## ▶ Lubin School of Business. *Why?*

• **Boundless.** Go anywhere and do anything with 20 programs (and counting) all aligned with New York's global business community. Programs are offered between our two campuses, with several available for you to study business abroad.

• **Elite.** Recognition and partnerships with the Association of Chartered Certified Accountants, Chartered Financial Analyst Institute, Global Association of Risk Professionals, and AACSB International (one of only 2% of schools worldwide accredited for both business and accounting) give your Lubin degree a reputation for excellence.

• **Competitive.** The most visible national advertising, marketing, accounting, and finance competitions—our student teams are there, active, and winning.

• **Connected.** Lubin makes it easy for you to shake the right hands and network with the right people. Alumni are always looking to hire Pace students in the entertainment, financial, and start-up industries, and C-suite business leaders visit campus through the Executive in Residence program.

• **Equipped.** As a Lubin student, you'll prepare by doing—in classes that let you invest real money, programs that let you pitch real business ideas for funding, and with software like Bloomberg that helps you gain real critical business and financial skills. You can do it all.

## ▶ Who hires Lubin students?

- "Big Four" accounting firms
- Federal Reserve Bank of New York
- JPMorgan Chase
