High School Bridge Program Application/Registration Form

The Pace Bridge Program is specifically designated for currently enrolled high school juniors and seniors who are interested in taking an introductory-level academic course at Pace University (from approved course list). All students must be in good academic standing and have written approval from their guidance counselors. The tuition is \$450 per credit hour* and courses are offered at Pace University during the fall, spring, and summer semesters (bridge courses taught at a high school are only offered in fall and spring). To determine eligibility, each student must submit an application/registration form, letter of recommendation from his/her guidance counselor or principal, and an official high school transcript.
