

**Choose THREE courses from the following: (9)**

[may include ART 201, ART 203, or ART 204]

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENG 301</td>
<td>History of the English Language</td>
<td>3</td>
</tr>
<tr>
<td>HIS 225</td>
<td>The World of the Middle Ages: Byzantium</td>
<td>3</td>
</tr>
<tr>
<td>HIS 226</td>
<td>The World of the Middle Ages: The West</td>
<td>3</td>
</tr>
<tr>
<td>HIS 297C</td>
<td>Topic: Rome’s Golden Age: The Late Republic and Early Empire</td>
<td>3</td>
</tr>
<tr>
<td>HIS 227J</td>
<td>Topic: The Crusades</td>
<td>3</td>
</tr>
<tr>
<td>HIS 330</td>
<td>Barbarian Europe: 300 - 1000 A.D.</td>
<td>3</td>
</tr>
<tr>
<td>LIT 330</td>
<td>Greek and Roman Literature in Translation</td>
<td>3</td>
</tr>
<tr>
<td>LIT 350</td>
<td>Comparative Medieval Literature</td>

</tr>
<tr>
<td>LIT 361</td>
<td>Chaucer</td>
<td>3</td>
</tr>
<tr>
<td>RES 201</td>
<td>Great Ideas in Western Religious Thought</td>
<td>3</td>
</tr>
<tr>
<td>RES 231</td>
<td>The Bible: Hebrew Scriptures (Old Testament)</td>
<td>3</td>
</tr>
</tbody>
</table>

Substitutions of new courses or independent studies in classical or medieval studies are possible. Students may also substitute a 6 credit INT course combining any two from ART; HISTORY; LITERATURE; PHILOSOPHY; RELIGIOUS STUDIES or WOMEN’S STUDIES. Examples might include: The Classical World; The Medieval World; Monsters, Maidens and Mayhem: Love, Lust and War in the Middle Ages; Ancient World Empires: From Alexander to Augustus. Substitutions must be approved by the Classical & Medieval Studies Committee.

**Communications Minor**

**Requirements**

**Required Courses: (15 Credits)**

See department chair for guidance in selecting four Media and Communications (MCA) courses (12 credits)

<td>CHI 271</td>
</tr>
<tr>
<td>JPN 101</td>
</tr>
<tr>
<td>JPN 102</td>
</tr>
</tbody>
</table>

---

SCHOOLS | 173
JPN 271 Intermediate Japanese I 3
JPN 272 Intermediate Japanese II 3
JPN 154 Topic: Modern Japanese Literature and Film in English Translation 3
And
JPN 155 Topic from Japanese Literature in Translation 3

Note: Students may not count the credit from CHI 101 or JPN 101 unless the corresponding 102 course is completed.

Group B

Choose THREE or FOUR courses from the following:

ART 220 Art History: Aspects of Asian Art 3
HIS 131 The Asian World: A Historical Survey 3
HIS 239 Wars in the Asia-Pacific 3
HIS 241 Modern China 3
HIS 242 Modern Japan 3
HIS 296A Barbarians and Mandarins: China's Inner Asian Frontiers 3
HIS 296B Topic: Modern East Asia in Film 3
HIS 296E Topic: Tolstoy, Turks and Taliban: Russia's "Orient" 3
HIS 296I Cultural Heritage and Service Learning in Inner Asia 3
HIS 296U Bible and Gun: Christianity in China Since 1500 3
HIS 296Y Topic: History of Non-Violent Activism in Modern Asia 3
INT 196J The Sacred and the Secular in East Asia 6
INT 297A Hong Kong and Bollywood: Globalization of Asian Cinema 6
LIT 211F Worlds In Literature: The Asian Diaspora 3
RES 202 Great Ideas in Eastern Religious Thought 3

Students completing INT 196J may not count HIS 131 or RES 202 towards the EAS Minor.

HIS 296I: (travel course)

Note: Other history and culture courses in the field of Asian Studies can be substituted with approval of program director.

One course from a professional program (e.g., business, accounting) with a clearly defined focus on East Asia may be counted towards this minor with approval of the program director.

Economics Minor

Requirements

Total Required Credits: 18

Required Courses: (6 Credits)
ECO 105 Principles of Economics: Microeconomics 3
ECO 106 Principles of Economics: Macroeconomics 3

FOUR Economics electives 200 level or above: (12)

English Minor

Requirements

There are two available ENGLISH minors: WRITING CONCENTRATION (15 credits) and LITERATURE CONCENTRATION (15 credits).

Writing Concentration: (15 credits)

One Required 300-level Literature Course: (3 Credits)
ONE 300-level Literature course 3

FOUR of the following ENG Writing Courses: (12 credits)
ENG 302 Composition Theory and Practice 3
ENG 306 Writing for the Professions 3
ENG 307 Creative Writing: Fiction 3
ENG 308 Creative Writing: Poetry 3
ENG 309 Creative Nonfiction 3
ENG 310 Journalism 3
ENG 318 Feature Writing 3
ENG 322 Advanced Writing 3
ENG 326 Topics in Professional Writing 3
ENG 397 Critical Writing and Analysis 3

Literature Concentration: FIVE courses in literature above the level of LIT 212, literary theory, and criticism to be selected with an adviser’s approval.

Environmental Studies Minor

The environmental studies minor is an interdisciplinary concentration that encourages students to design their own course of study from a wide variety of subject areas that complement their major.

Requirements

Required Courses: (15 Credits)

TWO following courses: (6)
ENV 111 Environmental Studies: Economical, Ethical and Political Perspectives 3
ENV 221 Environmental Science: The Web of Life 3

Choose THREE courses from the following: (9)
ENV 110 Nature and Culture: A Study in Connections 3
ENV 112 Environmental Studies - Basic Issues 3
ENV 130 The Naturalists 3
ENV 205 Globalization, Trade and the Environment 3
ENV 211 Environmental Assessment 3
### Course Listing

<table>

<td>Environmental Geology</td>
<td>3</td>
</tr>
</tbody>
</table>

Note: this list is subject to change by the inclusion of new courses that complement environmental studies.

---

### Film Studies Minor

In this program film is seen as an object of study and a methodological tool used in a variety of disciplines. To fulfill this 15-credit minor, students must complete:

**Requirements**

Total Required Credits: 15

**Two Required Courses: (6 credits)**

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>FSS 202</td>
<td>History of Film</td>
</tr>
<tr>
<td>FSS 203</td>
<td>The Art of Film</td>
</tr>
</tbody>
</table>

**Two to Three Elective courses from list of FSS**

**Required and Elective courses on FSS worksheet: (9 credits)**

---

### French Studies Minor

**Requirements**

**Required Courses: (18 Credits)**

**TWELVE credits of French at any level: (12)**

**SIX credits in French culture from among the following courses: (6)**

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>ART 212</td>
<td>Nineteenth Century Art</td>
</tr>
<tr>

Latin American Studies Minor Program

This is a multidisciplinary program that includes courses in History, Economics, Modern Languages and Cultures, Anthropology, Psychology, English, Environmental Studies, and Fine Arts. The program provides students with the awareness of and sensitivity to Latin American culture, economic development, and institutional structures necessary to be effective practitioners of a variety of disciplines: international management, marketing, accounting and world trade, law and diplomacy, nursing, speech therapy and clinical psychologists planning to work with a U.S. Latino clientele, and postgraduate work in Latin American History, Political Science, Sociology, Anthropology, Languages, Environmental Science and Economics.

Requirements - Required Courses: (18 Credits)

Foundation Courses

Required: Three courses (9)—must include at least one course from each of Groups A and B below: (9)

Group A

SPA 263 Spanish for Native Speakers 3
SPA 280 Intensive Review of Spanish 3

Group B

HIS 133 Latin America: The Colonial Era 3
HIS 134 Modern Latin America 3
HIS 231 Latin America: Century of Social Change and Revolution 3
ANT 296H Traditional and Modern Cultures of Latin America 3
LAS 101 The Other “America”: Introduction to Latin American Studies 6

LAS 101: Counts as one Group BC and one Group C course.

Advanced Courses

Required: Three courses (9)—must include at least one course from each of Groups C and D below: (9)

Students are strongly encouraged to take either HIS 243 or LAS 201 Urban Internship as a capstone experience.

Group C

SPA 311 Introduction to Latin American Culture 3
SPA 319 Masterpieces of Spanish-American Literature I 3
SPA 320 Masterpieces of Spanish American Literature II: Dictatorships 3
SPA 321 Literature and Culture of Puerto Rico and the Caribbean 3
SPA 323 Modern Latin American Prose 3
SPA 344 The Short Story and Essay in Spanish America 3
SPA 345 Latin American Theatre 3
SPA 347 The Culture of Mexico 3
SPA 313A Field Study in Latin American Culture 3
SPA 154V Latin American Cinema 3
SPA 154Q Negotiating Borders: Latino Film of the United States 3
SPA 346 Hispanic Literature and Culture in the United States 3
LAS 150 Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era 6

SPA 319: May be used to meet certificate requirement only if SPA 320 is not also used.
SPA 320: May be used to meet certificate requirement only if SPA 319 is not also used.
LAS 150: Counts as one Group BC and one Group C course.

Group D

HIS 234 South American Colossus: The History of Modern Brazil 3
LAS 250 History and Environmental Policy: The Case of the South American Rain Forest 3
ART 296Q Latin American Art 3
LAS 201 Latin America: The Caribbean and the World 6

**Literature Minor**

**Requirements**

**Required Courses:** (18 credits)

- ONE Literature Seminar
- FOUR literature courses above LIT

**Mathematics Minor**

**Requirements**

**Required Courses:** (19-20 Credits)

- THREE following courses:
  - MAT 131: Calculus I
  - MAT 132: Calculus II
  - MAT 137: Introduction to Discrete Mathematics

**New York City Studies Minor**

New York City Studies consists of a series of courses that explore the history and culture of New York. By studying literary, sociological, scientific and historical texts; by visiting and exploring the city's museums, performances, and neighborhoods; and by working in and serving the city's communities, students will attain a rich understanding of the complex and diverse heritage they inherit by participating in this program.

For more information about how you may major in whatever you like while also becoming a New York City insider contact:

Professor Barbara Blumberg

Overview of the Lubin School of Business

A nationally ranked leader in business education, the Lubin School of Business offers an extensive array of programs at the bachelor’s, master’s, and doctoral degree levels. A hallmark of a Lubin undergraduate education is its focus on experienced-based learning that blends theory with practical applications and provides students with opportunities to gain real world professional business experience through our nationally recognized internship program, which is the largest in the New York Metropolitan area. Courses are offered during the day, evening, and online in order to meet the scheduling needs of our diverse student body. In addition to our BBA programs, qualified undergraduate students may pursue an accelerated combined BBA/ MBA or MS program for CPA Preparation. With its ideal campus locations in downtown Manhattan, in the heart of the world’s financial center, and in suburban Westchester County, near the headquarters of major multinational corporations, the Lubin School of Business ensures that students at all stages of their careers receive a comprehensive and personalized educational experience that prepares them for success in a global business environment. The Lubin School is committed to continuous improvement and innovation and our graduates are prepared to become leaders in their chosen fields and ready to manage in a constantly changing global marketplace.

Accreditation and Affiliation: Lubin School of Business

The Lubin School's bachelor’s, master’s, and doctoral degree programs in business and bachelor’s and master’s degree programs in accounting are accredited by AACSB International - The Association to Advance Collegiate Schools of Business, the premier accrediting organization for business schools in the world. Fewer than two percent of the business schools internationally have both business and accounting accreditation from AACSB International. The Lubin School is also an active member in the European Foundation for Management Development (EFMD). Please refer to www.pace.edu/page.cfm?doc_id=184 for a complete listing of Pace University's accreditation, memberships, and affiliations.

Statement of Mission and Values: Lubin School of Business

Mission

The mission of the Lubin School of Business is to provide its students with exceptional experience-based learning that blends business theory with practical applications to prepare its graduates for successful professional careers in the global business environment. As part of this mission, our faculty conducts and disseminates scholarship that contributes to professional practice, academic theory, and student learning.

The Lubin School is student-centered with strong faculty engagement and outreach to alumni and prospective employers as well as those constituencies who can help empower student success. Lubin prepares its graduates to be ready, able, and confident in their chosen disciplines, multidisciplinary in their approach to problem solving, global in their business perspective, grounded in action, trained in outcomes, effective in their professions, ethically aware, and socially responsible.

Our mission is to achieve a competitive advantage through the diversity of ideas, backgrounds, and cultures
represented by students and faculty from over 100 different countries and by focusing our teaching and scholarship on the challenges of managing and leading businesses in a constantly changing global marketplace. Lubin’s student-centered educational experience features the integration of theory with practice, teaching excellence, small classes, a personalized learning environment, innovative programming, the use of technology to enhance learning in concert with strong linkages to the New York and global business communities.

Values
With baccalaureate, master’s, and doctoral programs on campuses in New York City and Westchester County, the Lubin School provides a distinctive and personalized educational experience that reflects the traditions upon which Pace University was founded in 1906 to prepare students for careers in business. Today, the faculty, staff, students and alumni share and are energized by the following values:
- Enabling students to achieve their full potential
- Teaching excellence in small classes
- Applied scholarship and research
- Practical experience in and out of the classroom
- Innovative, market-centered programs
- Close faculty and student interaction
- Engagement with the New York business community
- Global perspective and integration
- Commitment to research
- Collegiality and respect among students, faculty and staff
- Appreciation of diversity in population and perspective
- Multidisciplinary perspective
- Integrity, ethics and social responsibility
- Student-centered administrative systems
- Use of technology to enhance learning

### Academic Policies

#### Admission Requirements

Admission to the Lubin School of Business is the same as admission to Pace University. Students may be admitted to the Lubin School as freshmen, transfer students, or adult students qualifying for matriculation. Please refer to the Admission (p. 249) and Adult and Continuing Education (p.249) sections of the catalog for more information. Continuing students enrolled in other college or schools within Pace University may also be admitted to the Lubin School by submitting for approval an "Application for Change or Declaration of Program" to the appropriate Lubin academic department. Students planning to declare or change their major to a business program are advised to discuss their plans with an academic adviser in the Lubin Office of Undergraduate Academic Advisement on their home campus. Admission to the Combined BBA/MS Degree Programs section under GPA Qualifying - Combined BBA/MS Degree Programs (p. 192) for more information.

#### Academic Standards

Every undergraduate student enrolled in the Lubin School of Business is required to maintain a cumulative grade point average (CGPA) of "C" (2.00) as well a minimum GPA of "C" in their major in order to be in good academic standing. Major courses (required and major electives) for each BBA program are listed in the Lubin School Degree Programs section. Students who fail to maintain these standards are placed on academic probation.

#### Academic Probation

Lubin students who fail to show satisfactory academic progress and have a cumulative GPA below a (2.00) "C" are automatically placed on academic probation. Lubin students are expected to achieve the following minimum standards of academic progress:

### Lubin Standards of Academic Progress

<table>
<thead>
<tr>
<th>Credits Attempted</th>
<th>CGPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>16</td>
<td>1.30</td>
</tr>
<tr>
<td>32</td>
<td>1.60</td>
</tr>
<tr>
<td>48</td>
<td>1.80</td>
</tr>
<tr>
<td>64 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*Includes credits attempted at Pace and transfer credits applied to degree.

The seriousness of the academic deficiencies and the number of credits completed toward the BBA degree will determine the academic probation category (first, second, or final) that will be assigned and the number of semesters that a student will be allowed to continue on probation. Normally, freshmen and sophomores with less than 64 credits completed will be allowed a maximum of three semesters to raise their CGPA to a 2.00, and juniors and seniors with 65 credits or more will be allowed a maximum of two semesters. This assumes that a student's academic performance improves each semester while on academic probation with a minimum grade of "C" in each course.

Part-time students may be allowed additional semesters on probation depending upon the number of credits completed each semester and their overall academic progress. Students placed on academic probation are required to reduce their semester course load to a maximum of four courses and 13 credits for full-time students working 20 hours or less per week, and a maximum of two courses and eight credits for part-time students working 30 hours or more per week. Students placed on academic probation are also required to limit their participation in extracurricular activities.

#### Academic Probation in the Major

Students who have below a 2.00 GPA in their major courses are placed on academic probation in their major and given at most two semesters to raise their major GPA to a 2.00. Students can be placed on academic probation in their major, even though their cumulative GPA is a 2.00 or better. Students who fail to achieve a 2.00 in their major
after two semesters will be required to change their major and will be given assistance with this process by academic advisers in the Lubin Office of Undergraduate Academic Advisement and the Advising Center for Exploring Majors in the Center for Academic Excellence.

Academic Review Process
The academic records of all undergraduate business majors are reviewed at the conclusion of the fall and spring semesters by the Lubin Office of Undergraduate Academic Advisement on each campus to determine the students whose cumulative GPA has fallen below a 2.00. The academic records of students who fail to meet the minimum conditions of their academic probation are also reviewed by the campus subcommittee of the Lubin Undergraduate Academic Standards Committee, which is a standing committee of the Lubin Faculty Council. At these academic review meetings, the committee considers each case individually and decides on an appropriate course of action, which could include extending academic probation, mandatory leave of absence, or academic dismissal.

Academic Dismissal
Failure to make satisfactory academic progress toward the BBA degree will eventually result in academic dismissal from the Lubin School of Business and Pace University. Students are allowed at least one semester on academic probation to improve their academic performance and to raise their CGPA to a 2.00. Students who fail to sufficiently improve their academic performance while on academic probation will be academically dismissed from the Lubin School and Pace University. Students may appeal their academic dismissal in writing to the Lubin Undergraduate Appeals Committee in care of the Lubin Office of Undergraduate Academic Advisement on their home campus.

Students who are dismissed for poor academic performance may not register for classes at any of the Pace campuses for at least one full academic year. After this time, students may apply for reinstatement to the Lubin School Associate Dean and Director of Undergraduate Programs. Requests for reinstatement are to be made in writing and should include reasons for requesting reinstatement, action taken to address past problems, and a plan to correct past academic deficiencies and ensure satisfactory academic progress in the future. Students may be reinstated only once to Pace University after academic dismissal.

Residency and Transfer Credit Policies

Residency Requirement
To ensure that a degree from the Lubin School of Business truly reflects the school's curriculum standards and philosophy, Lubin students must fulfill a residency requirement. All business students must complete at least one-half, or 50 percent, of the business credits required for the BBA, including the Business Core, major, and auxiliary requirements, in residence at Pace University. In addition, business students must also comply with the University residency requirement that at least one-half of the major requirements and a minimum of 32 credits be completed in residence at Pace University. The capstone course, MGT 490 Business Strategy, as well as selected senior 400-level courses in each program, must also be completed at Pace University. The residency requirement may limit, in some cases, the number of business credits that can be accepted in transfer toward the major and the BBA degree. A student may also transfer credits that, while accepted by the University, cannot be applied to a specific business major. This generally occurs when a student is changing a field of study or enrolling in a business major with few or no open electives.

Transfer Credit Policy
The Lubin School welcomes and helps transfer students by awarding transfer credit under a variety of circumstances. Students wishing to transfer into the Lubin School of Business must have achieved a minimum overall average of 2.50 in their previous college work, and transfer credit is awarded only for courses completed at other institutions that are evaluated by the appropriate Lubin academic department to be equivalent to the following Lubin lower-division business courses: BUS 150, LAW 101, ACC 203, ACC 204, LAW 214, MAR 250, MGT 250 and FIN 260. Transfer credit may also be awarded on a limited basis for Pace upper division 300-level business courses provided that the transfer course is equivalent to the Pace business course as determined by the appropriate Lubin academic department and it is taught at an appropriate academic level.

Honor Societies

Beta Gamma Sigma
Beta Gamma Sigma is the premier national honor society in business. Membership in Beta Gamma Sigma is the highest national scholastic recognition that a student in business can receive in an undergraduate or graduate program at a school accredited by the AACSBI – The Association to Advance Collegiate Schools of Business. The first national honor society in business, Beta Gamma Sigma was the result of a merger of three separate societies established to honor academic achievement in business at the University of Wisconsin, University of Illinois, and the University of California. To be eligible for membership in Beta Gamma Sigma, students must rank in the upper 10 percent of their junior class, the upper 10 percent of their senior class, or the upper 20 percent of students graduating from a master's degree program. In addition, Lubin undergraduates must have a minimum cumulative GPA of 3.50. Membership is by invitation only and students are inducted into Beta Gamma Sigma at the annual Lubin Awards Ceremonies in May.
Beta Alpha Psi

Beta Alpha Psi is an honorary organization for Financial Information students and professionals. The primary objective of Beta Alpha Psi is to encourage and give recognition to scholastic and professional excellence in the business information field. This includes promoting the study and practice of accounting, finance and information systems; providing opportunities for self-development, service and association among members, and practicing professionals; and encouraging a sense of ethical, social and public responsibility. The Pace Iota Lambda Chapter of Beta Alpha Psi was installed on the New York City campus in April 1998. It brings excellent students and business professionals together and fosters professional and social development by sponsoring activities that enhance the educational experience and broaden the perspective of each member. The Pace chapter has earned “Superior Chapter” status nationally each year since its inception. Membership is open to students majoring in accounting, finance and information systems. To be eligible, undergraduate students must have a B average overall and a B average in all advanced courses in their major. Graduate students must have an overall B average in their graduate courses.

Omicron Delta Epsilon

Omicron Delta Epsilon is the International Honor Society in Economics. Membership is open to juniors and seniors who have completed a minimum of 12 credit hours in economics and who have achieved a 3.50 GPA overall and a 3.50 GPA in economics and to Lubin graduate students who have a minimum GPA of 3.50. The society publishes a scholarly journal, The American Economist, which has the second largest circulation among journals in the field.

Alpha Iota Delta

The Pi Upsilon Chapter of Alpha Iota Delta, the national honor society in the decision sciences, recognizes juniors and seniors in all majors who have excelled in quantitative courses. To qualify for membership, undergraduate students must complete MGT 355 with a grade of B+ or higher and three other decision science courses and have a minimum cumulative GPA of 3.50. A statement of support from a full-time faculty member is also required.

Sigma Iota Epsilon

Sigma Iota Epsilon (SIE) is the premier honorary and professional fraternity organization in management. SIE recognizes superior scholarship and offers members opportunities to engage in professional programs and other activities aimed at bridging the gap between management theory and management practices. SIE student members are recognized as top achievers both academically and professionally. The Pace Zeta Pi Chapter of Sigma Iota Epsilon is open to undergraduate students majoring in management, international management, and quantitative business analysis. To be eligible for membership, undergraduate students must have a minimum CGPA of 3.00 and a grade of "B" or better in at least one management course and at least 30 credits completed in residence at Pace University toward their BBA degree. Graduate students who have achieved a 3.25 CGPA, a grade of "B" or better in at least one management course, and have completed at least 9 credits at Pace toward their degree are also eligible.

Professional Student Organizations

Through the Office of Student Development and Campus Activities on each campus, the University offers a wide range of social activities and organizations. Professional student organizations such as the Robert S. Pace Accounting Society, the Pace University Marketing Association (PJMA), the Finance Society, the National Association of Black Accountants (NABA), the Association for Latino Professionals in Finance and Accounting (ALPFA) and the Lubin Business Association provide excellent opportunities for Lubin students to network with business and accounting professionals and to develop leadership and social skills. Interested students should consult the Student Handbook or the Office of Student Development and Campus Activities websites (New York City campus and Pleasantville campus) for a complete list of student organizations available on each campus.

International Exchanges and Study Abroad Opportunities

International Field Study Courses

The Lubin School offers short-term international field study courses for credit that give students the opportunity to experience another culture and to observe foreign government, education, and commerce firsthand. Students participating in international field studies have recently traveled to Brazil, Belgium, China, Denmark, England, France, India, Ireland, Italy, Japan, Russia, Mexico, and Sweden.

Worldwide Study Abroad Opportunities

Lubin students may study abroad for up to one year at one of many overseas institutions affiliated with Pace University. For a current list of options along with information and assistance with the application process, interested students should contact the Study Abroad Office located on each campus. The Lubin School also has exchange partnerships with the following schools: European Business School (EBS) in London, England; Center D’Etudes Franco-Américain de Management (CEFAM) in Lyon, France, and Hong Kong Baptist University in Hong Kong.
Undergraduate Program Objectives

Objectives of the BBA Program

Within the context of the Lubin School's mission, the goal of the bachelor of business administration (BBA) program is to prepare students for successful business careers in a global economy. This is achieved by providing students with the knowledge, skills and experiences needed to meet the challenges and opportunities of a global business market characterized by complexity, uncertainty, and diversity.

Specifically, the BBA Program strives to:

• provide a strong foundation in the arts and sciences through which students gain an appreciation and understanding of the humanities, behavioral sciences, social sciences, fine arts and natural sciences;
• provide the fundamental concepts and theory of business practice and specialized study in a business discipline;
• develop effective oral and written communication skills;
• develop the ability to think critically, analyze problems quantitatively, and use computer technology to solve business problems;
• develop an awareness and understanding of the global context in which business operates;
• develop an understanding of the ethical and social issues that are a concern to the business community;
• prepare students to become responsible and contributing members of the community.

In addition to using their undergraduate experience to build successful careers in business, Lubin graduates are well prepared for careers in government, education, healthcare, and other fields. In addition, they often use their well-recognized undergraduate degree as a stepping stone to continuing their education through graduate study, particularly in business and law.

Assessment of Learning Outcomes

As part of its commitment to quality, the Lubin School of Business has an ongoing assessment program to track students’ accomplishment of program-related learning goals. These educational goals go beyond the subject matter of individual courses and develop students’ skills and abilities to succeed in the business world. The learning goals fall into two broad categories: general education and management-specific education.

General education includes goals related to critical thinking, problem-solving and decision making; effective written and oral communication; quantitative reasoning; global perspectives; social responsibility and civic engagement and interpersonal skills. Management specific goals relate to business skills students learn in their coursework within their specific disciplines.

The BBA Curriculum

The Lubin BBA program is organized to provide each student with fundamental study in the arts and sciences (University Core Curriculum), core study in business, a major program of study, and the opportunity to develop individual interests and talents through the selection of elective courses or a professional concentration. The BBA Program requires 128 credits, except for the BBA in Public Accounting, which requires 150 credits. Students in the 5-year Combined BBA/MBA or MS programs will complete a total of 151-154 credits of undergraduate and graduate courses. A minimum of 59 credits must be completed in the liberal arts and sciences, which includes the 53 credit University Core.

International Focus

A strong international business focus is integrated into the BBA curriculum in which students are required to complete at least one international business course in their major.

Please refer to the outline of course requirements for each major program for more information.

Technology-Enhanced Learning

Students are required to use Blackboard Internet technology for most business courses. Blackboard provides a virtual classroom environment in which students and faculty can access course materials over the Internet at anytime from anywhere. This enhances the traditional classroom learning experience and facilitates online learning.

Majors

Depending upon individual academic and career interests, a student may select either a business major that is highly structured and incorporates an intensive specialization, as in the case of public accounting, or one that has more flexible requirements and offers the opportunity to take more elective courses. Students often use their open elective credits to pursue a second major or a minor concentration or to explore the wide range of courses offered through the other college or schools of the University.

Minors

Business students may select a minor in a business or a non-business field if they wish. Minors are offered in accounting, finance, law, management, marketing, taxation, computer science, computer information technology and many liberal arts areas including: art, foreign languages, history, mathematics, and political science. An interdisciplinary pre-law minor is also available for students considering law school. Interested students should refer to the Lubin School Minors section and to the Dyson College of Arts and Sciences and the Seidenberg School of Computer Science and Information Systems sections of the catalog for specific requirements. A business minor and a minor in arts and entertainment management are also offered for non-business majors.
University Core Curriculum Requirements

Lubin School Business Majors- Effective with the Entering Class of Fall 2012

The University Core Curriculum is required for all Pace undergraduate students. It is designed to promote active learning, student success, and faculty-student interaction. The University Core Curriculum for Lubin business majors requires 44-53 credits in the Liberal Arts and Sciences, which are grouped into two Core areas: Foundation Requirements (19-28 credits) and Areas of Knowledge (25 credits). Lubin majors are required to take MAT 104 Finite Mathematics to fulfill the Core requirement in Mathematics and CIS 101 Introduction to Computing or TS 105 Computers for Human Empowerment to fulfill the Core requirement in Computing. (TS 105 also satisfies Civic Engagement requirement.)

The Areas of Knowledge (AOK) Core allows students flexibility and choice in selecting courses to fulfill the various AOK Core requirements. In those AOK Core areas, where no specific courses are listed, any course designated in the catalog or class schedule as satisfying the appropriate core area may be selected. In addition, some Lubin majors require specific courses to fulfill University Core requirements.

Lubin Foundation Requirements in Quantitative Reasoning: Lubin students are also required to take the following additional courses in mathematics and economics to satisfy the Lubin Foundation Requirements in Quantitative Reasoning. This brings the total credits required in Liberal Arts and Sciences to 59 credits.

ECO 105 Principles of Economics: Macroeconomics (3 credits). Fulfills one of the AOK-HSN (AOK 5) requirements.

ECO 106 Principles of Economics: Microeconomics (3 credits)

MAT 111 Elementary Calculus I (3 credits) is required for all business majors except Marketing and General Business. Students in these two majors may take MAT 111 or select another course in the Liberal Arts and Sciences.

MAT 117 Elementary Statistics (4 credits) Fulfills one of the AOK-HSN (AOK 5) requirements.

As indicated above, ECO 105 (3 credits) and MAT 117 (4 credits) also satisfy the AOK requirement in Analysis of Human, Social and Natural Phenomena (HSN-formerly AOK 5). With the successful completion of ECO 105 and MAT 117, Lubin majors will satisfy AOK-HSN.

Other Required University Core Learning Experiences:

Lubin business majors who enter Pace with fewer than 25 transfer credits are required to complete all the University Core requirements including the three Core Learning Experiences listed below. These requirements may be fulfilled by taking courses that also satisfy any requirement for the BBA degree including: University Core, Business Core, Major, Liberal Arts and Sciences Elective or Open Elective. Courses that satisfy these Core Learning Experiences are identified in the Class Schedule and Catalog Course descriptions with the attribute indicated below next to each requirement.

- One Civic Engagement and Public Values Course (CE) (formerly AOK 1)
- One Learning Community (LC) (Should be taken within the first two years of study.)
- Two Writing Enhanced Courses (WE) (In addition to the Foundation English courses)

For more information, students should consult their major worksheet as well as the section on the University Core in the catalog and the Core website, accessible from http://www.pace.edu/ in the A-Z index under "C."

Lubin Transfer Students and Students Enrolled in Adult Degree Programs

Transfer students and Lubin students enrolled in the BBA General Business major must complete 59 credits in the Liberal Arts and Sciences. They are required to complete the University Core Foundation Requirements, one course in Civic Engagement and Public Values, the Lubin Foundation Requirements in Quantitative Reasoning and the remaining credits may be taken as Liberal Arts and Sciences Electives. Transfer students and students in adult degree programs in the professional schools, with the exception of the School of Education, may take a culture course to fulfill the second language proficiency requirement.

For purposes of determining the appropriate University Core curriculum requirements for students who come to Pace with transfer credits, a transfer student is defined as one who successfully completes (grade of “C” or better) a minimum of 25 college-level credits prior to his or her attendance at Pace University. Thus, students with fewer than 25 transfer credits will be required to take the entire University Core except if they are enrolled in an adult degree bachelor’s program.

Business Core Curriculum Requirements

Students seeking a Bachelor of Business Administration (BBA) degree must complete in the Business Core Curriculum:

Requirements

<table>

NOTE: BUS 150 is intended to expose business majors to contemporary business issues early in their college careers. BUS 150 is required as part of the Business Core for all students (with the exception of Public Accounting majors). Transfer students and continuing students changing their major to business will be exempt from BUS 150, if they have completed 45 credits or more toward the B.B.A. degree at the time of admission to the Lubin School. Students who are exempt from BUS 150 will take an additional three credits of Open Electives.

Total Credit Hours: 29

Planning Your Lubin Education

Sequencing of Courses in the BBA Program

Study in the first two years, or 64 credits, of the Lubin BBA program has been designed to give students an essential grounding in broad-based liberal arts and sciences courses as required in the University Core Curriculum. Business students must complete most of their liberal arts courses and all of their Core requirements in ENG 110 (unless exempt), ENG 120, economics, mathematics, public speaking, computing, and statistics during their first 64 credits. The junior and senior years are devoted mainly to Business Core and major requirements. The business course numbering system (p. 189) will help students select their courses in the proper sequence.

Business Course Numbering System

In order to improve the sequencing of the business courses and to provide students with better guidance as to when they should take their business requirements, the Lubin School has a four-tier course numbering system. The course numbers correspond to class standing, which is determined by the number of credits completed at each level as indicated in the Four-tier Business Course Numbering System (p. 189). Students are to follow this sequence in registering for business courses.

Four-tier Business Course Numbering System

<tr>
<td>400-499</td>
<td>Senior (96 credits and above)</td>
</tr>
</tbody>
</table>

Prerequisite Policy

Prerequisites are one or more requirements, including class standing that must be satisfied before a course may be taken. The prerequisites for each course, where applicable, are listed in the online class schedule for each semester. Completing all prerequisites before taking a course is important for academic success. The prerequisite course teaches specific materials that are essential for success in higher level courses. Students without the proper prerequisites generally will not be prepared for the course and consequently may encounter academic difficulty. Student registrations are checked randomly prior to the beginning of each semester, and those students who do not have the proper prerequisites are withdrawn from classes.

Resources for Students

Pace University has a growing national reputation for offering students opportunity, teaching, and learning based on research, civic involvement, an international perspective, and measurable outcomes. The university is proud of its personal approach to education. Lubin students are highly motivated individuals seeking to improve their lives, and the School's programs offer flexibility, accessibility, and convenience. A variety of academic resources are available on all campuses to help students realize their academic goals.

Undergraduate Advisement Services

The Lubin Office of Undergraduate Academic Advisement is a resource for Lubin students throughout their academic careers. New full-time business majors (freshmen and transfer students) are assigned faculty advisers in their intended major by the Lubin Office of Undergraduate Academic Advisement located on each campus. Part-time evening students are generally not assigned faculty advisers and are advised instead by professional academic staff advisers in the Lubin Office of Undergraduate Academic Advisement, which has evening hours. Lubin students who are initially undecided about their major are advised by Lubin academic staff advisers or by faculty advisers who are generalists. The services of the advisement office are especially useful for students seeking general information regarding degree requirements and specific advice on such academic matters as selecting or changing major, transferring credits, withdrawing from a course and any academic concerns or problems. The offices are also centers for information on Lubin activities and for referral to other University offices and departments. They are located on the New York City campus (Section G, fourth floor, West Wing, One Pace Plaza Building) and on the Pleasantville campus (Goldstein Academic Center, first floor). For additional information, please visit the following page: http://www.pace.edu/lubin/lubin-academic-programs/undergraduate-programs/undergraduate-advisement/

UNV 101: First Year Seminar

All new full-time freshmen are required to take UNV 101 First Year Seminar: Introduction to University Life. This one credit seminar is taken in the first semester and introduces new first year students to Pace University services and resources and helps them to make a successful transition from high school to college. Freshmen receive individual guidance and assistance from their UNV 101 professor and peer leader and learn important skills such as time management, decision making, and effective study techniques that help to promote academic success. Lubin freshmen work with experienced Lubin faculty and staff who serve as both their UNV 101 Professor and academic adviser for the entire first year. They also work with an
upper class business major who is their UNV 101 peer leader and provides assistance and support from a student perspective and helps students to become involved with various student activities and organizations. Emphasis is also placed on helping freshmen, especially those who have not yet declared a major, to explore various major programs and related careers. UNV 101 is a pass/fail course and may be used to satisfy one credit of open elective.

The Lubin Homepage
Visit the Lubin Homepage (www.pace.edu/lubin) for upcoming special events, student activities, organizational meetings, career workshops, academic information sessions, and other events of interest.

The Lubin Listserv
All Lubin students are connected automatically to the Lubin Listserv when they enroll in the Lubin School. Be sure to stay connected throughout your Lubin career. The Lubin Listserv gives Lubin students access to information, news, and other opportunities. The Lubin listserv is one way that Lubin students can:
- Learn about what is happening at Lubin and Pace that is of particular interest to Lubin students;
- Receive weekly updates of events and activities being sponsored by the Lubin professional student organizations;
- Find out about scholarships, grants, and other opportunities;
- Keep up-to-date on the latest information regarding business career seminars, career fairs, internship opportunities and other special events;
- Find out about special programs such as the Executive and Entrepreneur in Residence Programs and the Global Village Celebration;
- Receive invitations to networking events where they will have opportunities meet executives working in their chosen field.

Special Programs and Events

Business Honors Program
The Business Honors Program (BHP) at Pace University uniquely prepares our most outstanding undergraduate students for leadership roles in global business. Through a special partnership with Pace University’s Pforzheimer Honors College, business majors on both our New York City and Westchester campuses who are admitted into the Pforzheimer Honors College are automatically enrolled for the BHP. Students will take an innovative cross-functional curriculum to build critical competencies and apply knowledge across business disciplines (accounting, finance, law, management, and marketing) and other academic areas. In addition, they will be able to hone their leadership skills through specially-designed international field studies, service learning engagements, and advanced seminars. Students’ core education will be enhanced with speakers and briefings, professional networking events, hands-on skill-building workshops, and opportunities for executive mentoring. BHP students will complete a capstone year-long honors thesis experience working one-on-one with a faculty mentor in their major area customized towards their interests and career objectives. Students who graduate from Pforzheimer Honors College and the Business Honors Program receive special recognition at the Lubin Awards Ceremonies and in the Commencement Program. All requirements for the Pforzheimer Honors College as well as the BHP must be satisfied in order to successfully complete the Business Honors Program. For more information about the BHP, please go to www.pace.edu/lubin/bhp.

Executive and Entrepreneur in Residence Programs
The Lubin Executive in Residence Program and Entrepreneur in Residence Program provide students with a unique opportunity to meet face-to-face with entrepreneurs and leaders of industry from around the world. Top corporate executives interact with Lubin students and faculty, both in the classroom and in informal settings.

Annual Lubin Awards and Beta Gamma Sigma Induction Ceremonies
The Annual Lubin Awards and Beta Gamma Sigma Induction Ceremonies are held every May on the New York City and Pleasantville campuses to recognize the accomplishments of outstanding graduates of each major program, graduates receiving Latin baccalaureate honors, transfer students graduating with distinction, and students being inducted into Beta Gamma Sigma. In addition to the academic department awards, graduating students are recognized for their leadership and contributions to co-curricular activities as recipients of the Lubin Alumni Association Award and other special awards given by the Lubin academic departments.

Lubin Internship Program
Lubin students have an opportunity to earn academic credit for approved Internships. Students with strong academic records who have a minimum CGPA of 3.00 may apply to undertake a carefully planned work experience, under the supervision of a faculty adviser that will demonstrate the practical application of their classroom learning. Internship credit courses are offered in accounting, finance, law, management, international management, marketing and taxation for students who have achieved junior standing and have completed at least the first course in the discipline. Students are generally awarded 3 credits for an internship in their major, which may be used to satisfy a major concentration or major elective requirement. It may also be taken as a open elective.

Students in their sophomore year who have completed BUS 150 and have a minimum CGPA of 2.50 are eligible to take BUS 294 Business Internship for one credit. Students
are responsible for finding their own internships either through the Career Services Cooperative Education Internship Program or other contacts. Students are required to obtain approval to undertake a credit internship from the Lubin academic department offering the course and the Lubin Associate Dean’s Office. Students may apply a maximum of 6 credits earned through internships to their degree.

Lubin Alumni Mentoring Program

The Lubin Alumni Mentoring Program uses LinkedIn to connect Lubin students with alumni leaders in industry for career guidance and professional advice. Services include:
- Up-to-date advice on career trends and opportunities
- Resume critiquing, interviewing, and networking strategies
- Referrals and professional contacts
- First-hand experience – shadow a professional in the field; attend business meetings, and more

Lubin Centers

Center for Global Business Programs

The mission of the Center for Global Business Programs is to enhance the global capabilities of Lubin students and faculty by providing high-quality academic and professional experiences, facilitating learning, and supporting applied research in the global environment.

Custom Programs

The Center for Global Business Programs provides international and domestic institutions an opportunity to differentiate their offerings through a New York City-based module. Custom programs range from a few weeks to a full academic year and are offered during all semesters, including the summer. The Center delivers a dynamic New York City experience that includes company visits and cultural events.

International Field Study Courses

International field study courses provide students with the opportunity to gain international academic experience. Along with pre-trip classroom sessions, students travel abroad for up to two weeks, participating in corporate visits, meetings with governmental leaders and roundtable workshops with globally recognized academics. Destinations include countries throughout Europe, Asia, South America, and Africa.

International Travel Scholarships

The Center for Global Business Programs offers scholarships to Lubin students who are enrolled in international field study courses. These scholarships are made available through the Figueroa Family Fund and the Nancy and Gene Celentano Fund, and are awarded during the fall and spring semesters. To date, the Center has awarded over $400,000 in scholarships to eligible students based upon demonstrated need and academic achievement.

Center for Global Governance, Reporting and Regulation

The Center for Global Governance, Reporting and Regulation sponsors research and discussion on the development and implementation of global financial reporting standards, regulatory compliance and governance. It also develops programs to develop proficiencies and expertise in these areas and hosts conferences and events on relevant topics featuring leaders in these fields.

The Center was originated as the Center for the Study of International Accounting Standards, and evolved into its current iteration as a natural progression. Reporting standards alone are not sufficient in the current global business environment; governance and regulatory compliance are essential in international business.

Small Business Development Center

The Small Business Development Center (SBDC) was established at Pace University in October of 1986 as an integral part of the Lubin School’s economic development programs. The SBDC is jointly funded by Pace University, the U.S. Small Business Administration and the Research Foundation of the State University of New York. Since inception, the SBDC has provided 127,000 hours of direct management and technical assistance, via one-on-one counseling, to over 14,000 entrepreneurs and small business owners. In addition, it has also sponsored 500 workshops and documented almost $150,000,000 of funding and investment, which led to the creation or retention of over 6,000 jobs.

Global Portfolio Analysis Center (G-PACT)

The Global Portfolio Analysis Center, also known as the Lubin Trading Room, is a fully equipped computer classroom used for the study of financial markets. It offers a hands-on trading environment with a Telerate Ticker, electronic news boards, and nine Bloomberg terminals. It is home to many finance classes including FIN 357 Student Managed Portfolio in which students manage an actual portfolio and investment, which led to the creation or retention of over 6,000 jobs.

Global Insight, Audit Analytics, The First Call Historical Database and other cutting-edge financial software.
Entrepreneurship Lab
The Entrepreneurship Lab, which officially opened in February, 2012, provides a collaborative setting for students not only to incubate companies and create start-ups, but to foster an entrepreneurial mindset that results in innovation, initiative, and commitment. Teaching students to develop this type of mindset is invaluable because it is what will ultimately help transform them into successful professionals. With the help of the entrepreneurship program, students will achieve a sense of self that will instill the confidence and skills necessary to embark on a new business venture or dynamic career. Perhaps even more importantly, this entrepreneurial mindset will teach students how to identify, analyze, and seize opportunities to also help them succeed in life. The E-Lab will provide all Pace students with a supportive, state-of-the-art environment, including access to workshops, guest speakers, roundtable discussions, faculty and staff consultants and networking events.

Technology Enhanced Instructional Facilities

Computer and Internet Resources
Pace University’s PACEnet connects all building on all campuses and offers a high-speed link to the Internet as well as other internal University resources. Wired and wireless network access is available in the dormitories, library, student union, classrooms, and other locations throughout the university. Computer labs, called Computer Resource Centers (CRCs) are open access rooms dedicated to student coursework and faculty research. CRCs on each campus offer a host of services including Web access, e-mail accounts, and self-paced documentation. CRCs are supported, day and evening, by full-time staff and part-time student consultants.

Smart Classrooms
All labs and classrooms have full access to the Internet. Classrooms are equipped with computers and interfaces for students to plug their laptops in when doing class presentations.

Accounting Labs
Accounting Labs are located in New York City and Pleasantville, and are used to supplement accounting course instruction and by accounting students to complete their course assignments. The labs are equipped with the latest accounting software and have scheduled open hours, which allow students to use them when not in use for classes or tutoring sessions. In Pleasantville, the Accounting lab is staffed by peer tutors who provide assistance in the foundation and upper-level accounting courses by working in small group tutorials with the students. In New York, similar peer tutoring is provided in most accounting subjects through the Tutoring Center.

Marketing Labs
State-of-the-art Marketing Labs, located in New York City and Pleasantville, are equipped with the latest computer equipment and software, including the Telmar system and desktop publishing. The Marketing Labs enable students to be on the cutting edge of marketing technology and are used extensively by the Ad Teams in preparation for the annual American Advertising Federation’s National Student Advertising Competition.

The Interactive and Direct Marketing Lab is a one-of-a-kind, Pace exclusive, student-run direct and interactive marketing agency, which offers internships to juniors, seniors and graduate students.

Degree Programs

Accounting

Combined BBA/MBA and BBA/MS Degree Programs - CPA Qualifying

Combined Degree Programs
The Accounting department in conjunction with the Finance and Legal Studies and Taxation departments offers three accelerated Combined Bachelor’s/Master’s degree programs for highly qualified students who wish to prepare for the public accounting profession and earn both the BBA and either the MBA or MS degree in less time than is normally required. The first is the BBA/MBA Program in Public Accounting in which students earn both the BBA and MBA in Public Accounting. The two BBA/MS programs combine the BBA in Public Accounting with either the MS in Financial Management or the MS in Taxation. All three Combined Bachelor’s/Master’s programs are registered with the New York State Education Department as meeting the 150-credit hour education requirements for CPA licensure. These programs also meet the educational requirements for admission to the CPA examination in most other states. Full-time students will be able to complete the requirements for any of the three Combined Degree Programs in five years, or four years with additional summer study.

Admission Requirements
Admission to the Combined BBA/MBA or MS Programs originates at the undergraduate level. Candidates may be admitted conditionally to the program directly from high school. In order to qualify for direct admission, candidates are required to have a minimum high school average of 90% and a combined SAT score of 1150 or an equivalent score on the ACT. Students wishing to transfer into the program from another college or university must have achieved at least a 3.20 CGPA at their previous school, in addition to the other admission requirements. All transfer students will be required to fulfill a residency requirement of at least 32 credits at the undergraduate level. Continuing students applying to change their major to one of the Combined Programs are required to have at least a 3.20
CGPA for 30 credits completed at Pace University. Admission to the Master’s program requires a minimum CGPA of 3.20 for all undergraduate work completed at Pace and a minimum score of 520 on the Graduate Management Admission Test (GMAT).

Conferring of Degrees

Students will be awarded both the BBA and MBA or MS upon completion of the Combined Program. A student who does not finish the MBA or MS requirements may apply any graduate credits earned toward completion of a BBA program.

Combined BBA/MBA Program in Public Accounting

The Combined BBA/MBA Program in Public Accounting provides students with an excellent preparation for the CPA Profession through specialized study in accounting within the broader context of global strategy, global markets and data-driven decision making. Students benefit from taking additional graduate courses required as part of the MBA Core that develop their managerial and decision-making skills and provide a global perspective for the study of accounting. In addition, students also take two courses in another business discipline at the graduate level to satisfy their Breadth Elective requirements, giving them an opportunity to focus in a second business area.

Undergraduate BBA Requirements (104 Credits)

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

Business Core (14 Credits)

(See Business Core Requirements (p. 188). MAR 250, FIN 260, MGT 355 and MGT 490 are satisfied in the MBA portion of the Program.)

Major Requirements (15 Credits)

ACC 203 Financial Accounting 4
ACC 204 Managerial Accounting 4
ACC 301 Intermediate Accounting I 4
ACC 302 Intermediate Accounting II 4
ACC 319 Cost Accounting 4
ACC 375 Accounting Information Systems 3

(AACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (10 Credits)

LAW 360 Advanced Business Law 4

TAX 310 Federal Income Taxation I 3
TAX 311 Federal Income Taxation II 3

Open Electives (6 Credits)

Includes UNV 101 (1 credit) for all first-year students.

Graduate MBA Requirements (47-48 Credits)

Business Writing Proficiency Requirement: Satisfactory performance as demonstrated with a score of 4.5 or higher on the Analytical Writing Assessment (AWA) portion of the GMAT. A student whose grade on the AWA demonstrates weakness in writing is required to complete and pass a seven-week, pass/fail course in Business Communications (BUS 043).

MBA Prerequisite Course (0-1 Credit)

BUS 043 Business Writing 1

CPA Review Courses: (Non-credit) Highly Recommended

ACC 060A CPA Review - Financial Accounting Reporting (FAR) 1
ACC 060B CPA Review - Auditing and Attestation (AUD) 1

Foundation Courses (12 Credits)

MBA 642 Marketing Management 3
MBA 646 Data Analysis for Decision Making 3
MBA 647 Decision Modeling for Management 3
MBA 648 Managerial Finance 3

Professional Core Courses (9 Credits)

MBA 670 Organizational Behavior and Leadership 3
MBA 672 Managerial Economics for Decision Making 3
MBA 674 Globalization, The New Economy and Ethics 3

Required Specialization Courses (11 Credits)

ACC 620 Accounting Entities 3
ACC 632 Auditing 3
ACC 635 Advanced Auditing Practices 2
ACC 649 Contemporary Accounting Issues 3

Specialization Electives (6 Credits)

Choose two of the following courses
ACC 638 Forensic Accounting and Fraud Examination 3
ACC 675 International Accounting 3
ACC 681 Financial Reporting and Capital Markets 3
ACC 692Q Research Project 3
TAX 612 Taxation of Entities for Accountants 3

Breadth Electives (6 Credits)

Select two graduate 600 level courses from a discipline outside of Accounting offered by the Lubin School. MBA 676 and MBA 678 may be taken to satisfy this requirement. MBA 640 and MBA 644 may not be taken since they duplicate ACC 203 - ACC 204 and ECO 105 - ECO 106 completed as a part of the BBA Requirements.
Capstone Course (3 Credits)
MBA 688 Business Strategy and Stakeholder Responsibility 3

Total Credit Hours: 151-152

Combined BBA Public Accounting/MS Financial Management Program

The Combined BBA Public Accounting/MS Financial Management Program is intended for students planning careers in accounting with a focus on financial management. It provides students with the coursework required to become a CPA and combines this preparation with an in-depth study of financial management. Students graduate with a strong background in both accounting and financial management and are well prepared for careers as financial managers and to advance to leadership positions in global corporations and financial institutions. In addition, students will cover a substantial amount of the material required to prepare for the Chartered Financial Analyst (CFA) designation. The program gives students a thorough understanding of financial and managerial accounting, taxes, capital budgeting, cash flow valuation, risk management, capital structure, dividend policy, mergers and acquisitions and more.

Undergraduate BBA Requirements (113 Credits)

University Core (53 Credits)
(See University Core Curriculum Requirements for Lubin Students (p. 188). MAT 104, MAT 111, ECO 105 and ECO 106 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5.).)

Business Core (20 Credits)
(See Business Core Requirements (p. 188).) (MG 555 and MG 40 are satisfied in the MS portion of the program.)

Major Requirements (15 Credits)
ACC 203 Financial Accounting 4
ACC 204 Managerial Accounting 4
ACC 301 Intermediate Accounting I 4
ACC 302 Intermediate Accounting II 4
ACC 319 Cost Accounting 4
ACC 375 Accounting Information Systems 3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (13 Credits)
FIN 320 Corporate Finance 3
LAW 360 Advanced Business Law 4
TAX 310 Federal Income Taxation I 3
TAX 311 Federal Income Taxation II 3

Open Electives (6 Credits)
Includes UNV 101 (1 credit) for all first-year students

Graduate MS Requirements (41-42 Credits)

Business Writing Proficiency Requirement: Satisfactory performance as demonstrated with a score of 4.5 or higher on the Analytical Writing Assessment (AWA) portion of the GMAT. A student whose grade on the AWA demonstrates weakness in writing is required to complete and pass a seven-week, pass/fail course in Business Communications (BUS 043).

MS Prerequisite Course (3-4 Credits)
BUS 043 Business Writing 1
MBA 646 Data Analysis for Decision Making 3

CPA Review Courses: (Non-credit) Highly Recommended
ACC 060A CPA Review - Financial Accounting Reporting (FAR) 3
ACC 060B CPA Review - Auditing and Attestation (AUD) 3

Graduate Public Accounting Courses (11 Credits)
ACC 620 Accounting Entities 3
ACC 632 Auditing 3
ACC 635 Advanced Auditing Practices 2
ACC 649 Contemporary Accounting Issues 3

MS Core Courses (18 Credits)
ACC 645 Theory and Analysis of Financial Statements 3
FIN 644 Money and Capital Markets 3
FIN 647 Advanced Topics in Financial Management 3
FIN 649 International Corporate Finance 3
FIN 667 Valuation of the Firm 3
FIN 689 Financial Analysis and Policy 3

Specialization Electives (6 Credits)
Choose two of the following courses
FIN 634 Entrepreneurial Finance 3
FIN 648 Mergers and Acquisitions 3
FIN 661 Corporate Financial Risk Management 3
FIN 677 Seminar in Finance 3
FIN 680 Contemporary Economic and Financial Topics 3
FIN 692 Research Project 3
MBA 673 Applying Financial Modeling to Decision Making 3

Capstone Course (3 Credits)
MBA 688 Business Strategy and Stakeholder Responsibility 3

Total Credit Hours: 154-155
Combined BBA Public Accounting/MS Taxation Program

The Combined BBA Public Accounting/MS Taxation Program is intended for students planning careers in accounting with a focus on tax and for others who require an in-depth understanding of both financial accounting rules and federal tax law. The accounting coursework provides a thorough understanding of how financial information is used by management, the government, and the public. In the MS part of the program, students learn how to quantify risk and predict shifts in the tax environments that affect industry. This Combined Program prepares students to become successful CPAs and provides them with the additional knowledge and tax skills necessary to succeed in a competitive business environment.

Undergraduate BBA Requirements (108 Credits)

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK - HSN (formerly AOK 5.).)

Business Core (20 Credits)

(See Business Core Requirements (p. 188).) (MGT 355 and MGT 490 are satisfied in the MS portion of the program.)

Total Credit Hours: 152-153

Public Accounting Major

Bachelor of Business Administration

The major in Public Accounting is intended to prepare students for careers as public accountants in business, government and the nonprofit sector. It satisfies the 150 credit hour requirement to take the CPA exam in New York State, as well as other states. Students are encouraged to use their business and open elective credits to specialize or minor in another business area or declare a second major.

Admission Requirements

Students may be admitted to the BBA in Public Accounting major either as freshmen or transfer students provided all
the normal requirements for admission to Pace University and the Lubin School of Business are met. In order to continue in or join the public accounting major in the junior and senior years, students will be required to have a minimum CGPA of 2.5. Students who do not meet this academic standard will be required to change their major to General Accounting or another major better suited to their academic talents and interests.

Requirements

University Core (53 Credits)
(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

Business Core (26 Credits)
See Business Core Requirements (p. 188).

Major Requirements (31 Credits)
ACC 203 Financial Accounting 4
ACC 204 Managerial Accounting 4
ACC 301 Intermediate Accounting I 4
ACC 302 Intermediate Accounting II 4
ACC 319 Cost Accounting 4
ACC 333 Advanced Accounting 4
ACC 375 Accounting Information Systems 3
ACC 461 Auditing I 3
ACC 462 Auditing II 3
ACC 470 Accounting Research Project 3
or
ACC 495 Business Honors Program Senior Thesis in Accounting Accounting Elective 3

(ACC 203 and ACC 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (10 Credits)
LAW 360 Advanced Business Law 4
TAX 310 Federal Income Taxation I 3
TAX 311 Federal Income Taxation II 3

Note: Students planning a TAX minor will take TAX 313 and TAX 314 instead of TAX 311.

Business Electives (12 Credits)
Students may take courses from any business discipline (except Accounting), Economics, Computer Information Technology (CIT) and Computer Science to satisfy this requirement.

Open Electives (12 Credits)
Includes UNV 101 (1 credit) for first-year students.

CPA Review Courses: (Non-credit) Highly Recommended
ACC 060A CPA Review - Financial Accounting Reporting (FAR)
ACC 060B CPA Review - Auditing and Attestation (AUD)

Total Credit Hours: 150

General Accounting Major

Bachelor of Business Administration
The General Accounting major is designed to provide students with a broad-based course of study in accounting and an opportunity to develop, through the use of electives, a specialization in such areas as information systems, finance, or managerial accounting. This program is not intended to prepare students for the CPA examination.

Requirements

University Core (53 Credits)
(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

Business Core (29 Credits)
(See Business Core Requirements (p. 188).)

Major Requirements (22 credits)
ACC 203 Financial Accounting 4
ACC 204 Managerial Accounting 4
ACC 301 Intermediate Accounting I 4
ACC 302 Intermediate Accounting II 4
ACC 319 Cost Accounting 4
ACC 333 Advanced Accounting 4
ACC 375 Accounting Information Systems 3
ACC 461 Auditing I 3
ACC 470 Accounting Research Project 3
or
ACC 495 Business Honors Program Senior Thesis in Accounting Accounting Elective 3

(ACC 203 and 204 (8 credits) are applied toward the Business Core.)

Auxiliary Courses (6-7 Credits)
LAW 312 Business Law II 3
or
LAW 360 Advanced Business Law 4
TAX 310 Federal Income Taxation I 3

Open Electives (12-11 Credits)
Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128
Finance

Finance Major

Bachelor of Business Administration
The objective of the BBA Finance major is to provide students with the conceptual background and analytical tools necessary for sound financial decision-making in a global economy. Finance graduates are prepared for financial positions in corporations, financial institutions, government, and nonprofit organizations.

Requirements

University Core (53 Credits)
(See University Core Curriculum Requirements for Lubin Students. CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

Business Core (29 Credits)
(See Business Core Requirements (p. 188).)

Major Requirements (24 Credits)
FIN 260 Financial Management 3
FIN 320 Corporate Finance 3
FIN 340 Valuation of the Firm 3
FIN 351 Principles of Investment 3
FIN 352 Risk Management 3
or
FIN 356 Options, Futures and Swaps 3
FIN 358 International Finance 3
Finance Electives 9

(FIN 260 (3 credits) is applied toward Business Core).

Open Electives (16 Credits)
Includes UNV 101 (1 credit) for first-year students

Total Credit Hours: 128

Information Systems

Information Systems Major

Bachelor of Business Administration
The major in Information Systems is predicated on the belief that information is an essential decision-making resource for all organizations. The Information Systems major is designed to develop the student's ability to understand and develop computer-based information systems that provide accurate, timely, consistent and integrated data for effective management. It is also intended to prepare students for careers in telecommunications, database administration, internet technologies, and systems analysis and design.

Requirements

University Core (53 Credits)
(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

Business Core (29 Credits)
(See Business Core Requirements (p. 188).)

Major Requirements (24 Credits)
CIS 101 Introduction to Computing 3
CIT 211 Introduction to Computer Systems 4
CIT 221 Global Networking Technology 4
CIT 241 Database Management 4
CIT 312 Introduction to Programming I 4
CIT 342 Systems Analysis and Design 4
CIT 300 CIT 300-Level Elective Course 4
or
CIT 400 CIT 400-Level Elective Course 4

(CIS 101 (3 credits) is applied toward University Core).

Open Electives (16 Credits)
Includes UNV 101 (1 credit) for first-year students

Total Credit Hours: 128

Management

Bachelor of Business Administration
The Management major is intended for students who want a flexible curriculum and opportunity to specialize in one of five concentrations: Arts and Entertainment Management, Business Management, Entrepreneurship, Hospitality and Tourism Management, and Human Resources Management. Through formal and systematic study of management, students will learn methods of directing and motivating group efforts toward achieving an organization's primary objective, the optimal allocation of resources. It will provide students with the managerial context within which to develop a concentration and to prepare for careers in a variety of corporate and other organizational settings.

Students are required to choose ONE of the FIVE concentrations. Only one concentration may be officially declared, although students may take additional management courses as open electives.
Management Major - Arts and Entertainment Management (NYC)

The Arts and Entertainment Management concentration prepares students for careers in theatre companies, museums, dance companies, art galleries, talent representation and management companies, and television production firms, as well as related support services. Students learn how to analyze and respond as managers to such environmental factors as changing laws, economic challenges, technological changes, union activities, cultural issues, and domestic and international trends in arts and entertainment. Further, Lubin leverages its New York City connections to bring award-winning, directors, producers, and entertainment managers into the classroom.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (21 Credits)

MGT 250 Managerial and Organizational Concepts 3
MGT 322 Organizational Behavior 3
MGT 355 Management Science and Production Management Concepts 3
MGT 490 Business Strategy 3

(MGT 250, MGT 355, and MGT 490 (9 credits) are applied to the Business Core.)

Arts and Entertainment Management Concentration (18 Credits)

Required Concentration Courses (9 Credits)

MGT 235 Arts and Entertainment Management 3
MGT 370 Managing Creativity 3
MGT 470 Entertainment Management Seminar 3

Required International Management Course (3 Credits)

Select ONE course from the following:
MGT 340 International Management 3
MGT 341 Comparative Management Systems 3
MGT 342 The Human Dimension in International Management 3
MGT 347 International Management Field Study 3

Arts and Entertainment Management Elective Concentration Courses (6 Credits)

Select TWO courses from the following:
MGT 312 Event Management 3
MGT 371 Managing Entertainment Projects 3
MGT 372 Governance and Stakeholder Management in the Arts 3
MGT 373 Technology Innovation in the Arts 3
MGT 394A Management Internship 3

Open Electives (19 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Management Major - Business Management Concentration (NYC and PLV)

The Business Management concentration gives students the flexibility to select from a wide array of management and related business courses to build a concentration which is tailored to their individual academic and career interests. Students are required to take at least two general management courses as part of Group I and two courses may be selected from Group II, which allows for specialization in a specific management or related business area. One course in International Management is also required.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (18 Credits)

MGT 250 Managerial and Organizational Concepts 3
MGT 355 Management Science and Production Management Concepts 3
MGT 490 Business Strategy 3
MGT 322 Organizational Behavior 3

(MGT 250, MGT 355, and MGT 490 (9 credits) are applied to the Business Core.)

Business Management Concentration (15 Credits)

Required International Management Course (3 Credits)
Select ONE course from the following:

- MGT 340 International Management  3
- MGT 341 Comparative Management Systems  3
- MGT 342 The Human Dimension in International Management  3
- MGT 347 International Management Field Study  3

Elective Concentration Courses (12 Credits)

Select at least TWO courses (6 credits) from Group I.

The remaining TWO courses (6 credits) may be taken from Group I or Group II.

Group I: General Management Courses

- MGT 316 Venture Initiation and Entrepreneurship  3
- MGT 330 Business and Society  3
- MGT 357 Project Management for Business  3
- MGT 362 Human Resources Management  3
- MGT 364 Organizational Theory and Development  3
- MGT 365 Managerial Negotiations  3
- MGT 366 Leadership Principles and Practice  3

MGT 340 if not used to satisfy International Management Course requirement.

Group II: Specialized Business Courses

- MGT 307 Hotel Management  3
- MGT 308 Travel and Tourism Management  3
- MGT 309 Restaurant and Foodservices Management  3
- MGT 312 Event Management  3
- MGT 315 Small Business Management  3
- MGT 353 Advanced Data Analysis for Business Decisions  3
- MGT 394A Management Internship  3
- FIN 352 Risk Management  3
- LAW 310 Employment Law  3
- MAR 331 Managerial Marketing  3
- MGT 343 International Management Environments: Asia or
  Europe  3
- MGT 344 International Management Environments: Latin America or
  Europe  3
- MGT 345 International Management Environments: Europe  3

MGT 341, MGT 342, or MGT 347 if not used to satisfy International Management Course Requirement.

Only one of the International Management Environments courses listed above (MGT 343, MGT 344 or MGT 345) maybe applied to the Business Management Concentration.

MGT 308 satisfies Civic Engagement (CE) requirement.

MGT 312, MGT 343 and MGT 353 are offered on New York City Campus only.

Open Electives (22 Credits)

Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Management Major - Entrepreneurship Concentration (NYC and PLV)

The Entrepreneurship concentration prepares students for careers in entrepreneurship and small business. It focuses on providing students with the skills that they will need to initiate and manage business ventures, including developing new products, drafting a business plan, and forming and running a family business. Other topics covered are financial management, marketing, and human resource management in a small business setting. Students will also learn to analyze consumer and business trends and to use this information in planning and developing a new business venture.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (18 Credits)

- MGT 250 Managerial and Organizational Concepts  3
- MGT 355 Management Science and Production Management Concepts  3
- MGT 490 Business Strategy  3
- MGT 322 Organizational Behavior  3

(MGT 250, 355 and 490 (9 credits) are applied to the Business Core.)

Entrepreneurship Concentration (15 credits)

Required Concentration Courses (12 Credits)

- MGT 316 Venture Initiation and Entrepreneurship  3
- MGT 319 International Entrepreneurship  3
- MGT 416 Business Plan Development  3
- MAR 431 New Product Development  3

Elective Concentration Course (3 Credits)

Select any ONE course from the following:

- MGT 309 Restaurant and Foodservices Management  3
- MGT 315 Small Business Management  3
- MGT 317 Human Capital in Entrepreneurship  3
- MGT 365 Managerial Negotiations  3
MGT 370  Managing Creativity  3  
MGT 394A  Management Internship  3  
MAR 322  Marketing Research  3  
MAR 332  Selling and Sales Management  3  
MAR 343  Direct Marketing  3  
LAW 310  Employment Law  3  

Open Electives (22 Credits)  
Includes UNV 101 (1 credit) for first-year students.  

Total Credit Hours: 128  

Management Major - Hospitality and Tourism Management Concentration (NYC)  
The Hospitality and Tourism Management concentration prepares students for management careers in the hospitality and tourism industry. Students acquire skills in the areas of hotel, restaurant, and tourism management; business management; accounting; cost control and analysis; law; human resources; strategy; and e-commerce. They also learn how to analyze and respond as managers to changing laws; union activities; cultural, social, and environmental issues; and domestic and international trends in the hospitality and tourism industry as a whole. Since Hospitality and Tourism Management is a specialized area of study, the requirements for this concentration are more extensive than those for the other management areas.  

Requirements  

University Core (53 Credits)  
(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)  

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)  
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)  

Business Core (29 Credits)  
(See Business Core Requirements (p. 188).)  

Major Requirements (26-27 Credits)  
MGT 250  Managerial and Organizational Concepts  3  
MGT 355  Management Science and Production Management Concepts  3  
MGT 490  Business Strategy  3  
(MGT 250, MGT 355 and MGT 490 (9 credits) are applied to the Business Core.)  

Hospitality and Tourism Management (HTM) Core Concentration (26-27 Credits)  

Required Concentration Courses (15 Credits)  
LAW 316  Legal Environment of Hospitality and Tourism  3  
MGT 306  Service Management  3  
MGT 307  Hotel Management  3  
MGT 308  Travel and Tourism Management  3  
MGT 309  Restaurant and Foodservices Management  3  
MGT 308 satisfies Civic Engagement CE (AOK I) requirement.  

Hospitality and Tourism Management Electives (11-12 Credits)  
Select FOUR courses from the following:  
MGT 310  Standards of Safety in Hospitality and Tourism  2  
MGT 311  Hospitality and Tourism Technology and Design  3  
MGT 312  Event Management  3  
MGT 313  Cruise Industry Management  3  
MGT 347  International Management Field Study  3  
MGT 362  Human Resources Management  3  
MGT 393  Hospitality and Tourism Management Internship  3  
MGT 495  Business Honors Program Senior Thesis in Management  3  

Open Electives (13-14 Credits)  
Includes UNV 101 (1 credit) for first-year students.  

Total Credit Hours: 128  

Management Major - Human Resources Management Concentration (NYC and PLV)  
The Human Resources concentration prepares students for professional positions in human resources management in such areas as recruitment, selection, training and development, job evaluation, performance assessment, and compensation administration.  

Requirements  

University Core (53 Credits)  
(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)  

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)  
(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)  

Business Core (29 Credits)  
(See Business Core Requirements (p. 188).)

Major Requirements (18 Credits)

MGT 250 Managerial and Organizational Concepts 3
MGT 355 Management Science and Production Management Concepts 3
MGT 490 Business Strategy 3
MGT 322 Organizational Behavior 3
(MGT 250, MGT 355, and MGT 490 (9 credits) are applied to the Business Core.)

Human Resources Management Concentration (15 Credits)

Required Concentration Courses (6 Credits)
MGT 362 Human Resources Management 3

Select ONE of the following International Management Courses:
MGT 340 International Management 3
MGT 341 Comparative Management Systems 3
MGT 342 The Human Dimension in International Management 3
MGT 347 International Management Field Study 3

Elective Concentration Courses (9 Credits)
Select any THREE courses from the following:
MGT 330 Business and Society 3
MGT 363 Training and Development 3
MGT 364 Organizational Theory and Development 3
MGT 365 Managerial Negotiations 3
MGT 366 Leadership Principles and Practice 3
MGT 394A Management Internship 3
MGT 462 Advanced Human Resources Management Applications 3
LAW 310 Employment Law 3
PSY 332 Group Relations and Interviewing Techniques 4

Open Electives (22 Credits)
Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

International Management

International Management Major

Bachelor of Business Administration

The International Management major prepares students for the global world of business through specialized study in a region of the world. Students are required to concentrate in one of the following regions: Asia (p. 202), Europe (p. 202), or Latin America (p. 203). The choice of region will determine the appropriate international management environments course, as well as the courses to be taken to fulfill the foreign language and culture requirement.

International Management majors are also encouraged to participate in a study abroad program or field study course related to their regional focus in order to experience first hand the culture, language, and business practices of their region of interest.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 111 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK - HSN (formerly AOK 5).)

Regional Language Requirement (0-6 Credits)

Students are required to demonstrate proficiency at the intermediate level in one language related to their Regional Concentration in one of the following regions: Asia, Europe or Latin America. The number of courses required will depend upon the student's background in the language selected. Students beginning at the 101 level will be required to take 4 courses (12 credits) in one language and those beginning at the 280 level would normally be required to take 2 courses (6 credits) in one language. Two courses (6 credits) satisfy the Second Language Proficiency requirement in the University Core.

Regional Culture Requirement

Two courses in history or culture related to Regional Concentration. Select two courses from the list of approved courses for Regional Concentration selected. Both courses are applied to Areas of Knowledge requirements in the University Core.

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (15 Credits)

MGT 250 Managerial and Organizational Concepts 3
MGT 322 Organizational Behavior 3
MGT 340 International Management 3
MGT 341 Comparative Management Systems 3
MGT 355 Management Science and Production Management Concepts 3
MGT 490 Business Strategy 3
(MGT 250, MGT 355 and MGT 490 (9 credits) are applied to the Business Core.)

International Management Environments Course (3 Credits)

Select ONE of the following courses related to Regional Concentration:
MGT 343 International Management Environments: Asia 3
MGT 344 International Management Environments: Latin America 3
MGT 345 International Management 3
International Management Major Elective (3 Credits)
Select ONE of the following courses:
- LAW 325 International Business Law 3
- MGT 342 The Human Dimension in International Management 3
- MGT 347 International Management Field Study 3
- MGT 349 International Management Seminar 3
(MGT 347 must be related to Regional Concentration.)

Career Concentration (6 Credits)
Select two courses (6 credits) from one of the career concentrations listed or design a customized concentration with assistance of the International Management or Undergraduate Management Program Chair.

Open Electives (13-19 Credits)
Includes UNV 101 (1 credit) for first-year students.

Regional Concentration
Students are required to choose one of the following regional concentrations: Asia, Europe or Latin America. Each concentration requires a total of 15-21 credits, including 6-12 credits in one language, 6 credits in culture and history, and a 3-credit international management environments course. These credits are applied toward the University Core and major requirements as indicated in the preceding outline of the degree requirements. Students are required to demonstrate proficiency at the intermediate level in one language from those approved for their regional concentration. Where appropriate, a second language of the region may be added on an exception basis with the approval of the International Management Program Chair or the Undergraduate Management Program Chair, in consultation with the Department of Modern Languages and Cultures. Students are encouraged to use courses required for their regional concentration to complete a minor in a language or one of the following interdisciplinary areas offered by Dyson College: East Asia Studies, Latin American Studies, French Studies, or Italian Studies.

Language Exemption for International Students
International students who completed their secondary education in a country where English was not the language of instruction and are fluent in their native language may choose to fulfill their language requirement by studying a second language associated with their regional concentration. They may also qualify for an exemption of the language requirement if their native language is related to their regional area. Students who qualify for the exemption will be required to take the required 6 credits in history or culture courses and will satisfy the 128 credit graduation requirement by taking additional credits in Liberal Arts and Sciences and Open Electives.

Total Credit Hours: 128

International Management Region I: Asia (NYC)

Requirements
Region I: Asia
MGT 343 International Management Environments: Asia 3
MGT 343 will be offered every three semesters: Fall 2013, Spring 2015 and Fall 2016.

Language and Culture Requirement (12-18 Credits)
- Chinese or Japanese Language 6-12

Students are required to demonstrate proficiency at the intermediate level in either Chinese or Japanese. Students who begin their language study at the 101 level will be required to complete four courses (12 credits). Those who begin at the 280 level or above will be required to complete two courses (6 credits) and will take an additional 6 credits in Open Electives.

TWO Courses in Asian History or Culture (6 Credits) from the following list:
- ART 220 Art History: Aspects of Asian Art 3
- HIS 131 The Asian World: A Historical Survey 3
- HIS 241 Modern China 3
- HIS 242 Modern Japan 3
- HIS 296B Topic: Modern East Asia in Film 3
- HIS 296Y Topic: History of Non-Violent Activism in Modern Asia 3
- INT 296 Politics and Cultures in South East Asia 6
- JPN 154 Topic: Modern Japanese Literature and Film in English Translation One Chinese or Japanese Language Course at the intermediate level or above 3

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

International Management Region II: Europe (NYC and PLV)

Requirements
Region II: Europe
MGT 345 International Management Environments: Europe 3
MGT 345 is offered in NYC every Spring and in PLV every three semesters: Fall 2013, Spring 2015 and Fall 2016.

Language and Culture Requirement (12-18 Credits)
- French, Spanish, Italian, or Russian Language 6-12
Students are required to demonstrate proficiency at the intermediate level in one of the languages associated with the region. Students who begin their language study at the 101 level will be required to complete four courses (12 credits). Those who begin their language at the 280 level or above will be required to take a minimum of two courses (6 credits) and will take an additional 6 credits in Open Electives.

**TWO courses in European History or Culture (6 Credits) from the following list:**

All courses satisfy AOK: Western Heritage. (WH, AOK 2)

- ART 206  
  Art History: Renaissance Art in Italy  
  3
- FRE 150  
  Travel Course to France  
  6
- FRE 154F  
  Topic: The French Speaking World in Film  
  3
- FRE 154W  
  Topic: The Second Sex: Images of Women in Literature and Film  
  3
- HIS 104  
  History of Western Civilization 1815 to Present  
  3
- HIS 114  
  The European Experience: All Themes  
  3
- HIS 207  
  Europe Since World War I  
  3
- HIS 210  
  Germany and Central Europe Since 1848  
  3
- HIS 213  
  Modern Russia  
  3
- HIS 281  
  European Women and Social Change  
  3
- HIS 296E  
  Topic: Tolstoy, Turks and Taliban: Russia’s “Orient”  
  3
- HIS 297K  
  Consuming Desires: Mass Production, Advertising, and the Development of Consumer Cultures in Modern Europe  
  6
- INT 196V  
  Revolutions in Modern French Thought: Philosophical and Literary Perspectives  
  6

  Internship in Latin America and Caribbean Studies  
  6
- INT 297H  
  A United States of Europe?  
  6
- INT 297S  
  Splendors of Spain: Art and Culture  
  6
- ITA 150  
  Travel Course to Italy  
  6
- ITA 154  
  Topics from Italian Literature in Translation  
  3

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

**International Management Region III: Latin America (NYC and PLV)**

**Requirements**

**Region III: Latin America**

- MGT 344  
  International Management Environments: Latin America  
  3

*MGT 344 is offered in NYC every Spring and in PLV every three semesters: Spring 2013, Fall 2014, and Spring 2016.*

**Language and Culture Requirement (12-18 Credits)**

**Spanish language**  
6-12

Students are required to demonstrate proficiency at the intermediate level in Spanish. Students who begin their study of language at the 101 level will be required to complete four courses (12 credits). Those who begin their language at the 280 level or above will be required to take a minimum of two courses (6 credits). They will take an additional 6 credits in Open Electives.

**TWO courses in Latin American History or Culture (6 Credits) from the following list:**

All courses satisfy AOK: World Traditions and Cultures. (WTC, AOK 3)

- HIS 133  
  Latin America: The Colonial Era  
  3
- HIS 134  
  Modern Latin America  
  3
- HIS 231  
  Latin America: Century of Social Change and Revolution  
  3
- HIS 234  
  South American Colossus: The History of Modern Brazil  
  3
- HIS 243  
  Service and Study in Latin America  
  3
- INT 296L  
  Mexico, NAFTA, and the Spanish Caribbean as Seen Through History and Literature  
  6
- INT 296D  
  Exploring Costa Rica: Environment, Culture, and Creative Expression  
  6
- INT 296R  
  Internship in Latin America and Caribbean Studies  
  6
- LAS 150  
  Modern Latin American Divas: Female Political, Social and Cultural Leadership in the Republican Era  
  6
- LAS 250  
  History and Environmental Policy: The Case of the South American Rain Forest  
  3

Other courses may be taken with the approval of the International Management or Undergraduate Management Program Chair.

**International Management - Career Concentration**

Students are required to take to take two courses (6 credits) of upper level courses in one of the Career Concentrations listed below.

**1. Economics**

- ECO 230  
  Intermediate Macroeconomics  
  3
- ECO 238  
  Money and Banking  
  3
- ECO 356  
  Immigration and Discrimination: Men and Women in the Labor Force  
  3
- ECO 359  
  Political Economy of Developing Nations  
  3
- ECO 360  
  International Economics  
  3
- ECO 362  
  Economic Growth and Development  
  3
- ECO 364  
  Comparative Economics Systems  
  3

**2. Entrepreneurship**

- MGT 315  
  Small Business Management  
  3
- MGT 316  
  Venture Initiation and Entrepreneurship  
  3
Quantitative Business Analysis

Quantitative Business Analysis Major (NYC)

Bachelor of Business Administration

The Quantitative Business Analysis major (QBA) provides mathematically talented students with cutting-edge, hands-on training in analytical tools and business decision modeling that are in high demand by employers today. The interdisciplinary QBA major consists of courses in data analysis, information technology, quantitative modeling, and mathematics, providing a foundation for analytical careers such as financial engineering, risk management, actuarial science, market research, and management consulting. Students are required to take additional mathematics courses in calculus and statistics which constitute an in-depth sequence in Mathematics which is applied to the University Core. An important part if the QBA major is the career concentration in a business function, such as finance or marketing. This offers students sufficient flexibility to build a minor or a second major.

Requirements

University Core (54 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, MAT 117, and MAT 218 or MAT 222 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (7 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 131 and MAT 117. ECO 105 and MAT 117 are applied to University Core AOK-HSN (formerly AOK 5).)

MGT 356 Simulation Techniques | 3 |
MGT 357 Project Management for Business | 3 |
MGT 456 Advanced Operations Research Models | 3 |

(MGT 250, MGT 355 and MGT 490 (9 credits) are applied to the Business Core.)

Auxiliary CIT Course (4 Credits)

Select ONE course from the following:
CIT 241 Database Management | 4 |
CIT 312 Introduction to Programming I | 4 |

Career Concentration (6 Credits)
See Quantitative Business Analysis Career Concentrations (p. 205)

**Open Electives (10 Credits)**
Includes UNV 101 (1 credit) for first-year students.

**Total Credit Hours: 128**

**Quantitative Business Analysis - Career Concentration**

Students are required to take two upper-level courses (6 credits) in one of the career concentrations listed below.

1. **Accounting**
   - ACC 301 Intermediate Accounting I 4
   - ACC 302 Intermediate Accounting II 4
   - ACC 305 Internal Auditing I 3
   - ACC 306 Internal Auditing II 3
   - ACC 319 Cost Accounting 4
   - ACC 366 Forensic Accounting 3
   - ACC 375 Accounting Information Systems 3

2. **Finance**
   - FIN 320 Corporate Finance 3
   - FIN 325 Data Analysis in Finance 3
   - FIN 340 Valuation of the Firm 3
   - FIN 351 Principles of Investment 3
   - FIN 352 Risk Management 3
   - FIN 355 Portfolio Theory and Management 3
   - FIN 356 Options, Futures and Swaps 3

3. **Economics**
   - ECO 240 Quantitative Analysis and Forecasting 3
   - ECO 357 Managerial Economics 3
   - ECO 380 Mathematical Economics 3
   - ECO 381 Applied Game Theory 3
   - ECO 385 Econometrics: Models and Organizations 3

4. **Entrepreneurship**
   - MGT 315 Small Business Management 3
   - MGT 316 Venture Initiation and Entrepreneurship 3
   - MGT 319 International Entrepreneurship 3
   - MGT 416 Business Plan Development 3

5. **Hospitality and Tourism Management**
   - MGT 307 Hotel Management 3
   - MGT 308 Travel and Tourism Management 3
   - MGT 309 Restaurant and Foodservices Management 3

6. **Human Resources Management**
   - MGT 322 Organizational Behavior 3
   - MGT 362 Human Resources Management 3
   - MGT 363 Training and Development 3
   - MGT 365 Managerial Negotiations 3
   - MGT 462 Advanced Human Resources Management Applications 3

7. **Information Technology**
   - CIT 231 Web Authoring and Digital Media 4
   - CIT 241 Database Management 4
   - CIT 312 Introduction to Programming I 4
   - CIT 314 Introduction to Programming II 4
   - CIT 346 Database Programming 4
   - CIT 348 Data Mining 4

8. **Law**
   - LAW 303 Constitutional Law 3
   - LAW 310 Employment Law 3
   - LAW 312 Business Law II 3
   - LAW 320 Cyber Law - Legal Issues in Information Technology 3
   - LAW 360 Advanced Business Law 4

9. **Marketing**
   - MAR 321 Fundamentals of Advertising and Promotion 3
   - MAR 322 Marketing Research 3
   - MAR 331 Managerial Marketing 3
   - MAR 344 Customer Relationship Management 3
   - MAR 443 Database Marketing 3

10. **Mathematics**
    - MAT 137 Introduction to Discrete Mathematics 4
    - MAT 236 Multivariable Calculus 4
    - MAT 238 Linear Algebra 4
    - MAT 257 Mathematics of Finance 3
    - MAT 218 or MAT 222 if not applied to Mathematics in-depth Sequence.

11. **Customized Career Concentration**
    Students may also work with their adviser to select related upper level courses from other disciplines to develop a career concentration that meets their individual career interests. The concentration must be approved in advance by the student’s faculty adviser and the Chair or Undergraduate Program Chair of the Management and Management Science Department.

**Marketing**

**Bachelor of Business Administration**

The purpose of the Marketing major is to provide students with an understanding of the marketing process and enable them to develop skills in product planning, distribution, pricing, promotion, and related marketing activities. Building on a broad-based marketing core curriculum, students have the opportunity to concentrate in one of two areas: Advertising and Integrative Marketing Communications (IMC) (p. 206) or Global Marketing Management (p. 206).

All marketing majors or students considering a major in marketing should consult with their Lubin adviser or Marketing Department Chair or Undergraduate Program Chair for advisement before beginning their junior year.

Students are required to choose ONE of the TWO Concentrations. Only one may be officially declared, although students may take additional marketing courses as open electives.
Marketing Major - Advertising and Integrated Marketing Communications (IMC) Concentration

The Advertising and IMC Concentration prepares students for careers in advertising and integrated marketing communications, account management, marketing analysis and research, product or brand management, product planning, customer analysis, and promotion management.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 117 and one 3-credit Liberal Arts and Sciences Elective. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (24 Credits)

Marketing Core (9 Credits)

MAR 250 Principles of Marketing 3
MAR 322 Marketing Research 3
MAR 499 Advanced Marketing Management 3

(MAR 250 (3 credits) is applied toward the Business Core).

Advertising and Integrated Marketing Communications (IMC) Concentration (18 credits)

Required Concentration Courses (9 Credits)

MAR 321 Fundamentals of Advertising and Promotion 3
MAR 345 Media Planning and Buying 3

Choose ONE of the following two courses:

MAR 323 Consumer Behavior 3
MAR 331 Managerial Marketing 3

Required International Marketing Course (3 Credits)

Select ONE course from the following:

MAR 351 International Marketing 3
MAR 352 International Advertising and Promotion 3
MAR 356 International Marketing Field Study 3
MAR 357 International Field Study New York Metro Area 3
MAR 459 International Marketing Seminar 3

Senior Advertising Requirement (6 Credits)

Choose ONE of the following two options:

MAR 346 Advertising Team Workshop I 3
MAR 348 Advertising Team Workshop II 3

Marketing Major - Global Marketing Management Concentration

The Global Marketing Management Concentration prepares students for careers in marketing analysis and research, product or brand management, product planning, customer analysis, logistics, wholesaling and retailing, customer relations, personal selling, promotion management, and services marketing.

Requirements

University Core (53 Credits)

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 117 and one 3-credit Liberal Arts and Sciences Elective. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

Business Core (29 Credits)

(See Business Core Requirements (p. 188).)

Major Requirements (24 Credits)

Marketing Core (9 Credits)

MAR 250 Principles of Marketing 3
MAR 322 Marketing Research 3
MAR 499 Advanced Marketing Management 3

(MAR 250 (3 credit) is applied toward the Business Core).

Global Marketing Management Concentration (18 Credits)

Required Concentration Courses (9 Credits)

MAR 331 Managerial Marketing 3
MAR 332 Selling and Sales Management 3

Choose ONE of the following two courses:

MAR 321 Consumer Behavior 3

Required International Marketing Course (3 Credits)

Select ONE course from the following:
MAR 351  International Marketing  3
MAR 352  International Advertising and Promotion  3
MAR 356  International Marketing Field Study  3
MAR 357  International Field Study New York Metro Area  3
MAR 459  International Marketing Seminar  3

Elective Concentration Courses (6 Credits)
Select any TWO other Marketing courses. The following three options of paired courses are recommended.

MAR 343  Direct Marketing  3
MAR 443  Database Marketing  3
MAR 344  Customer Relationship Management  3
MAR 349  Strategic Internet Marketing  3

or any TWO additional International Marketing courses from the list above.

Open Electives (16 Credits)
Includes UNV 101 (1 credit) for first-year students.

Total Credit Hours: 128

Degree Programs for Adult Students

The Lubin School of Business offers two programs for adult students who already have work experience and are returning to school to continue their education and complete a BBA degree. The requirements for both programs are listed below.

iPace BBA in Business Studies

Bachelor of Business Administration

The iPace Business Studies major is an accelerated online degree completion program designed for students who need the convenience and flexibility of an online program and can only pursue a degree on a part-time basis. The program builds on a student’s prior educational experience and requires for admission completion of an Associate degree or its equivalent (64 college credits) which includes foundation course work in English, mathematics and economics and other liberal arts and science subjects. Students are required to complete at Pace the Lubin Business Core taken by all Lubin majors and a professional concentration in either Business Communication or Accounting/Internal Auditing for a total of 56 credits.

All iPace classes are online with optional on campus opportunities. Students will be required to take a minimum of two courses per semester and follow a set schedule of classes. This will enable them to complete the program and receive the BBA degree in three years. Students transferring in with less than 64 credits will be required to take additional courses in the liberal arts and sciences at Pace in order to satisfy the degree requirements for the BBA in Business Studies. Please see iPace website for more information.

Prior College Level Coursework: 56-64

Transfer Credits

Elective Concentration Courses (6 Credits)

Select any TWO other Marketing courses. The following three options of paired courses are recommended.

MAR 343  Direct Marketing  3
MAR 443  Database Marketing  3
MAR 344  Customer Relationship Management  3
MAR 349  Strategic Internet Marketing  3

or any TWO additional International Marketing courses from the list above.

Open Electives (16 Credits)
Includes UNV 101 (1 credit) for first-year students.

classes when they are offered to fulfill their requirements. It provides students with flexibility within the University Core and in the design of a business concentration, which can be tailored to meet individual academic and career interests. With the guidance of a Lubin academic adviser, students develop a 12-credit career concentration in one of the approved business areas or in an interdisciplinary area, which may include related course work from outside the business school. All students are also required to complete one course in an international business subject, which can be in the same discipline as the concentration or another business area. The following University Core and Business Core courses may not be applied toward the concentration: ACC 203, ACC 204, CIS 101, ECO 105, ECO106, FIN 260, LAW 101, MAR 250, MGT 250, MGT 355, MGT 490.

Students are required to meet with an academic adviser in the Lubin Office of Undergraduate Academic Advisement either prior to enrolling in the General Business major or during their first semester of study.

**Earning Credit for Prior Learning**

Students who have accumulated considerable knowledge as a result of their work experience or other opportunities for learning outside of a formal academic setting may be eligible to receive college credits for their experiential learning. Students interested in exploring this option should meet with a Lubin academic adviser to determine if they are eligible to participate in the Experiential Learning Assessment (ELA) process. Students who are recommended to participate in ELA process will be given approval to register for the two-credit Prior Learning Assessment Seminar (INT 196B). This course will guide the student in the writing of a portfolio that will be submitted for evaluation to the appropriate Pace academic department to determine whether college-level learning is demonstrated and academic credit can be awarded. Students may apply a maximum of 36 credits earned through the ELA process toward the General Business major. Credit may also be earned through CLEP (College Level Examination Program) and other recognized college-level examinations. For further information about the ELA process, CLEP, and other prior learning assessment options, please contact Adult and Continuing Education in the Office of Undergraduate Admission.

**Requirements**

**University Core (53 Credits)**

(See University Core Curriculum Requirements for Lubin Students (p. 188). CIS 101 or TS 105, MAT 104, ECO 105, and MAT 117 are required as part of the University Core.)

**Lubin Foundation Requirements in Quantitative Reasoning (6 Credits)**

(See Lubin Foundation Requirements in Quantitative Reasoning (p. 188). Includes ECO 105, ECO 106, MAT 117 and one 3-credit Liberal Arts and Sciences Elective. ECO 105 and MAT 117 are applied to University Core AOK- HSN (formerly AOK 5).)

**Business Core (26-29 Credits)**

(See Business Core Requirements (p. 188).)

BUS 150 Contemporary Business Practice is waived for students who receive 45 credits or more toward the BBA degree for courses completed at other colleges or universities, through successful performance on recognized college-level examinations such as CLEP, and the experiential learning assessment process. General Business majors who are not required to take BUS 150 will take an additional three credits of Open Electives.

**Major Requirements (15 Credits)**

- One International Course in a Business Discipline  \(3\)
- Career Concentration  \(12\)

**Open Electives (25–28 Credits)**

**Note:** BUS 150 Contemporary Business Practice is waived for students who receive 45 credits or more toward the BBA degree for courses completed at other colleges or universities, through successful performance on recognized college-level examinations such as CLEP, and the experiential learning assessment process. General Business majors who are not required to take BUS 150 will take an additional three credits of Open Electives.

**Total Credit Hours: 128**

**Minors**

Students with sufficient open elective credits in their major program may wish to minor in an academic area of special interest. The Lubin School of Business offers the following minors. Some minors, as noted, are restricted to Lubin majors or to students majoring in specified non-business areas.

**Business Minor for Non-Business Students**

This minor may be taken in conjunction with any non-business major. The list of subjects may be extended or substitutions may be made depending on the student's interests. Upper-sophomore standing (completion of 48 college credits) is a prerequisite for MAR 250 and MGT 250. Students successfully completing this minor with a
minimum grade of "B" in each course will satisfy the foundation courses in accounting and economics required for the MBA at Pace University and many other institutions.

**Required Courses (30 Credits)**

- ACC 203 Financial Accounting 4
- ACC 204 Managerial Accounting 4
- CIS 101 Introduction to Computing 3
- ECO 105 Principles of Economics: Microeconomics 3
- ECO 106 Principles of Economics: Macroeconomics 3
- MAT 104 Finite Mathematics 3
- MAT 117 Elementary Statistics 4
- MAR 250 Principles of Marketing 3
- MGT 250 Managerial and Organizational Concepts 3

**Accounting Minor**

The Accounting minor is designed to enable non-accounting Lubin majors to achieve a level of competency in accounting that will enhance their major program and broaden their career preparation.

**Required Courses (14-16 Credits)**

- ACC 301 Intermediate Accounting I 4
- ACC 302 Intermediate Accounting II 4

**Select any TWO courses from the following:**

- ACC 319 Cost Accounting 4
- ACC 333 Advanced Accounting 4
- ACC 340 Internal and External Auditing 3
- ACC 354 International Accounting 3
- ACC 375 Accounting Information Systems 3
- ACC 461 Auditing I 3

**Prerequisites:** ACC 203, ACC 204, ECO 105, ECO 106, Statistics (MAT 117 or MAT 134 or MAT 234), and Calculus (MAT 111 or MAT 131)

**Internal Auditing Minor**

Since Sarbanes-Oxley, the demand for internal auditors has expanded. As a result, internal auditors are in high demand and the field of internal auditing is one of the top five growing professions.

Students in this minor will learn the fundamental role of internal auditing in a free-market environment and the importance of that role to corporate governance. They will develop audit judgment and an ethical framework to guide actions; understand the client's business environment and how to apply the risk assessment model to each audit; and master advanced audit techniques that simulate the real world. Specific attention is also given to concepts surrounding the auditing of information systems, privacy and security issues, and fraud auditing.

The Internal Auditing minor is open to accounting majors and is an attractive option for other Lubin business majors and students majoring in fields such as information systems and economics.

**Required Courses (17 Credits)**

- ACC 203 Financial Accounting 4
- ACC 204 Managerial Accounting 4
- ACC 305 Internal Auditing I 3
- ACC 306 Internal Auditing II 3
- ACC 366 Forensic Accounting 3
- ACC 375 Accounting Information Systems 3
- or CIT 342 Systems Analysis and Design 4

**Pre-Law Minor**

This interdisciplinary Pre-Law minor is intended for all undergraduate students considering a legal career. Through study in law as well as many liberal arts subjects, students develop critical thinking and communication skills, and an awareness of ethical considerations that are important for success in the study of law and in the legal profession. Admission to law school generally requires a high grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT). While law schools usually do not prescribe any one particular undergraduate course of study for admission, students should obtain information on the specific admission requirements for the schools that they plan to attend. Legal Studies faculty members are available to advise students considering a legal career.
Required Courses (15 Credits)
Select ONE course from the following:
LAW 101  Business Law I 3
LAW 214  Introduction to Law and the American Legal System 3

Select ONE course from four of the areas listed below:

Business Law
LAW 310  Employment Law 3
LAW 312  Business Law II 3
LAW 316  Legal Environment of Hospitality and Tourism 3
LAW 320  Cyber Law- Legal Issues in Information Technology 3
LAW 322  Marketing Law 3
LAW 325  International Business Law 3
LAW 360  Advanced Business Law 4

Note: LAW 101 is a prerequisite for LAW 312 and LAW 360.

Constitutional Law or History
LAW 303  Constitutional Law 3
HIS 260  Constitutional History of the United States 3

Communications
COM 119  Organizational Communication 3
ENG 306  Writing for the Professions 3
ENG 322  Advanced Writing 3
SPE 203  Persuasive Speaking 3
SPE 207  Argumentation and Debate 3
SPE 208  Business and Professional Speech 3

Logic
PHI 152  Critical Thinking 3
PHI 253  Logic 3

Ethics
PHI 115  Normative Ethics: Contemporary Moral Problems 3
PHI 121  Ethics in the Workplace 3
PHI 260  Business Ethics 3

History/Politics
HIS 113F  The American Experience: The American Constitution and the Presidency 3
POL 111  American Government and Political Institutions 3
HIS 215  American Social and Cultural History 3

Law Minor
The Law minor emphasizes the study of legal cases and systems and is intended for both business and non-business students who wish additional concentrated study in law. Students may begin their studies with Law 101, Business Law I, or with Law 214, Introduction to Law and the American Legal System. The courses offered in this minor help students to develop rigorous critical thinking and advanced communication skills. Admission to law school generally requires a high grade point average, as well as satisfactory performance on the Law School Admission Test (LSAT). While law schools usually do not prescribe any one particular undergraduate course of study for admission, students should obtain information on the specific admission requirements for the schools that they plan to attend. Legal Studies faculty members are available to advise students considering a legal career.

Required Courses (15 Credits)
Select ONE course from the following:
LAW 101  Business Law I 3
LAW 214  Introduction to Law and the American Legal System 3

Select FOUR courses from the following:
CRJ 305  Criminal Law 3
LAW 303  Constitutional Law 3
LAW 310  Employment Law 3
LAW 312  Business Law II 3
LAW 316  Legal Environment of Hospitality and Tourism 3
LAW 320  Cyber Law- Legal Issues in Information Technology 3
LAW 322  Marketing Law 3
LAW 325  International Business Law 3
LAW 360  Advanced Business Law 4
LAW 394  Law Internship 3
LAW 395  Independent Study in Law 3
LAW 396  Special Topics in Law 3
TAX 310  Federal Income Taxation I 3

Note: LAW 101 is a prerequisite for LAW 312 and LAW 360.

Management Minor
The Management minor is designed to give non-management majors exposure to management topics useful for career preparation in a variety of organizational settings. By selecting suitable electives in consultation with an adviser, students can explore topics such as human resources management, hospitality and tourism management, entrepreneurship, or international management.

Required Courses (15 Credits)
MGT 250  Managerial and Organizational Concepts 3
MGT 322  Organizational Behavior 3

And select any THREE 300-level Management elective courses (9 Credits)

Note: Business majors may not apply MGT 355 and MGT 490, which are required as part of the Business Core, to the Management Minor.

Arts and Entertainment Management Minor (NYC)
(For Non-Business Students)
New York City is one of the world’s great epicenters for arts and entertainment, and Pace offers several majors in this field. The Arts and Entertainment minor is intended for
Dyson Theater majors as well as majors in other non-business fields. Students will acquire a practical business skill set and the requisite knowledge that will increase their marketability and enhance their ability to launch a successful career in the Entertainment Industry.

**Required Courses (15 Credits)**

- BUS 150 Contemporary Business Practice 3
- MAR 250 Principles of Marketing 3
- MGT 250 Managerial and Organizational Concepts 3
- MGT 235 Arts and Entertainment Management 3

**Select ONE 300 level Management course (3 Credits)**

- MAR 394 Marketing Internship 3
- MAR 391 Strategic Internet Marketing 3
- MAR 328 Public Relations 3
- MAR 349 Strategic Internet Marketing 3
- MAR 342 Direct Marketing 3
- MAR 353 Special Events Marketing for Arts, Entertainment and Sports 3

**Marketing Minor**

The Marketing minor allows non-marketing majors to explore topics in various marketing fields. Through the selection of appropriate electives, students can explore a variety of topics, including international marketing, advertising, internet marketing, or marketing management.

**Required courses (15 Credits)**

- MAR 250 Principles of Marketing 3

**Select any FOUR Marketing courses (12 Credits)**

**Special Events Marketing Minor**

The minor in Special Events Marketing provides students with specialized knowledge and a broad background in marketing that will prepare them for careers in special events marketing and planning. The minor is open to non-marketing majors in Lubin as well as to Dyson majors and other non-business students.

**Required Courses (15 Credits)**

- MAR 250 Principles of Marketing 3
- MAR 321 Fundamentals of Advertising and Promotion 3
- MAR 342 Public Relations 3
- MAR 363 Special Events Marketing for Arts, Entertainment and Sports 3

**Choose One Marketing Elective Course**

The courses listed below are recommended. Other marketing courses may be taken to satisfy this requirement.

- MAR 322 Marketing Research 3
- MAR 343 Direct Marketing 3
- MAR 349 Strategic Internet Marketing 3
- MAR 394 Marketing Internship 3

**Tax Minor**

The Tax Minor is designed for students interested in the challenging and rewarding field of taxation. While it is open to all students, it is very well suited for accounting majors in the 150-credit BBA Public Accounting major, which is a CPA qualifying program. The Tax Minor provides CPA majors with an area of study related to their accounting major and prepares them for careers in tax accounting, an area where many CPAs specialize.

**Required Courses (15 Credits)**

- TAX 310 Federal Income Taxation I 3
- TAX 313 Federal Corporate Taxation 3
- TAX 314 Federal Taxation of Flow-Through Entities 3
- TAX 315 Federal Tax Practice, Procedure and Research 3

**Select ONE course from the following:**

- TAX 327 State and Local Taxation 3
- TAX 328 International Taxation 3
- TAX 394 Taxation Internship 3

**Required Course Sequence for Tax Minor:** Students are advised to take courses for the Tax Minor in the following sequence. TAX 310 is the first course to be taken and is a required course for all accounting majors. Students who choose the Tax Minor will not enroll in TAX 311 Federal Taxation II, and will take instead TAX 313 and TAX 314, which cover many of the same topics as TAX 311, but in more depth. TAX 315 (required) will follow. TAX 327, TAX 328 or TAX 394 may be taken as an elective at any time after the completion of TAX 310, TAX 313 and TAX 314.
Certificate Programs in Business

The Lubin School of Business offers a number of certificate programs for students whose educational objectives can best be met by short-term concentrated study in business.

Admission Requirements: The certificate programs are open to non-degree adult students only. Admission to the certificate programs in business, with the exception of the certificate program in general business, requires junior standing (the completion of 64 college credits) or the equivalent. Completion of ENG 110-120 or the equivalent is a prerequisite for all certificate programs in business. Some certificate programs require students to also meet specific course prerequisite requirements. In special cases, prerequisites may be waived for students who have equivalent knowledge or preparation.

Transfer Credits: Students may transfer only one course (excluding ENG 110-120) completed with a grade of “C” or better to a certificate program. The acceptance of transfer credit for a specific certificate program is determined by the appropriate Lubin department.

Requirements: Students are required to complete all course requirements for the certificate chosen and achieve a minimum cumulative GPA of 2.00 in order to receive a certificate. Application for the certificate should be made to the Office of Student Assistance (OSA) prior to completion of the program. In general, courses completed for a business certificate program may be applied to a BBA degree program in a related area.

Academic Advisement: Students who have questions about the certificate programs or need assistance in determining whether they qualify for admission should contact the Lubin Office of Undergraduate Academic Advisement located on the New York City and Pleasantville campuses.

Certificate Programs are offered available in the following business areas:

Faculty

Accounting Full-Time Faculty

Arnold L. Berman, Professor; LLM, New York University School of Law; CPA
Roberta J. Cable, Professor; PhD, Columbia University; CMA
Kam C. Chan, Professor; Ernst and Young Scholar, PhD, University of South Carolina
Kwang-Hyun Chung, Professor; PhD, Baruch College, City University of New York
Joseph C. DiBenedetto, Professor; JD, Brooklyn Law School; CPA, CMA
Bairj Donabedian, Associate Professor; PhD, Columbia University
Samir M. El-Gazzar, KPMG Professor of Accounting; PhD, Baruch College, City University of New York
Barbara R. Farrell, Professor; EdD, Columbia University; CPA
Philip M. Finn, Associate Professor; PhD, Baruch College, City University of New York; CPA
Patricia Healy, Associate Professor, Undergraduate Program Chair; MBA, Rutgers University; CPA, CMA
Rudolph A. Jacob, Professor, Department Chair; PhD, New York University
John Y. Lee, Schaebeler Professor of Accounting; PhD, Louisiana State University
Picheng Lee, Professor; PhD, Rutgers University
Chunyan Li, Assistant Professor; PhD, Rutgers University
Steven Mezzio, Clinical Assistant Professor of Accounting; MS, University of Miami; CPA, CIA
Bernard H. Newman, Professor; PhD, New York University; CPA
Susanne O'Callaghan, Professor, Anthony Pustorino Scholar; PhD, University of Cincinnati; CPA, CIA
John Paul, Esq., Clinical Assistant Professor; DPS, Pace University; CPA
Raymond Reisig, Assistant Professor; MBA, Pace University; CPA, CFE
Kaustav Sen, Associate Professor; PhD, Rutgers University
Charles Y. Tang, Associate Professor; Interim Graduate Program Chair; PhD, Baruch College, City University of New York
Michael Ulinski, Assistant Professor; PhD, New York University; CPA
Ping Wang, Assistant Professor; PhD, Baruch College, City University of New York
Robert P. Zwicker, Assistant Professor; Ed.D., University of Bridgeport; CPA

Finance and Economics Full-Time Faculty
Niso Abuaf, Clinical Professor; PhD, University of Chicago
Lewis J. Altfert, Associate Professor; PhD, Baruch College, City University of New York; CFA
Arthur L. Centonze, Associate Professor, Dean Emeritus; PhD, New York University
Burcin Col, Assistant Professor of Finance; PhD, McGill University
Ronald Filante, Associate Professor; PhD, Purdue University
Natalia Gershun, Associate Professor; PhD, Columbia University
Elena Goldman, Associate Professor, Undergraduate Program Chair; PhD, Rutgers University
Aron Gottesman, Professor, Department Chair; PhD, York University
Juliana Ismailescu, Assistant Professor; PhD, University of Massachusetts
Padma Kadiyala, Professor; PhD, Ohio State University
Surendra K. Kaushik, Professor; PhD, Boston University
Maurice Larraín, Associate Professor; PhD, Columbia University
Raymond H. Lopez, Professor; PhD, New York University
Edmund Mantell, Professor; PhD, Wharton School, University of Pennsylvania

Matthew R. Morey, Professor, New York Stock Exchange Scholar; PhD, University of California at Irvine
Jouahn Nam, Associate Professor; PhD, Georgia State University
Richard E. Ottow, Assistant Professor; PhD, Baruch College
Joseph T. Salerno, Professor; PhD, Rutgers University
Michael Szlenberg, Distinguished Professor; PhD, City University of New York
P. V. Viswanath, Professor; Director, Global Portfolio Analysis Center, Graduate Program Chair; PhD, University of Chicago
Thomas J. Webster, Professor; PhD, City University of New York
Berry K. Wilson, Associate Professor; PhD, New York University
Kevin J. Wynne, Associate Professor; Academic Director, Masters in Finance for Professionals; PhD, Fordham University

Legal Studies and Taxation - Full Time Faculty
Walter G. Antognini, Associate Professor, Graduate Program Chair; JD, LLM, New York University; CPA
Todd W. Barnet, Associate Professor; JD, Brooklyn Law School
Vincent R. Barrella, Associate Professor; JD, Fordham University; LLM, New York University; CPA
Philip Cohen, Assistant Professor; LLM, New York University Law School
Peter M. Edelstein, Professor; JD, Boston University; LLM, New York University
Rosario J. Girasa, Professor; Undergraduate Program Chair; JD, New York University; MLA, Johns Hopkins University; PhD, Fordham University
Richard J. Kraus, Professor; Department Chair; JD, PhD, Fordham University
Robert S. Wiener, Associate Professor; JD, New York University
Martin H. Zern, Professor; JD, Brooklyn Law School; LLM, New York University; CPA

Management and Management Science Full-Time Faculty
Uzoamaka P. Anakwe, Associate Professor; PhD, Drexel University
Bruce Bachenheimer, Clinical Professor; Director, Entrepreneurship Lab; M.B.A., Australian Graduate School of Management
Daniel M. Baugher, Professor; Associate Dean and Director of Graduate Programs; PhD, Rutgers University
Narendra C. Bhandari, Professor; PhD, University of Georgia
Vasanthakumar N. Bhat, Associate Professor; PhD, Yale University
Lawrence G. Bridwell, Professor; PhD, Baruch College, CUNY
John C. Byrne, Professor, Graduate Program Chair; PhD, Stevens Institute of Technology
E. Susanna Cahn, Associate Professor; PhD, Columbia University
Melissa S. Cardon, Professor; Director, Business Honors Program, Pleasantville Campus; PhD, Columbia University
Imran Chowdhury, Assistant Professor; PhD, ESSEC Business School
Andrew O. Coggins, Clinical Professor; PhD, Virginia Polytechnic Institute & State University
John C. Carter, Professor; PhD, Columbia University
John P. Dory, Associate Professor, Director, Doctoral Program; DBA, Harvard University
Alan B. Eisner, Professor, Department Chair; PhD, New York University
Casey Frid, Assistant Professor; Ph.D., Clemson University
Barry A. Gold, Associate Professor; PhD, Columbia University
Claudia G. Green, Associate Professor; Director, Hospitality and Tourism Management Program; PhD, Virginia Tech
M. Peter Hoefer, Professor; PhD, City University of New York Graduate Center
Alvin Hwang, Professor; International Business and International Management Program Chair; PhD University of California, Los Angeles
Eric H. Kessler, Professor; Henry George Scholar; PhD, Rutgers University
Chu-Hua Kuei, Professor; PhD, Baruch College, City University of New York
Theresa K. Lant, Associate Professor; Faculty Director, Arts and Entertainment Management Program; PhD, Stanford University
Peter A. Lyew, Assistant Professor; DBA, Louisiana Tech University
Christian N. Madu, Professor; Research Scholar; PhD, Baruch College, City University of New York
Patrick McGuiigan, Clinical Professor; DPS, Pace University
Ira J. Morrow, Associate Professor; PhD, New York University
Joseph M. Pastore, Jr., Professor Emeritus; PhD, St. Louis University
Noushi Rahman, Professor; Director, Business Honors Program, New York City Campus; PhD, Baruch College, City University of New York
Chris Ramos, Visiting Clinical Assistant Professor; MPA, Pace University
Katherine M. Richardson, Assistant Professor; PhD, Baruch College, City University of New York
James W. Russell, Associate Professor; Undergraduate Program Chair, Director, AACSB Accreditation and National Rankings; PhD, New York University
Fred N. Silverman, Professor; PhD, Columbia University
Ibraiz Tarique, Associate Professor; Director, Strategic Global Human Resource Management - MS Program; PhD, Rutgers University
Ellen Weisbord, Associate Professor; Academic Director, Executive MBA Program; PhD, City University of New York
Janice K. Winch, Associate Professor; PhD, Rutgers University
Jack Yurkiewicz, Professor; Director, Advanced Graduate Certificate Program; PhD, Yale University

Marketing - Full Time Faculty
Karen A. Berger, Professor; Associate Dean and Director of Undergraduate Programs; PhD, New York University
Larry Chiagouris, Professor; PhD, Bernard M. Baruch College, City of New York
Canan Corus, Assistant Professor; PhD, Virginia Tech
David Gertner, Associate Professor; PhD Northwestern University
Pradeep Gopalakrishna, Professor; Undergraduate Program Chair; PhD, University of North Texas
James S. Gould, Professor; PhD, Cornell University
Paul Kurnit, Clinical Professor; MA, Queens College, City University of New York
Vishal Lala, Associate Professor; PhD, Oklahoma State University
Mary M. Long, Professor; Department Program Chair; PhD, Baruch College, City University of New York
Carl I. Malinowski, Associate Professor; PhD, City University of New York
Harvey B. Markovitz, Clinical Associate Professor; MS, New York University
Conrad Nankin, Clinical Assistant Professor of Marketing; MBA, Baruch College, City University of New York
Randi L. Priluck, Professor; Director of Assessment; PhD, Drexel University
Ipshita Ray, Associate Professor; Graduate Program Chair; PhD, University of Connecticut, Storrs
Dennis M. Sandler, Associate Professor; PhD, New York University
Martin T. Topol, Professor; PhD, City University of New York
Robert G. Vambery, Professor; PhD, Columbia University
Kathryn F. Winsted, Associate Professor; PhD, University of Colorado, Boulder

**Lubin Advisory Board**

Neil S. Braun, Dean, Lubin School of Business
Gene Celentano, BBA ’63, MBA ’71, President-International Marketing (retired), Texaco Inc.
Fred Donner, BBA ’84, CFO and Senior Vice President, Travelers Companies, Inc.
Michael A. Fazio, BBA/MBA ’83, Managing Director, Houlihan Lokey
John A. Gerson, BBA ’69, Chief Financial Officer, Paladin Realty Partners, LLC
Kevin P. Hallinan, BBA ’83, Partner, PricewaterhouseCoopers LLP
Lynda Jean Hullstrung, BBA ’89, Partner, Deloitte & Touche, LLP
Louis F. Laucirica, BBA ’66, MBA ’71, President & Chief Executive Officer (retired), Norton Co.
Ronald G. McGann, MBA ’96, Managing Director, JP Morgan Chase & Co.
John P. McTigue, BBA ’70, Tax Partner (retired), Ernst & Young LLP
Maria Fiorini Ramirez, BBA ’72, President and Chief Executive Officer, Maria Fiorini Ramirez, Inc.
Paula L. Summa, BBA ’78, MBA ’84, General Manager, ibm.com, IBM Corporation
Marie. J. Toulantis, BBA ’81, Former Chief Executive Officer, BarnesandNoble.com
Peter E. Tryhane, BBA/MBA ’80, Partner, Ernst & Young LLP
Seidenberg School of Computer Science and Information Systems

Administration

Office of the Dean
Amar Gupta, BS, MS, PhD
Dean
Jonathan Hill, BA, MBA, DPS
Associate Dean and Director of Special Programs and Projects
Bernice J. Houle, BS, MSED, PhD
Associate Dean
Andreea Cotoranu, BS, MS
Director of Assessment

Academic Departments

Daniel J. Farkas, BA, MS, PhD
Chair, Information Technology (Westchester)

John C. Molluzzo, BA, MS, PhD
Chair, Information Technology (New York City)

Narayan Murthy, BSc, MSc, MS, PhD
Chair, Computer Science (Westchester)

Constantine Coutras, Diploma EF, MS, PhD
Chair, Computer Science (New York City)

The Seidenberg School of Computer Science and Information Systems participates in the mission of Pace University with a commitment to excellent teaching, scholarly activity, and service to the community.

Accreditation and Affiliation

The faculty within the school are active members of the Association for Computing Machinery (ACM) and the Institute of Electrical and Electronics Engineers, Inc. (IEEE). The school sponsors a chapter of the Upsilon Pi Epsilon (UPE) Honor Society for the Computing and Information Disciplines.

The bachelor of science program in computer science and the bachelor of science program in information systems are accredited by the Computing Accreditation Commission (CAC) of ABET, Inc., www.abet.org

Pace University is a designated National Center of Academic Excellence (CAE) in Information Assurance Education (IAE) by the National Security Agency (NSA) and the Department of Homeland Security (DHS). The CAEIAE program is intended to reduce vulnerabilities in the national information infrastructure by promoting higher education in information assurance and producing a growing number of professionals with information assurance expertise in various disciplines. Students attending CAEIAE schools are eligible for scholarships and grants through the Department of Defense Information Assurance Scholarship Program (IASP) and the Federal Cyber Service Scholarship for Service Program (SFS).

Mission: Seidenberg School of Computer Science and Information Systems

The Seidenberg School of Computer Science and Information Systems aspires to innovative leadership in preparing men and women for meaningful work, lifelong learning and responsible participation in a new and dynamic information age. The school does this through a broad spectrum of educational programs on campuses in New York City and Westchester County, and at other locations with corporate partners from the local and global community.

The school has a unique role: it provides professional education in the computing disciplines, supporting education for programs in the other schools, general education for all students, and continuing education. Because change characterizes information technology, programs build upon a strong foundation in the arts and sciences, and emphasize competency in the theory and methodology of the computing disciplines. At the same time, programs are responsive to the rapid pace of technological development.

The school was founded in 1983 in creative response to the educational challenge and opportunity inherent in emerging disciplines, and is characterized by its core values:
• Excellent teaching that is informed by scholarship, professional practice and community service,
• The integration of theory and practice in teaching and scholarly activity,
• Currency in new technology and its application,
• Creative programs and partnerships with the local and global community,
• Attentiveness to professional and social responsibility.

The school values diversity and welcomes qualified students of various experiences and origins, whether regional, national, or international. It provides excellent service to students both within and outside the classroom. It uses the power of technology to offer broad opportunity to students and to enable them to achieve excellence. Throughout its programs and services, the Seidenberg School of Computer Science and Information Systems consistently recognizes that information technologies are tools for the empowerment of people.
Objectives of Seidenberg Programs

Consistent with the Pace tradition, the Seidenberg School seeks to integrate theory and practice in its programs and research. The design, development, analysis, application, and management of computers, and communication and information systems comprise the broad spectrum over which the Seidenberg School creates, interprets, criticizes, and applies knowledge with strict attention to academic standards. Change characterizes information technology; of particular importance, therefore, is the development of competency in the foundation and methodologies of the discipline, in order to enable ongoing learning and effective response to change.

The Seidenberg School is dedicated to the service of men and women of all ages of every race and culture through educational programs that develop skills, enhance individual and community effectiveness, extend knowledge, and enhance critical understanding of the culture. The educational process is undertaken with concern for the development of personal, professional, and social responsibility.

The Seidenberg School offers undergraduate programs in computer science (BS and BA), information systems (BS), information technology (BS), professional computer studies (BS), professional technology studies (BS), and applied information technology (AS). Graduates of all programs are prepared for a variety of professional positions, including those in programming, software development, systems analysis and design, and a number of specialized positions that would depend upon the student’s concentration and elective choices. In addition to these majors, the Seidenberg School offers minors and certificates in computer science, information technology, Web media, information assurance for the criminal justice system, and computer forensics.

The BS program in computer science is a professional program that is accredited by the Computing Accreditation Commission (CAC) of ABET, Inc. The curriculum is based upon theoretical foundations. It includes advanced work in various areas including software engineering, security, operating systems, compilers, artificial intelligence, and graphics. Program requirements include the liberal arts core and other academic requirements that specifically apply to the Bachelor of Science degree.

The BS program provides excellent preparation for graduate study in computer science or for professional placement. The BA program in computer science shares the computer science core with the BS program and is structured in a way that allows more program diversity for the student who wishes to pursue a minor in information technology, Web media, information assurance for the criminal justice system, business or one of the arts and sciences.

The BS program in information Systems is also accredited by the Computing Accreditation Commission (CAC) of ABET, Inc. The program is designed to provide the student with current technical skills and knowledge of those information systems concepts that remain constant in the face of technological change, as well as detailed awareness of a cohesive body of knowledge to prepare students to function effectively as an IS professional in the IS environment. The continual appearance of new and increasingly powerful software tools for applications development, as well as the availability of low-cost hardware (personal computers), has created new organizational approaches to building computer information systems.

The Seidenberg School of Computer Science and Information Systems has responded to the growing market for competent information technology (IT) professionals by developing the BS in Information Technology. First offered in fall 2010, this rapidly growing program is characterized by flexibility, hands-on practical projects, and a real-world internship option. The program allows students to combine an area of personal interest with a solid foundation in IT preparation for careers that are satisfying, financially rewarding and in demand.

The BS in Professional Computer Studies has been developed for those computer professionals with considerable on-the-job experience who would benefit from having a baccalaureate degree in computing and would most likely be interested in pursuing a master’s degree in a computer-related field once the undergraduate requirements are completed. This degree program supplements the regular baccalaureate offerings in computer science, information systems, and information technology.

The BS in Professional Technology Studies is an online accelerated degree program designed to prepare students for successful professional careers in a global economy in the midst of rapid technological change. There are two concentrations from which to choose: Telecommunications and Computer Forensics. The Telecommunications concentration is primarily for individuals already working within the telecommunications industry. Computer Forensics is for those interested in preparing to enter this in-demand field. The BS in professional technology studies is an innovative, online accelerated degree program for adults who have experience in the workplace and an AS or AA degree or the equivalent (64 credits).

All of the Seidenberg programs are supported by a broad range of state-of-the-art computer facilities. They are complemented by fully equipped PC and Mac laboratories. Academic Computing laboratories are located at several sites throughout the University. Peer consultants offer individual assistance to students using lab equipment and software.
Degree Programs

Applied Information Technology: Personal Computer Applications

Associate in Science

Electives (1-2)

Total Credit Hours: 64

Business Administration in Information Systems

(See Lubin School of Business Section)

Combined Degree Programs

Combined degree programs enable the strong undergraduate student to complete both a bachelor’s and a master’s degree in less time than it would take to complete each one individually. Students pursuing combined degrees build on the solid foundation obtained in the first two years of study and advance to graduate-level coursework in their junior and senior years. Up to 12 credits may be earned in this manner.

BA in Computer Science / MS in Computer Science

### Areas of Knowledge (AOK) (24)
See list on Web & schedule which satisfy AOK Core Areas.

#### Western Heritage - WH (AOK 2)
Two Courses

#### World Traditions & Cultures - WTC (AOK 3)
Two Courses

#### Humanistic & Creative Expressions - HCE (AOK 4)
Two Courses

#### Analysis of Human, Social, and Natural Phenomena - HSN (AOK 5)
Two Courses

#### Major Courses (46)

##### Knowledge Area (9)
- **CS 121** Computer Programming I 4
- **CS 122** Computer Programming II 4
- **CS 232** Computer Organization 4
- **CS 241** Data Structures and Algorithms 4
- **CS 242** Data Structures and Algorithms II 4
- **CS 271** Fundamentals of UNIX and C Programming 2
- **CS 361** Programming Languages and Implementation 4
- **CS 371** Operating Systems and Architecture I 4
- **CS 389** Software Engineering 4
- **CS 488** Computer Networks and the Internet 4

##### Mathematics (16)
(Three credits satisfy the University Core requirement in Mathematics)
- **CS 113** Mathematical Structures for Computer Science 4
- **MAT 131** Calculus I 4
- **MAT 132** Calculus II 4
- **MAT 234** Introduction to Probability and Statistical Analysis 4

##### Science and Technology (15)
(Three credits satisfy the Core requirement in Laboratory Science)
- **CS 312** Research Methods in Computers and Society 3
- **CHE/PHY/BIO** Lab Science 4

##### Minor/Concentration Courses (15-19)

##### Open Electives (11-15)

### Graduate Requirements

#### Core Requirements (18)

#### Additional Requirements

**SE 616** Introduction to Software Engineering 4
**SE 673** Software Design Methodologies 4
**SE 675** Requirements Engineering 3
**SE 677** Software Reliability & Quality Assurance 3
**SE 679** Contemporary Software Engineering Theory and Practice 4

**Software Engineering Electives (12)**
- **SE 700** Independent Study 1 - 4
- **SE 735** Data & Document Representation and Processing 3
- **SE 761** Human Factors & Usability Metrics 3
- **SE 765** Distributed Software Development 3
- **SE 796** Software Research Seminar 3
- **SE 741** Formal Software Development 3
- **SE 745** Concurrent Software Development 3
- **SE 751** Software Validation 3
- **SE 760** Intro to Human-Computer Interaction 3
- **SE 770** Software Risk Management 3
- **SE 780** Software Develop Process Improvement 3
- **SE 790** Topics in Software Development 3

**Other Electives**
- **IS 637** Information Systems Project and Change Management 3
- **IS 639** Information Systems Planning and Policy 3
- **CS 639** Mobile Application Development 3
- **CS 653** Cryptography and Computer Security 3
- **IT 660** Network Security 3
- **IT 662** Web and Internet Security 3

**Capstone (6)**
- **SE 785** Software Development Studio I 3
  OR
- **SE 701** Software Development Thesis I 3
  or
- **SE xx** Advanced Elective 3

### Computer Science Major B.A.

**Bachelor of Arts**

### University Core (45-55)
(See University Core Curriculum section (p. 36))

#### Foundation Requirements
- **ENG 110** Composition 3
- **ENG 120** Critical Writing 4
- **ENG 201** Writing in the Disciplines 3
- **COM 200** Public Speaking 3
- **CHE/PHY/BIO** Lab Science 4
- **MAT 131** Calculus I 4
- **CS 121** Computer Programming I 4
  two 3-credit courses from the list below
  - **CHI (3 Credit)** Language Course 3
  - **FRE (3 Credit)** Language Course 3
ITA (3 credits) Language Course 3
JPN (3 credits) Language Course 3
POR (3 credits) Language Course 3
RUS (3 credits) Language Course 3
SPAN (3 credits) Language Course 3

Areas Of Knowledge AOK (Minimum of 24 credits)
See list on Web & schedule that satisfy AOK Core Areas.

Western Heritage- WH (AOK 2)
Two Courses

World Traditions & Cultures- WTC (AOK3)
Two Courses

Humanistic & Creative Expressions - HCE (AOK 4)

Computing Core
26 Credits
CS 121 Computer Programming I 4
CS 113 Mathematical Structures for Computer Science 4
CS 122 Computer Programming II 4
CS 232 Computer Organization 4
CS 241 Data Structures and Algorithms 4
CS 242 Data Structures and Algorithms II 4
CS 271 Fundamentals of UNIX and C Programming 2

Advanced Required Courses
4 Credits
CS 488 Computer Networks and the Internet 4

Advanced Electives
8 Credits
Advanced Electives in CS 8

Mathematics
12 Credits
(Three credits satisfy the University Core)
MAT 131 Calculus I 4
MAT 132 Calculus II 4
MAT 234 Introduction to Probability and Statistical Analysis 4

Free Electives
19-22 Credits
UNV 101 First-Year Seminar: Introduction to University Community 1

Total Credit Hours: 128

Computer Science Major B.S.
Bachelor of Science

Due to similar required coursework in the major component of the BA/CS, these minors may vary for CS majors from those described elsewhere in this catalog for other students.

IT Minor for CS Students
CIT 342 Systems Analysis and Design 4
CIT 344 Project Management 4
CIT 346 Database Programming 4
CIT 312 Introduction to Programming I 4
CIT 314 Introduction to Programming II 4

Computer Information Technology Minor
Select four of the following
CIT 211 Introduction to Computer Systems 4
CIT 221 Global Networking Technology 4
CIT 231 Web Authoring and Digital Media 4
CIT 251 Computer Security Overview 4
CIT 241 Database Management 4

Information Assurance for the Criminal Justice System Minor
CRJ 150 Introduction to Criminal Justice 3
CRJ 247 Introduction to Private Security 3
CRJ 346 Terrorism and Society 3
CIT 251 Computer Security Overview 4
CIT 352 Network and Internet Security 3
CIT 354 Computer Forensics 3

Web Media Minor
CIT 221 Global Networking Technology 4
CIT 231 Web Authoring and Digital Media 4
CIT 251 Computer Security Overview 4
CIT 336 Web Scripting 4

MINOR/CONCENTRATION COURSES: Students in the BA/CS program will enhance their major with a minor/concentration offered by Pace University. For the purpose of illustration, we detail minors in Information Technology, Computer Information Technology, Information Assurance for the Criminal Justice System, and Web Media. Other minors may be elected from one of the many disciplines of the arts and sciences. The minor (for example, mathematics) can be satisfied in part by the required supporting courses; there should be at least one additional course. With permission of the chair, students may substitute a departmentally approved concentration instead of the minor. Once the minor/concentration requirement is fulfilled, the completion of 128 credits can be satisfied through elective courses.

UNV 101 Freshmen Seminar is required for all new freshmen.

### Total Credit Hours: 128

### Information Systems Major BBA

(See Lubin School Of Business Section (p. 197))

### Professional Computer Studies Major BS

#### Bachelor of Science

The BS in Professional Computer Studies is offered by the Seidenberg School of Computer Science and Information Systems with supporting services provided by Pace University’s Division of Adult Enrollment Services. This division has traditionally been responsible for lending support to the adult undergraduate student and for evaluating life experience for academic credit.

Students enrolling in the program will be permitted to convert their practical experience into Life Experience Learning (LEL) credits. LEL credits can be applied to both the computer studies concentration and elective components of the curriculum. The application of LEL credits will be determined by the faculty of the Seidenberg School of Computer Science and Information Systems with the assistance of the Division of Adult Enrollment Services.

### University Core (60 Credits)

Analysis of Human, Social, and Natural Phenomena - HSN (AOK 5)
Two Courses

Computing Concentration
24 Credits
(At Least 12 credits have to be taken at Pace)

Free Electives
44 Credits
UNV 101 First-Year Seminar: Introduction to University Community 1

UNV 101 Freshmen Seminar is required for all new Freshmen.

Total Credit Hours: 128

Professional Technology Studies
Bachelor of Science
The BS in professional technology studies is an accelerated degree program designed to prepare students for successful professional careers in a global economy in the midst of rapid technological change. It incorporates a concentrations in either Web and Digital Media or Computer Forensics with courses in the liberal arts and sciences. The program is for adults who have experience in the workplace and an AS or AA degree or the equivalent (64 credits).

The BS in professional technology studies is offered through the Seidenberg School of Computer Science and Information Systems and supported by Pace University's Division of Adult Enrollment Services. This division has traditionally been responsible for lending support to the adult undergraduate student, evaluating prior college-level credit, and evaluating life experience for academic credit.

Web and Digital Media Concentration (120)
Transfer Credits (56-64)
Required Major Courses:
9 courses
IT Foundation (35)

5 courses
CIT 211 Introduction to Computer Systems 4
CIT 221 Global Networking Technology 4
CIT 231 Web Authoring and Digital Media 4
CIT 241 Database Management 4
CIT 251 Computer Security Overview 4

Career Focus: Web and Digital Media
4 courses
CIT 332 Multimedia and User Interface Design 4
CIT 334 Technical Writing 4
CIT 336 Web Scripting 4
MAR 349 Strategic Internet Marketing 3

Liberal Arts and Science Electives (21-29)
Subtotal: 120

Computer Forensics Concentration (120)
Program takes 2 1/2 years to complete and is comprised of seven 12-week terms.

This program is offered through the iPace Online Degree Completion program. This degree from Pace's Seidenberg School of Computer Sciences and Information Systems offers a concentration in Computer Forensics.

Transfer Credits (56-64)

Computer Forensic Courses – (56)
AIT 103 Online Seminar 1
CIS 101 Introduction to Computing 3
MAT 125 Technical Math 1 4
CIT 211 Introduction to Computer Systems 4
CIT 221 Global Networking Technology 4
CIT 231 Web Authoring and Digital Media 4
CIT 241 Database Management 4
CIT 251 Computer Security Overview 4
CIT 361 Forensic Investigation, Acquisition, and Analysis of Digital Evidence 4
CIT 363 Computer Forensics, Cyberlaw and Evidence Admissibility 4
CIT 365 Mobile Device Forensics 4
CRJ 346 Terrorism and Society 3
CRJ 242 Crime and Public Policy 3
Elective Credit 1

Arts and Science Electives (8)
Recommended Liberal Arts Electives (choose 8 credits from the courses listed below)
LIT 343A Contemporary American Literature 4
HIS 113W The American Experience: Wealth and American Culture 3 - 4
PSY 260 Critical Thinking and Problem Solving 4
SCI 230 Environmental Science 4

Subtotal: 120
School of Education

Teaching Adolescents Social Studies National Council for Social Studies
Teaching Children (Childhood Education) Association for Childhood Education International

Education Department. The Pace University School of Education is accredited by the National Council for Accreditation of Teacher Education (NCATE). Pace University is also Middle States Accredited.

Vision Statement: School of Education

The vision of the Pace University School of Education is to accomplish significant educational reform by preparing professional educators to serve as agents for positive change. To accomplish this vision, we seek to be the regional school of choice for professional educators, while expanding the school's state, national, and international reputation as a school of excellence.

Mission and Conceptual Framework: School of Education

The mission of the School of Education is to affect quality teaching and learning in public and private early childhood, childhood, secondary, and non-school settings by preparing educators who are reflective professionals who promote social justice, create caring classroom and school communities, and enable all students to be successful learners.

The School of Education believes that a fundamental aim in education is to nurture the development and growth of human potential within a democratic community. Therefore, we prepare graduates of our programs to be:
• reflective professionals who
• promote social justice,
• create caring classroom and school communities and
• enable all students to be successful learners.

These themes form the conceptual framework for the outcomes of the School of Education Programs and guide every aspect of preparing educators for K-12 settings through planning, assessment and evaluation at both candidate and program levels.

As reflective professionals our candidates learn to appreciate the continuity between theory and practice, and seek an understanding of themselves in relation to others as part of an evolving historical process. Our candidates are expected to take multiple perspectives, and to become self-conscious about their own learning. At Pace, we understand that reflective practice is the lens through which teacher educators and candidates see our professional lives. The reflective process is promoted through class discussions, course readings and assignments, case studies, field experiences, self-assessment, and student teaching.

To become professionals who promote justice, our candidates learn to address justice and equity in the following areas: protection under the law, distribution and use of material and other resources and access to opportunities within and among nations. As we understand it, justice also implies a balance between the rights of individuals and the needs of society. Through challenging coursework and varied field experiences our candidates are
provided with multiple opportunities to recognize injustice and to learn how they can promote justice both within and without their classrooms.

Caring classrooms and school communities are seen as places where an "ethic of care" is developed and as places for instructional excellence. At Pace, we draw on our own experience of working in a caring community among faculty, staff, and candidates to model and nurture our candidates by coming to know, respect, and learn from one another. We see our classrooms as places where mutual respect and learning provides candidates with a framework for future practice.

Our fourth theme is both the culminating framework element for all our programs and the ultimate goal of our School of Education. Enabling all students to be successful learners conveys our awareness of the diversity within American schools and our respect for each student’s prior experience and personal background. When we say successful learners we refer to students who develop active habits of questioning and inquiry; who are self-initiating problem posers and problem solvers; who seek to construct deep understandings about complex situations, based on prior knowledge; and who obtain the knowledge, skills, and dispositions to succeed in an ever-changing world. We expect our graduates to facilitate their students’ application of multiple alternative strategies for coping with novel situations and enhance their ability to make connections across different experiences, events, information and time periods, and to reflect on their own learning processes.

The School of Education is charged with the responsibility of preparing educators who will embrace and promote teaching and learning as lifelong priorities. Through the work of our faculty and graduates, equipped with sound and rigorous knowledge, skills, dispositions, and a rich practice base, we can prepare professional educators who exemplify these themes.

School-Based Experiences and Centers for Professional Development

The Pace School of Education uses a unique design for providing school-based experiences for candidates through school partnerships called Centers for Professional Development. Candidates begin to spend time in the public schools of New York City or Westchester County with their first education course, TCH 201. At the point of admission to the School, candidates become part of a cohort group (typically 8-12 students per cohort) assigned to a Center for Professional Development (CPD) where they will have all of their school-based "field experiences," including student teaching, with the same two teachers. Each Center is in a public school serving a diverse population, responsive to our conceptual framework and in keeping with our vision of what it means to become a teacher prepared at Pace University. In the Childhood program, candidates are assigned to two mentor teachers, one who teaches students in grades 1-3 and one who teaches students in grades 4-6. In the Adolescent program, candidates are assigned to one mentor teacher who teaches students in grades 7-9 and one who teaches students in grades 10-12. Candidates return to the same school and the same two teachers for at least four semesters, until they graduate, gradually increasing both the time they spend in the CPD and the responsibilities they undertake.

A Pace clinical faculty member is assigned to each CPD cohort and remains on-site in the school with the candidates until they complete the program, acting as a liaison between the candidates and their mentor teachers, between the cohort and their Pace education course professors, and between the CPD and the School of Education. Coursework links directly to these field experiences through readings, assignments, and class discussions; and teaching faculty and clinical faculty work together to help candidates apply the theories of learning and teaching to school practice. Teaching faculty assign experiences for candidates to complete in the CPD and design rubrics and checklists that the clinical faculty use to assess the candidates’ knowledge, skills, and dispositions. Teaching faculty visit the CPD sites and meet with the mentor teachers at least once during each semester.

In addition to structured field experiences linked to courses and student teaching, there are many other opportunities for students to spend extensive time in school settings doing meaningful work. Many of these opportunities also provide candidates with financial support for their study.

Center for Urban Education

The Center for Urban Education has programs to assist under-served people of all ages. Since 1986, CUE has been dedicated to improving the lives of low-income, first generation, college-bound students and new immigrant youth by offering educational opportunities.

CUE’s programs include:

- Teacher Opportunity Corps – A personalized mentoring program that supports the retention and professional development of future teachers studying at Pace University. The tutoring services TOC provides specialize in academic and grant writing, scholarship application, instructional technology, professional development, service learning and addresses a variety of professional/career concerns.
- Teacher Leader Quality Partnership – Offers professional development for teachers in New York City Public Schools. TLQP provides workshops on strategies and best practices for improved literacy, math and social studies instruction.

The Center for Literacy Enrichment

The Center for Literacy Enrichment is a division of the School of Education at Pace University, and a full-service educational enhancement provider specializing in reading, writing, and literacy. The Center provides:

- Developmental reading for pre-K, elementary, and middle school students
- Language skills for middle school ESL students
Students at the Center for Literacy Enrichment are evaluated and programs are designed to meet their individual needs. The program emphasizes a skills-based approach with an emphasis on literature, and reinforces literacy skills for parents and children at home. Elementary and middle school students, both U.S. and foreign-born, receive instruction in small groups or in private sessions to improve reading skills. Sister St. John Delany, Ph.D., is the Director of The Center for Literacy Enrichment.

Center for Teaching and Research in Autism (TARA)

The Center for Teaching and Research in Autism (TARA) opened in January 2006 on Pace University’s New York City campus. The mission of TARA is to conduct research in autism and to support professional development activities that will lead to an improvement in the quality of education and related services for individuals with Autism Spectrum Disorders. The TARA Center also administers the OASIS Program at Pace University, a comprehensive academic and social instructional support program for students with autism, autism spectrum disorders, Asperger Syndrome, learning disabilities, nonverbal learning differences and related challenges. Mary Riggs Cohen, Ph.D., serves as the Director of the TARA Center and the OASIS Program.

School of Education Facilities

The School of Education occupies two buildings on the Pleasantville campus (Buchsbaum House and Wright Cottage), as well as the 11th floor and part of the 16th floor at 163 William Street on the New York City campus. In addition to these facilities, our Center for Literacy occupies Education House on the White Plains North Broadway law school campus.

On the Pleasantville campus, Buchsbaum House contains faculty and department offices, a video conferencing room, computer stations and resource materials for lesson plan preparation, and a classroom, while Wright Cottage houses the offices of the Dean of the School of Education, the Associate Dean, the Dean’s staff.

The New York City faculty and staff are located on the 11th floor of 163 William Street.

Academic Policy

Entry into the School of Education

Upon acceptance to Pace University, students who indicate their interest in teacher preparation become designated as Pre-Teach students. In their first semester, students take a special section of UNV 101: Introduction to the Pace Community, taught by a staff member from the School of Education. In the Pre-Teach phase of the programs, students also complete three Professional Seminars and one or two Education courses.

Before students advance into the Teach phase of the program and take any additional courses from the School of Education, they must apply and be formally admitted to the School. Students apply to the School of Education during the semester in which they have completed their 45 credits, including TCH 201 and TCH 211A. School of Education faculty and staff assist students with all aspects of the application. Once accepted, students become designated as Teaching Candidates.

All applicants must receive a positive recommendation from the TCH 201 professor to be eligible for formal admission to the School of Education. This recommendation is an internal process; students are not required to seek a formal recommendation from their TCH 201 professor.

Consistent with its mission and motto of Opportunitas, Pace University provides prospective teachers with multiple paths, assessments and support for meeting the high standards of entry into the School of Education. Students are required to meet the Program Admission Requirements outlined below. However, students who may not meet one or more of the admission requirements are provided with a variety of alternative ways to demonstrate that they meet or exceed the program entrance criteria. Students who do not meet the requirements for full admission but who do meet conditional entry requirements will complete a Competency Contract outlining an Action Plan for demonstrating competence in any knowledge-base or skill identified as below criteria. For example, if an applicant receives a grade below B- in ENG 110, the applicant will be provided with a variety of options to meet this standard. These options would include demonstrating the knowledge or skill through a) portfolio, b) examination, c) some other means detailed in the Action Plan, or d) earn a grade of B- or better in ENG 120.

Additional individual assistance in meeting entrance standards is available through Pre-Teach courses and seminars and through the University Center for Academic Excellence and the School of Education Office of Student Support Services. Applicants may be admitted conditionally to the School of Education for one semester. Applicants who do not meet all standards for full admission by the end of that semester will have their academic record reviewed by the Student Affairs Committee with the potential outcome that they will not be allowed to continue in the School of Education.

Admission Criteria Summary

Most education majors file a formal application to the School of Education in the first semester of their sophomore year, upon completion of approximately 45 credits, including TCH 201. Students who have completed less than 45 credits should contact the Director of Student Support Services before filing the application. The specific deadline for filing the application will vary from year to year, but typically the application period closes at the end of December of the sophomore year.

Internal and external transfer students who transfer into the School of Education as juniors must file a formal application for transfer students at the end of their first semester, typically no later than December 1. Students who transfer into the School of Education as sophomores will file the
application during the regularly scheduled application period in the spring semester.

Any student who fails to file a completed application by the stated deadline will not be allowed to continue in the School of Education, unless the Student Affairs Committee determines that there were extenuating circumstances preventing the student from meeting the deadline. It is the student’s responsibility for completing the application by the stated deadline.

What's Included in the Application

A completed application includes the following items:

• The FORMAL APPLICATION with all indicated areas completed and the application signed;
• A typed, double-spaced "STATEMENT OF INTENT" of no more than 200 words, that is both spell-checked and edited, in which the student makes clear why he or she wants to become a teacher;
• 3 LETTERS OF RECOMMENDATION from Dyson or CSIS professors. Transfer students may ask professors from their transfer institution to complete the recommendation form;
• PACE TRANSCRIPTS printed out from the student’s Pace portal. Transfer students must also include transcripts from their transfer institution. Student copies are acceptable;
• PROOF OF REGISTRATION FOR THE LAST (or Praxis) exam. (Only those students who scored less than 520 on the SAT Verbal I and/or SAT Math are required to take the LAST [or Praxis] at this time.);
• ON-DEMAND WRITING SAMPLE. Students should be prepared to sit down and write a 250-word essay when they come to Buchsbaum House to submit the completed application. The essay topic will be drawn from issues addressed in TCH 201 and will demonstrate effective writing skills on demand. Applicants with weak writing skills will be referred to the Pace Writing Center.

Where to Submit the Application

Completed applications may be submitted to the Office of Student Support Services in Buchsbaum House in Pleasantville anytime during the application period but no later than the posted application deadline. Junior transfer students will submit their completed application at the end of the first semester, on or around December 1. All supporting documents must be submitted at this time and the student must be able to sit for the on-demand writing sample. Incomplete applications will not be accepted.

Questions

Any questions regarding the application process should be directed to the Office of Student Support Services at Buchsbaum House on the Pleasantville campus in advance of the application deadline.

Transfer Students

To be eligible for admission to Pace University as an education major, the transfer student must have a minimum cumulative GPA of 2.85 from the transfer institution(s). Education majors at Pace move through the program as a "cohort," with specific education courses offered only in specific semesters. Once the Transfer Credit Evaluation form has been completed and the transfer student’s total transfer credits have been tallied, the transfer student will be placed in a freshman, sophomore or junior level cohort, defined as below:

• Freshman: 0-32 credits
• Sophomore: 33-64 credits
• Junior: 65-96 credits

A transfer student within six credits of the next cohort level may petition to be placed in the higher cohort, with a written plan demonstrating how the credit deficiencies will be met by the end of the junior year. This plan will be reviewed by the Director of Student Support Services and a determination made.

Transfer students with less than a 2.85 cumulative GPA from the transfer institution(s) are encouraged to pursue Core requirements as an "Undecided" major at Pace. If the transfer student is successful at raising their grade point in the first or subsequent semesters at Pace, the student may apply for permission to declare Education as his/her major.

The School of Education recommends that students transferring to Pace with significantly more than 65 credits complete an undergraduate major in Liberal Arts & Sciences (for those who ultimately want to get certified in Childhood Education) or the subject area (e.g., Math, English, etc.) for those who want certification in Adolescent Education. Once the undergraduate degree is earned, the student may then apply for admission to the Masters of Science for Teachers (MST) program. This route delays certification until the graduate level and eliminates the expense of additional undergraduate semesters while meeting a state requirement for earning a Master's degree.

Formal Admissions Process

All education students, whether they come to Pace as first-year students or later as transfer students from another institution, must go through a formal admissions process to the School of Education. For most students, this is the second semester of the sophomore year. However, transfer students who are admitted to Pace as education majors in their junior year are granted automatic "conditional admit" status for the first junior semester. And at the end of that first semester, the junior-level transfer student will file a formal application to the School of Education.

Academic Standing

Professional Behaviors and Dispositions

As a school preparing future educators, we have specific expectations for the professional dispositions and behaviors exhibited by our teaching candidates both in and out of the classroom. In addition to consistently meeting our academic standards, we require all of our teaching candidates to meet the professional standards outlined below in order to be admitted to the School of Education and to remain in good standing. We believe that these standards are essential to good teaching, and work to promote them in
ourselves as well as our candidates. The professional standards are as follows:

- Teacher candidates must exhibit a respect for the opinions and feelings of others, and value diversity of thoughts and ideas.
- Teacher candidates must take responsibility for their own actions, and recognize the value of intrinsic motivation for themselves and others.
- Teacher candidates must commit to the creation of a positive learning environment for themselves and those around them.
- Teacher candidates must be thoughtful and responsive communicators, both in speaking and listening roles.
- Teacher candidates must exhibit promptness, consistent attendance and follow-through in relation to School of Education and field-work requirements and procedures.
- Teacher candidates must exhibit an openness and receptivity to constructivistic feedback.
- Teacher candidates must use discretion, and respect the confidentiality of their peers, as well as any children with whom they might be working.
- Teacher candidates must present themselves in ways that positively reflect Pace University and the School of Education, and that are consistent with the School's commitment to social justice and caring classrooms.

Due to the responsibility with which teachers are entrusted, we strongly believe in the absolute necessity that our students meet high academic as well as dispositional standards. Failure to meet these standards may result in either failure to be admitted to the School or dismissal from the School.

Maintaining Good Standing in The School of Education

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification and is, therefore, subsequently referred to as a candidate. To remain in good standing and progress through a School of Education program, a candidate must maintain a QPA of at least 3.0, must earn a grade of B or higher in each education course, and must meet the disposition and performance expectations of the School.

Summary of Criteria For Program Continuation, Completion, and Eligibility for Teacher Certification

Once admitted, teacher education candidates must continue to demonstrate success in each of the essential aspects of the teacher preparation program:

- understanding the theories presented in coursework,
- practicing teaching skills during fieldwork in the Centers for Professional Development (CPD),
- demonstrating the knowledge base of the program in course work and examinations,
- and evidencing the dispositions required for teaching.

While successful teachers merge theoretical understandings and skills of practice in their classrooms daily, candidates preparing to be teachers must sometimes demonstrate their knowledge and skills separately. It is possible to be successful in coursework and not in fieldwork, or the reverse, or to be successful in both but not demonstrate the dispositions required to teach. Since teachers must be strong in knowledge, skills and dispositions, candidates who are permitted to continue in the program must demonstrate their abilities in educational theory and practice as well as their content knowledge in the liberal arts and their certification area(s). In student teaching, the components of content knowledge, educational theory, practice and appropriate dispositions are combined. Successful completion of student teaching and passing scores on the New York State Teacher Certification Examinations (NYSTCE) are required before a candidate is eligible for certification.

1. **Success in coursework is defined as:**
   - An overall QPA of 3.0
   - A grade of B or better in each education course
   - A QPA of 3.0 in the academic major/concentration.

2. **Success in fieldwork is defined as:**
   - A grade of P (passing) from the CPD clinical faculty member. A grade of P in the CPD means that candidates have met all of the applicable CPD performance indicators at a level of competent (2) or exceeds expectations (3) for that semester.

3. **Success in student teaching is defined as:**
   - Meeting the performance indicators for student teaching throughout the semester as defined on the assessment matrix.
   - A grade of P in student teaching.
   - A positive recommendation from both the Pace Supervisor and the Mentor Teacher.
   - A passing capstone project as defined in the guidelines.

4. **Success with the NYSTCE is defined by the scores established by New York State (passing = a score of 220) on the following tests:**
   - Liberal Arts and Sciences Test (LAST)
   - Elementary or Secondary Assessment of Teaching Skills - Written (ATSW)
   - Content Specialty Test (CST) in the certificate field(s)

Student Teaching Capstone Requirement

All candidates must successfully complete a capstone project as part of the teacher preparation program. The portfolio requirements will be introduced to the candidates early in the program, and the project itself will be due prior to program completion. Rubrics defining successful completion of the capstone are available in the SOE capstone guidelines document.
Academic Probation and Dismissal Policy

Once admitted to the School of Education, the applicant is considered a candidate for teacher certification. To remain in good standing and progress through a School of Education program, a candidate admitted to School of Education must maintain throughout the program the same standards as those for admission.

Prior to admission to the School of Education (SOE), University probation and dismissal policies apply. Upon admission to the School of Education the following probation policy applies; SOE candidates will be placed on probation when:

- The candidate's overall QPA falls below 3.0.
- The candidate's QPA falls below 3.0 in the major (Dyson or SOE major(s)).
- The candidate receives a grade below "B" in any education course.

In the first semester that a candidate is placed on academic warning, he or she is required to meet with an adviser to develop an Action Plan to return to good standing. Probationary status may include restrictions on the type or number of courses that the candidate will be allowed to register for, and/or referral to the Center for Academic Excellence, or other support centers, for academic skill development. A candidate may also be required to retake courses. At the end of the academic warning period, the candidate must either achieve the academic requirements or show significant academic improvement in order to continue in the School of Education.

If students at the candidate level fail to achieve the required QPA or grades after the academic warning period, they may not continue in the School of Education. Candidates may appeal their dismissal from the School of Education by sending a written appeal to the Associate Dean of the School of Education no later than two weeks from the receipt of written notification of removal from the School of Education. Students may not continue in the School of Education if they fail to meet the academic requirements for more than two semesters (consecutive or nonconsecutive). Candidates who are not allowed to continue in a School of Education program must transfer to another Pace school or college. If the academic record of the candidate prohibits another Pace school or college from accepting the student, then the student may be dismissed from the University.

Advising

The School of Education Office of Student Support Services assists candidates in achieving their educational and professional goals by providing group and individualized academic advisement. A candidate seeking information and advice about program and degree options, course schedules, transfer credits, teacher certification requirements, or academic concerns is encouraged to contact the Office of Student Support Services on his or her campus at:

New York City
163 William St, 11th floor
(212) 346-1338
Buchsbaum House
(914) 773-3571

During the fall semester of freshman year, all first year students who enter Pace indicating an interest in teaching are assigned to a designated education section of UNV 101, taught by School of Education staff.

Students will continue to receive group advisement, information about careers in teaching, and assistance with the New York State teacher examination and certification process. Upon formal admission to the School of Education in the sophomore year, candidates are assigned a faculty adviser who continues to provide academic and professional advisement and mentoring throughout the program. Candidates should meet with their faculty adviser at least once each semester to review their academic progress, plan course schedules, and discuss professional plans.

Student Organizations

Future Educators Association

FEA is an organization whose purpose is to unite all students who are interested in education as a profession. Our objective is to assure that those students interested in education can belong to an organization that is tailored to the profession by providing beneficial workshops like Project Learning Tree, and guest speakers discussing up-to-date educational information, skills, and strategies that are necessary to become a successful educator. The FEA is open to undergraduate students on our Pleasantville campus.

FEA is also associated and involved with NEA, National Educators Association, which is a nationwide organization that supports education and its many facets. For more information about FEA, e-mail us at education@pace.edu.

Pi Lambda Theta

Pi Lambda Theta (PLT) is an International Honor and Professional Association in Education. Our purpose is to recognize individuals of superior scholastic achievement and high potential for professional leadership, and to stimulate independent thinking educators who can ask critical questions to improve educational decision making. Members of PLT must have a minimum QPA of 3.7 and are either seniors or graduate students obtaining a degree in education. Student member dues are $27 per year.

For more information about PLT, contact Faculty Advisor, Sister M. John Delany (mdelany@pace.edu), or Treasurer Anna Fishman (afishman@pace.edu), Administrative Director in the Office of the Dean School of Education.
Program Majors

There are three general options for majors for individuals who seek to work in schools: Childhood Education, Adolescent Education, and Communication Sciences and Disorders.

Childhood Education (Westchester campus only): Candidates preparing to teach children in elementary schools (grades 1-6) major in Childhood Education. Childhood Education majors also complete a 30-credit concentration in Pace’s Dyson College of Arts and Sciences in art, biology, earth science, English, history, or mathematics.

Adolescent Education (Westchester campus only): Candidates preparing to teach students in secondary school settings (high school, junior high schools, or middle schools - grades 7-12) complete an arts and sciences major in the specialty field they wish to teach (from the Pace’s Dyson College of Arts and Sciences) in biology, chemistry, earth science, English, history, or mathematics. These candidates also complete an Adolescent Education major with the School of Education.

Teaching Students with Speech and Language Disabilities (NYC Campus): Candidates preparing to work with students who have speech and language disabilities major in Communication Sciences and Disorders in Pace’s Dyson College of Arts and Sciences and complete a concentration in Teaching Students with Speech and Language Disabilities. The courses in that concentration are drawn from a combination of courses from Communication Sciences and Disorders and courses from the School of Education. Students may also complete additional coursework and experiences to qualify for a Bilingual Extension of this certificate. These program concentrations are available on our New York City campus only.

Honors College options are available for all programs. Contact an adviser in the School of Education for information on Honors College requirements for teacher preparation programs.

State Certification Options

Pace University programs lead to two different levels of New York State teaching certificates, the Initial Certificate and the Professional Certificate. An Initial Certificate is the minimal certificate required to teach in public schools in the State of New York. The academic requirements for the Initial Certificate are met through all Pace teacher preparation programs. To continue to teach in New York, a student must ultimately obtain a Professional Certificate. One advantage of Pace’s Combined Degree Program is that it meets the academic requirements for both the Initial and the Professional Certificate. Additional information regarding New York State Teaching Certificates including time limits and specific criteria can be obtained at www.nysed.gov. For information on certificate requirements in another state, students should contact the teacher certification bureau for that state. Pace programs meet the academic requirements for certification in most other states, especially those states that are, like New York, members of the Interstate Certification Compact.

New York State regulations in effect at the printing of this catalog require that all newly certified teachers complete a master’s degree within five years of obtaining the Initial Certificate. Pace University offers two routes to the master’s degree. Students may opt to complete the Combined Degree, completing the undergraduate and graduate programs simultaneously in five years, or they may qualify for Initial certification requirements in four years through the undergraduate program, begin teaching, and complete the master’s degree part-time while teaching.

New York State Certification Examinations

Note: New York State teacher certification examinations will be in effect for candidates graduating on or after May 1, 2014. Candidates graduating on or after May 1, 2014 should NOT take the below exams.

Currently, New York State requires that candidates for all teaching certificates successfully complete New York State Teacher Certification Examinations (NYSTCE). For Initial Certification students must pass the Liberal Arts and Sciences Test (LAST), the Assessment of Teaching Skills-Written (ATS-W) test, and the Content Specialty Test (CST) for each certificate area sought. Pace University integrates information about, and preparation for, these examinations throughout each of our programs. Students seeking certification in other states are required to pass examinations specified by that state. Staff in SOE offices maintain information on certification in other states. Information is also available on each state’s education department Web site.

Certificate Extensions

A certificate extension allows the holder of a certificate to teach an additional student population, grade, or subject. Each extension requires additional coursework, field-based experiences and/or certification examination(s). Within Pace University programs, students can become eligible for the following specialty certificates and extensions:

- Bilingual Education Extension (for General Classroom Instruction or for Educational Technology)
- Middle Level Education Extension to Grades 5-6
- Middle Level Education Extension to Grades 7-9

Bilingual Education Extension: Individuals who hold Childhood (grades 1-6) certificates take TCH 351 and TCH 453 for the extension. Individuals who hold an Adolescent or Middle Level Certificate (grades 7-12) take TCH 351 and TCH 454. Applicants for a NYS bilingual education extension to their certificate must also complete field-based experiences in bilingual classrooms and the appropriate NYS examinations in both English and the target language. Individuals seeking bilingual extension for the educational
technology specialist certificate must also study methods of providing educational technology services to bilingual English language learners, using the target language and English.

Middle Level Education Extensions: Extensions to authorize the teaching of a subject in grades 7 through 9 for holders of certificates in Childhood Education (grades 1 through 6) requires a minimum of 30 semester hours in the subject to be taught (e.g., mathematics, English) and the courses TCH 455 and TCH 456. Extensions to authorize the teaching of a subject in grades 5 and 6 for individuals who already hold certificates in teaching biology, chemistry, earth science, English, mathematics, physics, or social studies (grades 7 through 12) requires the courses TCH 455 and TCH 456. All middle level extensions require field-based work in middle-level classrooms and the appropriate certification examination(s).

### Education Programs

#### Adolescent Education Major

**Bachelor of Arts (PLV)**

Students preparing to teach children in middle or high school complete a specialized concentration and major at Pace University. Adolescent students concentrate in the subject area they want to teach plus a major in Adolescent Education. Each of our Adolescent Programs is nationally recognized, and all of our adolescent programs lead to a Bachelor's Degree (BA) and the Initial Teaching Certificate in Adolescent Education (Grades 7-12). In addition, candidates may opt to pursue a Bachelor's Degree (BA) and Masters of Science Education (MSEd) in our 5th year Combined Degree program simultaneously.  
- Biology
- Chemistry
- Earth Science
- English
- History (a history program major yields Social Studies certification)
- Mathematics

**Testing-Out of Classes and Waivers**

Students may test out of selected courses including ENG 110, TS 105/CIS 101, or a language requirement. Candidates should discuss these options with their advisers. UNV 101 requirements are waived for all transfer students.

**Please Note:** For teaching candidates, University Core second language requirements must be met by TWO courses in the same language. This requirement may also be met by courses in American Sign Language.

Required Learning Community Experience:

Civic Engagement Requirement
TCH 201  Education I: Understanding Schools  4

Learning Community (LC) Requirement
ONE Learning Community Course

Writing Enhanced Courses Requirements
TCH 201  Education I: Understanding Schools  4
And

ONE additional course indicated by (WE).

**Childhood Education Major**

**Bachelor of Arts (PLV)**

The Childhood Education major prepares candidates for certification to teach in grades 1-6. Combined-degree programs prepare candidates for certification to teach additional grades, levels, or subjects depending on the selection of program. Candidates with interests in additional certificates or extensions should contact an adviser in the School of Education for program specifics. Honors program option worksheets are available in School of Education offices.

Major in childhood education with required concentration in ONE of the following:
- Art
- Biology
- History
- Earth Science
- English
- Mathematics

**Testing-Out of Classes and Waivers**

Students may test out of selected courses including ENG 110, TS 105/CIS 101 or a language requirement. Students should discuss these options with their advisers. UNV 101 requirements are waived for all transfer students.

Note: For teaching candidates, University Core second language requirements must be met by two courses in the same language. This requirement may also be met by courses in American Sign Language.

**Childhood Education Major with Concentration in Art**

**Requirements**

**University Core – (60 credits)**

**Foundation Requirements (29-30 credits)**
- ENG 110  Composition  3
- ENG 120  Critical Writing  4
- ENG 201  Writing in the Disciplines  3
- COM 200  Public Speaking  3
- MAT 109A  Principles of Mathematics I  3
- TS 105  Computers for Human Empowerment or
- CIS 101  Introduction to Computing  3
- BIO 123  Biology and Contemporary Society And
- UNV 101  First-Year Seminar: Introduction to University Community  1

MAT 109A: or higher
UNV 101: waived for transfer students

**Areas Of Knowledge (AOK)**

ONE additional course from an AOK listed.

**WH: Western Heritage (formerly AOK 2) (3)**
- HIS 113  The American Experience: Changing Roles of Women

**WTC: World Traditions and Cultures (formerly AOK 3) (3)**
Suggested: Art course from WTC.

**HCE: Humanistic and Creative Expression (formerly AOK 4) (3)**
Suggested: Art course from HCE.

**HSN: Analysis of Human, Social, and Natural Phenomena (formerly AOK 5) (3)**

**In-Depth Sequence and Concentration (9)**
- Any non lab or lab Science  3
- HIS 367  History and Geography of New York  3
- HIS 111  American Civilization to 1877 OR
- HIS 112  American Civilization Since 1877 And
- Any Literature course  3
- PSY 302  Child Psychology  3

MAT 109 (exempt if Foundations Math was Calculus or higher).

FOUR studio or art history courses.

**Childhood Major Requirements (45 credits)**
- TCH 201  Education I: Understanding Schools  4
- TCH 211A  Professional Seminar II: Keeping Children Safe
TCH 211B  Professional Seminar III  1
TCH 215  Curriculum and Teaching -  Secondary Schools  4
TCH 301  Education II: Understanding Learning and Teaching  4
TCH 302  Introduction to Special Education  4
TCH 310  Emergent and Early Literacy  4
TCH 350  Mathematic Methods: An Integrated Approach  4
TCH 410  Literacy II: Teaching Fluent Readers  4
TCH 420  Science Methods: An Integrated Approach  4
TCH 440  Social Science Methods: An Integrated Approach  4
TCH 498  Supervised Student Teaching and Seminar  8

Electives (0-20 credits)
As needed to bring total credits to 128.

Required Learning Community Experience:

Civic Engagement Requirement
TCH 201  Education I: Understanding Schools  4

Learning Community (LC) Requirement
ONE Learning Community Course

Writing-Enhanced Courses Requirements
TCH 201  Education I: Understanding Schools  4
And
ONE additional course indicated by (WE).

Total Credit Hours: 128-133

Childhood Education Major with Concentration in Biology

Requirements

University Core – (60 credits)

Foundation Requirements (29-30 credits)
ENG 110  Composition  3
ENG 120  Critical Writing  4
ENG 201  Writing in the Disciplines  3
COM 200  Public Speaking  3
Second Language Proficiency (CHI, FRE, ITA, JPN, RUS, or SPA)  6
MAT 109A  Principles of Mathematics I  3
TS 105  Computers for Human Empowerment  4
CIS 101  Introduction to Computing  3
And
BIO 123  Biology and Contemporary Society  4
UNV 101  First-Year Seminar: Introduction to University Community  1
MAT 109A: or higher
UNV 101: waived for transfer students

Areas Of Knowledge (AOK)

ONE additional course from any AOK area listed.

WH: Western Heritage (formerly AOK 2) (3)
HIS 113  The American Experience: Changing Roles of Women

WT: World Traditions and Cultures (formerly AOK 3) (3)
See approved list for AOK 3.

HCE: Humanistic and Creative Expression (formerly AOK 4) (3)
See approved list for AOK 4.

HSN: Analysis of Human, Social and Natural Phenomena (formerly AOK 5) (3)
See approved list for AOK 5.

In-Depth Sequence and Concentration
HIS 111  American Civilization to 1877  3
HIS 112  American Civilization Since 1877  3
Any Literature course  3
MAT 109B  Principles of Mathematics II  3
PSY 302  Child Psychology  3
Any non-lab (or lab) Science (Recommended: BIO course)
FIVE additional BIO Courses, with TWO additional possible as needed to reach 30 credits.

Childhood Major Requirements (37 credits)
TCH 201  Education I: Understanding Schools  4
TCH 211A  Professional Seminar II: Keeping Children Safe  1
TCH 215  Curriculum and Teaching - Secondary Schools  4
TCH 301  Education II: Understanding Learning and Teaching  4

AND

Childhood Majors with an Earth Science Concentration who do not test out of anything in the Foundations Section and who complete 6 credits of Mathematics will need up to 133 credits in this program.

Middle School Extension - TCH 455 and TCH 456. To obtain Earth Science certification in grades 7-9 via the Middle School Extension, concentration courses should include geological, water, atmospheric and space systems. May include other acronyms such as astronomy, chemistry, physical sciences, oceanography, environmental, atmospheric or space science or...
SCHOOLS | 243

engineering, given sufficient evidence of earth science content.

Total Credit Hours: 128-133

Testing-Out of Classes and Waivers

Students may test out of selected courses including ENG 110, TS 105/CIS 101 or a language requirement. Language majors wishing to test out of a language requirement may wish to take a CLEP exam for credits toward the language certification minimum of 30 credits. Students should discuss these options with their advisers. UNV 101 requirements are waived for all transfer students.

Combined Degree Programs

(Bachelor of Arts and Masters of Science in Education are earned concurrently.)

Childhood Education and Educational Technology

Childhood Education and Literacy

Adolescent Education* and Educational Technology

Adolescent Education* and Literacy

Adolescent Education* and Special Education

Two-Degree Programs

(Bachelor of Arts is earned first, followed by Masters of Science in Education.)

Adolescent Education* and Educational Technology

Adolescent Education* and Literacy

Adolescent Education* and Special Education

*Must choose a major in biology, chemistry, earth science, English, history (for social studies), Italian, mathematics, or Spanish. Programs available on Pleasantville campus only.
Adult and Continuing Education

Adult and Continuing Education Mission

Pace University’s Adult and Continuing Education provides flexible programs to allow the adult student to pursue specific educational goals. Opportunities are provided in both credit (non degree & visiting students; degree programs; credit-bearing certificates; testing and prior learning options) and noncredit (continuing professional development; senior programs) programs.

The Undergraduate Admission Office and Adult and Continuing Education work together to serve adult and nontraditional students, including non-degree students. Degree-seeking students should start by contacting the Adult Admission Counselor in Undergraduate Admission by going to www.pace.edu/prospectivestudents/adult.continuing-ed. Non-degree-seeking students may go directly to Continuing and Professional Education at www.pace.edu/careerforward.

Noncredit and Nondegree Programs

Pace University’s Continuing and Professional Education offers a variety of noncredit courses, seminars, certificates, and training opportunities. For a list of courses, please visit: www.pace.edu/careerforward

Adult Degree Programs

Individualized adult degrees combine your work-life experience with credit courses to complete your degree. Online Accelerated Bachelor’s Degrees can be completed part time: www.pace.edu/iPace. There are flexible adult programs as well that are listed at www.pace.edu/prospectivestudents/adult-continuing-ed. You can also contact the office at 212-346-1324 or via email at adultdegrees@pace.edu.

iPace

iPace is the new primarily online degree completion program designed for adults with busy work and family lives who cannot attend a university full-time. iPace degree programs are part-time and are an ideal program for those who have at least 56 college credits or an associate degree. The degrees in iPace are convenient and career-focused. Students receive a Pace degree, take courses taught by Pace University faculty, and receive high-touch academic advisement and online academic support to ensure timely completion of the undergraduate degree. For more information about iPace, go to: www.pace.edu/ipace.

There are four iPace programs:

• **BBA in Business Studies** (100% online)
  - Concentrations in Business Communications or Accounting/Internal Auditing
• **BS in Professional Technology Studies** (100% online)
  - Concentration in Computer Forensics
• **BS in Professional Communication Studies** (100% online)
• **BS in Nursing** (Online + in-person sessions)

There are flexible adult programs in the following:

**Degrees designed specifically for adults are:**

• Bachelor of Arts in Liberal Studies
• Bachelor of Science in Professional Studies
• Bachelor of Science in Professional Computer Studies
• Bachelor of Business Administration in Business Studies

You may go to: www.pace.edu/prospectivestudents/adult-continuing-ed. You can also contact the office at 212-346-1700 or via email at adultdegrees@pace.edu.

For Non-Degree Seeking Students, Including Visiting Students and Post-Baccalaureate Students We Offer:

• Adult Degree Programs
• Prior Learning Assessment Services
• Nondegree and Visiting Students
• Noncredit/Continuing and Professional Education

  1. Admission and registration processes.
  2. Academic advisement including:

  a. tentative evaluation of transfer credits for educational planning
  b. review of degree programs best suited to meet the needs of students
  c. referral to appropriate resources for counseling and career services
  d. advisement for nondegree, noncredit, and continuing education programs.

  3. Assessment of prior learning for college credit.

  4. Preliminary advisement for special degree programs designed for adult students who have accumulated a large number of transfer credits or are planning to use prior learning assessment to complete their degree.

  5. Orientation to the academic world for returning adults and other nontraditional students.

• Bachelor of Art in Liberal Studies
• Bachelor of Science in Professional Studies
Matriculation

In order to receive a degree, students must become matriculated; that is, officially accepted into a degree program.

Students who wish to pursue a degree may be asked to take specific courses in order to demonstrate academic ability before being accepted into a degree program. Because many students come to Pace University with previous college credit, a meeting with an adviser is recommended for course selection. Prior credits earned will be applied to degree requirements upon the student’s acceptance into a degree program. In general, the recommended requirements for matriculation are:

Requirements For Matriculation

Completion of twelve (12) University Core credits at Pace University, including ENG 110 and 120* and a minimum 2.0 grade point average. In addition, students matriculating into the Lubin School of Business must complete MAT 103 or higher* within the 12 University Core credits. Students matriculating into the Lienhard School of Nursing and the School of Education must attain a 2.75 and 3.0 grade point average respectively. (Note: All I-R grades must be cleared before matriculation).

*Unless these writing or math courses transfer in from another institution. Other courses may be substituted.

Earning Credits Towards Your Degree

Prior Learning Assessment

Adult students are likely to have acquired college-level learning outside of the academic classroom. In addition to evaluating transfer credit from prior college work, Pace University offers assessment of prior learning, including credit by examination, experiential learning assessment, and acceptance of ACE/PONSI-recommended credit.

Experiential Learning Assessment

Pace University recognizes that adults often come to school with a great deal of experience and knowledge gained
