APPLICATION PROCEDURES

Congratulations on your decision to apply to Pace University. Below you will find information regarding our undergraduate admission process. If you have any questions, please feel free to contact an admission counselor at one of the offices listed on the inside front cover of this booklet.

INSTRUCTIONS FOR FIRST-YEAR STUDENTS AND TRANSFER APPLICANTS

Mail all required documents in the enclosed envelope to:

Pace University
Application Processing Center
861 Bedford Road
Pleasantville, NY 10570-2799

All Applicants:

1. The completed application along with a $50 nonrefundable application fee payable to Pace University. Be sure to include your name on the check or money order.

2. Two letters of recommendation from a teacher or counselor who knows you well and can attest to your academic potential and personal characteristics. Please use the forms at the back of this booklet.

3. A written essay/personal statement, approximately 250–650 words in length. You may write on a subject of your choice or on one of the following subjects:

   a. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
   b. The lessons we take from failure can be fundamental to later success. Recount an incident or time when you experienced failure. How did it affect you, and what did you learn from the experience?
   c. Reflect on a time when you challenged a belief or idea. What prompted you to act? Would you make the same decision again?
   d. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma—anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
   e. Discuss an accomplishment or event, formal or informal, that marked your transition from childhood to adulthood within your culture, community, or family.

4. Official college transcript from all postsecondary schools attended (transfer students).

   If you are transferring to the BSN in Nursing program, please note there are additional requirements, including the Evolve Reach Admissions Assessment (A2) examination. For more information about further requirements, visit www.pace.edu/transfer/Nursing.

5. First-year and transfer students with fewer than 32 completed credits must submit the following (in addition to the All Applicants list above):

   a. An official high school transcript (with first semester senior grades, if available) or GED diploma and test scores.
   b. Official SAT or ACT scores. To request SAT/ACT scores, use the codes below. We will also accept SAT/ACT scores sent by your high school counselor on the official high school transcript. Applicants who have been out of school for two or more years are not required to submit test scores. Submission of SAT/ACT scores is optional for applicants to the Associate program in General Arts and Sciences. Please note: Pace University participates in several electronic transcripts networks: Credentials, Parchment Exchange, National Student Clearing House, and eSCRIP-SAFE. Whenever possible, Pace prefers to receive transcripts electronically. Confirm with the prior institution to determine if they participate in any of these networks. If a send-to-e-mail address is required, please use AppProcessing@pace.edu.

To be considered for a performing arts major, first-year and transfer students must:

2. Auditions and/or interviews are required for entrance to the School of Performing Arts. Information about auditions will be sent to each applicant upon receipt of application. Students will be notified on or close to March 31 regarding audition results, provided the student has been admitted based on academic review by the Office of Undergraduate Admission. (FALL ADMISSION: FIRST-YEAR STUDENTS ONLY)

The CAP program is a one-year program designed to help first-year students meet the academic demands of a college education and is geared toward applicants whose potential is not fully reflected in their academic profile. Entering first-year students must first apply to the University and then be invited to join by the CAP Admission Committee.

COLLEGE COURSEWORK COMPLETED IN HIGH SCHOOL

Applicants who completed AP, IB, or other college-level coursework while attending high school may be eligible for transfer credit. For evaluation of credits, forward official college transcripts and/or test score reports to the Undergraduate Admission Office. In general, an AP score of 4 or better is awarded credit at Pace. The Computer Science Department grants credit for a score of 3 or better. For a full list of Pace’s AP test score requirements, visit www.pace.edu/AP.

DEFERRED ADMISSION

In some cases, an accepted student may defer his or her enrollment for one or two semesters, provided the request is approved by the Director of Admission. (A student who is not granted a deferral or attends another college prior to enrolling at Pace must file a new application for admission.)

Requests for deferred admission should be made in writing to the Office of Undergraduate Admission. A student who is granted approval to defer his or her admission will be reconsidered for academic scholarship, housing, and financial aid prior to enrolling at Pace University.

Students who are approved for a deferral will be notified in writing by the Director of Admission.

**ESSAY/PERSOMAL STATEMENT**

We require that you write an essay/personal statement of approximately 250–650 words, which will assist the Admissions Committee in reviewing your application. The personal statement you submit must consist solely of your own original work. You may write on a subject of your choice or one of the following topics:

a. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.

b. The lessons we take from failure can be fundamental to later success. Recount an incident or time when you experienced failure. How did it affect you, and what did you learn from the experience?

c. Reflect on a time when you challenged a belief or idea. What prompted you to act? Would you make the same decision again?

d. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma—anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.

e. Discuss an accomplishment or event, formal or informal, that marked your transition from childhood to adulthood within your culture, community, or family.
