PACEPATH

AHEAD OF THE CLASS. AT THE TOP OF YOUR GAME.

*The SCHOOL OF EDUCATION will prepare you
to change lives, starting with your own.*

OUTPERFORM. Pace fully prepares you for excellence—consistently scoring a higher pass rate on the New York State certification exam than other schools.

PREPARED. Practice real teaching and management skills through TeachLivE™, a virtual-reality classroom simulator. Pace was one of the first colleges in the US to use this cutting-edge technology and is currently the only school in the NYC area preparing students with it.

ACCELERATED. Be in classrooms, in the community, or elsewhere in the field one year earlier than other schools. We'll get you where you want to be, faster.

CONNECTED. Our close partnerships and relationships with surrounding area schools give you an edge in hiring and learning opportunities.

FLEXIBLE. Combine and earn your bachelor's and master's degrees in just five years total, and teach almost anywhere. Your New York State teaching certification is reciprocal in 48 states.
